## MAKE YOUR HEALTH PLAN CHOICES

This booklet explains the options available to you under the New York State Health Insurance Program (NYSHIP) for your health insurance and other elections. You may choose coverage under either The Empire Plan or one of the NYSHIP-approved Health Maintenance Organizations (HMOs) in your area.

Consider your options carefully. You may not change your option after the deadline except in special circumstances. (See your *NYSHIP General Information Book* and *Empire Plan Reports* or *HMO Reports* for details about changing options outside the Option Transfer Period.) If you have questions after you have read the information in this booklet, contact your agency Health Benefits Administrator (HBA) or The Empire Plan carriers and HMOs directly.

See your agency HBA to change your health insurance option, enrollment or pretax status.

**NO ACTION IS REQUIRED IF YOU DO NOT WISH TO MAKE CHANGES.**

Changes are not automatic and deadlines apply. You must report any change that may affect your coverage to your agency HBA. See pages 1-3 in this booklet and your *NYSHIP General Information Book* for complete information.

## RATES FOR 2014 AND DEADLINE FOR CHANGING PLANS

The Empire Plan and HMO rates for 2014 are mailed to your home and posted on our web site, <https://www.cs.ny.gov>, as soon as they are approved. Click on Benefit Programs, then on NYSHIP Online. Select your group if prompted, and then click on Health Benefits & Option Transfer. Choose Rates and Health Plan Choices.

The rate flyer announces the option change deadline and paycheck deduction dates. You have 30 days from the date your agency receives rate information to make a decision. Your agency HBA can help if you have questions. COBRA and Young Adult Option enrollees may contact the Employee Benefits Division at 518-457-5754 or 1-800-833-4344 (U.S., Canada, Puerto Rico and the Virgin Islands).

## CHOOSE YOUR PRE-TAX CONTRIBUTION PROGRAM STATUS BY NOVEMBER 30, 2013

*Pre-Tax does not apply to COBRA and Young Adult Option enrollees.*

Under the Pre-Tax Contribution Program (PTCP), your share of the health insurance premium is deducted from your wages before taxes are withheld, which may lower your taxes.

You were automatically enrolled in PTCP when you became eligible for health insurance, unless you declined. Your paycheck shows whether or not you are enrolled in PTCP.

- If you are enrolled in PTCP, your paycheck stub shows Regular Before-Tax Health in the Before-Tax Deductions section.
- If you are not enrolled in PTCP, your paycheck stub shows Regular After-Tax Health in the After-Tax Deductions section. Your health insurance premium is deducted from your wages after taxes are withheld.

## NO ACTION IS REQUIRED TO KEEP YOUR CURRENT PTCP STATUS.

Under Internal Revenue Service (IRS) rules, if you are enrolled in PTCP, you may change your health insurance deduction during the tax year only after one of the following PTCP-qualifying events:

- Change in employee's marital status
- Change in employee's number of dependents
- Change in employment status of employee, spouse or dependent that affects eligibility
- Dependent satisfies or ceases to satisfy eligibility requirements
- Change in place of residence or worksite of the employee, spouse or dependent
- Change in coverage under other employer's plan
- COBRA events
- Judgment, decree or order
- Medicare or Medicaid eligibility
- Leaves of absence
- HIPAA special enrollment rights

Changes to coverage due to these status changes must be consistent with the change in your family or employment. If you make a change in coverage not related to a qualifying event, your PTCP insurance deduction will not change.

Changes in coverage because of these qualifying events must be made within 30 days of the event (or within the waiting period if newly eligible), and delays may be expensive.

**Note:** A change in health insurance coverage is treated differently from a change in your PTCP deduction. For example, if your only covered dependent became ineligible for coverage in June and notice of this qualifying event was not provided to your agency HBA until August (not within 30 days), the dependent's coverage will be terminated retroactive to the date in June when he or she first became ineligible for benefits. Deductions will be changed to Individual on a current basis (i.e., as of August) and no refund will be issued.

If you wish to change your pretax selection for 2014, see your agency HBA and complete a Health Insurance Transaction Form (PS-404) by November 30, 2013.

## YOUR SHARE OF THE PREMIUM

*The following does not apply to COBRA and Young Adult Option enrollees.*

New York State helps pay for your health insurance coverage. After the State's contribution, you are responsible for paying the balance of your premium through biweekly deductions from your paycheck.

For both Empire Plan and HMO enrollees, the State will pay 90 percent of the cost of the premium for enrollee coverage and 75 percent for dependent coverage.

However, if you enroll in an HMO, the State's dollar contribution for the hospital, medical/surgical and mental health and substance abuse components of your HMO premium will not exceed its dollar contribution for those components of The Empire Plan premium. For the prescription drug component of your HMO premium, the State pays the share noted above; the dollar amount is not limited by the cost of Empire Plan drug coverage.

As soon as they are available, 2014 rates will be mailed to your home and posted on our web site at <https://www.cs.ny.gov>. Click on Benefit Programs, then on NYSHIP Online. Select your group if prompted, and then click on Health Benefits & Option Transfer. Choose Rates and Health Plan Choices.

## LET YOUR AGENCY KNOW ABOUT CHANGES

You must notify your agency HBA if your home address or phone number changes. If you are an active employee of New York State and registered for MyNYSHIP, you may also make address and option changes online.

Changes in your family status, such as gaining or losing a dependent, may mean you need to change your health insurance coverage from Individual to Family or from Family to Individual. If you submit a timely request, you can make most changes any time, not just during the Option Transfer Period. See your *NYSHIP General Information Book* for details. Inform your agency HBA about any change promptly to ensure it is effective on the actual date of change in family status.

## RETIRING OR VESTING IN 2014?

You may change your health insurance plan when you retire or vest your health insurance. Retirees and vestees who continue their NYSHIP enrollment may change health insurance options at any time once during a 12-month period. For more information on changing options as a retiree, ask your agency HBA for *2014 Choices for Retirees*.

## ELIGIBLE FOR MEDICARE?

If you or a dependent is eligible for Medicare because of age or disability, see Medicare and NYSHIP on page 5 for important information. Also, please read this section if you or a dependent will be turning age 65 in 2014 or if you are planning to retire in the coming year and will be Medicare-primary.

## COMPARING YOUR NYSHIP OPTIONS

Choosing the health insurance plan that best meets your needs and the needs of your family requires careful research. As with most important purchases, there is more to consider than cost.

The first step in making a good choice is understanding the similarities and the differences between your NYSHIP options. There are two types of health insurance plans available to you under NYSHIP: The Empire Plan and NYSHIP HMOs. The Empire Plan is available to all employees. Specific NYSHIP HMOs are available in the various geographic areas of New York State. Depending on where you live or work, one or several NYSHIP HMOs will be available to you. The Empire Plan and NYSHIP HMOs are similar in many ways, but also have important differences.

## BENEFITS

### The Empire Plan and NYSHIP HMOs

- All NYSHIP plans provide a wide range of hospital, medical/surgical, and mental health and substance abuse coverage.
- All plans provide prescription drug coverage if you do not receive it through a union Employee Benefit Fund.

*Benefits differ among plans. Read this booklet and the certificate/contracts carefully for details.*

## EXCLUSIONS

- All plans contain exclusions for certain services and prescription drugs.
- Workers' compensation-related expenses and custodial care generally are excluded.

For details on a plan's exclusions, read the *NYSHIP General Information Book* and *Empire Plan Certificate*, the NYSHIP HMO contract, or check with the plan directly.

## GEOGRAPHIC AREA SERVED

### The Empire Plan

Benefits for all covered services, not just urgent and emergency care, are available worldwide.

### Health Maintenance Organizations (HMOs)

\*Some plans may exclude coverage for airborne ambulance services. Call The Empire Plan or your NYSHIP HMO for details.

# Medicare AND NYSHIP

**If you are an active employee**, NYSHIP (The Empire Plan or a NYSHIP HMO) provides primary coverage for you and your dependents, regardless of age or disability. **Exceptions:** Medicare is primary for same-sex spouses and domestic partners age 65 or over, or for an active employee or dependent of an active employee with end-stage renal disease (following a 30-month coordination period).

NYSHIP requires you and your dependents to be enrolled in Medicare Parts A and B when first eligible for Medicare coverage that pays primary to NYSHIP.

**If you are planning to retire and you or your spouse is 65 or older, contact your Social Security office three months before active employment ends to enroll in Medicare Parts A and B.** Medicare becomes primary to your NYSHIP coverage the first day of the month following a “run-out” period of 28 days after the end of the payroll period in which you retire.

If you or a dependent is eligible for Medicare coverage primary to NYSHIP and you don't enroll in Parts A and B, The Empire Plan or HMO will not provide benefits for services Medicare would have paid if you or your dependent had enrolled.\*

*If you are planning to retire or vest in 2014, know how your NYSHIP benefits will be affected when Medicare is your primary coverage:*

- **If you are enrolled in original Medicare (Parts A and B) and The Empire Plan:** Since Medicare does not provide coverage outside the United States, The Empire Plan pays primary for covered services received outside the United States.
- **If you enroll in a NYSHIP HMO Medicare Advantage Plan:** You replace your original (fee-for-service) Medicare coverage with benefits offered by the Medicare Advantage Plan. Benefits and networks under the HMO's Medicare Advantage Plan may differ from your coverage as an active employee. To qualify for benefits, you must follow plan rules.

- **If you enroll in a NYSHIP HMO that coordinates coverage with Medicare:** You receive the same benefits from the HMO as an active employee and still qualify for original Medicare benefits if you receive treatment outside your HMO.

**Medicare Part D** is the Medicare prescription drug benefit for Medicare-primary persons. Medicare-primary enrollees and dependents in The Empire Plan are enrolled automatically in Empire Plan Medicare Rx, a Part D prescription drug program. NYSHIP Medicare Advantage HMOs also provide Medicare Part D prescription drug coverage. You can be enrolled in only one Medicare Part D plan at a time. Enrolling in a Medicare Part D plan separate from your NYSHIP coverage may drastically reduce your benefits overall. For example:

- If you are a Medicare-primary Empire Plan enrollee or dependent and get your prescription drug coverage through Empire Plan Medicare Rx and then you enroll in another Medicare Part D plan outside of NYSHIP, Medicare will terminate your coverage in Empire Plan Medicare Rx. Since you must be enrolled in Empire Plan Medicare Rx to maintain Empire Plan coverage, this means you and your covered dependents may lose all your coverage under The Empire Plan.
- If you are enrolled in a NYSHIP Medicare Advantage HMO and then enroll in a Medicare Part D plan outside of NYSHIP, Medicare will terminate your enrollment in the NYSHIP Medicare Advantage HMO.

If you have been approved for Extra Help by Medicare, and you are enrolled in The Empire Plan or a NYSHIP Medicare Advantage HMO, you may be reimbursed for some or all of your Medicare Part D coverage. For information about qualifying for Extra Help, contact Medicare. If you have been approved for Extra Help, contact the Employee Benefits Division or your HMO.

If you receive prescription drug coverage through a union Employee Benefit Fund, contact the Fund for information about Medicare Part D.

For more information about NYSHIP and Medicare, see your *NYSHIP General Information Book* or ask your agency HBA for a copy of *2014 Choices for Retirees, Planning for Retirement, Medicare & NYSHIP or Medicare for Disability Retirees*.

\*Part A is not required if you have to pay a Part A premium. See your agency HBA for more information.

## WHAT'S NEW IN 2014?

### All NYSHIP Plans

- As a result of the Supreme Court's decision in *United States v. Windsor* that Section 3 of the Defense of Marriage Act is unconstitutional, health insurance coverage for same-sex spouses who are legally married in the U.S. is no longer considered state or federal taxable income.

### The Empire Plan

- Beginning January 1, 2014, The Empire Plan Prescription Drug Program will be administered by CVS Caremark under a self-insured administrative services agreement with the New York State Department of Civil Service (DCS).
- Beginning January 1, 2014, The Empire Plan Mental Health and Substance Abuse Program also will be self-insured. OptumHealth will continue to administer the program under a self-insured administrative services agreement with DCS.

- Beginning January 1, 2014, The Empire Plan Hospital Program also will be self-insured. Empire BlueCross BlueShield will continue to administer the Program under an administrative services agreement with DCS.
- Effective January 1, 2014, applied behavior analysis for the treatment of autism spectrum disorder is limited to 680 hours each plan year; the prior year's dollar limit for services no longer applies.

### NYSHIP HMOs

- For CDPHP only: Effective January 1, 2014, Delaware County will become part of the CDPHP Hudson Valley region (option #310). Delaware County formerly was part of the CDPHP Central Region (option #300).

## THE EMPIRE PLAN

The Empire Plan is a unique plan designed exclusively for New York State's public employees. The Empire Plan has many managed care features, but enrollees are not required to choose a primary care physician and do not need referrals to see specialists. However, certain services, such as hospital and skilled nursing facility admissions, certain outpatient radiological tests, mental health and substance abuse treatment, home care and some prescription drugs, require preapproval. The New York State Department of Civil Service contracts with qualified companies to administer the Plan; beginning in 2014, The Empire Plan is self-insured.

The Empire Plan provides:

- Network and non-network inpatient and outpatient hospital coverage for medical, surgical and maternity care;
- Medical and surgical coverage under the Participating Provider Program or the Basic Medical Program and Basic Medical Provider Discount Program if you choose a nonparticipating provider;
- Home care services, durable medical equipment and certain medical supplies (including diabetic and ostomy supplies), enteral formulas and diabetic shoes through the Home Care Advocacy Program (HCAP);

- Chiropractic treatment and physical therapy coverage through the Managed Physical Medicine Program;
- Inpatient and outpatient mental health and substance abuse coverage;
- Prescription drug coverage;
- Centers of Excellence Programs for cancer, transplants and infertility for Empire Plan-primary enrollees;
- 24-hour Empire Plan NurseLine<sub>SM</sub> for health information and support; and
- Worldwide coverage.

### Providers

Under The Empire Plan, you can choose from over 250,000 participating physicians and other providers and facilities nationwide, and from more than 68,000 participating pharmacies across the United States or a mail order pharmacy.

## NYSHIP HEALTH MAINTENANCE ORGANIZATIONS

A Health Maintenance Organization (HMO) is a managed care system in a specific geographic area that provides comprehensive health care coverage through a network of providers.

- Coverage outside the specified geographic area is limited.
- Enrollees usually choose a primary care physician (PCP) from the HMO's network for routine medical care and for referrals to specialists and hospitals when medically necessary.
- HMO enrollees usually pay a copayment as a per-visit fee or coinsurance (percentage of cost).
- HMOs have no annual deductible.
- Referral forms to see network specialists may be required.
- Claim forms rarely are required.
- HMO enrollees who use doctors, hospitals or pharmacies outside the HMO's network must, in most cases, pay the full cost of services unless authorized by the HMO or in an emergency.

## CONSIDER COST

*The following does NOT apply to COBRA and Young Adult Option Enrollees.*

Although New York State pays most of the premium cost for your coverage regardless of which plan you choose, differences in plan benefits among the various health insurance options result in different employee contributions for coverage. (See Your Share of the Premium on page 2.) However, when considering cost, think about all your costs throughout the year, not just your biweekly paycheck deduction. Keep in mind out-of-pocket expenses you are likely to incur during the year, such as copayments for prescriptions and other services, coinsurance and any costs of using providers or services not covered under the plan. Add the annual premium for that plan to these costs to estimate your total annual cost under that plan. Do this for each plan you are considering and compare the costs. Watch for the *NYSHIP Rates & Deadlines for 2014* flyer that will be mailed to your home and posted on our web site, <https://www.cs.ny.gov>, as soon as rates are approved. Along with this booklet, which provides copayment information, *NYSHIP Rates & Deadlines for 2014* will provide the information you need to figure your annual cost under each of the available plans.

All NYSHIP HMOs provide a wide range of health services. Each offers a specific package of hospital, medical, surgical and preventive care benefits. These services are provided or arranged by the PCP selected by the enrollee from the HMO's staff or physician network.

All NYSHIP HMOs cover inpatient and outpatient hospital care at a network hospital and offer prescription drug coverage, unless it is provided through a union Employee Benefit Fund.

NYSHIP HMOs are organized in one of two ways:

- A Network HMO provides medical services that can include its own health centers as well as outside participating physicians, medical groups and multi-specialty medical centers.
- An Independent Practice Association (IPA) HMO provides medical services through private practice physicians who have contracted independently with the HMO to provide services in their offices.

Members enrolling in Network and IPA model HMOs may be able to select a doctor they already know if that doctor participates with the HMO.

See the individual HMO pages in this booklet for additional benefit information and to learn if the HMO serves your geographic area.

## **NYSHIP HMOs AND MEDICARE**

If you are Medicare-primary, see page 5 for an explanation of how Medicare affects your NYSHIP HMO coverage.

## **SUMMARY OF BENEFITS AND COVERAGE**

The *Summary of Benefits and Coverage (SBC)* is a standardized comparison document required by PPACA.

To view a copy of the SBC for The Empire Plan, visit <https://www.cs.ny.gov/sbc/index.cfm>. If you do not have internet access, call 1-877-7-NYSHIP (1-877-769-7447) and press 1 for the Medical Program to request a copy. For information about the SBCs for the HMO plans, contact each NYSHIP HMO.

Selecting a health insurance plan is an important personal decision. Only you know your family lifestyle, health, budget and benefit preferences. Think about what health care you and your family might need during the next year. Review the plans and ask for more information. Here are several questions to consider:

- What benefits does the plan have for doctor visits and other medical care? How are durable medical equipment and other supplies covered? What is my share of the cost?
- What benefits does the plan have for prescription drugs? Will the medicine I take be covered under the plan? What is my share of the cost? What type of formulary does the plan have? Am I required to use the mail order pharmacy? (If you receive your drug coverage from a union Employee Benefit Fund, ask the Fund if your plan will change.)
- What choice of providers do I have under the plan? (Ask if the provider or facilities you use are covered.) How would I consult a specialist if I needed one? Would I need a referral?
- What is my premium for the health plan?
- What will my out-of-pocket expenses be for health care?
- Does the plan cover special needs? Are there any benefit limitations? (If you or one of your dependents has a medical or mental health/substance abuse condition requiring specific treatment or other special needs, check on coverage carefully. Don't assume you'll have coverage. Ask The Empire Plan carriers or HMOs about your specific treatment.)

- Are routine office visits and urgent care covered for out-of-area college students or is only emergency health care covered?
- How much paperwork is involved in the health plan? Do I have to fill out forms?

## THINGS TO REMEMBER

- Gather as much information as possible.
- Consider the unique needs of yourself and your family.
- Compare the coverage and cost of your options.
- Look for a health plan that provides the best balance of cost and benefits for you.

## HOW TO USE THE CHOICES BENEFIT CHARTS, PAGES 17 – 47

All NYSHIP plans must include a minimum level of benefits (see page 4). For example, The Empire Plan and all NYSHIP HMOs provide a paid-in-full benefit for medically necessary inpatient medical/surgical hospital care at network hospitals.

Use the charts to compare the plans. The charts list out-of-pocket expenses and benefit limitations effective January 1, 2014. See plan documents for complete information on benefit limitations.

To generate an easy-to-read, side-by-side comparison of the benefits provided by each of the NYSHIP plans in your area, use the NYSHIP Plan Comparison tool, available on the Department of Civil Service web site. Go to our homepage at <https://www.cs.ny.gov>, click on Benefit Programs, then NYSHIP Online. Select your group if prompted and then choose Health Benefits & Option Transfer. Click on Rates and Health Plan Choices and then NYSHIP Plan Comparison. Select your group and the counties in which you live and work. Then, check the box next to the plans you want to compare and click on Compare Plans to generate the comparison table.

**Note:** Most benefits described in this booklet are subject to medical necessity and may involve limitations or exclusions. Please refer to plan documents, or call the plans directly for details.

## IF YOU DECIDE TO CHANGE YOUR PLAN

The Empire Plan and NYSHIP HMOs are summarized in this booklet. The Empire Plan is available to all employees. NYSHIP HMOs are available to employees in areas where they live or work. Pick the plans that would serve your needs best and call each for details before you choose.

If you decide to change your plan:

- See your agency HBA before the Option Transfer deadline announced in the rate flyer.
- Complete the necessary PS-404 form, or change your option online using MyNYSHIP if you are an active employee of a New York State agency.

# THE Empire Plan & NYSHIP HMOs: SIMILARITIES & DIFFERENCES

---

## Will I be covered for care I receive away from home?

### The Empire Plan:

Yes. Under The Empire Plan, your benefits are the same wherever you receive care.

### NYSHIP HMOs:

Under an HMO, you are always covered away from home for emergency care. Some HMOs may provide coverage for routine care. Some HMOs provide coverage for college students away from home if the care is urgent or if follow-up care has been preauthorized. See the Out-of-Area Benefit description on each HMO page for more information or contact the HMO directly.

---

## If I am diagnosed with a serious illness, can I see a physician or go to a hospital that specializes in my illness?

### The Empire Plan:

Yes. You can use the specialist of your choice. You have Basic Medical Program benefits for nonparticipating providers and Basic Medical Provider Discount Program benefits for nonparticipating providers who are part of The Empire Plan MultiPlan group. (See pages 22 and 23 for more information on the Basic Medical Provider Discount Program.) Your hospital benefits will differ depending on whether you choose a network or non-network hospital. (See page 11 for details.)

### NYSHIP HMOs:

You should expect to choose a participating physician and a participating hospital. Under certain circumstances, you may be able to receive a referral to a specialist care center outside the network.

---

## Can I be sure I will not need to pay more than my copayment when I receive medical services?

### The Empire Plan:

Your copayment should be your only expense if you receive medically necessary and covered services and you:

- Use a participating provider<sup>1</sup>;
- Receive inpatient or covered outpatient hospital services at a network hospital and follow Benefits Management Program requirements.

### NYSHIP HMOs:

As long as you receive medically necessary and covered services, follow HMO requirements and receive the appropriate referral (if required), your copayment or coinsurance should be your only expense.

---

<sup>1</sup> The Plan does not guarantee that participating providers are available in all specialties or geographic locations.

---

## Can I use the hospital of my choice?

### The Empire Plan:

Yes. You have coverage worldwide, but your benefits differ depending on whether you choose a network or non-network hospital. Your benefits are highest at network hospitals participating in the BlueCross and BlueShield Association BlueCard® PPO Program, or for mental health or substance abuse care in the OptumHealth network.

Network hospital inpatient: Paid-in-full hospitalization benefits.

Network hospital outpatient and emergency care: Subject to network copayments.

Non-network hospital inpatient stays and outpatient services: 10 percent coinsurance for inpatient stays and the greater of 10 percent coinsurance or \$75 for outpatient services, up to the combined annual coinsurance maximum per enrollee; per enrolled spouse or domestic partner; per all enrolled dependent children combined (see page 24).

### NYSHIP HMOs:

Except in an emergency, you generally do not have coverage at non-network hospitals unless authorized by the HMO.

---

---

## What kind of care is available for physical therapy and chiropractic care?

### The Empire Plan:

You have guaranteed access to unlimited medically necessary care when you follow Plan requirements.

### NYSHIP HMOs:

Coverage is available for a specified number of days/visits each year, as long as you follow the HMO's requirements.

---

## What if I need durable medical equipment, medical supplies or home nursing?

### The Empire Plan:

You have guaranteed, paid-in-full access to medically necessary home care, equipment and supplies<sup>2</sup> through the Home Care Advocacy Program (HCAP) when preauthorized and arranged by the Plan.

### NYSHIP HMOs:

Benefits are available and vary depending on the HMO. Benefits may require a greater percentage of cost-sharing.

---

<sup>2</sup> Diabetic shoes have an annual maximum benefit of \$500.

Note: These responses are generic and highlight only general differences between The Empire Plan and NYSHIP HMOs. Details for each plan are available on individual plan pages beginning on page 17 of this booklet, in the *Empire Plan Certificate* (available from your agency HBA) and in the HMO contract (available from each HMO).

# TERMS TO KNOW

**Coinsurance:** The enrollee's share of the cost to covered services; a fixed percentage of medical expenses.

**Copayment:** The enrollee's share of the cost of covered services that is a fixed dollar amount paid when medical service is received, regardless of the total charge for service.

**Deductible:** The dollar amount an enrollee is required to pay before health plan benefits begin to reimburse for services.

**Fee-for-service:** A method of billing for health care services. A provider charges a fee each time an enrollee receives a service.

**Formulary:** A list of preferred drugs used by a health plan. If a plan has a **closed formulary**, you have coverage only for drugs that appear on the list. An **open or incented formulary** encourages use of preferred drugs to non-preferred drugs based on a tiered copayment schedule. In a **flexible formulary**, brand-name prescription drugs may be assigned to different copayment levels based on value to the plan and clinical judgment. In some cases, drugs may be excluded from coverage under a flexible formulary if a therapeutic equivalent is covered or available as an over-the-counter drug.

**Health Benefits Administrator (HBA):** An individual located in a State agency, often in the Human Resources or Personnel Office, who works with the Employee Benefits Division in the Department of Civil Service to process enrollment transactions and answer health insurance questions. You are responsible for notifying your agency HBA of changes that might affect your enrollment.

**Health Maintenance Organization (HMO):** A managed care delivery system organized to deliver health care services in a geographic area. An HMO provides a predetermined set of benefits through a network of selected physicians, laboratories and hospitals for a prepaid premium. Except for emergency services, you and your enrolled dependents may have coverage only for services received from your HMO's network. See NYSHIP Health Maintenance Organizations on pages 7 and 8 for more information on HMOs including descriptions of the two different types, Network and Independent Practice Association (IPA), that are offered under NYSHIP.

**Managed Care:** A health care program designed to ensure you receive the highest quality medical care for the lowest cost, in the most appropriate health care setting. Most managed care plans require you to select a primary care physician employed by (or who contracts with) the managed health care system. He/she serves as your health care manager by coordinating virtually all health care services you receive. Your primary care physician provides your routine medical care and refers you to a specialist if necessary.

**Medicare:** A federal health insurance program that covers certain people age 65 or older, disabled persons under 65, and those who have end-stage renal disease (permanent kidney failure). Medicare is directed by the federal Centers for Medicare & Medicaid Services (CMS) and administered by the Social Security Administration.

**Medicare Advantage Plan:** Medicare option wherein the plan agrees with Medicare to accept a fixed monthly payment for each Medicare enrollee. In exchange, the plan provides or pays for all medical care needed by the enrollee. If you join a Medicare Advantage Plan, you replace your Original (fee-for-service) Medicare coverage (Parts A and B) with benefits offered by the plan and all of your medical care (except for emergency or out-of-area, urgently needed care) must be provided, arranged or authorized by the Medicare Advantage Plan. All NYSHIP Medicare Advantage HMOs include Medicare Part D drug coverage. The benefits under these plans are set in accordance with federal guidelines for Medicare Advantage Plans.

**Network:** A group of doctors, hospitals and/or other health care providers who participate in a health plan and agree to follow the plan's procedures.

### **New York State Health Insurance Program**

**(NYSHIP):** NYSHIP covers over 1.2 million public employees, retirees and dependents and is one of the largest group health insurance programs in the country. The Program provides health care benefits through The Empire Plan or a NYSHIP-approved HMO.

**Option:** A health insurance plan offered through NYSHIP. Options include The Empire Plan and NYSHIP-approved HMOs within specific geographic areas.

## **NYSHIP'S YOUNG ADULT OPTION**

During the Option Transfer Period, eligible adult children of NYSHIP enrollees can enroll in the Young Adult Option and current Young Adult Option enrollees will be able to switch plans. This option allows unmarried, young adult children, up to age 30 to purchase their own NYSHIP coverage. The premium is the full cost of Individual coverage for the option selected.

### **Young Adult Option Web Site**

# QUESTIONS & ANSWERS

**Q: Can I join The Empire Plan or any NYSHIP-approved HMO?**

**A:** The Empire Plan is available worldwide, wherever you live or work. To enroll or continue enrollment in a NYSHIP-approved HMO, you must live or work in that HMO's service area. If you move permanently out of and/or no longer work in your HMO's service area, you must change options. See Plans by County on pages 15 and 16 and the individual HMO pages in this booklet to check the counties each HMO will serve in 2014.

**Q: How do I find out which providers and hospitals participate? What if my doctor or other provider leaves my plan?**

**A:** Check with your providers directly to see whether they participate in The Empire Plan or in a NYSHIP HMO.

For Empire Plan providers:

- Use the Find a Provider tool at <https://www.cs.ny.gov>; click on Benefit Programs, then on NYSHIP Online. Select your group if prompted, and then click on Find a Provider. **Note:** This is the most up-to-date source for provider information.
- Ask your agency HBA for The Empire Plan Participating Provider Directory.
- Call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and select the appropriate program for the type of provider you need.

For HMO providers:

- Visit the web sites for provider information (web site addresses are provided on the individual HMO pages in this booklet).

- Call the telephone numbers on the HMO pages in this booklet. Ask which providers participate and which hospitals are affiliated.

If you choose a provider who does not participate in your plan, check carefully whether benefits would be available to you. Ask if you need authorization to have the provider's services covered. In most circumstances, HMOs do not provide benefits for services by nonparticipating providers or hospitals. Under The Empire Plan, you have benefits for participating and nonparticipating providers.

**Note:** You cannot change your plan outside the Option Transfer Period because your provider no longer participates.

---

**Q: I have a preexisting condition. Will I have coverage if I change options?**

**A:** Yes. Under NYSHIP, you can change your option and still have coverage for a preexisting condition. There are no preexisting condition exclusions in any NYSHIP plan. However, coverage and exclusions differ. Ask the plan you are considering about coverage for your condition.

---

**Q: What if I retire in 2014 and become eligible for Medicare?**

**A:** Regardless of which option you choose, as a retiree, you and your dependent must be enrolled in Medicare Parts A and B when either of you first becomes eligible for primary Medicare coverage. (See page 5.)

Please note, especially, that your NYSHIP benefits become secondary to Medicare and that your benefits may change.

---

**Q: I am a COBRA dependent in a Family plan. Can I switch to Individual coverage and select a different health plan from the rest of my family?**

**A:** Yes. As a COBRA dependent, you may elect to change to Individual coverage in a plan different from the enrollee's Family coverage. During the Option Transfer Period, you may enroll in The Empire Plan or choose any NYSHIP-approved HMO in the area where you live or work.

## THE EMPIRE PLAN

The Empire Plan is available to all enrollees in the New York State Health Insurance Program (NYSHIP). You may choose The Empire Plan regardless of where you live or work. Coverage is worldwide. See pages 17-27 for a summary of The Empire Plan.

## HEALTH MAINTENANCE ORGANIZATIONS (HMOs)

Most NYSHIP enrollees have a choice among HMOs. You may enroll, or continue to be enrolled, in any NYSHIP-approved HMO that serves the area where you live or work. You may not be enrolled in an HMO outside your area. This list will help you determine which HMOs are available by county. The pages indicated will describe benefits available from each HMO.

## MEDICAL/SURGICAL PROGRAM

### UnitedHealthcare

Medical and surgical coverage through:

- **Participating Provider Program** – More than 250,000 physicians and other providers participate; certain services are subject to a \$20 copayment.
- **Basic Medical Program** – If you use a nonparticipating provider, the Program considers up to 80 percent of reasonable and customary charges for covered services after the combined annual deductible is met. After the combined annual coinsurance maximum is met, the Plan pays up to 100 percent of reasonable and customary charges for covered services. See Cost Sharing (beginning on page 21) for additional information.

<sup>1</sup> These benefits are subject to medical necessity and to limitations and exclusions described in the *Empire Plan Certificate* and *Empire Plan Reports/Certificate Amendments*.

## HOSPITAL PROGRAM

### Empire BlueCross BlueShield

The following benefit level applies for covered services received at a BlueCross and BlueShield Association BlueCard® PPO **network hospital**:

- Medical or surgical inpatient stays are covered at no cost to you.
- Hospital outpatient and emergency care are subject to network copayments.
- When you use a network hospital, anesthesiology, pathology and radiology provider charges for covered hospital services are paid in full under the Medical/Surgical Program if The Empire Plan provides your primary coverage.
- Certain covered outpatient hospital services provided at network hospital extension clinics are subject to hospital outpatient and emergency care copayments. Charges for covered services received at a hospital extension clinic will be paid in full if the provider is a Participating Provider under the Medical/Surgical Program. Covered services received from a non-network provider will be paid in accordance with the Basic Medical portion of the Medical/Surgical Program.

The following benefit level applies for hospital services received at **non-network hospitals** (*for Empire Plan-primary enrollees only*<sup>2</sup>):

- Non-network hospital inpatient stays and outpatient services – 10 percent coinsurance for inpatient stays and the greater of 10 percent coinsurance or \$75 for outpatient services, up to the combined annual coinsurance maximum per enrollee; per enrolled spouse or domestic partner; per all enrolled dependent children combined.<sup>3</sup>

The Empire Plan will approve network benefits for hospital services received at a non-network facility if:

- Your hospital care is emergency or urgent.
- You do not have access to a network facility within 30 miles of your residence.
- No network facility can provide the medically necessary services.
- Another insurer or Medicare provides your primary coverage (pays first).

### Preadmission Certification Requirements

Under the Benefits Management Program, if The Empire Plan is your primary coverage, you must call the Hospital Program for certification of any inpatient stay:

- Before a maternity or scheduled (nonemergency) hospital admission,
- Within 48 hours or as soon as reasonably possible after an emergency or urgent hospital admission, and
- Before admission or transfer to a skilled nursing facility.

If you do not follow the preadmission certification requirement for the Hospital Program, you must pay:

- A \$200 hospital penalty if it is determined any portion was medically necessary, and
- All charges for any day determined not to be medically necessary.

Voluntary inpatient Medical Case Management is available to help coordinate services for serious conditions.

<sup>2</sup> If Medicare or another plan provides primary coverage, you receive network benefits for covered services at both network and non-network hospitals.

<sup>3</sup> Annual deductibles and coinsurance maximums vary by group. See page 22 for details.

## MENTAL HEALTH AND SUBSTANCE ABUSE PROGRAM

### OptumHealth, Inc.

The Mental Health and Substance Abuse Program (MHSA) offers two levels of benefits. If you call the MHSA Program before you receive services and follow their recommendations, you receive:

#### Network Benefits

(unlimited when medically necessary)

- Inpatient (paid in full)
- Crisis intervention (up to three visits per crisis paid in full)
- Outpatient including office visits, home-based or telephone counseling and nurse practitioner services subject to a \$20 copayment.
- Outpatient rehabilitation to an approved Structured Outpatient Rehabilitation Program for substance abuse, subject to a \$20 copayment.

If you do **NOT** follow the requirements for network coverage, you receive:

#### Non-network Benefits<sup>4</sup>

(unlimited when medically necessary)

- For Practitioner Services: the MHSA Program will consider up to 80 percent of reasonable and customary charges for covered outpatient practitioner services after you meet the combined annual deductible.<sup>3</sup> After the combined annual coinsurance maximum is reached per enrollee; per enrolled spouse or domestic partner; per all enrolled dependent children combined,<sup>3</sup> the Plan pays up to 100 percent of reasonable and customary charges for covered services.
- For Approved Facility Services: You are responsible for the greater of 10 percent coinsurance or \$75 up to the combined annual coinsurance maximum per enrollee; per enrolled spouse or domestic partner; per all enrolled dependent children combined.<sup>3</sup> After the coinsurance maximum is met, the Plan pays 100 percent of billed charges for covered services.

- Outpatient treatment sessions for family members of an alcoholic, alcohol abuser or substance abuser are covered for a maximum of 20 visits per year for all family members combined.

**Note:** The amount you pay for inpatient and outpatient services counts toward meeting the deductible or coinsurance maximum. Deductible, coinsurance and maximum coinsurance amounts are combined with all other deductible, coinsurance or maximum coinsurance amounts.

## PRESCRIPTION DRUG PROGRAM

### CVS Caremark, Inc.

- When you use a network retail pharmacy or the mail order pharmacy for up to a 30-day supply of a covered drug, you pay a \$5 copayment for Level 1 or generic drugs, a \$15 copayment for Level 2 or preferred brand-name drugs and a \$40 copayment for Level 3 or non-preferred brand-name drugs.
- For a 31- to 90-day supply of a covered drug through a network retail pharmacy, you pay a \$10 copayment for Level 1 or generic drugs, a \$30 copayment for Level 2 or preferred brand-name drugs and a \$70 copayment for Level 3 non-preferred brand-name drugs.
- For a 31- to 90-day supply of a covered drug through the mail order pharmacy, you pay a \$5 copayment for Level 1 or most generic drugs, a \$20 copayment for Level 2 or preferred brand-name drugs and a \$65 copayment for Level 3 or non-preferred brand-name drugs.
- No copayment required for oral cancer chemotherapy drugs for the treatment of cancer.

<sup>3</sup> Annual deductibles and coinsurance maximums vary by group. See page 22 for details.

<sup>4</sup> You are responsible for obtaining MHSA Program certification for care obtained from a non-network practitioner or facility.

- When you fill a prescription for a covered brand-name drug that has a generic equivalent, you pay the Level 3 or non-preferred brand-name drug copayment plus the difference in cost between the brand-name drug and the generic equivalent (or “ancillary charge”), not to exceed the full retail cost of the drug. Exceptions apply. Please contact The Empire Plan Prescription Drug Program at 1-877-7-NYSHIP (1-877-769-7447) for more information.
- The Empire Plan has a flexible formulary that excludes certain prescription drugs from coverage. An excluded drug is not subject to any type of appeal or coverage review, including a medical necessity appeal.
- Prior authorization is required for certain drugs.
- A pharmacist is available 24 hours a day to answer questions about your prescriptions.
- You can use a nonparticipating pharmacy or pay cash at a participating pharmacy (instead of using your Empire Plan Benefit Card) and fill out a claim form for reimbursement. In almost all cases, you will not be reimbursed the total amount you paid for the prescription, and your out-of-pocket expenses may exceed the usual copayment amount. To reduce your out-of-pocket expenses, use your Empire Plan Benefit Card whenever possible.

## Specialty Pharmacy

The Prescription Drug Program’s Specialty Pharmacy Program offers enhanced services to individuals using specialty drugs, such as those used to treat complex conditions and those that require special handling, special administration or intensive patient monitoring. (The complete list of specialty drugs included in the Specialty Pharmacy Program is available at <http://www.EmpirePlanRxProgram.com>.)

The Program provides enrollees with enhanced services that include disease and drug education, compliance management, side-effect management, safety management, expedited, scheduled delivery of medications at no additional charge, refill reminder calls and all necessary supplies such as needles and syringes applicable to the medication.

Beginning January 1, 2014, CVS Caremark Specialty Pharmacy will be the designated pharmacy for the Specialty Pharmacy Program. Under the Specialty Pharmacy Program, you are covered for an initial 30-day fill of your specialty medication at a retail pharmacy, but all subsequent fills must be obtained through the designated specialty pharmacy, CVS Caremark Specialty Pharmacy, beginning in 2014. When CVS Caremark dispenses a specialty medication, the applicable mail order copayment is charged. Specialty drugs can be ordered through the Specialty Pharmacy Program using the CVS Caremark mail order form. To request mail order envelopes or refills or to speak to a specialty-trained pharmacist or nurse, call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) between 7:30 a.m. and 9 p.m., Monday through Friday, Eastern time. Choose the Prescription Drug Program, and ask to speak with Specialty Customer Care.

### **Medicare-primary enrollees and dependents:**

If you are or will be Medicare-primary in 2014, ask your agency HBA for a copy of *2014 Choices for Retirees* for information about your coverage under Empire Plan Medicare Rx, a Medicare Part D prescription drug program.

## EMPIRE PLAN COST SHARING

### Plan Providers

Under The Empire Plan, benefits are available for covered services when you use a participating or nonparticipating provider. However, your share of the cost of covered services depends on whether the provider you use is participating under the Plan.

**If you use an Empire Plan participating or network provider or facility,** you pay a copayment for certain services; some are covered at no cost to you. The provider or facility files the claim and is reimbursed by The Empire Plan.

You are guaranteed access to network benefits when you contact the program before receiving services and follow program requirements for:

- Mental Health and Substance Abuse Program services;
- Managed Physical Medicine Program services (physical therapy and chiropractic care); and
- Home Care Advocacy Program (HCAP) services (including durable medical equipment).

**If you use a nonparticipating provider or non-network facility,** benefits for covered services are subject to a deductible and/or coinsurance.

### Combined Annual Deductible

For medical/surgical and mental health and substance abuse services, The Empire Plan has a combined annual deductible per enrollee, per enrolled spouse/domestic partner and per all dependent children combined (see table on page 22). The combined annual deductible must be met before covered services under the Basic Medical Program and non-network expenses under both the Home Care Advocacy Program (HCAP) and Mental Health and Substance Abuse (MHSA) Program can be reimbursed. The Managed Physical Medicine Program has a separate \$250 deductible per enrollee, \$250 per enrolled spouse/domestic partner and \$250 per all dependent children combined that is not included in the combined annual deductible.

After you satisfy the combined annual deductible, The Empire Plan pays 80 percent of the reasonable and customary charge for the Basic Medical Program and non-network practitioner services for the MHSA Program and 90 percent of covered services for the non-network HCAP services and non-network approved facility services for the MHSA Program. You are responsible for the remaining 20 percent coinsurance and all charges in excess of the reasonable and customary charge for Basic Medical Program and non-network practitioner services. You also are responsible for the remaining 10 percent coinsurance for non-network HCAP services and non-network MHSA approved facility services.

## THE EMPIRE PLAN CENTERS OF EXCELLENCE PROGRAMS

**The Centers of Excellence for Cancer Program** includes paid-in-full coverage for cancer-related expenses received through Cancer Resource Services (CRS). CRS is a nationwide network including many of the nation's leading cancer centers. The enhanced benefits, including a travel allowance, are available only when you are enrolled in the Program.

**The Centers of Excellence for Transplants Program** provides paid-in-full coverage for services covered under the Program and performed at a qualified Center of Excellence. The enhanced benefits, including a travel allowance, are available only when you are enrolled in the Program and The Empire Plan is your primary coverage. Precertification is required.

**Infertility Centers of Excellence** are a select group of participating providers contracted by UnitedHealthcare and recognized as leaders in reproductive medical technology and infertility procedures. Benefits are paid in full, subject to the lifetime maximum benefit of \$50,000. A travel allowance is available. Precertification is required.

For details on The Empire Plan Centers of Excellence Programs, see the *Empire Plan Certificate/Reports and Reporting On Centers of Excellence* available at <https://www.cs.ny.gov> or from your agency HBA.

## Combined Annual Coinsurance Maximum

The Empire Plan has a combined annual coinsurance maximum per enrollee, per enrolled spouse/domestic partner and per all dependent children combined (see table below). After you reach the combined annual coinsurance maximum, you will be reimbursed up to 100 percent of the reasonable and customary charge. You are responsible for paying the provider and will be reimbursed by the Plan for covered charges.

The combined annual coinsurance maximum will be shared among the Basic Medical Program and non-network coverage under the Hospital Program and Mental Health and Substance Abuse Program. The Managed Physical Medicine Program and Home Care Advocacy Program do not have a coinsurance maximum.

## Basic Medical Provider Discount Program

If you are Empire Plan-primary, The Empire Plan also includes a program to reduce your out-of-pocket costs when you use a nonparticipating provider. The Empire Plan Basic Medical Provider Discount Program offers discounts from certain physicians and providers who are not part of The Empire Plan participating provider network. These providers are part of the nationwide MultiPlan group, a provider organization contracted with UnitedHealthcare. Empire Plan Basic Medical Program provisions apply and you must meet the combined annual deductible. Providers in the Basic Medical Provider Discount Program accept a discounted fee for covered services. Your 20 percent coinsurance is based on the lower of the discounted fee or the reasonable and customary charge. The provider submits your claims and UnitedHealthcare pays The Empire Plan portion of the provider fee directly to the provider if the services qualify for the Basic Medical Provider Discount Program. Your Explanation of Benefits, which details claims payments, shows the discounted amount applied to billed charges.

## GRANDFATHERED HEALTH PLANS

Under the Patient Protection and Affordable Care Act (PPACA), a grandfathered health plan is permitted to preserve certain basic health coverage that was already in effect when the Act was signed into law on March 23, 2010. Being a grandfathered health plan means that the plan can delay implementation of certain features of health care reform that apply to non-grandfathered health plans. For example, the requirement for the provision of preventive health services without any cost sharing does not need to be included under a health care plan until the plan is no longer grandfathered. However, grandfathered health plans must comply with certain other consumer protections in the Act such as the elimination of lifetime limits on certain benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the New York State Department of Civil Service, Employee Benefits Division, Albany, NY 12239. Or, visit the U.S. Department of Health and Human Services web site at <http://www.hhs.gov/healthcare/insurance/grandfather/index.html> to learn more.
