**1. CONTRACT DOCUMENTS**

The contract documents consist of the contract agreement, proposal, bid document specifications, addenda issued prior to receipt of bids, and all subsequent modifications and changes issued pursuant to the bid documents.

The contract represents the agreement between the parties and supersedes all prior negotiations, representations and agreements, whether written or oral, including the bidding documents which may have resulted from the Bid Documents.

The contract may be revised, modified and/or amended by mutual written consent of both parties and where applicable the approval of the NYS Attorney General (AG), Office of the State Comptroller (OSC) or the Department of Financial Services (DFS). The contract is made in accordance with the laws of New York State.

**2. TERMINATION OF CONTRACT**

- a. **For Cause:** For a material breach that remains uncured for more than thirty (30) days or other specified period after written notice to the Contractor, the Contract may be terminated by NYSIF at the Contractor’s expense where Contractor becomes unable or incapable of performing, or meeting any requirements or qualifications set forth in the Contract, or for non- performance, or upon a determination that Contractor is non-responsible. Such termination shall be upon written notice to the Contractor. In such event, NYSIF may complete the contractual requirements in any manner it may deem advisable and pursue available legal or equitable remedies for breach. NYSIF shall have the right to award a new contract to a third party. In the event of termination for cause, NYSIF shall seek recovery damage incurred by NYSIF and the reasonable re-procurement costs associated in reassigning the contract.
- b. **For Convenience:** This Contract may be terminated at any time by NYSIF for convenience upon sixty (60) days written notice or other specified period without penalty or other early termination charges due. Such termination of the Contract shall not affect any project or Purchase Order that has been issued under the Contract prior to the date of such termination. If the Contract is terminated pursuant to this subdivision, NYSIF shall remain liable for all accrued but unpaid charges incurred through the date of the termination. Contractor shall use due diligence and provide any outstanding deliverables.
- c. **For Non-Responsibility:** Upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate NYSIF officials or staff, the contract may be terminated by NYSIF at the Contractor’s expense where the Contractor is determined by NYSIF to be non-responsible. In such event, NYSIF may complete the contractual requirements in any manner it may deem advisable and pursue available legal or equitable remedies for breach.
- d. **For Violation of the Sections 139-j and 139-k of the State Finance Law:** NYSIF reserves the right to terminate the Contract in the event it is found that the certification filed by the Bidder in accordance with Section 139-k of the State Finance Law was intentionally false or intentionally incomplete. Upon such finding, NYSIF may exercise its termination right by providing written notification to the Contractor in accordance with the written notification terms of the Contract.
- e. **For Violation of Revised Tax Law 5a:** NYSIF reserves the right to terminate the contract in the event it is found that the certification filed by the Contractor in accordance with §5-a of the Tax Law is not timely filed during the term of the Contract or the certification furnished was intentionally false or intentionally incomplete. Upon such finding, NYSIF may exercise its termination right by providing written notification to the Contractor.
- f. **Conflicts of Interest:** NYSIF reserves the right to review the nature of relationships and reserves the right to terminate the contract for any reason, or for cause, if, in the judgement of NYSIF, a real or potential conflict of interest cannot be cured.

**3. SUSPENSION OF WORK**

- a. **For Convenience:** NYSIF may order the contractor in writing to suspend performance of all or any part of the work for a reasonable period of time, not to exceed thirty (30) days, as determined by NYSIF.

Upon receipt of a suspension order, the contractor shall, as soon as practicable, cease performance of the work as ordered.

The contractor specifically agrees that a suspension, interruption or delay of the performance of the work pursuant to this proposal shall not increase the cost of performance of the work of this contract.

- b. **For Non-Responsibility:** NYSIF, in its sole discretion, reserves the right to suspend any or all activities under this contract, at any time, when NYSIF discovers information that calls into questions the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as NYSIF issues a written notice authorizing a resumption of performance under the contract.

**4. VENDOR RESPONSIBILITY**

The contractor shall at all times during the contract term remain responsible. The Contractor agrees, if requested by NYSIF, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

**5. SAVINGS/FORCE MAJEURE**

A force majeure occurrence is an event or effect that cannot be reasonably anticipated or controlled. Force majeure includes, but is not limited to, acts of God, acts of war, acts of public enemies, strikes, fires, explosions, actions of the elements, floods, or other similar causes beyond the control of the Contractor or NYSIF in the performance of the Contract which non- performance, by exercise of reasonable diligence, cannot be prevented. Contractor shall provide NYSIF with written notice of any force majeure occurrence as soon as the delay is known.

Neither the Contractor nor NYSIF shall be liable to the other for any delay in or failure of performance under the Contract due to a force majeure occurrence. Any such delay in or failure of performance shall not constitute default or give rise to any liability for damages. The existence of such causes of such delay or failure shall extend the period for performance to such extent as determined by the Contractor and NYSIF to be necessary to enable complete performance by the Contractor if reasonable diligence is exercised after the cause of delay or failure has been removed.

Notwithstanding the above, at the discretion of NYSIF where the delay or failure will significantly impair the value of the Contract to the State, NYSIF may:

- a. Accept allocated performance or deliveries from the Contractor. The Contractor, however, hereby agrees to grant preferential treatment to NYSIF with respect to Product subjected to allocation; and/or
- b. Purchase from other sources (without recourse to and by the Contractor for the costs and expenses thereof) to replace all or part of the Products which are the subject of the delay, which purchases may be deducted from the Contract quantities without penalty or liability to NYSIF; or
- c. Terminate the Contract or the portion thereof which is subject to delays, and thereby discharge any unexecuted portion of the Contract or the relative part thereof.

In addition, NYSIF reserves the right, in its sole discretion, to make an equitable adjustment in the Contract terms and/or pricing should extreme and unforeseen volatility in the marketplace affect pricing or the availability of supply. "Extreme and unforeseen volatility in the marketplace" is defined as market circumstances which meet the following criteria: (i) the volatility is due to causes outside the control of

Contractor; (ii) the volatility affects the marketplace or industry, not just the particular Contract source of supply; (iii) the effect on pricing or availability of supply is substantial; and (iv) the volatility so affects Contractor's performance that continued performance of the Contract would result in a substantial loss.

**6. DISASTER RECOVERY PLAN**

**A. Disaster Recovery Plan**

Contractor shall develop and deliver, upon request, to NYSIF on or before a date as reasonably determined by NYSIF, and at no additional cost to NYSIF, a Disaster Recovery Plan for the services which is acceptable to NYSIF and all appropriate regulatory organizations having jurisdiction over Contractor. The Disaster Recovery Plan, which will apply specifically and exclusively to the services under this Agreement, shall provide a description of the Plan Assumptions, Recovery Strategy, Disaster Declaration, Plan Notification and Activation, and Recovery Resources. Contractor shall make available at its premises its Master Disaster Recovery Plan applicable to all of its operations for review by NYSIF. NYSIF's approval of the disaster Recovery Plan shall not be unreasonably withheld. Review and acceptance of any Disaster Recovery Plan as may be required by any such regulatory organization shall be the responsibility of Contractor. The Disaster Recovery Plan shall provide, at a minimum, for Contractor to provide alternate electrical power for uninterrupted service. The Disaster Recovery Plan shall also designate one or more facilities (each a "Disaster Recovery Site") or separate computer resources to which Contractor shall move the Services (or affected portion of such services) upon the declaration of a Disaster requiring such a relocation (including a Disaster at a Disaster Recovery Site). Each Disaster Recovery Site must be appropriately equipped with data processing equipment which the parties reasonably believe should be sufficient to provide the Services in compliance with Attachment A. The Disaster Recovery Plan must also specify all procedures for the determination or declaration of a Disaster, which determination or declaration may not be unreasonably withheld or delayed by either party.

**B. Access to Disaster Recovery Plans**

1. Contractor shall make available to NYSIF any reports or findings of any regulatory agency dealing with Contractor's disaster recovery capabilities to provide services hereunder, unless it is prohibited from making such disclosure by law or by any such agency, together with any reports of its independent auditors relating to such plans.

Contractor shall also make available to NYSIF results of any tests of Contractor's disaster recovery facilities conducted by Contractor or any third party with respect to the services provided under the Agreement. Contractor shall provide an annual briefing to NYSIF related to its disaster recovery strategy.

2. NYSIF acknowledges that Contractor's Master Disaster Recovery Plan providing disaster recovery for these services contains highly sensitive and confidential business information. It is understood and agreed that NYSIF may examine and approve the Master Disaster Recovery Plan; however, such examination shall be limited to that portion of the plan(s) which relates to the providing of services under this Agreement. Contractor may in its discretion limit NYSIF's review of its Master Disaster Recovery Plan(s) to a review of a copy maintained at Contractor's Capital Region office and not permit any copies to be made.

**C. Disaster Event Notification**

Contractor shall no later than twenty-four (24) hours after the occurrence of an event requiring activation of the Disaster Recovery Plan inform NYSIF that the plan has been activated. At that time, Contractor shall provide NYSIF with a description of the nature and extent of the disaster, an assessment of the impact on all services provided pursuant to this Agreement and a description of the specific recovery actions with their associated timeframes that have been or will be taken as part of the plan. Contractor will provide appropriate periodic updates of the recovery process as required by NYSIF.

**7. PRODUCT DELIVERY**

Delivery must be made as ordered to the address specified on the Purchase Order and in accordance with the terms of the Contract. Unless otherwise specified in the Bid Documents, delivery shall be made within thirty calendar days after receipt of a Purchase Order by the Contractor. The decision of NYSIF as to compliance with delivery terms shall be final. The burden of proof for delay in receipt of Purchase Order shall rest with the Contractor. In all instances of a potential or actual delay in delivery, the Contractor shall immediately notify NYSIF and confirm in writing the explanation of the delay, and take appropriate action to avoid any subsequent late deliveries. Any extension of time for delivery must be requested in writing by the Contractor and approved in writing by NYSIF. Failure to meet such delivery time schedule may be grounds for cancellation of the order or, in NYSIF's discretion, the Contract.

**8. WEEKEND AND HOLIDAY DELIVERY**

Unless otherwise specified in the Bid Specifications, deliveries will be scheduled for ordinary business hours, Monday through Friday (excluding legal holidays observed by the State of New York). Deliveries may be scheduled by mutual agreement for Saturdays, Sundays or legal holidays observed by the State of New York where the Product is for daily consumption, an emergency exists, the delivery is a replacement, delivery is late, or other reasonable circumstance, in which event the convenience of NYSIF shall govern.

**9. SHIPPING / RECEIPT OF PRODUCT**

- a. **Packaging** Tangible Product shall be securely and properly packed for shipment, storage and stocking in appropriate, clearly labeled shipping containers and according to accepted commercial practice, without any extra charges for packing materials, cases or other types of containers. The container shall become and remain the property of NYSIF User unless otherwise specified in the Contract documents.
- b. **Shipping Charges** Unless otherwise stated in the Bid Specifications, all deliveries shall be deemed to be freight on board (FOB) destination tailgate delivery at the dock. Contractor shall be responsible for ensuring that the Bill of Lading states "charges prepaid" for all shipments.
- c. **Receipt of Product** The Contractor shall be solely responsible for assuring that deliveries are made to personnel authorized to accept delivery on behalf of NYSIF. Any losses resulting from the Contractor's failure to deliver Product to authorized personnel shall be borne exclusively by the Contractor.

**10. PRODUCT SUBSTITUTION**

In the event a specified manufacturer's Product listed in the Contract becomes unavailable or cannot be supplied by the Contractor for any reason (except as provided for in the Savings/Force Majeure Clause) a Product deemed in writing by NYSIF to be equal to or better than the specified Product must be substituted by the Contractor at no additional cost or expense to NYSIF. Unless otherwise specified, any substitution of Product prior to NYSIF's written approval may be cause for cancellation of Contract.

**11. REJECTED PRODUCT**

When Product is rejected, it must be removed by the Contractor from the premises of NYSIF within ten calendar days of notification of rejection by NYSIF. Upon notification of rejection, risk of loss of rejected or non-conforming Product shall remain with Contractor. Rejected items not removed by the Contractor within ten calendar days of notification shall be regarded as abandoned by the Contractor, and NYSIF shall have the right to dispose of Product as its own property. The Contractor shall promptly reimburse NYSIF for any and all costs and expenses incurred in storage or effecting removal or disposition after the ten- calendar day period.

**12. INSPECTION AND ACCEPTANCE OF THE WORK**

NYSIF will, from time-to-time, inspect the products being provided and/or the services being performed under the terms of the contract.

All products/work shall be subject to the approval of NYSIF. In the event that any of the products provided/work performed are not acceptable to NYSIF in its sole judgment, the contractor shall replace the product/correct that work in an expeditious manner at no additional cost to NYSIF.

The contractor shall, without charge, promptly correct any problems NYSIF finds do not conform to the contract documents, unless in the public interest NYSIF consents to accept such product or work with an appropriate adjustment to the contract price.

If the contractor does not promptly correct rejected product/work, NYSIF may replace such product/correct such work and charge the cost thereof to the contractor, or terminate the contract in accordance with the Agreement.

### **13. TITLE AND RISK OF LOSS**

Notwithstanding the form of shipment, title or other property interest, risk of loss shall not pass from the Contractor to NYSIF until the Products have been received, inspected and accepted by the receiving entity. Acceptance shall occur within a reasonable time or in accordance with such other defined acceptance period as may be specified in the Bid Specifications or Purchase Order. Mere acknowledgment by NYSIF personnel of the delivery or receipt of goods (e.g., signed bill of lading) shall not be deemed or construed as acceptance of the Products received. Any delivery of Product that is substandard or does not comply with the Bid Specifications or Contract terms and conditions, may be rejected or accepted on an adjusted price basis, as determined by NYSIF.

### **14. EMERGENCY CONTRACTS**

In the event that a disaster emergency is declared by Executive Order under Section 28 of Article 2-B of the Executive Law, or NYSIF determines pursuant to its authority under Section 163 (10) (b) of the State Finance Law that an emergency exists requiring the prompt and immediate delivery of Product, NYSIF reserves the right to obtain such Product from any source, including but not limited to this Contract(s), if NYSIF in its sole discretion determines it will meet the needs of such emergency. Contractor shall not be entitled to any claim or lost profits for Product procured from other sources pursuant to this paragraph. The reasons underlying the finding that an emergency exists shall be included in the procurement record.

### **15. ASSIGNMENT**

The Contractor shall not assign, transfer, convey, sublet, or otherwise dispose of the contract or its right, title or interest therein, or its power to execute such contract to any other person, company, firm or corporation in performance of the contract without the prior written consent of NYSIF. Failure to obtain consent to assignment from NYSIF shall revoke and annul such Contract. Notwithstanding the foregoing, the State shall not hinder, prevent or affect assignment of money by a Contractor for the benefit of its creditors. Prior to a consent to assignment of monies becoming effective, the Contractor shall file a written notice of such monies assignment(s) with NYSIF. Prior to a consent to assignment of a Contract, or portion thereof, becoming effective, the Contractor shall submit the request to assignment to NYSIF and seek written agreement from NYSIF. The assignment agreement may be subject to the approval of AG and OSC or DFS. NYSIF reserves the right to reject any proposed assignee at its discretion.

Upon notice to the Contractor, the Contract may be assigned without the consent of the Contractor to another State Agency or subdivision of the State pursuant to a governmental reorganization or assignment of functions under which the functions are transferred to a successor Agency or to another Agency that assumes NYSIF responsibilities for the Contract.

### **16. ASSIGNMENT OF CLAIM**

Contractor hereby assigns to the State any and all claims for overcharges associated with this Contract which may arise under the antitrust laws of the United States, 15 USC Section 1, et. seq. and the antitrust laws of the State of New York, General Business Law Section 340, et. seq.

**17. RIGHT TO AUDIT**

Contractor shall maintain accurate records and accounts of services performed and money expended under this agreement and shall furnish or make available such supplemental accounts, records or other information as are required to substantiate any estimate, expenditures or report as required by NYSIF (or its designee), or as may be necessary for auditing purposes or to verify that expenditures were made only for the purpose authorized by this agreement and consistent with all requirements as stated in the Request for Proposal. Such records and accounts and all supportive documentation shall be kept for at least six (6) years subsequent to dates of final payment hereunder, or until a final audit has been made by NYSIF (or its designee).

In case all or a part of such records are not made available for audit purposes, Contractor agrees that any cost items claimed but not supported by such records shall be disallowed, or if payment has already been made, Contractor shall, upon written demand of NYSIF, refund to NYSIF the amount disallowed.

SSAE 18 Reports:

If Contractor utilizes a Statement on Standards for Attestation Engagements (SSAE) No. 16, or Statement on Standards for Attestation Engagements (SSAE) No. 18, as developed by the American Institute of Certified Public Accountants (AICPA), within the past twenty-four months prior to the Agreement, Contractor shall provide NYSIF with a copy of Contractor’s Service Organization Control (SOC) Report types 1, 2, or 3, on an annual basis. Such Report(s) shall be used for information purposes only. NYSIF reserves the right to request a copy of the Report(s) during the Agreement duration (including option periods). Production of Contractor SSAE 16 or 18 Report(s), or SOC Reports shall not take the place of NYSIF’s right under the Agreement to independently audit Contractor.

**18. POLICY COMPLIANCE**

Contractor warrants, covenants and represents that it will comply fully with all policies and procedures of NYSIF in performance of the Contract including but not limited to security, physical, facility, documentary and cyber security rules, policies, procedures and protocols.

**19. SUBCONTRACTORS / SUPPLIERS**

NYSIF reserves the right to reject any proposed Subcontractor or supplier for bona fide business reasons, which may include, but are not limited to: they are on the Department of Labor’s list of companies with which New York State cannot do business; NYSIF determines that the company is not qualified; NYSIF determines that the company is not responsible; the company has previously provided unsatisfactory work or services; the company failed to solicit minority and women’s business enterprises (MWBE) Bidders as required by prior Contracts.

**20. CONTRACT BILLINGS**

Contractor shall provide complete and accurate billing invoices to NYSIF in order to receive payment. Invoices must contain all information required by the Contract. All invoices must be sent to:

[NYSIFAPVNDRINV@nysif.com](mailto:NYSIFAPVNDRINV@nysif.com)

Submission of an invoice and payment thereof shall not preclude NYSIF from reimbursement or demanding a price adjustment in any case where the Product delivered is found to deviate from the terms and conditions of the Contract or where the billing was inaccurate.

Payments for invoices submitted by the Contractor shall be rendered electronically. Such electronic payment shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with NYSIF’s procedures to authorize electronic payments. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract if it does not comply with NYSIF’s electronic payment procedures. NYSIF’s policy and the authorization form may be found on NYSIF’s website at [www.nysif.com/procurement](http://www.nysif.com/procurement).

Contractor shall provide, upon request of NYSIF, any and all information necessary to verify the accuracy of

the billings. Such information shall be provided in the format requested by NYSIF and in a media commercially available from the Contractor. NYSIF may direct the Contractor to provide the information to the State Comptroller (OSC).

**21. REMEDIES FOR BREACH**

It is understood and agreed that all rights and remedies afforded below shall be in addition to all remedies or actions otherwise authorized or permitted by law:

- a. **Cover/Substitute Performance** In the event of Contractor's material breach, NYSIF may, with or without formally Bidding:
  - Purchase from other sources; or (ii) If NYSIF is unsuccessful after making reasonable attempts, under the circumstances then existing, to timely obtain acceptable service or acquire replacement Product of equal or comparable quality, NYSIF may acquire acceptable replacement Product of lesser or greater quality.

Such purchases may, in the discretion of NYSIF, be deducted from the Contract quantity and payments due to Contractor.
- b. **Withhold Payment** In any case where a question of non-performance by Contractor arises, payment may be withheld in whole or in part at the discretion of NYSIF. Should the amount withheld be finally paid, a cash discount originally offered may be taken as if no delay in payment had occurred.
- c. **Bankruptcy** In the event that the Contractor files a petition under the U.S. Bankruptcy Code during the term of this Centralized Contract, NYSIF may, at its discretion, make application to exercise its right to set-off against monies due the Debtor or, under the Doctrine of Recoupment, credit NYSIF the amounts owed by the Contractor arising out of the same transactions.
- d. **Reimbursement of Costs Incurred** The Contractor agrees to reimburse NYSIF promptly for any and all additional costs and expenses incurred for acquiring acceptable services, and/or replacement Product. Should the cost of cover be less than the Contract price, the Contractor shall have no claim to the difference. The Contractor covenants and agrees that in the event suit is successfully prosecuted for any default on the part of the Contractor, all costs and expenses expended or incurred by NYSIF in connection therewith, including reasonable attorney's fees, shall be paid by the Contractor.

Where the Contractor fails to timely deliver pursuant to the guaranteed delivery terms of the Contract, NYSIF may rent substitute equipment temporarily. Any sums expended for such rental shall, upon demand, be reimbursed to NYSIF promptly by the Contractor or deducted by NYSIF from payments due or to become due the Contractor on the same or another transaction.

- e. **Deduction/Credit** Sums due as a result of these remedies may be deducted or offset by NYSIF from payments due, or to become due, the Contractor on the same or another transaction. If no deduction or only a partial deduction is made in such fashion the Contractor shall pay to NYSIF the amount of such claim or portion of the claim still outstanding, on demand. NYSIF reserves the right to determine the disposition of any rebates, settlements, restitution, liquidated damages, etc., which arise from the administration of the Contract.

**22. INSTALLATION**

Where installation is required, Contractor shall be responsible for placing and installing the Product in the required locations. All materials used in the installation shall be of good quality and shall be free from any and all defects that would mar the appearance of the Product or render it structurally unsound. Installation includes the furnishing of any equipment, rigging and materials required to install or place the Product in the proper location. The Contractor shall protect the site from damage for all its work and shall repair damages or injury of any kind caused by the Contractor, its employees, officers or agents. If any alteration, dismantling or excavation, etc. is required to effect installation, the Contractor shall thereafter promptly restore the structure or site. Work shall be performed to cause the least inconvenience to NYSIF and with proper consideration for the rights of other Contractors or workers. The Contractor shall promptly perform

its work and shall coordinate its activities with those of other Contractors. The Contractor shall clean up and remove all debris and rubbish from its work as required or directed. Upon completion of the work, the building and surrounding area of work shall be left clean and in a neat, unobstructed condition, and everything in satisfactory repair and order.

**23. PRODUCT ACCEPTANCE – HARDWARE AND SOFTWARE**

Unless otherwise provided by mutual agreement, NYSIF shall have thirty (30) days from the date of delivery to accept hardware products and sixty (60) days from the date of delivery to accept all other Product. Where the Contractor is responsible for installation, acceptance shall be from completion of installation. Unless otherwise provided by mutual agreement, NYSIF shall have the option to run testing on the Product prior to acceptance. Costs and liabilities associated with a failure of the Product to perform in accordance with the functionality tests or product specifications during the acceptance period shall be borne fully by Contractor to the extent that said costs or liabilities shall not have been caused by negligent or willful acts or omissions by NYSIF's agents or employees. Said costs shall be limited to the amounts set forth in the Limitation of Liability Clause for any liability for costs incurred at the direction or recommendation of Contractor.

Failure to provide notice of acceptance or rejection or a deficiency statement to the Contractor by the end of the period provided for under this clause constitutes acceptance by NYSIF as of the expiration of that period.

**24. TOXIC SUBSTANCES**

Each Contractor furnishing a toxic substance as defined by Section 875 of the Labor Law, shall provide NYSIF with not less than two copies of a material safety data sheet, which shall include for each such substance the information outlined in Section 876 of the Labor Law.

Before any chemical product is used or applied on or in any building, a copy of the product label and Material Safety Data Sheet must be provided to and approved by NYSIF's agency representative.

**25. COOPERATION WITH THIRD PARTIES**

The Contractor shall be responsible for fully cooperating with any third party, including but not limited to other Contractors or Subcontractors of NYSIF, as necessary to ensure delivery of Product or coordination of performance of services.

**26. INDEPENDENT CONTRACTOR**

It is understood and agreed that the legal status of the Contractor, its agents, officers and employees under this Contract is that of an independent Contractor, and in no manner shall they be deemed employees of NYSIF, and therefore are not entitled to any of the benefits associated with such employment. The Contractor agrees, during the term of this Contract, to maintain at Contractor's expense those benefits to which its employees would otherwise be entitled by law, including health benefits, and all necessary insurance for its employees, including worker's compensation, disability and unemployment insurance, and to provide NYSIF with certification of such insurance upon request. The Contractor remains responsible for all applicable federal, state and local taxes, and all FICA contributions.

**27. EMPLOYEES, SUBCONTRACTORS AND AGENTS**

All employees, Subcontractors or agents performing work under the Contract must be trained staff or technicians who meet or exceed the professional, technical and training qualifications set forth in the Bid Specifications or the Bid Documents, whichever is more restrictive, and must comply with all security and administrative requirements of NYSIF. NYSIF reserves the right to conduct a security background check or otherwise approve any employee, Subcontractor or agent furnished by Contractor and to refuse access to or require replacement of any personnel for cause based on, including but not limited to, professional, technical or training qualifications, quality of work or change in security status or non-compliance with

NYSIF's security or other requirements. Such approval shall not relieve the Contractor of the obligation to perform all work in compliance with the Contract terms. NYSIF reserves the right to reject and/or bar from the facility for cause any employee, Subcontractor, or agents of the Contractor.

**28. OWNERSHIP OF DOCUMENTS**

All drawings, specifications, computations, sketches, test data, survey results, reports and other documents including models, photographs, renderings and other material prepared for or relating to the project, including any material furnished by NYSIF, are the property of NYSIF.

**29. INFORMATION SECURITY CLAUSE**

In the event of a Breach of Security as defined in NY CLS Gen Bus §899-aa and NY CLS State Technology Law §208, or in any other applicable statute, involving NYSIF supplied Personal Information or Private Information from systems owned, operated, sub-contracted or otherwise routed through Contractor's systems or networks, Offeror shall notify NYSIF immediately, without unreasonable delay, pursuant to the NOTICE provision of this Agreement. "Breach of Security" shall mean the unauthorized access to or unauthorized acquisition of, or access to or acquisition without valid authorization of computerized data that compromises the security, confidentiality, or integrity of Personal Information or Private Information maintained by a business. "Personal Information" shall mean any NYSIF supplied information concerning a person which, because of name, number, mark or other identifier, can be used to identify such person. "Private Information" shall mean any NYSIF provided information that is either (a) personal information in combination with any one or more of the following data elements, when either the data element or the combination of personal information plus the data element is not encrypted or encrypted with an encryption key that has also been accessed or acquired: (i) social security number; (ii) driver's license number or non-driver identification cards number; or (iii) account number, credit or debit card number, in combination with any required security code, access code, or password which would permit access to an individual's financial account; (iv) account number, credit or debit card number, if circumstances exist wherein such number could be used to access an individual's financial account without additional identifying information, security code, access code, or password; or (v) biometric information, meaning data generated by electronic measurements of an individual's unique physical characteristics, such as a fingerprint, voice print, retina or iris image, or other unique physical representation or digital representation of biometric data which are used to authenticate or ascertain the individual's identity; or (b) a user name or e-mail address in combination with a password or security question and answer that would permit access to an online account. Notwithstanding the foregoing, Private Information does not include publicly available information which is lawfully made available to the general public from federal, state, or local government records. Additionally, Contractor undertakes to, solely at its own cost and expense, provide any requisite notices that either Contractor or NYSIF would have to provide pursuant to NY CLS Gen Bus §899-aa and NY CLS State Technology Law §208, or any other applicable statute, both on behalf of Contractor and on behalf of NYSIF. Offeror's notification shall include, but not be limited to a description of the categories of information that were, or are reasonably believed, to have been acquired by a person without valid authorization, including specification of which of the elements of personal information and private information were, or are reasonably believed to have been, so acquired, or as otherwise provided for by applicable law.

**30. CONFIDENTIALITY CLAUSE**

NYSIF Confidential Information includes but is not limited to: (i) the meaning ascribed to "*Nonpublic Personal Information*" in Title V of the Gramm-Leach-Bliley Act of 1999 or any successor federal statute, and the rules and regulations thereunder, all as may be amended or supplemented from time to time ("*GLBA*"), as it relates to NYSIF's consumers, (ii) "*Protected Health Information (PHI)*" as such term is defined in the Health Insurance Portability and Accountability Act of 1996, or any successor federal statute, and the rules and regulations thereunder, all as may be amended or supplemented from time to time ("*HIPAA*") and (iii) any personally identifiable information protected under any other applicable state or federal statute, rule or regulation.

All material made available to the contractor or its staff will remain the property of NYSIF. In addition, the contractor, subcontractor and staff shall maintain the confidentiality of all material, including the identity of any parties and content of any material to which they are exposed or have access. **35. CONTRACTOR CONSULTANT LAW**

Effective June 19, 2006, Chapter 10 of the Laws of 2006 amended the Civil Service and State Finance Laws, relative to maintaining certain information on contract employees working under State agency service and consulting contracts. State agency consultant contracts are defined as “contracts entered into by a state agency for *analysis, evaluation, research, training, data processing, computer programming, engineering, environmental health and mental health services, accounting, auditing, paralegal, legal, or similar services*”. The amendments require that certain contract employee information be provided to the state agency awarding such contracts, the Office of the State Comptroller (OSC), the Division of the Budget (DOB) and the Department of Civil Service(CS).

To meet these new requirements, the awarded contractor agrees to complete Form A - Contractor’s Planned Employment Form, and Form B – Contractor’s Annual Employment Report.

For more information on this requirement, please see the NYS Office of the State Comptroller’s [Guide to Financial Operations](#) Section [XI.18.C Consultant Disclosure Legislation](#).

**36. INSURANCE**

Prior to the commencement of the work, Contractor shall file with NYSIF Certificates of Insurance evidencing compliance with all requirements contained in the Bid Documents. Acceptance and/or approval by NYSIF do not and shall not be construed to relieve Contractor of any obligations, responsibilities or liabilities under this Agreement.

Contractor shall cause all insurance to be in full force and effect as of the commencement date of this Agreement and to remain in full force and effect throughout the term of this Agreement and as further required by this Agreement. Contractor shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages during the period of time such coverages are required to be in effect.

**37. PERFORMANCE / BID BOND**

NYSIF reserves the right to require a Bidder or Contractor to furnish without additional cost, a performance, payment or Bid bond or negotiable irrevocable letter of credit or other form of security for the faithful performance of the Contract. Where required, such bond or other security shall be in the form prescribed by NYSIF.

Notice should be as factually complete as possible. Further, Contractor has a continuing duty to promptly provide NYSIF with information about the condition and the claim. NYSIF shall provide Contractor with written acknowledgement of its receipt of notice, but NYSIF's failure to provide written acknowledgement shall not be a breach of contract or in any way alter the Contractor's obligation to provide timely notice.

**39. MODIFICATIONS TO THE AGREEMENT**

This Agreement may not be modified, renewed or discharged, except as herein specifically provided or by an agreement in writing signed by both parties and, if applicable, approved by the Office of the State Comptroller or Department of Financial Services.

During the term of the contract, the contract may be amended as changes occur within the industry. Examples of amendments may include but are not limited to new job titles under the Department of Labor Prevailing Wages, new categories of expertise, ancillary job classifications, on-going services, etc. NYSIF or the contractor may suggest changes. If the contractor offers new job titles or services, these services may be made available under this contract and may be offered at maximum not to exceed prices. It shall be the contractor's responsibility to submit to NYSIF service changes for consideration for contract amendment. These changes, if approved, shall take effect upon written notification by NYSIF and may be subject to approval by the Office of the State Comptroller or Department of Financial Services.

All of the provisions of this Agreement not specifically found to be so deficient shall remain in full force and effect.

**41. CHOICE OF LAW: VENUE**

**42. COUNTERPARTS / SIGNATURES**

This Agreement may be executed in counterparts, each of which when so executed will be deemed to be an original. Such counterparts together will constitute one agreement.
