Benefits Management Program

for preadmission certification

If The Empire Plan is primary for you or your covered dependents:

You must call The Empire Plan toll free at **1-877-7-NYSHIP (1-877-769-7447)** and choose the Hospital Program:

- Before a scheduled (non-emergency) hospital admission.
- Before a maternity hospital admission. Call as soon as a pregnancy is certain.
- Within 48 hours, or as soon as reasonably possible, after an emergency or urgent hospital admission.

If you do not call, a \$200 penalty will be applied to the charges if it is determined that your hospitalization is medically necessary. If Empire BlueCross BlueShield does not certify the hospitalization, you will be responsible for the entire cost of care determined not to be medically necessary.

- Before admission or transfer to a skilled nursing facility. If the admission or transfer to a skilled nursing facility is determined not to be medically necessary, you will be responsible for the entire cost.

Empire BlueCross BlueShield also provides concurrent review, discharge planning, inpatient Medical Case Management and the Empire Plan Future Moms Program.

for Prospective Procedure Review

If The Empire Plan is primary for you or your covered dependents:

You must call The Empire Plan toll free at **1-877-7-NYSHIP (1-877-769-7447)** and choose the Medical/Surgical Program before having a scheduled (non-emergency) Magnetic Resonance Imaging (MRI) test unless you are having the test as an inpatient in a hospital. If you do not call, you will pay a large part of the cost. If the test or procedure is determined not to be medically necessary, you will be responsible for the entire cost.

UnitedHealthcare helps coordinate Voluntary Specialist Consultant Evaluation services and outpatient Medical Case Management for serious conditions.

Centers of Excellence

Cancer Services

to participate

You must call The Empire Plan toll free at **1-877-7-NYSHIP (1-877-769-7447)** and choose the Medical Program or call the Cancer Resources Center toll free at **1-866-936-6002** and register to participate in the Centers of Excellence for Cancer Program.

Paid-in-full benefits are available for cancer services at a designated Center of Excellence when arranged through UnitedHealthcare. You will also receive nurse consultations and assistance in locating cancer centers. When applicable, a travel, lodging and meal allowance is available. See page 3 for details.

If you do not use a Center of Excellence, benefits will be provided in accordance with The Empire Plan Hospital Program coverage and/or Medical/Surgical Program coverage.

Program requirements apply even if Medicare or another health insurance plan is primary.

Transplants Program

for prior authorization

You must call The Empire Plan toll free at **1-877-7-NYSHIP (1-877-769-7447)** and choose the Hospital Program for preauthorization of the following transplants provided through the Centers of Excellence for Transplants Program: bone marrow, cord blood stem cell, heart, heart-lung, kidney, liver, lung, pancreas, pancreas after kidney, peripheral stem cell and simultaneous kidney/pancreas.

Paid-in-full benefits are available for the following transplant services when authorized by Empire BlueCross BlueShield and received at a designated Center of Excellence: pretransplant evaluation, inpatient and outpatient hospital and physician services and up to twelve months of follow-up care. When applicable, a travel allowance is available. See below for details.

If a transplant is authorized but you do not use a designated Center of Excellence, benefits will be provided in accordance with The Empire Plan hospital and/or medical/surgical coverage. If you choose to have your transplant in a facility other than a designated Center of Excellence, or if you require a small bowel or multivisceral transplant, you may still take advantage of the Hospital Program case management services for transplant patients if you enroll in the Centers of Excellence for Transplants Program. A case management nurse will help you through the transplant process.

To enroll in the Program and receive these benefits, The Empire Plan must be your primary insurance coverage.

Infertility Benefits

for prior authorization

You must call The Empire Plan toll free at **1-877-7-NYSHIP (1-877-769-7447)** and choose the Medical Program for preauthorization and a list of Qualified Procedures before receiving services.

A paid-in-full benefit is available subject to the lifetime maximum of \$50,000 per covered person for Qualified Procedures, including any travel allowance, when you choose a Center of Excellence for Infertility Treatment and receive prior authorization. When applicable, a travel allowance is available. See below for details.

If a Qualified Procedure is authorized but you do not use a Center of Excellence, benefits will be provided in accordance with The Empire Plan Hospital Program coverage and/or Medical/Surgical Program coverage.

All authorized procedures are subject to the lifetime maximum for Qualified Procedures. If you do not receive prior authorization, no benefits are available for Qualified Procedures under The Empire Plan's Hospital Program or Medical/Surgical Program. You will pay the full cost regardless of the provider.

Program requirements apply even if Medicare or another health insurance plan is primary.

Centers of Excellence Travel Allowance

When you are enrolled in the Centers of Excellence Program or are preauthorized for Infertility Benefits, you will not have any copayments. A travel, lodging and meal expenses benefit is available to you for travel within the United States. If the patient is a minor child, the benefit will include coverage for up to two companions. Benefits will also be provided for one lodging per day. Reimbursement for lodging and meals will be limited to the United States General Services Administration per diem rate. Level 3 or Non-preferred Brand-name Drugs\$30	Level 3 or Non-preferred Brand-name Drug\$60	Level 3 or Non-preferred Brand-name Drug\$55

Note: Oral chemotherapy drugs for the treatment of cancer do not require a copayment.

If you choose to purchase a covered brand-name drug that has a generic equivalent, you will pay the Level 3 non-preferred drug copayment plus the difference in cost between the brand-name drug and the generic (ancillary charge), not to exceed the full retail cost of the covered drug. Certain covered drugs are excluded from this requirement. You pay only the applicable copayment for these covered brand-name drugs with generic equivalents: Coumadin, Dilantin, Lanoxin, Levothroid, Mysoline, Premarin, Synthroid, Tegretol and Tegretol XR. One copayment covers up to a 90-day supply.

You have coverage for prescriptions of up to a 90-day supply at all network, non-network and mail service pharmacies. Prescriptions may be refilled for up to one year.

Mail Service Pharmacy

You may fill your prescription by mail through the Mail Service Pharmacy by using the mail service envelope. For envelopes and refill orders, call The Empire Plan toll free at **1-877-7-NYSHIP (1-877-769-7447)** and choose the Prescription Drug Program. To refill a prescription on file with the mail service pharmacy, you may order by phone or download order forms online at the New York State Department of Civil Service web site at <https://www.cs.ny.gov>. From the home page, click on Benefit Programs and follow the prompts to access NYSHIP Online. Click on Find a Provider and scroll down to Pharmacy Mail-Order Form.

Non-Network Pharmacy

If you do not use a network pharmacy, or pay cash at a network pharmacy, you must submit a claim for reimbursement to The Empire Plan Prescription Drug Program, c/o Medco, P.O. Box 14711, Lexington, KY, 40512. If your prescription was filled with a generic drug or a covered brand-name drug with no generic equivalent, you will be reimbursed up to the amount the Program would reimburse a network pharmacy for that prescription. If your prescription was filled with a covered brand-name drug that has a generic equivalent, you will be reimbursed up to the amount the Program would reimburse a Network Pharmacy for filling the prescription with that drug's generic equivalent. In most cases, you will not be reimbursed the total amount you paid for the prescription.

Empire Plan Preferred Drug List

The Empire Plan Preferred Drug List (PDL) is a list of the Plan's most commonly prescribed generic and brand-name drugs. The PDL is not a complete list of all prescription drugs covered under The Empire Plan. The list is subject to change due to Food and Drug Administration (FDA) approval of new brand-name and generic drugs and product availability.

Half Tablet Program

The Half Tablet Program can dramatically lower your costs on select medications that you take on a regular basis. To participate in the Program, your doctor must write a new prescription for twice the dosage and half the quantity. Then when you fill the prescription, you automatically pay only half your usual copayment. Split each tablet and take half to get your usual dosage at half the cost. To see a list of medications available under this Program, go to the New York State Department of Civil Service web site at <https://www.cs.ny.gov> and select Benefit Programs. Follow the prompts to access NYSHIP Online and choose Find a Provider. Scroll to Prescription Drug Program links and click on Empire Plan Half Tablet Program. The Empire Plan will provide participants with one free tablet splitter by mail upon request.

Federal Health Care Reform

Grandfathered Health Plans

Under the Patient Protection and Affordable Care Act, a grandfathered health plan is permitted to preserve certain basic health coverage that was already in effect when the Act was signed into law on March 23, 2010. Being a grandfathered health plan means that the plan may delay implementation of certain features of health care reform that apply to non-grandfathered health plans. For example, the requirement for the provision of preventive health services without any cost sharing does not need to be included under a health care plan until the plan is no longer grandfathered. However, grandfathered health plans must comply with certain other consumer protections in the Act such as, the elimination of lifetime limits on certain benefits. The Empire Plan benefit package provided to your group is a grandfathered plan.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the New York State Department of Civil Service Employee Benefits Division, Alfred E. Smith State Office Building, Albany, NY 12239. You may also contact the U.S. Department of Health and Human Services at www.healthcare.gov.
