**Instructions:**

New York State Finance Law (SFL) §139-k(5) requires that every contract award subject to the provisions of SFL §§139-k or 139-j shall contain a certification by the Offeror that all information provided to the DCS with respect to SFL §139-k is complete, true and accurate.

At the time an Offer or Bid is submitted to the DCS, the Offeror/Bidder must provide the following certification that the information it has and will provide to the DCS pursuant to SFL §139-k is complete, true and accurate including, but not limited to, disclosures of findings of non-responsibility made within the previous four years by any State governmental entity where such finding of non-responsibility was due to a violation of SFL §139-j or due to the intentional provision of false or incomplete information to a State governmental entity.

**Offeror Certification**

*I certify that all information provided to the Governmental Entity with respect to State Finance Law §139-k is complete, true and accurate.*
