

NYS Police Respirator Insert Dispenser Instructions

Eligible New York State Police requiring vision correction may receive a prescription lens insert for use with their respirator. The State Police will provide the respirator inserts to the laboratory. In order to process the order, the laboratory requires a current (less than 2 years old) prescription written on a doctor's form, which is signed and dated. The prescription must include all relevant fitting data (Rx, PD, Seg Height, etc.)

Single vision plastic (CR-39) or ST 28 bifocals only, will be provided. No tints, coatings or other lens types will be permitted. No reading only prescriptions should be provided. The insert is available in one size only and has an "A" measurement of 51 mm. and a "B" measurement of 43 mm. A representation of the frame is found below since the inserts cannot be made available for fitting purposes.

Please note that the insert sits approximately 16 mm. from the front surface of the cornea.
