## **STANDARD CLAUSES FOR NYS CONTRACTS**

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, “the contract” or “this contract”) agree to be bound by the following clauses which are hereby made a part of the contract (the word “Contractor” herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

**1. EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

**2. NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

**3. COMPTROLLER’S APPROVAL.** In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller’s approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

**4. WORKERS’ COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

**5. NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

**6. WAGE AND HOURS PROVISIONS.** If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor’s employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in

accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

**7. NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

**8. INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

**9. SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

**10. RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records

must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

**11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.** (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

**12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.**

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not

apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

**13. CONFLICTING TERMS.** In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

**14. GOVERNING LAW.** This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

**15. LATE PAYMENT.** Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

**16. NO ARBITRATION.** Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

**17. SERVICE OF PROCESS.** In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

**18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS.** The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this

law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

**19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES.** In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

**20. OMNIBUS PROCUREMENT ACT OF 1992.** It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority- and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

**21. RECIPROCITY AND SANCTIONS PROVISIONS.** Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5)) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 2023, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

**22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.** Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law §§ 899-aa and 899-bb and State Technology Law § 208).

**23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW.** If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

**24. PROCUREMENT LOBBYING.** To the extent this agreement is a “procurement contract” as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

**25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.**

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

**26. IRAN DIVESTMENT ACT.** By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at: <https://ogs.ny.gov/iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

**27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT.** Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

## 2. Compliance with Laws

Contractor warrants and represents that, throughout the term of the Contract, in the performance of its obligations under the Contract, it will: (i) comply with all applicable State and Federal laws, ordinances, rules and regulations and policies of any governmental entity; (ii) pay, at its sole expense, all applicable permits, licenses, tariffs, tolls and fees; and (iii) give all notices required by any laws, ordinances, rules, and regulations of any governmental entity.

## 3. Jurisdiction or Venue

Any action, suit or proceeding to enforce any provision of, or based on any matter arising out of or in connection with this Contract shall be brought in any New York state court located in Albany County or any federal court located in the Northern District of the State of New York.

## 4. Summary of Policy and Prohibitions on Procurement Lobbying

State Finance Law §§139-j and 139-k impose certain restrictions on communications between the Department and Offerors during the procurement process. Offerors are restricted from making contact, from the earliest posting, on the Department's website, in a newspaper of general circulation, or in the procurement opportunities newsletter in accordance with Article four-C of the Economic Development Law, of written notice, advertisement or solicitation of a Request for Proposal, invitation for bids, or solicitation of proposals, or any other method provided for by law or regulation to solicit offers/bids through final award and approval of the procurement contract by the Department and, if applicable, the Office of the State Comptroller ("restricted period"), to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). A finding of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period, the Offeror shall be debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found on the OGS website: <https://ogs.ny.gov/acpl>.

## 5. Notice of Substantial Change in Contractor Status

In addition to the requirements of New York State Finance Law §138 (requiring the State's approval of subcontractors and assignments and/or conveyances), the Contractor shall notify the Department of any substantial change in the ownership or financial viability of the Contractor, its Affiliates, subsidiaries or divisions, or partners, in writing immediately upon occurrence. "Substantial change" means: (i) sales, acquisitions, mergers or takeovers of the Contractor, its Affiliates, subsidiaries, divisions, or partners that result in a change in the controlling ownership or assets of such entity after the submission of the Bid or execution of Contract; (ii) entry of an order for relief under Title 11 of the United States Code; (iii) the making of a general assignment for the benefit of creditors; (iv) the appointment of a receiver of Contractor's business or property or that of its Affiliates, subsidiaries or divisions, or partners; or action by Contractor, its Affiliates, subsidiaries or divisions, or partners under any State insolvency or similar law for the purposes of its bankruptcy, reorganization, or liquidation; or (v) court ordered liquidation of Contractor, its Affiliates, subsidiaries or divisions, or partners.

Upon the Department's receipt of such notice, the Department shall have thirty (30) business days from the date of notice to review the information. The Contractor may not transfer the Contract to or among Affiliates, subsidiaries or divisions, or partners, or to any other person or entity, without the express written consent of the Department. In addition to any other remedies available at law or equity, the Department shall have the right to terminate the Contract, in whole or in part, for cause, if it finds, in its sole judgment, that such substantial change adversely affects the delivery of Services or is otherwise not in the best interests of the State.

## 6. Notice of Circumstances Expected to Adversely Affect Contractor's Performance

The Contractor shall immediately notify Department upon learning of any situation that can reasonably be expected to adversely affect the delivery of Project Services under the Contract. If such notification is verbal, the Contractor shall follow such initial verbal notice with a written notice to Department within three (3) calendar days of Contractor's becoming aware of the situation. The written notification shall include a description of the situation and a recommendation of a resolution.

## 7. Severability

In the event that one or more of the provisions of the Contract shall for any reason be declared unenforceable by a court of competent jurisdiction under the laws or regulations in force, such provision(s) shall have no effect on the validity of the

remainder of the Contract, which shall then be construed as if such unenforceable provision(s) was never contained in the Contract.

#### 8. Waiver of Breach

No term or provision of the Contract shall be deemed waived, and no breach excused, unless such waiver or consent shall be in writing and signed by the Party claimed to have waived or consented. No consent by a Party to, or waiver of, a breach under the Contract shall constitute consent to, a waiver of, or excuse for any other, different or subsequent breach. The rights, duties and remedies set forth in the Contract shall be in addition to, and not in limitation of, rights and obligations otherwise available at law or equity. No delay or omission to exercise any right, power or remedy accruing to either party upon breach or default by the other under this Contract shall impair any such right, power or remedy.

#### 9. Force Majeure

Neither Party to the Contract shall be liable or deemed to be in default for any delay or failure in performance under the Contract resulting directly or indirectly from acts of God, civil or military authority, acts of public enemy, wars, riots, civil disturbances, insurrections, accident, fire, explosions, earthquakes, floods, the elements, acts or omissions of public utilities or strikes, work stoppages, slowdowns or other labor interruptions due to labor/management disputes involving entities other than the Parties to the Contract, or any other causes not reasonably foreseeable or beyond the control of a Party. Each Party is required to use best efforts to eliminate or minimize the effect of such events during performance of the Contract and to resume performance of the Contract upon termination or cessation of such events.

#### 10. Modification of Contract

The Contract may be amended only by mutual written consent of the Parties and approved by the New York State Attorney General and Office of the State Comptroller, if required.

#### 11. Change Request

At any time during the term of this Contract, the Department may make changes, subtractions or additions in any of the equipment, software, documentation, Project Services and/or other Deliverables within the general scope of work set forth in the Contract, consistent with pricing established under the terms of the Contract. All such changes shall be made using a mutually agreed upon form executed by the Parties and shall otherwise be in accordance with the terms and conditions of the Contract. If any such change causes an increase or decrease in pricing or the time required for the

performance of the Contract, an equitable adjustment of the Contract amount and/or time of performance will be made on mutual agreement of the Parties, subject to the approval of the New York State Office of the State Comptroller and any applicable control agency, if required.

#### 12. Piggybacking

Contractor acknowledges and agrees that, pursuant to State Finance Law § 163(10)(e), the New York State Office of General Services may authorize and approve purchases from contracts between Contractor and Department to other New York State agencies, authorities, the United States Government or any other state, with the concurrence of the Office of the State Comptroller and under appropriate circumstances.

#### 13. No Third-Party Beneficiaries

Nothing contained in the Contract, expressed or implied, is intended to confer upon any person or corporation, other than the Parties hereto and their successors in interest and assigns, any rights or remedies under or by reason of the Contract.

#### 14. Work Outside of Scope of the Contract

The Contractor must not perform work outside the scope of the Contract unless such work is authorized by a properly executed written amendment to the Contract, and if applicable, approved by the Office of the State Comptroller. Work not so authorized shall not be compensated.

#### 15. Contract Payments

Payments for commodities received or Services rendered shall be in accordance with the Contract. The State's payment obligations shall be governed by the provisions of the New York State Finance Law ("SFL") Article 11-A.

#### 16. Liability for Taxes

- a) The Department represents that the purchases on behalf of the State of New York are not subject to any state or local sales or use taxes, or to federal excise taxes.
- b) Contractor remains liable and solely responsible without exemption for social security, unemployment insurance, workers' compensation and other taxes and obligations to which Contractor may be subject to by law.

## 17. State's Authority to Conduct Financial and Performance Audits

The Contractor acknowledges that the Department and the Office of the State Comptroller have the authority to conduct financial and performance audits of the Contractor's delivery of Project Services and any applicable State and federal statutory and regulatory authorities. The audit activity may include, but is not limited to, the review of documentary evidence to determine the accuracy and fairness of all items on the Contractor's submission of claims for payment under the Contract, and the review of any and all activities relating to the Contractor's performance and administration of the Contract.

In addition to any requirements set forth in the Contract, the Contractor shall make available any documentation necessary to perform such reviews including the copying of the documentation. Documentation made available by the Contractor may include, but is not limited to, source documents, books of account, subsidiary records and supporting work papers, claim documentation and pertinent contracts and correspondence.

The audit provisions contained herein shall in no way be construed to limit the audit authority or audit scope of the Office of the State Comptroller as set forth in Appendix A of the Contract, Standards Clauses for All New York State Contracts, or any audit requirements related to the security of the Contractor's systems.

Further, upon request by the State, the Contractor shall cooperate with the State, including the Office of the State Comptroller, in any investigation, audit, or other inquiry related to the Solicitation or the resulting Contract or any related litigation, at no cost to the State. This provision shall survive the termination of the Contract.

## 18. Independent Contractor

The Parties agree that the Contractor is an independent contractor, and the Contractor, its officers, employees, agents, consultants, contractors and/or subcontractors in the performance of the Contract shall act in an independent capacity and not as agents, officers or employees of the State or the Department. Neither the Contractor nor any subcontractor shall thereby be deemed an agent, officer, or employee of the State. The Contractor agrees, during the term of the Contract, to maintain at the Contractor's expense those benefits to which its employees would otherwise be entitled by law, including health benefits, and all necessary insurance for its employees, including workers' compensation, disability and unemployment insurance, and to provide the Department with certification of such insurance upon request. The Contractor remains responsible for all applicable federal, State, and local taxes, and all Federal Insurance Contributions Act payments.

## 19. Subcontracting

If allowed in the solicitation, the Contractor may arrange for specified portions of its responsibilities to be subcontracted. The Contractor shall not in any way be relieved of any responsibility under the Contract by any subcontract. The Contractor shall be solely responsible to the Department for the acts or defaults of its Subcontractor(s) and of such Subcontractors' officers, agents, and employees, each of whom shall for this purpose, be deemed to be the agent or employee of the Contractor to the extent of its subcontract. Any Deliverable provided or furnished by a Subcontractor shall be deemed for purposes of the Contract to be provided or furnished by the Contractor.

The Contractor shall inform each Subcontractor fully and completely of all provisions and requirements established by the Contract and enter into a written subcontract. Such subcontract shall include the functional equivalent of the Contract, and include such clauses:

- That the work performed by the Subcontractor must be in accordance with the terms and conditions of this Contract.
- That nothing contained in such subcontract shall impair the rights of the Department or the State.
- That nothing contained in the subcontract shall create any contractual relationship between the Subcontractor and the Department or the State.
- That the State and Department shall have the same authority to audit the records of all Subcontractors as it does those of the Contractor.
- That Subcontractor shall cooperate with any investigation, audit, litigation or other inquiry related to the Solicitation or the resulting Contract.
- That Subcontractor shall maintain and protect against any unauthorized disclosure of records with respect to work performed under the subcontract in the same manner as required of the Contractor
- The Contractor shall require that the Subcontractor must pass through all terms and conditions of the Contract, including but not limited to Appendix A, to any lower tier subcontractors.
- Unless waived by the Department, each subcontract shall expressly name the State of New York through the Department as the sole intended third party beneficiary of such subcontract.

The Department reserves the right to review and approve or reject any subcontract with a Subcontractor, as well as any amendments to said subcontract(s). This right shall not make the Department or the State a party to any subcontract or create any right, claim, or interest in the Subcontractor or proposed Subcontractor against the Department.

The Department reserves the right, at any time during the term of the Contract, to verify that the written subcontract between the Contractor and Subcontractor(s) is in compliance with all of the provisions of this Contract. In addition to other remedies

allowed by law, the Department reserves the right to terminate the Contract for cause if an executed subcontract does not contain all of the required provisions.

The Contractor shall give the Department immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a Subcontractor or which may affect the performance of the Contractor's duties under the Contract. Failure to disclose the identity of any and all Subcontractor(s) used by the Contractor as required hereunder may, at the sole discretion of the Department, result in a disqualification of the Subcontractor, if not immediately cured, or may result in termination of the Contract for cause. The Contractor shall pay all Subcontractors for and on account of Project Services and/or Deliverables provided by such Subcontractors in accordance with the terms of their respective subcontracts. If and when required by the Department, the Contractor shall submit satisfactory evidence that it has made such payment. The Contractor shall, within five (5) Business Days of the Department's written request, file promptly with the Department a copy of any subcontract providing Services for the Contract.

## 20. Contractor Staff

All Contractor Staff performing work under the Contract must: meet or exceed the technical and training qualifications set forth in the Contract; comply with all security and administrative requirements of the Department; possess the necessary qualifications, training, licenses, and permits as may be required within the jurisdiction where the work will be provided or performed; and be legally entitled to work in such jurisdiction. All persons, corporations, or other legal entities that perform Project Services under the Contract on behalf of Contractor shall, in performing the Project Services, comply with all applicable Federal and State laws concerning employment in the United States. Contractor Staff may be required to execute a Department Nondisclosure Agreement, either before or upon arrival for work at a State facility or, if in Department's sole discretion, the Contractor's Staff will otherwise have access to critical State Networks, equipment or data.

The Department, in its sole discretion, may require the Contractor to remove from interaction with the State, or may refuse access to State systems and facilities or require removal from any State facility any Contractor Staff performing work under this Contract that the Department determines poses a security risk, has a work performance that the Department finds inadequate or unacceptable, or otherwise fails to meet the Department's business requirements or expectations. The Contractor shall not assign such removed person to any aspect of the Contract without the State's written consent. Such action by the Department shall not relieve the Contractor of the obligation to perform all work in compliance with the Contract terms.

For reasons of safety and public policy, the use of illegal drugs and/or alcoholic beverages by the Contractor Staff shall not be permitted while performing any phase of Contract work.

The State shall not be liable for any expense incurred by the Contractor Staff for any parking or towing fees or as a consequence of any traffic infraction or parking violations attributable to Contractor Staff.

## 21. Onboarding and Suitability Determinations

The Contractor, including all Contractor Staff who work on the Contract, must comply with all State and Federal onboarding and security clearance requirements, at its own expense.

Contractor is responsible, at its own expense, for making suitability determinations on its Contractor Staff prior to the staff member performing any work in connection with this Contract. For purposes of this provision, a "suitability determination" is a determination that there are reasonable grounds to believe that an individual will likely be able to perform the Contract requirements without undue risk to the interests of the State. Upon request of the State, the Contractor shall certify to the State that the suitability determinations required by this provision have been completed for all Contractor Staff performing work in connection with this Contract.

Failure of a security clearance or non-compliance with this provision will disqualify any Contractor Staff from performing any Services under the Contract. All expenses, including travel and lodging, associated with the onboarding and security clearance process, including fingerprinting of Contractor Staff, if required, are the responsibility of the Contractor and are not reimbursable.

If Contractor Staff have any lapse in work under the Contract, such individuals may be subject to all onboarding and security clearance requirements if they are returned to performing Project Services under the Contract.

The State also reserves the right to: (a) conduct a background check or otherwise approve any Contractor Staff performing work on this Contract or having access to Data; and (b) refuse access to, eject or require replacement of any personnel at the Department's discretion for any reason.

## 22. Separation of Duties

The Department requires the Contractor to follow security best practices by adhering to separation of job duties and limiting Contractor Staff access to Data to the minimum necessary to accomplish the intended purpose (i.e., job duties).

## 23. Dispute Resolution

Unless otherwise agreed to in writing by the Parties, any dispute raised by the Contractor concerning any question of fact or law arising under the Contract which is not disposed of by mutual agreement of the Parties shall be decided initially by the designee of the Commissioner ("Commissioner"). A copy of the written decision shall be furnished to the Contractor. The Parties shall proceed diligently with the performance of the Contract and shall comply with the provisions of such decision and continue to comply pending further resolution of any such dispute as provided herein. The decision of the designee of the Commissioner shall be final and conclusive unless, within ten (10) Days from the receipt of such decision, the Contractor furnishes the Commissioner a written appeal. In the event of an appeal, the Commissioner shall promptly review the initial decision, and confirm, annul, or modify it. The decision of the Commissioner shall be final and conclusive unless, as determined by a court of competent jurisdiction, it violates one of the provisions of section 7803 of the Civil Practice Law and Rules ("Article 78"). Pending final decision of any Article 78 proceeding, the Parties shall diligently perform the Contract in accordance with the Commissioner's decision.

## 24. Indemnification and Limitation of Liability

### a. Indemnification:

Contractor shall be fully liable for the actions of its agents, officers, employees, partners, or subcontractors, and shall fully indemnify and save harmless the State, without limitation, from suits, actions, damages, and costs of every name and description relating to personal injury and damage to real or personal property caused by Contractor, its agents, officers, employees, partners, or subcontractors, if any, without limitation; provided however, that the Contractor shall not indemnify for that portion of any claim, loss, or damage arising hereunder due to the negligent act or negligent failure to act of the State.

Contractor shall indemnify, defend and hold the State harmless, without limitation, from any loss or damage to the State resulting from suits, actions, damages, and costs of every name and description resulting from any criminal acts committed by Contractor's officers, agents, employees, and subcontractors while providing Project Services under the Contract.

### b. Indemnification for Intellectual Property Infringement:

Contractor shall indemnify, defend, and hold the State harmless, without limitation, from and against any and all damages, expenses (including reasonable attorneys' fees and legal fees), claims, judgments, liabilities, and costs which may be assessed against the State in any action for infringement of a United States Letter Patent, or of any copyright,

trademark, trade secret, or other third-party proprietary right in relation to the Services, products, documentation or Deliverables furnished or utilized by Contractor under this Contract, provided that the State shall give Contractor: (i) prompt written notice of any action, claim, or threat of infringement suit, or other suit; (ii) the opportunity to take over, settle or defend such action, claim or suit at Contractor's sole expense; and (iii) assistance in the defense of any such action at the expense of Contractor. Where a dispute or claim arises relative to a real or anticipated infringement, the State may require Contractor, at its sole expense, to submit such information and documentation, including formal patent attorney opinions, as the State shall require. This paragraph shall not apply to that portion of any infringement claim which results from a material modification by the State, without Contractor's approval, of any products, documentation or Deliverables furnished or utilized by Contractor pursuant to this Contract. Notwithstanding the foregoing, the State reserves the right to join such action, at its sole expense, when it determines that there is an issue involving a significant public interest.

c. Limitation of Liability

For all other claims against the Contractor where liability is not otherwise set forth in the Contract as being "without limitation" or not subject to the limitation of liability provisions, and regardless of the basis on which the claim is made, Contractor's liability under the Contract for direct damages shall be limited to the greater of the following: (i) \$500,000 (Five Hundred Thousand Dollars); or (ii) two (2) times the amounts paid to the Contractor for Project Services under the Contract during the twelve (12) months of the Contract term which precedes the giving of notice of the claim by the State. For this purpose, amounts paid shall include, but not be limited to, payments made electronically, by check, by offset, or by the application of credits from the Contractor to the State. Unless otherwise specifically enumerated herein, neither party shall be liable for any incidental, punitive, consequential, indirect or special damages of any kind which may result directly or indirectly from the performance of this Contract, including, without limitation, damages resulting from loss of use or loss of profit by the State, the Contractor, or by others, however caused and regardless of the theory of liability even if such party has been informed of the possibility of such damages.

d. No Indemnification by the State:

The State does not agree to any indemnification provisions that requires the State to indemnify or save harmless Contractor or third parties.

25. Insurance Requirements

Prior to the commencement of work, Contractor shall file with the Department Certificates of Insurance evidencing compliance with all the requirements contained in the Solicitation. Acceptance and/or approval by the Department does not and shall not be construed to relieve Contractor of any obligations, responsibilities or liabilities under the Contract.

Contractor shall cause all required insurance to be in full force and effect as of the commencement date of the Contract and to remain in full force and effect throughout the term of the Contract and as required by the Contract. Contractor shall not take any action or omit to take any action that would suspend or invalidate any of the required coverages during the period of time such coverages are required to be in effect.

## 27. Ownership of and Title to Contract Deliverables

a. Contractor acknowledges that it is commissioned by the State to perform the Project Services detailed in the Contract which may include the development of intellectual property by Contractor, its Subcontractors, partners, employees or agents for the State (“Custom Products”). Unless otherwise specified in writing in the Contract, upon the creation of such Custom Products, Contractor hereby conveys, assigns and transfers to the State the sole and exclusive rights, title and interest in the Custom Products, whether preliminary, final or otherwise, including all trademark and copyrights. Contractor hereby agrees to take all necessary and appropriate steps to ensure that the Custom Products are protected against unauthorized copying, reproduction and marketing by or through Contractor, its agents, employees, or Subcontractors. Nothing herein shall preclude the Contractor from otherwise using the related or underlying general knowledge, skills, ideas, concepts, techniques and experience developed in performing Services under the Contract in the course of Contractor’s business. The State may, by providing written notice thereof to the Contractor, elect in the alternative to take a non- exclusive perpetual license to Custom Products in lieu of taking exclusive ownership and title to such Products. In such case, the State shall be granted a non-exclusive perpetual license to use, execute, reproduce, display, perform, adapt and distribute Custom Product as necessary to fully effect the general business purpose(s) as stated in the Contract.

b. Ownership of and Title to Existing Software

Effective upon acceptance, such existing software shall be licensed to the State and must, at a minimum, grant the State a non-exclusive, perpetual license to use, execute, reproduce, display, perform, adapt (unless Contractor advises the State as part of Contractor’s proposal that adaptation will violate existing agreements or statutes and Contractor demonstrates such to the State’s satisfaction) and distribute existing software to the State up to the license capacity stated in the Contract with all license rights necessary to fully effect the general business purposes stated in the Solicitation. With regards to third party software, the Contractor shall be responsible for obtaining these rights at its sole cost and expense.

28. Confidentiality and Non-Disclosure

a. Confidentiality

Except as may be required by applicable law or a court of competent jurisdiction, the Contractor, its officers, agents, employees, and subcontractors, if any, shall maintain strict confidence with respect to any “Confidential Information” to which the Contractor, its officers, agents, employees, and subcontractors, if any, have access. This

requirement shall survive termination of the Contract. Contractor agrees that all officers, agents, employees and subcontractors, if any, shall be made aware of and shall agree to the terms of this Contract. Upon the request of the State or Department, all of Contractor's officers, agents, employees and subcontractors with access to Data shall cooperate in executing a written confidentiality/nondisclosure agreement and/or security addendum under applicable confidentiality and privacy laws, rules, and regulations or policies. If the State or Department does not request the execution of a written confidentiality/nondisclosure agreement and/or security addendum then Contractor shall ensure all officers, agents, employees and subcontractors with access to Data are bound by a confidentiality/nondisclosure agreement and/or security addendum requirements consistent with applicable confidentiality and privacy laws, rules and regulations or policies.

For purposes of the Contract, all data from the State of which Contractor, its officers, agents, employees, and subcontractors, if any, becomes aware during the Contract performance shall be deemed to be Confidential Information (whether oral, visual or written). Notwithstanding the foregoing, data that falls into any of the following categories shall not be considered Confidential Information:

- ii. information that becomes, from no act or failure to act on the part of the receiving party, generally known in the relevant industry or is in the public domain; and
- iii. information that is independently developed by Contractor without use of Confidential Information of the State.

In the event that it is necessary for Contractor to receive Confidential Information, which Federal or State statute or regulation prohibits from disclosure, Contractor hereby agrees it shall not retain a copy of such Confidential Information and shall either return or destroy, in accordance with the provisions of this Contract, all such Confidential Information when the purpose that necessitated its receipt by Contractor has been completed.

Notwithstanding the foregoing, if the return or destruction of the Confidential Information is not feasible, Contractor agrees to extend the contractual protections for as long as necessary to protect the Confidential Information and to limit any further use or disclosure of that Confidential Information.

Contractor agrees that it shall use all appropriate safeguards to prevent any unauthorized use or unauthorized disclosure of Confidential Information, which Federal or State statute or regulation prohibits from disclosure.

Contractor agrees that it shall immediately report to the Department the discovery of any unauthorized use or unauthorized disclosure of such Confidential Information in accordance with the Contract notification provisions. The Parties agree that a violation of this section shall be deemed a material breach of contract.

b. Non-disclosure: Except as otherwise required by law, Contractor shall not disclose Data to a third party. Except where expressly prohibited by law, Contractor shall promptly notify the Department of any subpoena, warrant, judicial, administrative or arbitral order of an executive or administrative agency or other governmental authority of competent jurisdiction (a "Demand") that it receives and which relates to or requires production of the information or data Contractor is processing or storing on the State's behalf where the State is the object of the underlying subpoena, warrant, judicial, administrative or arbitral order. If Contractor is required to produce information or data in response to such Demand, Contractor will provide the Department with the information or data in its possession that it plans to produce in response to the Demand prior to production of such information or data. Except as otherwise required by law, Contractor shall provide the Department with reasonable time to assert its rights with respect to the withholding of such information or Data from production. If the State is required to produce information or data in response to a Demand, Contractor will, at the State's request and unless expressly prohibited by law, produce to the State any information or data in its possession that may be responsive to the Demand and shall provide assistance as is reasonably required for the State to respond to the Demand in a timely manner. The State acknowledges that Contractor has no responsibility to interact directly with the entity making the Demand. The Parties agree that the State's execution of this Contract, does not constitute consent to the release or production of Data or information.

Contractor agrees that access to and use of sensitive and Confidential Information is limited to authorized employees and legally designated agents, for authorized purposes only.

To the extent that Contractor, or Contractor Staff have access to Federal, State or local government Regulated Data pursuant to their responsibilities under the Contract, Contractor agrees that it will abide by the requirements of those Federal and State laws and regulations.

## 29. Freedom of Information Law

Disclosure of information related to this solicitation and the resulting Contract shall be permitted consistent with New York State laws, specifically the Freedom of Information Law (FOIL). The Department shall take reasonable steps to protect from public disclosure any records or portions thereof relating to this solicitation that are exempt from disclosure under FOIL. Information constituting trade secrets or critical infrastructure information for purposes of FOIL must be clearly marked and identified as

such by the Contractor upon submission in accordance with the solicitation provisions. If the Contractor intends to request an exemption from disclosure under FOIL, the Contractor shall at the time of submission, request the exemption in writing and provide an explanation of why the information should be exempted from disclosure pursuant to Public Officers Law § 87(2) of FOIL. Acceptance of the identified information by the Department does not constitute a determination that the information is exempt from disclosure under FOIL. Determinations as to whether the materials or information may be withheld from disclosure will be made in accordance with FOIL at the time a request for such information is received by the Department.

### 30. Data Ownership and Use

All Data is owned exclusively by the Department and will remain the property of the Department. Contractor is permitted to use Data solely for the purposes set forth in the Solicitation and resulting Contract, and for no other purpose. At no time shall the Contractor access, use, or disclose any Confidential Information (including personal, financial, health, or criminal history record information) for any other purpose. The Contractor is strictly prohibited from releasing or using Data or information for any purposes other than those purposes specifically authorized by the Department. Contractor agrees that Data shall not be distributed, used, repurposed, transmitted, exchanged or shared across other applications, environments, or business units of the Contractor or otherwise passed to other contractors, agents, subcontractors or any other interested parties, except as expressly and specifically agreed to in writing by the Department. This provision shall survive the termination of the Contract.

### 31. Termination

- I. In addition to the provisions set forth in Appendix A or elsewhere in this Contract, this Contract may be terminated as follows:
  - a. For Convenience:

By written notice, this Contract may be terminated at any time by the State for convenience upon sixty (60) calendar days written notice without penalty or other early termination charges due. If the Contract is terminated pursuant to this paragraph, the State shall remain liable for all accrued but unpaid charges incurred through the date of the termination.
  - b. For Cause:

The Contract may be terminated by the Department for cause upon the failure of the Contractor to comply with the terms and conditions of the Contract, provided that the Department shall give the Contractor written notice. Such written notice will specify the Contractor's failure and the termination of the Contract. Termination shall be effective no earlier than

thirty (30) Calendar Days after receipt of such notice unless the Contractor, in the opinion of the Department, has cured such failure. Such cure period may be extended by the Department in writing. The Contractor agrees to incur no new obligations nor to claim for any expenses made after receipt of the notification of termination without the prior written approval of the Department. Upon termination for cause, the Department shall have the right to award a new contract to another contractor. Termination for cause shall create a liability upon the Contractor for actual damages incurred and for all reasonable additional costs incurred in reassigning the Contract.

- c. For Suspension or Delisting of Contractor's Securities:  
The State, in its sole discretion, may terminate the Contract or exercise such other remedies as shall be available under the Contract, at law or in equity if: the Contractor's securities are suspended or delisted by the New York Stock Exchange, the American Stock Exchange, or the NASDAQ, as applicable: the Contractor ceases conducting business in the normal course, becomes insolvent, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for its business or assets; or avails itself of or becomes subject to any proceeding under the Federal Bankruptcy Act or any statute of any state relating to insolvency or the protection of rights of creditors.
- d. For Vendor Responsibility Related Findings:  
The Department may, in its sole discretion, terminate the Contract if it finds at any time during the Contract term that the Contractor is non-responsible, or that any information provided in the Vendor Responsibility Questionnaire submitted with Contractor's Bid was materially false or incomplete, or if the Contractor fails to timely or truthfully comply with Department's request to update its Vendor Responsibility Questionnaire.
- e. Termination for Non-Responsibility:  
Upon written notice to the Contractor, and after a reasonable opportunity to be heard with the appropriate Department officials, the Contract may be terminated by the Commissioner at the Contractor's expense where the Contractor is determined to be non-responsible. In such an event, the Commissioner may complete the contractual requirements in any manner s/he may deem advisable and pursue legal or equitable remedies for the Contractor's breach.
- f. For Lack of Funds:  
The Contract may be terminated immediately in the event the Department determines that funds are unavailable. The Department agrees to provide

notice to the Contractor as soon as it becomes aware that funds are unavailable in the event of termination under this paragraph. If the initial notice is via oral notification, the Department shall provide written notice immediately thereafter. The Department shall be obligated to pay the Contractor only for the expenditures made and obligations incurred by the Contractor until such time as notice of termination is received, in writing, by the Contractor from the Department.

II. Mitigation of Costs:

The Contractor shall not undertake any additional or new obligations under this Contract on or after the receipt of notice of termination without the prior written approval of the State. On or after the receipt of a notice of termination and during the termination notice period, the Contractor shall take all commercially reasonable and prudent actions to mitigate additional costs to the State and close out any unnecessary State obligations or expenses which do not impact the level of service required by the Contractor under the Agreement.

32. Continuing Obligation to Remain Responsible

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity, including the submission of an updated Vendor Responsibility Questionnaire. The Contractor is required to promptly report to the Department any material changes in the information reported in its initial Vendor Responsibility Questionnaire.

33. Suspension of Work

The Department reserves the right to suspend any or all activities under the Contract, at any time, in the best interests of the State. In the event of such suspension, the Contractor will be given a formal written notice outlining the particulars of such suspension. Examples of the reasons for such suspension include but are not limited to, a budget freeze on State spending or declaration of emergency. Upon issuance of such notice, the Contractor shall comply with the suspension order. Contractor shall be paid for Services performed prior to suspension in accordance with the Contract. Such suspension will be lifted upon written notice to Contractor. Nothing in this paragraph shall diminish the State's right to terminate the Contract as provided in the Contract.

#### 34. Default

- a. The Department is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 140-145 (“MWBE Regulations”) for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction.
- B. The contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the Department, to fully comply and cooperate with the Department in the implementation of New York State Executive Law Article 15-A. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) or other applicable federal, state or local laws.
- C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the withholding of funds or such other actions, liquidated damages pursuant to Section VII of this Appendix or enforcement proceedings as allowed by the Contract.

## **II. Contract Goals (Zero Goals- Services are on Department’s Exclusion list)**

- A. For purposes of this procurement, the Department hereby establishes New York State certified minority-owned business enterprises (“MBE”) **0%** participation and New York State certified women-owned business enterprises (“WBE”) **0%** participation (collectively, “MWBE Contract Goals”) Based on the project services which are part of the Department’s Exclusion list.

## **III. Equal Employment Opportunity (EEO)**

By submission of a bid or proposal in response to this solicitation, the Bidder/Contractor agrees with all of the terms and conditions of Appendix A including Clause 12 – Equal Employment Opportunities for Minorities and Women. The Contractor is required to ensure that it and any subcontractors awarded a subcontract over \$25,000 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the “work”) except where the work is for the beneficial use of the Contractor, shall undertake or continue programs to ensure that minority group members and women are afforded equal employment

opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

Bidder further agrees, where applicable, to submit with the bid a **Form EEO 100** Staffing Plan identifying the anticipated work force to be utilized on the Contract and if awarded a Contract, will, upon request, submit to the Department, a workforce utilization report **Form EEO 101** Workforce Utilization Report identifying the workforce actually utilized on the Contract if known.

In accordance with Executive Order 162, issued on January 9, 2017, when the prime contract is in excess of \$25,000, the contractor shall provide to the Department – on a quarterly, calendar-year basis – detailed workforce utilization reports of the contractor and each subcontractor that include, in addition to equal employment opportunity information, the job title and salary of each employee directly performing work on a State contract. Detailed workforce utilization reports, as required above, shall be submitted in such form and in such manner as shall be required by the Department

If the contractor cannot identify the individuals working directly on a State contract, then the contractor and each subcontractor shall provide such information of each employee in the contractor's entire workforce.

This provision shall not relieve the contractor's responsibility to submit payroll certification as it may be elsewhere required in this contract.

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

The contractor shall include these provisions in every subcontract so that such provisions shall be binding upon each subcontractor.

*NOTE: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract,*

*leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.*

**PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN OWNED BUSINESSES**

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”), thereby further integrating such businesses into New York State’s economy. The Department recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of the Department contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, the Department encourages the use of good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at: <https://ogs.ny.gov/veterans/>

Contractor is encouraged to contact the Office of General Services’ Division of Service-Disabled Veteran’s Business Development at 518-474-2015 or [VeteransDevelopment@ogs.ny.gov](mailto:VeteransDevelopment@ogs.ny.gov) to discuss methods of maximizing participation by SDVOBs on the Contract.

**Appendix E**  
**Insurance Requirements**  
**MEDICAL EXAMINATION and MOBILE AUDIOMETRIC SERVICES**

## **Insurance Requirements**

Prior to the start of work the Offeror shall procure, at its sole cost and expense, and shall maintain in force at all times during the term of any Contract resulting from this IFB, policies of insurance as required by this section, written by companies that have an A.M. Best Company rating of "A-," Class "VII" or better. In addition, companies writing insurance intended to comply with the requirements of this Section should be licensed or authorized by the New York State Department of Financial Services (DFS) to issue insurance in the State of New York. The Department may, in its sole discretion, accept policies of insurance written by a non-authorized carrier or carriers when certificates and/or other policy documents are accompanied by a completed Excess Lines Association of New York (ELANY) affidavit or other documents demonstrating the company's strong financial rating. If, during the term of a policy, the carrier's A.M. Best rating falls below "A-," Class "VII," the insurance must be replaced, on or before the renewal date of the policy, with insurance that meets the requirements above. These policies must be written in accordance with the requirements of the paragraphs below, as applicable.

Policies must be written in accordance with the requirements of the paragraphs below, as applicable. While acceptance of insurance documentation shall not be unreasonably withheld, conditioned or delayed, acceptance and/or approval by the Department does not, and shall not be construed to, relieve an Offeror of any obligations, responsibilities or liabilities under this IFB or any Contract resulting from this IFB.

The Offeror shall not take any action or omit to take any action that would suspend or invalidate any of the required coverages during the term of any Contract resulting from this IFB.

### **1. General Conditions**

- a. All policies of insurance required by this Solicitation or any Contract resulting from this IFB shall comply with the following requirements:
  - i. Coverage Types and Policy Limits. The types of coverage and policy limits required from the selected Offeror are specified under section 12 of this Appendix.
  - ii. Policy Forms. Except as may be otherwise specifically provided herein or agreed to in any Contract resulting from this IFB, all policies of insurance shall be written on an occurrence basis.
  - iii. Certificates of Insurance/Notices. The selected Offeror shall provide the Department with a Certificate or Certificates of Insurance, in a form satisfactory to the Department, as detailed below, and pursuant to the timelines set forth in section 11 below. Certificates should reference the Solicitation or award

**Insurance Requirements**  
**MEDICAL EXAMINATION and MOBILE AUDIOMETRIC SERVICES**

number and shall name the New York State Department of Civil Service, Agency Building 1, Empire State Plaza, Albany, NY 12239, as the certificate holder.

- iv. Document Submissions. An Offeror shall deliver to the Department evidence of the insurance required by this IFB and any Contract resulting from this IFB upon notification of tentative award.
- b. Certificates of Insurance shall:
- i. Be in the form acceptable to the Department and in accordance with the New York State Insurance Law (e.g., an ACORD certificate);
  - ii. Disclose any deductible, self-insured retention, aggregate limit, or any exclusion to the policy that materially changes the coverage required by this Solicitation or any Contract resulting from this Solicitation;
  - iii. Be signed by an authorized representative of the insurance carrier of the referenced insurance carriers; and
  - iv. Contain the following language in the Description of Operations/ Locations / Vehicles section of the Certificate or on a submitted endorsement as applicable: Additional insured protection afforded is on a primary and non-contributory basis. A waiver of subrogation is granted in favor of the additional insureds.
- c. Only original documents (Certificates of Insurance and any endorsements and other attachments) or electronic versions of the same that can be directly traced back to the insurer, agent or broker via e-mail distribution or similar means will be accepted. The Department generally requires an Offeror to submit only certificates of insurance and additional insured endorsements, although the Department reserves the right to request other proof of insurance. An Offeror should refrain from submitting entire insurance policies, unless specifically requested by the Department. If an entire insurance policy is submitted but not requested, the Department shall not be obligated to review and shall not be chargeable with knowledge of its contents. In addition, submission of an entire insurance policy not requested by the Department does not constitute proof of compliance with the insurance requirements and does not discharge an Offeror from submitting the requested insurance documentation.

**Appendix E**  
**Insurance Requirements**  
**MEDICAL EXAMINATION and MOBILE AUDIOMETRIC SERVICES**

**2. Primary Coverage**

All liability insurance (excluding Professional Liability insurance) policies where the Department is required to be included as an additional insured, shall provide that the required coverage shall be primary and non-contributory to other insurance available to the Department and their officers, agents, and employees. Any other insurance maintained by the Department and their officers, agents, and employees shall be in excess of and shall not contribute with the Offeror's insurance.

**3. Breach for Lack of Proof of Coverage**

The failure to comply with the requirements of this IFB at any time during the term of any Contract resulting from this Solicitation shall be considered a breach of the terms of any Contract resulting from this Solicitation and shall allow the Department and their officers, agents, and employees to avail themselves of all remedies available under any Contract resulting from this Solicitation, at law or in equity.

**4. Self-Insured Retention/Deductibles**

Certificates of Insurance must indicate the applicable deductibles/self-insured retentions for each listed policy. Deductibles or self-insured retentions above \$100,000.00 are subject to approval from the Department. Such approval shall not be unreasonably withheld, conditioned or delayed. An Offeror shall be solely responsible for all claim expenses and loss payments within the deductibles or self-insured retentions. If the Offeror is providing the required insurance through self-insurance, evidence of the financial capacity to support the self-insurance program along with a description of that program, including, but not limited to, information regarding the use of a third-party administrator shall be provided upon request.

**5. Subcontractors**

Prior to the commencement of any work by a Subcontractor, the Offeror shall require such Subcontractor to procure policies of insurance as required by this section and maintain the same in force during the term of any work performed by that Subcontractor. An Additional Insured Endorsement (ISO coverage form CG 20 38 04 13), or the equivalent, evidencing such coverage shall be provided to the Offeror prior to the commencement of any work by a subcontractor and pursuant to the timelines set forth in Section 1.7 of this IFB, as applicable, and shall be provided to the Department upon request. For subcontractors that are self-insured, the subcontractor shall be obligated to defend and indemnify the above-named additional insureds with respect to Commercial General Liability and Business Automobile Liability, in the same manner that the subcontractor would have been required to pursuant to this section had the subcontractor obtained such insurance policies.

**Appendix E**  
**Insurance Requirements**  
**MEDICAL EXAMINATION and MOBILE AUDIOMETRIC SERVICES**

**6. Waiver of Subrogation**

For all liability policies (with the exception of Professional Liability Insurance and Cyber Liability Insurance) and the workers' compensation insurance required below, the Offeror shall cause to be included in its policies insuring against loss, damage or destruction by fire or other insured casualty a waiver of the insurer's right of subrogation against the Department and their officers, agents, and employees, or, if such waiver is unobtainable:

- i. An express agreement that such policy shall not be invalidated if the Offeror waives or has waived before the casualty, the right of recovery against the Department and their officers, agents, and employees; or
- ii. Any other form of permission for the release of the Department or any entity authorized by law or regulation to use any Contract resulting from this Solicitation and their officers, agents, and employees.

A Waiver of Subrogation Endorsement shall be provided upon request. A blanket Waiver of Subrogation Endorsement evidencing such coverage is also acceptable.

**7. Additional Insured**

The Offeror shall cause to be included in each of the liability policies required below (excluding Professional Liability Insurance and Cyber Liability Insurance) coverage for on-going work and completed operations naming as additional insureds (via ISO coverage forms CG 20 10 04 13 or 20 38 04 13 and CG 20 37 04 13 and form CA 20 48 10 13, or a form or forms that provide equivalent coverage) the Department and their officers, agents, and employees. An Additional Insured Endorsement evidencing such coverage shall be provided to the Department pursuant to the timelines set forth in Section 1.7 of this IFB. A blanket Additional Insured Endorsement evidencing such coverage is also acceptable. For Offerors who are self-insured, the Offeror shall be obligated to defend and indemnify the above-named additional insureds with respect to Commercial General Liability and Business Automobile Liability, in the same manner that the Offeror would have been required to pursuant to this IFB had the Contractor obtained such insurance policies.

**8. Excess/Umbrella Liability Policies**

Required insurance coverage limits may be provided through a combination of primary and excess/umbrella liability policies. If coverage limits are provided through excess/umbrella liability policies, then a schedule of underlying insurance listing policy information for all underlying insurance policies (insurer, policy number, policy term, coverage and limits of insurance), including proof that the excess/umbrella insurance follows form, must be provided upon request. Unrelated underlying policies included in

**Appendix E**  
**Insurance Requirements**  
**MEDICAL EXAMINATION and MOBILE AUDIOMETRIC SERVICES**

the schedule that are not required to meet the insurance requirements may be redacted from the Schedule.

**9. Notice of Cancellation or Non-Renewal**

Policies shall be written so as to include the requirements for notice of cancellation or non-renewal in accordance with the New York State Insurance Law. Within five Business Days of receipt of any notice of cancellation or nonrenewal of insurance, the Offeror shall provide the Department with a copy of any such notice received from an insurer together with proof of replacement coverage that complies with the insurance requirements of this Solicitation and any Contract resulting from this Solicitation.

**10. Policy Renewal/Expiration**

Upon policy renewal/expiration, evidence of renewal or replacement of coverage that complies with the insurance requirements set forth in this Solicitation and any Contract resulting from this Solicitation shall be delivered to the Department. If, at any time during the term of any Contract resulting from this Solicitation, the coverage provisions and limits of the policies required herein do not meet the provisions and limits set forth in this Solicitation or any Solicitation and any Contract resulting from this Solicitation, or proof thereof is not provided to the Department, the Offeror shall immediately cease work. The Offeror shall not resume work until authorized to do so by the Department.

**11. Deadlines for Providing Insurance Documents after Renewal or Upon Request**
