*Prior to the Offeror's initial contact with the Department, the Offeror must complete and submit Attachment 1, *Offeror's Affirmation of Understanding & Agreement* of this RFP to the Designated Contact identified in Section 2.1.1 of this RFP.

1.2 Purpose

The purpose of this Request for Proposals (RFP), entitled "New York State Vision Plan Services," is to secure the services of a qualified organization (Offeror) to administer the New York State Vision Plan (Vision Plan). The Vision Plan is self-funded, and the Department seeks a qualified organization to provide Administrative Services Only (ASO).

This RFP defines minimum Contract requirements, details response requirements, and outlines the Department's process for evaluating responses and selecting an Offeror. It is the Department's intent to execute an Agreement with one (1) Offeror selected from this RFP, which will be the sole contact regarding all provisions of the Contract resulting from this RFP. The Offeror must agree to be bound by its Proposal which will be explicitly incorporated by reference into the resulting Contract.

The Offeror selected from this RFP will be solely responsible for administering the Vision Plan in accordance with the specifications in this RFP. This RFP and other relevant information may be reviewed at: <https://www.cs.ny.gov/2025VisionPlanServicesRFP/>.

Capitalized terms used herein shall have the meanings specified in the Attachment 13, *Glossary of Defined Terms* or in the body of this RFP. If there is a conflict in a definition, the body of the RFP will control.

1.3 Period of Performance

It is the intent of the Department to enter into an Agreement for a term consisting of an Implementation Period of a minimum of 180 days plus five (5) years of Project Services, which shall begin on the Project Services Start Date and end December 31, 2031.

The Project Services Start Date is January 1, 2027, or 180 days after OSC approves the Contract, whichever is later.

The Parties may agree to a shorter Implementation Period if such change best meets the needs of the State.

In accordance with New York State policy and New York State Finance Law section 112(2), the resulting contract is deemed executory until it has been approved by the New York State Attorney General's Office (AG) and approved and filed by the New York State Office of the State Comptroller (OSC).

1.4 Overview of the New York State Vision Program

The Vision Plan was established in 1982 to provide vision plan benefits to certain New York State employees and their eligible dependents. Public authorities, public benefit corporations, and other quasi-public entities, such as the NYS Thruway Authority and the Dormitory Authority, may choose to participate in the Vision Plan; those that do are called Participating Employers (PEs).

The Vision Plan is paid for primarily by New York State, PEs, and their Enrollees. Enrollees pay copayments, Upgrade Program fees, and Laser Vision Surgery fees. Enrollees, for purposes of this RFP, are defined as the policyholder. The term Members, for purposes of this RFP, is defined as all policyholders and their dependents. The Vision Plan is sponsored by the Council on Employee Health Insurance. The Council is composed of the President of the Civil Service Commission, who also serves as the Commissioner of the Department, the Director of the Office of Employee Relations (OER), and the Director of the Division of the Budget (DOB). The Department currently holds, and will hold, the Contract with the Vision Plan contractor. The Employee Benefits Division (EBD) of the Department is responsible for administration of the Vision Plan and oversight of the Contract. The Vision Plan currently has close to 102,000 Enrollees and 137,000 dependents, totaling approximately 239,000 covered Members. These figures do not include Student Employee Health Plan (SEHP) Members.

The benefit design of the Vision Plan is the result of collective bargaining between the State and the various unions representing its employees. Benefits under the Vision Plan are administratively extended to non-represented State employees and employees of PEs. As a result, the Vision Plan's benefits design is subject to change from time to time as the result of those negotiations, and there are variations in the Vision Plan benefits design among the bargaining units. The benefits design cannot deviate from that which has been collectively bargained. The majority of the New York State employees are represented by various unions, and union participation in the design and oversight of the Vision Plan is active and ongoing.

The SEHP also participates in the Vision Plan. The SEHP was established in 1994 through collective bargaining. The SEHP became part of the New York State Health Insurance Program (NYSHIP) in 2002 to provide basic health insurance as well as limited dental and vision services to employees of the State University of New York represented by the Graduate Student Employees Union (GSEU) and their eligible dependents. Vision Plan benefits were extended to graduate student employees of the City University of New York (CUNY) on January 1, 2009. SEHP, which is administered by EBD, covers an average of 4,700 Enrollees and 600 dependents, totaling approximately 5,300 covered Members.

Enrollees and dependents may receive services from any licensed Optometrist or Ophthalmologist acting within the scope of his/her license. Vision Plan benefits are currently available from approximately 1,800 Participating Provider locations throughout New York State. For those Enrollees and dependents who obtain Vision benefits from Non-Participating Providers, partial reimbursement is available based on a fixed Indemnity Reimbursement Schedule, see Exhibit 10, *Indemnity Utilization*. For calendar year 2024, the Participating Provider utilization rate was over 99%.

Under the Vision Plan, eye examinations, eyeglasses (frames and lenses) or contact lenses are available to Enrollees and covered dependents once in any twenty-four-month period. For almost all groups, dependent children under the age of 19 are entitled to such benefits once in any twelve-month period. Exams for only refraction services are not covered. Certain employee groups are eligible for an annual contact lens examination. In order to be eligible, the Member must have obtained contact lenses during their last eligibility cycle from either a Participating Provider, or through a Non-Participating Provider and was reimbursed at the indemnification rate. This benefit is currently available to Management Confidential (M/C), Participating Employers (PE), Police Benevolent Association of New York State (PBANYS), Council 82, Public Employees Federation (PEF), Police Investigators Association (PIA), and NYS Correctional Officers and Police Benevolent Association, Inc. (NYSCOPBA) Members. The eligibility periods will not be reset as of the beginning of the Contract.

Dependent children are eligible until 26 years of age, including natural children, legally adopted children, children in a waiting period prior to finalization of adoption, Enrollee's stepchildren and children of the Enrollee's domestic partner. Other children who reside permanently with the Enrollee in the Enrollee's household and are chiefly dependent on the Enrollee are also eligible, subject to a Statement of Dependence and documentation. Children of Employees who are in SEHP are also considered eligible up to age 26.

Active Employees and Enrollees in the Consolidated Omnibus Budget Reconciliation Act (COBRA) who are represented by the PBANYS, Council 82 and NYSCOPBA are covered for a laser vision correction benefit at a Laser Vision Correction Provider once every five years, subject to a copayment of 10% of the discounted cost for laser vision correction procedures, up to a maximum of \$200. Dependents of these groups are eligible for the patient-pay-all laser vision "discount program" (current contractor offers up to 50% off the national average price). Active Employees and Enrollees in COBRA and their dependents who are represented by Police Benevolent Association (PBA)-Troopers, PBA-Supervisors, PIA, and PEF are eligible for the patient-pay-all laser vision "discount program" of up to 50% off the national average price.

1.5 Minimum Offeror Eligibility Requirements

Offerors must meet the following Minimum Offeror Eligibility Requirements to be eligible to submit a Proposal below. Failure to meet these Minimum Offeror Eligibility Requirements will result in a Proposal being found non-responsive and eliminated from consideration.

Any inquiries, questions, filings, or submission of Proposals that are submitted to any other contact or physical address shall not be considered as official, binding or as having been received by the Department.

1. Designated Contact

In accordance with New York State Finance Law § 139-j(2)(a) (Procurement Lobbying Law (PLL)), the following individual is the Designated Contact for this Solicitation. All questions relating to this Solicitation must be addressed to the following Designated Contact:

DCSprocurement@cs.ny.gov

2. Restrictions on Contacts Between Offerors and State Staff During the Procurement Process

- a. Pursuant to New York State Finance Law sections 139-j and 139-k, this Procurement imposes certain restrictions on communications between the Department and an Offeror during the procurement process. An Offeror is restricted from making contacts from the earliest posting, on the Department's website, in a newspaper of general circulation, or in the procurement opportunities newsletter in accordance with Article 4-C of the Economic Development Law, of written notice, advertisement or solicitation of a request for Proposal, invitation for bids, or solicitation of proposals, or any other method provided for by law or regulation for soliciting a response from Offerors intending to result in a contract with the Department through final award and approval of the contract by the Department and, if applicable, the Office of the State Comptroller to other than the Designated Contact (unless it is a Contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a)). This time period is defined as the Restricted Period. The Designated Contact for this procurement is set forth in Section 2.1(1) of this RFP. Staff is required to obtain certain information from an Offeror whenever contacted about the procurement during the restricted period and is required to make a determination of the Offeror's responsibility that addresses the Offeror's compliance with the statutory requirements. Certain findings of non-responsibility can result in rejection for contract

award and in the event of two findings within a 4-year period, the Offeror is debarred from obtaining governmental Procurement Contracts. The Department's policy and procedures can be found in the Attachment 2, *Procurement Lobbying Policy*. Further information about these requirements can be found at <https://www.ogs.ny.gov/ACPL/>.

- b. The Department strictly controls communications between any Offeror and participants in the procurement process. "Offeror" means the individual or entity, or any employee, agent or consultant or person acting on behalf of such individual or entity, who contacts the Department about a governmental procurement during the restricted period of such governmental procurement whether or not the caller has a financial interest in the outcome of the procurement; provided, however, that a governmental agency or its employees that communicate with the Department regarding a governmental procurement in the exercise of its oversight duties shall not be considered an Offeror. "Offeror" includes prospective Offerors prior to the due date for the submission of offers/bids in response to the solicitation document.

3. Pre-Proposal Conference

A Pre-Proposal Conference will be held approximately one week after the RFP Release Date using a virtual platform. Attendance is not mandatory but is strongly encouraged for Offerors intending to submit a Proposal. If Offeror's organization plans to attend the Pre-Proposal Conference, please notify the Designated Contact identified in Section 2.1(1) of this RFP via e-mail at the address noted in Section 2.1(1) at least 24 hours before the conference with the name, email address, and affiliation of each person attending.

4. Submission of Errors or Omissions in this RFP Document

By participating in activities related to this RFP, and/or by submitting a Proposal in response to this RFP, an Offeror agrees to be bound by its terms, including, but not limited to, this process by which an Offeror may submit errors or omissions for consideration. If an Offeror believes there is an error or omission in this RFP, the Offeror may raise such issue as follows:

a. Process for Submitting Assertions of Errors or Omissions in RFP Document

- i. Time Frame: The Department must receive assertions of errors or omissions in the RFP process which are or should have been apparent prior to the Proposal Due Date, in writing, five (5) Business Days after the Release Date of First Official Responses to Questions specified in Section 1.1 of this RFP.
- ii. Content: The submission alleging the error or omission must clearly and fully state the legal and/or factual grounds for the assertion and must include all relevant documentation.

- iii. Format of Submission: All submissions asserting an error or omission must be submitted in writing both electronically and in hard copy format to the Designated Contact specified in Section 2.1 of this RFP: DCSprocurement@cs.ny.gov.

The hard copy envelope or package must clearly and prominently display the following statement:

**"Submission of Errors or Omissions for the
New York State Vision Plan Services
Request for Proposals"**

b. The Review Process for Assertions of Errors or Omissions in RFP

The Department shall conduct the review process for submission of errors or omissions. The Commissioner may appoint a designee who will review the submission and make a recommendation to the Commissioner as to the disposition of the matter. At the discretion of the Commissioner, or the Commissioner's designee, the Offeror may be given the opportunity to meet with the Commissioner or the Commissioner's designee to support its submission. The Offeror may, but need not, be represented by counsel at such a meeting. Any and all issues concerning the manner in which the review process is conducted shall be determined solely by the Commissioner or designee.

The Commissioner or designee shall review the matter, and the Commissioner shall issue a written decision within twenty (20) Business Days after the close of the review process. If additional time for the issuance of the decision is necessary, the prospective Offeror shall be advised of the delay and of the time frame within which a decision may be reasonably expected. The Commissioner's decision will be communicated to the party in writing and shall constitute the agency's final determination in the matter.

The Department reserves the right to determine and act in the best interests of the State in resolving any assertion of error or omission in this RFP document. The Department may elect to extend the Proposal Due Date as may be appropriate. Notice of any such extension will be provided to all organizations who provided an email address on the submitted Attachment 1, *Offeror Affirmation of Understanding and Agreement* of this RFP. Notice of any extension will also be posted to: <https://www.cs.ny.gov/2025VisionPlanServicesRFP/>.

5. Submission of Questions

Prospective Bidders will have an opportunity to submit written questions and requests for clarification regarding this RFP. Using the Attachment 4, *Questions Template*, a prospective Offeror may submit questions concerning the content of this RFP via email to the Designated Contact's address specified in Section 2 of

this RFP. Only those questions received prior to the Questions Due Date specified in Section 1 of this RFP, will be accepted. After the Questions Due Date, the Department will provide an email notification of the posting of all questions and the Department's official answers to all those individuals who provided an email address on the submitted Attachment 1, *Offeror Affirmation of Understanding and Agreement*, and the Attachment 4, *Questions Template*. The questions and answers will also be posted to:
<https://www.cs.ny.gov/2025VisionPlanServicesRFP/>.

[**Note:** See Bid Deviations section below, specifically Section 2.7(b) with regard to submission of questions.]

6. Submission of Proposal

The Offeror's Proposal must be organized and separated into three separate sections: Administrative Proposal; Technical Proposal; and Financial Proposal. To facilitate the evaluation process, an Offeror must follow the submission requirements described below. Electronic USB devices must conform to the technical specifications outlined in Section 2 of this RFP and shall be included on unprotected Microsoft Windows formatted USB 2.0 or higher storage drive. Additionally, the electronic USB devices must be in Adobe Acrobat PDF searchable format to allow for searchable and selectable text.

a. Administrative & Technical Proposals

- i. Hard Copies (8 Total): One (1) ORIGINAL hard copy and seven (7) additional hard copies which include separate versions of the Administrative and Technical Proposals. The ORIGINAL hard copy of the Administrative and Technical Proposals must be marked "ORIGINAL," contain original signatures of an official(s) authorized to bind the Offeror to its provisions on all forms submitted that require the Offeror's signature. The remaining hard copies of the Administrative and Technical Proposals should contain a copy of the official's signature on all forms submitted that require the Offeror's signature and should be numbered sequentially (i.e., Copy #1, Copy #2).
- ii. Electronic USB Devices (12 Total): The Offeror must submit twelve (12) electronic USB devices which each contain an electronic copy of the Administrative and Technical Proposals ONLY. Each of the twelve (12) electronic USB Devices should be externally labeled by proposal and uniquely designated with a number (e.g., "TECHNICAL & ADMINISTRATIVE COPY 1", "TECHNICAL & ADMINISTRATIVE COPY 2, etc."). The twelve (12) electronic USB devices that contain only the

Administrative and Technical Proposals should be packaged in a sealed box/envelope labeled Administrative and Technical Proposals.

b. Financial Proposal

- i. Hard Copies (2 Total): One (1) ORIGINAL hard copy and one (1) additional hard copy of the Financial Proposal of the RFP (labeled COPY #1).
- ii. Electronic USB Devices (2 Total): The Offeror must submit two (2) electronic USB devices which each contain an electronic copy of the Financial Proposal ONLY.

c. Master Electronic Submission

- i. Electronic USB Device (1 Total): A master electronic submission containing all of the ORIGINAL hard copy Proposals (Administrative, Technical, & Financial) must be provided on a master electronic USB device. The master electronic submission must be clearly labeled by Proposal and identified (e.g., "Master Copy of Administrative, Technical, & Financial Proposal). In situations where the proposal content differs between the ORIGINAL bound hard copies and the master electronic submission, the master electronic submission is deemed controlling. The USB device containing the master electronic submission should be inserted in the Financial Proposal box.
- d. Each Proposal must include a table of contents.
- e. Each major section of the Proposal, including attachments, must be labeled with an index tab that completely identifies the title of the section, subsection or attachment as named in the table of contents.
- f. Each page of the Proposal (both the hard copies and the electronic submissions on USB devices), including attachments, must be dated and numbered consecutively.
- g. Proposals should be placed and packaged together, by section, in sealed boxes/envelopes (i.e., all Administrative Proposals in one box, all Technical Proposals in a second box, and all Financial Proposals in a third box). Each sealed box/envelope should contain a label on the outside, which contains the information below. Each sealed box/envelope should be submitted to the Designated Contact at the address provided in Section 2.1 of this RFP.

To arrange for hand-delivery, the Offeror must notify the Designated Contact twenty-four hours prior to delivery. All Proposals must be received by 3:00 p.m. ET on the Proposal Due Date as set forth in Section 1.1 of this RFP.
- i. Any proposal received after 3:00 p.m. ET on the Proposal Due Date, as specified in Section 1.1 of this RFP, shall not be accepted by the Department, and may be returned to the submitting entity at the Department’s discretion. All Proposals submitted become the property of the Department.

All amendments to an Offeror’s Proposal must be submitted in accordance with the format set forth in this Section 2.1(6) of this RFP and will be included as part of the Offeror’s Proposal.
- k. An Offeror is solely responsible for timely delivery of the Proposal to the Department prior to the Proposal Due Date stated in Section 1.1 of this RFP. Delays in United States mail deliveries or any other carrier, including couriers or agents of New York State, shall not excuse late bid submissions. If the Proposals is delivered by mail or courier, the Department recommends that it be sent “Returned Receipt Requested”, so the Offeror obtains proof of timely delivery. No phone, facsimile, or e-mail submission of Proposals will be accepted for this RFP. In addition, it is the sole responsibility of the Offeror to verify that all elements of the proposal submission are complete, correct and without error.

7. Bid Deviations

- a. The Department will not entertain bid deviations to Appendix A, *Standard Clauses for New York State Contracts* of this RFP. The Department will also not entertain material and substantive bid deviations to the solicitation to the Appendix B, *Standard Clauses for All Department Contracts*, the Appendix C, *Information Security Requirements*, and Appendix D, *Insurance Requirements*, of this RFP. New York State law precludes awarding a contract based on material deviation(s) from the specifications, terms, and/or conditions set forth in the solicitation. Therefore, Proposals containing a bid deviation (including additional, inconsistent, conflicting, or alternative terms) that are a material and substantive change from the specifications, terms, and conditions set forth in the solicitation may render the Proposal non-responsive and may result in rejection of the Proposal.
- b. If an Offeror has an issue or concern regarding provisions in the solicitation and is considering submission of a proposal containing a bid deviation, the Offeror is strongly advised to raise such issues and/or concerns during the question-and-answer period so that the Department may give due consideration to the issue prior to the submission of Proposals. Failure to use the question-and-answer period and instead submitting a Proposal containing a bid deviation could render the entire Proposal non-responsive and rejected in its entirety.
- c. In general, a material and substantive bid deviation is one that would (i) impair the interests of New York State, (ii) place the successful Offeror in a position of unfair economic advantage, (iii) place other Offerors at a competitive disadvantage, or (iv) which, if it had been included in the original solicitation, could have formed a reasonable basis for an otherwise qualified Offeror to change its determination concerning the submission of a Proposal. For example, a deviation that would substantially shift liability (risk) or financial responsibility from the Offeror to New York State would be considered material.
- d. Unless specifically required by the solicitation to be submitted as part of an Offeror's proposal, an Offeror is further advised that its standard, pre-printed material (including but not limited to product literature, order forms, manufacturer's license agreements, standard contracts or other pre-printed documents), which are physically attached or summarily referenced in the Offeror's Proposal are not considered as having been submitted with or intended to be incorporated as part of the official offer contained in the Proposal. Rather, such material shall be deemed by the Department to have been included by Offeror for informational or promotional purposes only. If such materials are requested by the solicitation, an Offeror must ensure that the materials are properly referenced.
- e. To submit a non-material bid deviation, an Offeror must complete and submit the proposed deviation(s) using the Attachment 8, *Non-Material*

Deviations Template of this RFP, as part of the Administrative Proposal. Any non-material deviations proposed by an Offeror must be submitted on the Attachment 8, *Non-Material Deviations Template*, not an alternative document. If a non-material bid deviation does not meet these requirements, it shall not be considered by the State and shall be rejected.

- f. An Offeror who does not submit the Attachment 8, *Non-Material Deviations Template*, or returns the Attachment 8, *Non-Material Deviations Template* with no entries, as part of the Administrative Proposal is presumed to have no bid deviations.

8. Notification of Tentative Contract Award

A tentative award letter will be sent to the selected Offeror indicating a tentative award subject to successful contract negotiations. The remaining Offerors will be notified of the tentative award and the possibility that failed negotiations could result in an alternative award.

9. Debriefing

Unsuccessful Offerors will be advised of the opportunity to request a Debriefing and the timeframe by which such requests must be made. Debriefings are subject to the Attachment 5, *NYS Department of Civil Service Debriefing Guidelines* of this RFP. An unsuccessful Offeror's written request for a debriefing shall be submitted to the Designated Contact at the address provided in Section 2.1(1) of this RFP.

10. Submission of a Protest

By participating in activities related to this Procurement, and/or by submitting a Proposal in response to this RFP, an Offeror agrees to be bound by its terms including, but not limited to, the process by which an Offeror may submit a protest of a non-responsive determination or the selection award for consideration. In the event the Offeror elects to submit a protest of a non-responsive determination, the Offeror agrees it shall not be permitted to also submit a protest on the selection decision. In the event that an Offeror decides to submit a protest, the Offeror may raise such issue according to the following provisions.

a. Process for Submitting a Protest of a Non-Responsive Determination or a Selection Decision

- i. Time Frame: Any protest must be received no later than 5:00 p.m. ET on the tenth (10th) Business Day after an Offeror's receipt of written notification by the Department of a non-responsive determination or tentative award, or if a debriefing has been requested by an Unsuccessful Offeror, pursuant to the Attachment 5, *NYS Department of Civil Service Debriefing Guidelines*, within five (5) Business Days of the debriefing (whichever date is later).

- ii. Content: The protest must fully state the legal and factual grounds for the protest and must include all relevant documentation.
- iii. Format of Submission: The protest must be in writing and submitted to the Designated Contact at the address provided in Section 2.1(1) of this RFP.
- iv. A protest of either a non-responsive determination or a selection decision must have one of the following statements clearly and prominently displayed on the envelope or package:

**“Submission of Non-Responsive Determination Protest for
Request for Proposals
New York State Health Vision Plan Services”**

OR

**“Submission of Tentative Award Protest for
Request for Proposals
New York State Health Vision Plan Services”**

- v. Any assertion of protest which does not conform to the requirements set forth in this section shall be deemed waived by the Offeror, and the Offeror shall have no further recourse.

b. Review of Submitted Protests

- i. The Department shall conduct the review process of submitted protests. The Department's Commissioner may appoint a designee to review the submission and to make a recommendation to the Commissioner as to the disposition of the matter. The Commissioner's designee may be an employee of the Department but, in any event, shall be someone who has not participated in the preparation of this RFP, the evaluation of Proposal, the determination of non-responsiveness, or the selection decision. At the discretion of the Commissioner, or the Commissioner's designee, the Offeror may be given the opportunity to meet with the Commissioner or the Commissioner's designee, to support its submission. The Offeror may, but need not, be represented by counsel at such a meeting. The Department shall be represented by counsel at such meeting. Any issues concerning the way the review process is conducted shall be determined solely by the Commissioner, or the Commissioner's designee. The Commissioner, or the Commissioner's designee, shall review the matter, and shall issue a written decision within twenty (20) Business Days after the close of the review process. If additional time is necessary for the issuance of the decision, the Offeror shall be advised of the time

frame within which a decision may be reasonably expected. The Commissioner's decision will be communicated to the party in writing and shall constitute the Department's final determination in the matter.

- ii. If an Offeror protests the selection decision or a non-responsive determination, the Department shall continue contract negotiations regarding the terms and conditions of the contract with the selected Offeror.

11. Department of Civil Service Reservation of Rights

In addition to any rights articulated elsewhere in this RFP, the Department reserves the right to:

- a. Make or not make an award under the RFP, either in whole or in part;
- b. Prior to the bid opening, amend the RFP. If the Department elects to amend any part of this RFP, such amendments will also be posted to: <https://www.cs.ny.gov/2025VisionPlanServicesRFP/>;
- c. Prior to the bid opening, direct Offerors to submit Proposal modifications addressing subsequent RFP amendments;
- d. Withdraw this RFP, at any time, in whole or in part, prior to OSC approval of award of the contract;
- e. Waive any requirements that are not material;
- f. Disqualify any Offeror whose conduct and/or Proposal fails to conform to any of the mandatory requirements of this RFP;
- g. Require clarification at any time during the Procurement process and/or require correction of apparent errors for the purpose of assuring a full and complete understanding of an Offeror's Proposal and/or to determine an Offeror's compliance with the requirements of this RFP;
- h. Reject any or all Proposals received in response to this RFP;
- i. Change any of the scheduled dates or times stated in this RFP;
- j. Seek clarifications and revisions of Proposals;
- k. Establish programmatic and legal requirements to meet the Department's needs, and to modify, correct, and/or clarify such requirements at any time during the Procurement, provided that any such modifications would not materially benefit or disadvantage any particular Offeror;

- l. Eliminate any mandatory, non-material specifications that cannot be complied with by all of the Offerors;
- m. For the purposes of ensuring completeness and comparability of the Proposals, analyze submissions and make adjustments or normalize submissions in the Proposal(s), including the Offeror's technical assumptions, and underlying calculations and assumptions used to support the Offeror's computation of costs, or to apply such other methods it deems necessary to make level comparisons across Proposals;
- n. Use the Proposal and the Department's own investigation of an Offeror's qualifications, experience, ability or financial standing, and any other material or information submitted by the Offeror in response to the Department's request for clarifying information, if any, in the course of evaluation and selection under this RFP;
- o. Negotiate with the successful Offeror within the scope of this RFP in the best interests of the Department;
- p. Utilize any and all ideas submitted in the Proposal(s) received except to the extent such information/ideas are protected under the New York State Freedom of Information Law, Article 6 of the Public Officers Law as critical infrastructure information or trade secrets;
- q. If the Department determines that contract negotiations between the Department and the selected Offeror are unsuccessful, the Department may invite the Offeror with the next highest Total Combined Score to enter into negotiations for purposes of executing a contract. Prior to negotiating with the Offeror with the next highest Total Combined Score, the Department will notify the Offeror originally selected and provide the date when negotiations shall cease should an agreement not be reached. Scores will not be recalculated for any remaining Offerors should contract negotiations between the Department and the selected Offeror be unsuccessful because of material differences in key provision(s);
- r. Unless otherwise specified in this RFP, every offer is firm and non-revocable for a minimum period of three hundred sixty-five (365) days from the Proposal Due Date as set forth in the RFP; and
- s. Any Offeror whose Proposal might become eligible for a tentative award may be asked to extend the time for which its Proposal shall remain valid if the original award is withdrawn.

12. Disclaimer

The Department is not liable for any cost incurred by any Offeror prior to approval of the Contract by OSC. Additionally, no cost will be incurred by the

Department for any prospective Offeror or Offeror's participation in any Procurement-related activities. Further, the Department shall not be liable for any costs incurred prior to the Implementation Period performing activities set forth in Section 3 of this RFP. The Department has taken care in preparing the data accompanying this RFP (hard copy attachments, website attachments, and sample document attachments). However, the Department does not warrant the accuracy of the data. The numbers or statistics which appear in hardcopy attachments, website attachments, and sample document attachments referenced throughout this RFP are for informational purposes only and should not be used or viewed by prospective Offerors as guarantees or representations of any levels of past or future performance or participation. Accordingly, prospective Offerors should rely upon and use such numbers or statistics in preparing their Proposal at their own discretion.

2.2 Compliance with Applicable Laws, Rules and Regulations, and Executive Orders

This Procurement is subject to the New York State competitive bidding laws and also governed by, at a minimum, the legal authorities referenced below. Except as otherwise permitted under Section 2.1(7), Bid Deviations, an Offeror must fully comply with the provisions set forth in this section of the RFP, as well as the provisions of the Appendix A, *Standard Clauses for New York State Contracts*, the Appendix B, *Standard Clauses for All Department Contracts*, Appendix C, *Information Security Requirements*, and Appendix D, *Insurance Requirements*, which will become a part of the resulting contract. The Department will consider for evaluation and selection purposes only those Offerors who agree to comply with these provisions and whose proposal contains the submission required hereunder.

1. Disclosure of Proposal Contents – Freedom of Information Law (FOIL)

a. NOTICE TO OFFEROR AND ITS LEGAL COUNSEL

All materials submitted by an Offeror in response to this RFP shall become the property of the Department and may be returned to the Offeror at the sole discretion of the Department. Proposals may be reviewed or evaluated by any person, other than one associated with a competing Offeror, designated by the Department. Offerors may anticipate that Proposals will be evaluated by staff and consultants retained by the Department and may also be evaluated by staff of other New York State agencies interested in the provision of the subject services including, but not limited to, OER and DOB, unless otherwise expressly indicated in this RFP. The Department has the right to adopt, modify, or reject any or all ideas presented in any material submitted in response to this RFP.

The Department shall take reasonable steps to protect from public disclosure any records or portions thereof relating to this solicitation that are exempt from disclosure under FOIL. Information constituting trade secrets or critical infrastructure information for purposes of FOIL must be clearly marked and identified as such by the Offeror upon submission.

To request that materials be protected from FOIL disclosure, the Offeror must follow the procedures below regarding FOIL. If an Offeror believes that any information in its Proposal or supplemental submission(s) constitutes proprietary and/or trade secret or critical infrastructure information and desires that such information not be disclosed pursuant to the New York State Freedom of Information Law, Article 6 of the Public Officers Law, the Offeror must make that assertion by completing an Attachment 11, *Freedom of Information Law Request for Redaction Chart* of this RFP. The Offeror must complete the form specifically identifying by page number, line, or other appropriate designation, the specific information requested to be protected from FOIL disclosure and the specific reason why such information should not be disclosed. Page 2 of the Attachment 11, *Freedom of Information Law Request for Redaction Chart* contains information regarding appropriate justification for protection from FOIL disclosure. Vague, non-specific, or summary assertions that material is proprietary, or trade-secret are inadequate and will not result in protection from FOIL disclosure.

The completed Attachment 11, *Freedom of Information Law Request for Redaction Chart* must be submitted to the Department at the time of its Proposal submission; it should be included with the Requested Redactions (USB storage drive and Hard Copy) described below. It should not be included in the Offeror's Proposal. If the Offeror chooses not to assert that any Proposal material and/or supplemental submission should be protected from FOIL disclosure, the Offeror should so advise the Department by checking the applicable box on Attachment 11, *Freedom of Information Law Request for Redaction Chart* and submitting it to the Department at the time of its Proposal submission, but separately from its Proposal. If a completed Attachment 11, *Freedom of Information Law Request for Redaction Chart* form is not submitted, the Department will assume that the Offeror chooses not to assert that any proposal material or supplemental submission, as applicable should be protected from FOIL disclosure. The FOIL-related materials described herein are not considered part of the Offeror's Proposal and shall not be reviewed as a part of the Procurement's evaluation process.

Acceptance of the identified information by the Department does not constitute a determination that the information is exempt from disclosure under FOIL. Determinations as to whether the materials or information may be withheld from disclosure will be made in accordance with FOIL at the time a request for such information is received by the Department.

b. Requested Redactions (USB Storage Drive and Hard Copy):

At the time of Proposal submission, the Offeror is required to identify the portions of its Proposal that it is requesting to be redacted in the event that its Proposal is the subject of a FOIL request as follows.

The Offeror must provide an electronic copy of the Administrative Proposal,

the Technical Proposal, and the Financial Proposal on a separate USB storage drive of the type outlined in RFP Section 2, which reflect the Offeror's requested redactions. Additionally, the Offeror must provide a separately bound hardcopy of each of the three Proposal documents with redactions marked, but not applied, that are included on the USB storage drives. The electronic documents must be prepared in PDF format. Each specific portion of the Proposal documents requested to be protected from FOIL disclosure must be identified using either:

- i. The Adobe "Mark for Redaction" function; do not use the "Apply Redactions" function; or
- ii. By highlighting such portions in yellow.

The resulting documents must show the Offeror's requested redactions as outlined, while the content remains visible. This will allow the Department to either apply or remove requested redactions when responding to FOIL requests. The documents included on the USB storage drives and in hard copy must be complete Proposals, including all Attachments. No section may be omitted from the USB storage drive or hard copy even if the entire section is requested to be redacted; such sections should be marked for redaction, not removed. For forms, attachments, and charts, please mark for redaction only those cells/fields/entries that meet the criteria for protection from FOIL, not the entire page. Do not request redaction of Department-supplied materials or information.

During the Proposal evaluation process, the Department may request additional information through clarifying letters. Any requested redactions for additional written material provided by the Offeror in response to the Department's requests also must be submitted following the instructions, above.

2. Public Officers Law

All Offerors and Offerors' employees and agents must be aware of and comply with the requirements of the New York State Public Officers Law (POL), particularly POL sections 73 and 74, as well as all other provisions of New York State law, rules and regulations, and policy establishing ethical standards for current and former State employees. Failure to comply with these provisions may result in disqualification from the Procurement process, termination, suspension or cancelation of the Contract and criminal proceedings as may be required by law. An Offeror must submit an affirmative statement as to the existence of, absence of, or potential for conflict of interest on the part of the Offeror because of prior, current, or proposed contracts, engagements, or affiliations, by submitting a completed Attachment 6, *Offeror's Certification Form*, in the Offeror's Administrative Proposal.

In recognition of their economic activity and leadership in doing business in New York State, an Offeror for this RFP is strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the Contract. 3.3 Participating Provider Network Management

Vision Plan Members reside primarily in New York State and contiguous states. For this reason, the selected Offeror must have a comprehensive Participating Provider Network in place to allow adequate access for Vision Plan Members. The Vision Plan establishes minimum standards for Participating Provider Network access. Although the access standards only apply to New York State, Offerors are encouraged to propose a nationwide network that would provide access to Members residing or traveling in areas outside of New York.

The current Vision Plan includes a regional Participating Provider Network. The selected Offeror must have a credentialed Participating Provider Network in place by the Project Services Start Date, that meets the Vision Plan's Minimum Access Standards. The Offeror must also credential Participating Providers and Laser Vision Correction Participating Providers in a timely manner and shall have an effective process by which to confirm Participating Provider's and Laser Vision Correction Participating Provider's continuing compliance with credentialing standards. In addition, the selected Offeror must also illustrate and attest that it has the capability and contractual right to effectively audit its Participating Provider Network.

Participating Providers perform eye examinations and dispense Vision Plan lenses and frames, subject to applicable copays and upgrade fees, where applicable. Participating Providers offer several quality lens types and a wide variety of Vision Plan frames, including styles in metal or plastic for men, women and children. Ultraviolet coating, fashion tinting, scratch resistance, progressive, polycarbonate for dependent children, glass, and blended segment are covered at no cost to the member. Additionally, PIA and PBA members have no cost for photosensitive lenses (glass or plastic). Please review the Exhibit 6, *Summary of Covered Benefits by Group* that lists the minimum benefit coverage to be provided for each group.

SEHP Enrollees and their covered dependents may only receive services from Participating Providers (Vision Plan benefits are not available from Non-Participating

Providers) and are subject to a combined \$10 copayment for eyewear and examination and contact lens fitting (if applicable). The SEHP eyewear selection is limited to a basic frame; single or bifocal lenses, or an allowance for soft, daily wear contacts (currently \$105). Ultraviolet coating and fashion tinting are not covered.

The Offeror may propose a standardized selection of Vision Plan frames available at each Participating Provider and/or a frame allowance. For members of M/C, PBA, PIA, NYSCOPBA, and PEF, the incumbent contractor utilizes a frame allowance with price points set at \$80, \$100 and \$130 for basic, standard and enhanced frames and a non-collection frame allowance of \$130. Non-collection frame means a frame made available at a Participating Provider that is not part of the Offeror's proposed frame collection. Members of PBANYS and Council 82 have a \$100 frame allowance. Participating Providers must offer all covered Lens types and options, as set forth in the Exhibit 6, *Summary of Covered Benefits by Group*. Frame and Lens Plan Utilization data is set forth in Exhibit 9, *Claims Utilization Data from 2020 to 2024*.

In lieu of eyeglasses, Enrollees/dependents may select contact lenses. Participating Providers perform a contact lens examination and fitting and offer a selection of Vision Plan contact lenses, including soft, daily wear, planned replacement and disposable contact lenses. The Offeror may propose a standardized contact lens selection and/or a contact lens allowance for PEF, SEHP, and M/C and unrepresented Enrollees/dependents. The incumbent contractor offers paid-in-full contact lenses and an allowance for contact lenses per benefit period for all PEF, M/C and unrepresented Enrollees/dependents, subject to a \$25 or \$45 copayment, respectively. This allowance is currently \$105 for conventional contact lenses and \$125 for disposable contact lenses. The incumbent contractor offers paid in full contact lenses and an allowance of \$105 for both conventional and disposable contact lenses for all NYSCOPBA, PBANYS, Council 82, PBA and PIA Enrollees/dependents subject to no copayment. Enrollees and their dependents represented by NYSCOPBA, PBANYS, Council 82, PBA and PIA have up to a \$200 allowance towards exam, fitting and materials at a Participating Provider or through a Non-Participating Provider (\$16 towards exam and fitting, \$184 towards contact lenses). Certain employee groups are eligible for an annual contact lens examination. In order to be eligible, the member must have obtained contact lenses during their last eligibility cycle from either a Participating Provider, or through a Non-Participating Provider and was reimbursed at the indemnification rate. This benefit is currently available to M/C, PE, and NYSCOPBA members.

Active employees and Enrollees covered by COBRA who are represented by PBANYS, Council 82 and NYSCOPBA are covered for a laser vision correction benefit at a Laser Vision Correction Provider once every five years, subject to a copayment of 10% of the discounted cost for laser vision correction procedures, up to a maximum of \$200. Dependents of these groups are eligible for the patient-pay-all laser vision "discount program" (NYSCOPBA dependents have discount up to 25% off the national average price). Active employees and Enrollees in COBRA and their dependents who are represented by PBA-Troopers, PBA-Supervisors, PIA, and PEF are eligible for the patient-pay-all laser vision "discount program" of up to 50% off the national average price. Laser Vision

Correction benefits are set forth in the Exhibit 6, *Summary of Covered Benefits by Group*.

The successful Offeror should have a good working relationship with Participating Providers and Laser Vision Correction Participating Providers to ensure that Vision Plan initiatives are accurately communicated and implemented, Enrollee questions or complaints are resolved timely, and that quality eyewear products are dispensed on a timely basis by Participating Providers.

Contracts with Participating Providers and Laser Vision Correction Providers should be written to utilize the Vision Plan's market strength to obtain cost-effective pricing while ensuring Vision Plan access standards are met, where applicable. The Offeror's contracting staff should keep abreast of current market conditions and have the wherewithal to adjust contracts that reflect the best interests of the Vision Plan. The Offeror must ensure that all Participating Providers and Laser Vision Correction Participating Providers contractually agree and comply with the Vision Plan's requirements and benefit design.

2. Duties and Responsibilities

- a. The selected Offeror must maintain a credentialed and contracted Participating Provider Network (excluding Laser Vision Correction Providers) that, throughout the term of the Contract, meets or exceeds the Department's Minimum Access Standards within New York State as follows:
 - i. Ninety-five percent (95%) of Enrollees in urban areas of New York State will have access to at least one Participating Provider within five miles;
 - ii. Ninety-five percent (95%) of Enrollees in suburban areas of New York State will have access to at least one Participating Provider within fifteen miles, and
 - iii. Ninety-five percent (95%) of Enrollees in rural areas of New York State will have access to at least one Participating Provider within thirty miles.

For the purpose of meeting the Minimum Access Standards within NYS, the term Participating Provider shall mean a licensed Optometrist or Ophthalmologist who has an existing contract with the Offeror as of the Project Services Start Date, and who will provide services under the terms of the contract resulting from this RFP to provide covered vision benefits to Enrollees and accept the Participating Provider fee schedule as payment in full for covered vision services.

In calculating whether the Offeror meets the Minimum Access Standards, all Enrollees residing in New York State must be counted; no Enrollee may

be excluded even if there is no provider located within the minimum mandatory access requirements.

The Minimum Access Standards are based on the driving distance, in miles, from an Enrollee's home zip code to the nearest Participating Provider location. Urban, suburban and rural are based on US Census Department classifications, as determined by Quest Analytics.

- b. The Offeror shall be responsible for ensuring that Participating Providers maintain a varied and contemporary selection of Vision Plan frames, including but not limited to styles in metal or plastic for men, women and children, half-eye styles, protective sport goggles and designer models. Vision Plan frames must be available at three separate benefit levels, Basic, Standard, and Enhanced. The Offeror must contractually require that Participating Providers stock a minimum of 10 Basic frame styles, 25 Standard frame styles and 10 Enhanced frame styles. The Offeror may not count a different size or different color of the same frame when assessing compliance with the minimum frame selection. In addition, the Offeror is responsible for ensuring that all Participating Providers will dispense all covered lens types and lens options, including combination of two or more lens types and options.
- c. The Offeror must program their claims system to accurately track contact lens utilization so eligibility for the annual exam is made available twelve months after the prior contact lens exam. Programming must be made possible for selected employee groups.
- d. The Offeror must develop communication materials which accurately describe the benefit to eligible populations. See Exhibit 5, *Summary of Benefit Eligibility by Group* for employee groups currently eligible for the annual contact lens benefit.
- f. The Offeror must ensure that Participating Providers maintain a varied selection of Vision Plan contact lenses, including soft, daily wear, planned replacement and disposable contact lenses, subject to Vision Plan benefit coverages set forth in Exhibit 6, *Summary of Covered Benefits by Group*. If proposed, the standardized contact lens selection should be updated periodically to reflect current products and preferences. If an allowance method is proposed, the allowances must be adequate to ensure a wide variety of contact lens selection.
- g. The Offeror must administer a \$200 contact lens benefit for Enrollees and covered dependents in NYSCOPBA, Council 82, PBANYS, PBA and PIA, which includes the cost of the eye examination, standard or premium contact lens fitting and contact lens material. This benefit is available from either a Participating Provider, or through a Non-Participating Provider.

- h. The Offeror must develop and contract a network of Laser Vision Correction Participating Providers to provide eligible Enrollees with a covered laser vision correction benefit, including:
 - i. A pre-operative evaluation, laser vision correction surgery, and necessary follow-up visits once every five years. Prior utilization data for the covered benefit is set forth in Exhibit 9, *Claims Utilization Data from 2020 to 2024*.
 - ii. A regional network of qualified, credentialed ophthalmologists that provides reasonable access to Enrollees and dependents to provide laser vision correction services through both a covered benefit and discount program.
 - iii. Effective communication regarding the availability of the Laser Vision Correction Network to eligible Members, in addition to notifying them of their benefit and how to access their benefit. Eligible Members are eligible to use their laser vision correction benefit once every five years.
 - iv. Additional Laser Vision Correction Participating Providers to participate in the Laser Vision Correction Network, at the request of the Department.
 - v. The Offeror must provide a one-year unconditional warranty against breakage for all Vision Plan frames and lenses that are fabricated in laboratories at manufacturing companies that are either a parent or subsidiary company of the Offeror.
- i. **Participating Provider Access Guarantees:** The Offeror must guarantee that throughout the term of the Contract, Enrollees living in urban, suburban and rural areas of New York State will have access to a Participating Provider. Offerors may propose performance guarantees with better access than the minimums, as specified in Section 3.3(1)(a) of this RFP.

This section of the RFP sets forth the requirements for the Offeror's Financial Proposal submission and the cost structure required by the Department for Offerors to use in developing their submission. The Offeror's Financial Proposal must respond to all the following mandatory sections as set forth below in the formats as specified.

The sole compensation for the Contractor under the Contract will be payments based on the provisions set forth in this section of the RFP. The actual amount reimbursed to Participating Providers and Laser Vision Correction Providers is at the discretion of the Offeror provided that no liability is incurred by the Enrollee for covered services with the exception of applicable copayments. During the term of the Contract, amounts paid for which it is subsequently determined that the Contractor was not entitled, if any, must be refunded to the Department. Submission of an invoice and payment thereof shall not preclude the Department from recovery or offset of payment in any case where Project Services as delivered are found to deviate from the terms and conditions of the Contract.

If a significant change in benefits occurs during the term of the Contract which, determined by the Department in its sole discretion, materially impacts the Offeror's level of effort and/or cost, the State reserves the right to and, at its sole discretion may, renegotiate the unit rates contained in the Attachment 18, *Participating Provider/Laser Vision Correction Surgery Fee Schedule and Administrative Fee Form*.

Evaluation of Financial Proposals will be performed in accordance with the provisions presented in Section 7.3 of the RFP. The Financial Proposal must consist of the following:

6.1 Program Claims

Throughout the term of the Contract, the Offeror will be paid on a monthly basis for Vision Plan claims, including Participating Provider and Non-Network claims. The Non-Network claims are to be processed, for reimbursement to Enrollees and payment by the Department, based on the rates set forth in the Exhibit 1, *Non-Network Reimbursement Fee Schedule*.

The Contract resulting from this RFP is not subject to Article XI-A of NYS Finance Law. The Offeror agrees that Program Services provided under the resulting Contract shall continue in full force and effect for a minimum of at least thirty (30) calendar days beyond the payment due date. If after the thirty-fifth (35) calendar day, after receipt of an accurate invoice and claims data file, the Offeror has not yet received payment from the State for said invoice, the Offeror may proceed under the Dispute Resolution provision in Appendix B and the Contract shall remain in full force and effect until such final decision is made, unless the Parties can come to a mutual agreement, in which case, the Contract shall also remain in full force and effect. Submission of an invoice and payment thereof shall not preclude the Department, as applicable, from reimbursement or demanding a price adjustment in any case where Project Services as delivered are found to deviate from the terms and conditions of the resulting Contract.

Using the Attachment 18, *Participating Provider/Laser Vision Correction Surgery Fee Schedule and Administrative Fee Form*, the Offeror must provide the proposed fixed fee for each type of service listed for each year of the Contract. The Offeror shall charge the Vision Plan for covered services based on the type of service and the proposed fixed fees of this schedule, less any applicable copayments. The Offeror's proposed unit rates as set forth in the Attachment 18, *Participating Provider/Laser Vision Correction Surgery Fee Schedule and Administrative Fee Form* must be guaranteed for the term of the Contract.

Please see the Vision Plan's claim utilization data for Participating Providers, and Laser Vision Correction Participating Providers in Exhibit 9, *Claims Utilization Data from 2020 to 2024* of this RFP.

6.2 Administrative Fees

1. The Offeror must submit a completed Attachment 18, *Participating Provider/Laser Vision Correction Surgery Fee Schedule and Administrative Fee Form*, which must include the Offeror's proposed per Enrollee per month fee for Administrative Fees charged to the Vision Plan. 2. The Offeror will be bound by its quoted Administrative Fee, as proposed in the Offeror's Financial Proposal for the entire term of the Contract, unless amended in writing.
3. Each month, the Offeror shall calculate the total Administrative Fee payable to the Offeror by multiplying the per Enrollee per month fee by the average number Enrollees in force for the assessed month as reported by the Offeror. The average number Enrollees for the assessed month reported by the Offeror shall be based on the enrollment files and enrollment updates the Department transmits to the Offeror as set forth in Section 3.7 of this RFP.
4. The Department reserves the right to adjust the Administrative Fee charged by the Offeror based on a reconciliation of the Enrollee counts reported from the Department's NYBEAS by the Enrollee counts utilized by the Offeror to calculate the monthly Administrative Fee. The reconciliation will be performed by the Department on an annual basis using the average Enrollee count for the respective Plan Year. However, the Department may perform additional reconciliations throughout a given year if the average monthly Enrollee counts utilized by the Offeror differ significantly from the Department's Enrollee counts, as reflected in NYBEAS. In addition, the Administrative Fee shall be adjusted on an annual basis based on penalties due to the Department or payments due to the Offeror in accordance with the Attachment 12, *Performance Guarantees* form.

SECTION 7: EVALUATION AND SELECTION CRITERIA

The Department seeks to contract with a single Offeror to provide and administer the Vision Plan. To this end, the Department intends to select the responsive and responsible Offeror whose Proposal offers the “Best Value.” Best Value will be determined by a weighted point system, with 25 percent (25%) allocated to the Technical Proposal and 75 percent (75%) allocated to the Financial Proposal.

[**Note:** Access to technical proposals will be made available to representatives of NYS employee unions for review. Representatives of NYS employee unions may participate in Management Interviews and Site visits, if applicable.]

7.1 Administrative Proposal Evaluation

Proposals determined by the Department to satisfy the submission requirements set forth in Section 4 of this RFP will be reviewed by an evaluation team composed of staff from the Department. An Offeror’s Proposal shall not be considered for award until the Offeror submits an Attachment 3, *Formal Offer Letter* and an Attachment 6, *Offeror’s Certification Form*.

7.2 Technical Proposal Evaluation

The evaluation of the Offeror’s Technical Proposal will be based on that Offeror’s written Technical Proposal and responses to clarifying questions (if any) and, as deemed necessary by the Department, oral presentation(s) and/or site visits conducted to amplify and/or clarify information in the Offeror’s Technical Proposal.

1. Technical Score Ratings

The Technical Proposal of any Offeror meeting the requirements set forth in Section 7.1 of this RFP will be evaluated by the Department and representatives from other State agencies. Each Offeror’s Technical Proposal will be evaluated based on the following rating scale and criteria as applied to each response as required in Section 5 of this RFP. A rating of “excellent” equates to a score of 5 for each evaluated response. Each reduction in the ratings results in a one-point reduction in the score such that a rating of “poor” equates to a score of 1.

a. **Excellent (5)**

The Offeror far exceeds the criteria. The services described indicate that the Offeror will provide high-quality services and is proactive and innovative.

The Offeror exceeds the criteria. The services described indicate that the

Offeror will exceed the requirements of the RFP. The Offeror demonstrates some innovative features not shown in typical proposals.

c. Meets Criteria (3)

The Offeror meets but does not exceed the criteria. The services described indicate that the Offeror will meet the requirements of the RFP.

2. Performance Guarantee Ratings

The Offeror's commitment to meet the levels of standards it outlines in its proposal will be verified by reviewing responses to related Performance Guarantee questions and reviewing the Offeror's proposed credit to the Administrative Fee (credit amount) for its failure to meet each of its proposed performance guarantees.

A rating of "excellent" equates to a score of 4 for each evaluated Service Level Standard. Each reduction in the ratings results in a one-point reduction in the score such that a rating of "poor" equates to a score of 1. An Offeror may propose performance guarantees that exceed the Program's service level standards presented in this RFP. Proposed performance guarantees are contained within the Attachment 12, *Performance Guarantees* form and will be evaluated using the following criteria:

a. Excellent (4)

Section	Title	% of Technical Score
5.1	Executive Summary	1%
5.2	Account Team	5%
5.3	Implementation Plan	10%
5.4	Participating Provider Network Management	25%
5.5	Customer Service	15%
5.6	Reporting Services	3%
5.7	Enrollee and Provider Communication Support	10%

5.8	Enrollment Management	10%
5.9	Claims Processing	4%
5.10	Occupational Vision Program	10%
5.11	Medical Exception Program	3%
5.12	Upgrade Program	3%

1. Financial Proposal Scoring

- a. The Department will calculate a Total Projected Cost for each Offeror as the sum of (i); and (ii) as follows:
 - i. The Total Projected Claims Cost, which shall be calculated by the Department by multiplying the Offeror's quoted Participating Provider and Laser Vision Correction Surgery scheduled fees for each type of service, as presented by the Offeror on the Attachment 18, *Participating Provider/Laser Vision Correction Surgery Fee Schedule and Administrative Fee Form*, by the normalized utilization projected by the Department for Participating Providers and Laser Vision Correction Providers over the five-year period.
 - ii. The Total Projected Administrative Costs, which shall be calculated by the Department by multiplying the Monthly Administrative Fee quoted by the Offeror on the Attachment 18, *Participating Provider/Laser Vision Correction Surgery Fee Schedule and Administrative Fee Form* by the projected Vision Plan enrollment.

- b. The Offeror's Proposal with the lowest Total Projected Cost will be awarded 750 points. A Financial Proposal score for each remaining Offeror will be determined based on the following formula:

Cost Score of Evaluated Proposal =

750 * Lowest Evaluated Cost

divided by

Total Cost of Proposal being evaluated

7.4 Total Combined Score

The Total Combined Score assigned to each Offeror will be the sum of the Offeror's Technical Score and Financial Score.

7.5 Best Value Determination

The Department shall select and enter into negotiations for the purpose of executing a Contract with the responsive and responsible Offeror that has accumulated the highest Total Combined Score. If an Offeror's Total Combined Score is equal to or less than one point below the highest Total Combined Score, that Offeror's proposal will be determined to be substantially equivalent to the Offeror holding the highest Total Combined Score.

Among any Offeror proposals with the same or substantially equivalent Total Combined Scores, the Department shall select the Offeror with the highest Financial Proposal Score, as calculated pursuant to Section 7.3 of this RFP, to enter into negotiations for the purpose of executing a Contract.
