

Appendix D

Appendix D Insurance Requirements

Prior to the start of work the Offeror shall procure, at its sole cost and expense, and shall maintain in force at all times during the term of any Contract resulting from this RFP, policies of insurance as required by this Appendix D, written by companies that have an A.M. Best Company rating of "A-," Class "VII" or better. In addition, companies writing insurance intended to comply with the requirements of this Appendix D should be licensed or authorized by the New York State Department of Financial Services to issue insurance in the State of New York. The Department may, in its sole discretion, accept policies of insurance written by a non-authorized carrier or carriers when certificates and/or other policy documents are accompanied by a completed Excess Lines Association of New York (ELANY) affidavit or other documents demonstrating the company's strong financial rating. If, during the term of a policy, the carrier's A.M. Best rating falls below "A-," Class "VII," the insurance must be replaced, on or before the renewal date of the policy, with insurance that meets the requirements above. These policies must be written in accordance with the requirements of the paragraphs below, as applicable.

An Offeror shall deliver to the Department evidence of the insurance required by this RFP and any Contract resulting from this RFP in a form satisfactory to the Department. Policies must be written in accordance with the requirements of the paragraphs below, as applicable. While acceptance of insurance documentation shall not be unreasonably withheld, conditioned or delayed, acceptance and/or approval by the Department does not, and shall not be construed to, relieve an Offeror of any obligations, responsibilities or liabilities under this RFP or any Contract resulting from this RFP.

The Offeror shall not take any action, or omit to take any action that would suspend or invalidate any of the required coverages during the term of any Contract resulting from this RFP.

1. General Conditions

- a. All policies of insurance required by this Solicitation or any Contract resulting from this RFP shall comply with the following requirements:
 - i. Coverage Types and Policy Limits. The types of coverage and policy limits required from the selected Offeror are specified in paragraph 12. Specific Coverages and Limits below.
 - ii. Policy Forms. Except as may be otherwise specifically provided herein, or agreed to in any Contract resulting from this RFP, all policies of insurance shall be written on an occurrence basis.
 - iii. Certificates of Insurance/Notices. The selected Offeror shall provide the Department with a Certificate or Certificates of Insurance, in a form satisfactory to the Department, as detailed below, and pursuant to the timelines set forth in paragraph 11 below. Certificates should reference the Solicitation or award

Appendix D Insurance Requirements

number and shall name the New York State Department of Civil Service, Agency Building 1, Empire State Plaza, Albany, NY 12239, as the certificate holder.

- b. Certificates of Insurance shall:
 - i. Be in the form acceptable to the Department and in accordance with the New York State Insurance Law (e.g., an ACORD certificate);
 - ii. Disclose any deductible, self-insured retention, aggregate limit or any exclusion to the policy that materially changes the coverage required by this Solicitation or any Contract resulting from this Solicitation;
 - iii. Be signed by an authorized representative of the insurance carrier of the referenced insurance carriers; and
 - iv. Contain the following language in the Description of Operations / Locations / Vehicles section of the Certificate or on a submitted endorsement as applicable: Additional insured protection afforded is on a primary and non-contributory basis. A waiver of subrogation is granted in favor of the additional insureds.
- c. Only original documents (Certificates of Insurance and any endorsements and other attachments) or electronic versions of the same that can be directly traced back to the insurer, agent or broker via e-mail distribution or similar means will be accepted.

The Department generally requires an Offeror to submit only certificates of insurance and additional insured endorsements, although the Department reserves the right to request other proof of insurance. An Offeror should refrain from submitting entire insurance policies, unless specifically requested by the Department. If an entire insurance policy is submitted but not requested, the Department shall not be obligated to review and shall not be chargeable with knowledge of its contents. In addition, submission of an entire insurance policy not requested by The Department does not constitute proof of compliance with the insurance requirements and does not discharge an Offeror from submitting the requested insurance documentation.

2. **Primary Coverage**

All liability insurance policies where the Department is required to be included as an additional insured, shall provide that the required coverage shall be primary and non-contributory to other insurance available to the Department and their

Appendix D Insurance Requirements

officers, agents, and employees. Any other insurance maintained by the Department and their officers, agents, and employees shall be excess of and shall not contribute with the Offeror's insurance. Insurance policies that remove or restrict blanket contractual liability located in the "insured contract" definition (as generally stated in Section V, Number 9, Item f in the Insurance Services Offices (ISO) Commercial General Liability (CGL) policy) so as to limit coverage against Claims that arise out of the work, or that remove or modify the "insured contract" exception to the employers liability exclusion, or that do not cover the Additional Insured for Claims involving injury to employees of the Named Insured or subcontractors, are not acceptable.

3. Breach for Lack of Proof of Coverage

The failure to comply with the requirements of this Attachment at any time during the term of any Contract resulting from this Solicitation shall be considered a breach of the terms of any Contract resulting from this Solicitation and shall allow the Department and their officers, agents, and employees to avail themselves of all remedies available under any Contract resulting from this Solicitation, at law or in equity.

4. Self-Insured Retention/Deductibles

Certificates of Insurance must indicate the applicable deductibles/self-insured retentions for each listed policy. Deductibles or self-insured retentions above \$100,000.00 are subject to approval from the Department. Such approval shall not be unreasonably withheld, conditioned or delayed. An Offeror shall be solely responsible for all claim expenses and loss payments within the deductibles or self-insured retentions. If the Offeror is providing the required insurance through self-insurance, evidence of the financial capacity to support the self-insurance program along with a description of that program, including, but not limited to, information regarding the use of a third-party administrator shall be provided upon request.

5. Subcontractors

Prior to the commencement of any work by a Subcontractor, the Offeror shall require such Subcontractor to procure policies of insurance as required by this section and maintain the same in force during the term of any work performed by that Subcontractor. An Additional Insured Endorsement (ISO coverage form CG 20 38 04 13), or the equivalent, evidencing such coverage shall be provided to the Offeror prior to the commencement of any work by a subcontractor and pursuant to the timelines set forth in this Appendix D, as applicable, and shall be provided to the Department upon request. For subcontractors that are self-insured, the subcontractor shall be obligated to defend and indemnify the above-named additional insureds with respect to Commercial General Liability and Business Automobile Liability, in the same manner that the subcontractor would

Appendix D Insurance Requirements

have been required to pursuant to this Appendix D had the subcontractor obtained such insurance policies.

6. Waiver of Subrogation

For all liability policies (except Professional Liability and Date Breach/Cyber Liability), the Offeror shall cause to be included in its policies insuring against loss, damage or destruction by fire or other insured casualty a waiver of the insurer's right of subrogation against the Department and their officers, agents, and employees, or, if such waiver is unobtainable (i) an express agreement that such policy shall not be invalidated if the Offeror waives or has waived before the casualty, the right of recovery against the Department and their officers, agents, and employees or (ii) any other form of permission for the release of the Department any entity authorized by law or regulation to use any Contract resulting from this Solicitation and their officers, agents, and employees. A Waiver of Subrogation Endorsement shall be provided upon request. A blanket Waiver of Subrogation Endorsement evidencing such coverage is also acceptable.

7. Additional Insured

The Offeror shall cause to be included in each of the liability policies (except Professional Liability and Date Breach/Cyber Liability) required below coverage for on-going and completed operations naming as additional insureds (via ISO coverage forms CG 20 10 04 13 or 20 38 04 13 and CG 20 37 04 13 and form CA 20 48 10 13, or a form or forms that provide equivalent coverage): the Department and their officers, agents, and employees. An Additional Insured Endorsement evidencing such coverage shall be provided to the Department pursuant to the timelines set forth in Section 11 below. A blanket Additional Insured Endorsement evidencing such coverage is also acceptable. For Offerors who are self-insured, the Offeror shall be obligated to defend and indemnify the above-named additional insureds with respect to Commercial General Liability and Business Automobile Liability, in the same manner that the Offeror would have been required to pursuant to this Attachment had the Contractor obtained such insurance policies.

8. Excess/Umbrella Liability Policies

Required insurance coverage limits may be provided through a combination of primary and excess/umbrella liability policies. If coverage limits are provided through excess/umbrella liability policies, then a Schedule of underlying insurance listing policy information for all underlying insurance policies (insurer, policy number, policy term, coverage and limits of insurance), including proof that the excess/umbrella insurance follows form must be provided upon request. Unrelated underlying policies included in the Schedule that are not required to meet the insurance requirements may be redacted from the Schedule.

10. Policy Renewal/Expiration

Upon policy renewal/expiration, evidence of renewal or replacement of coverage that complies with the insurance requirements set forth in this Solicitation and any Contract resulting from this Solicitation shall be delivered to the Department. If, at any time during the term of any Contract resulting from this Solicitation, the coverage provisions and limits of the policies required herein do not meet the provisions and limits set forth in this Solicitation or any Solicitation and any Contract resulting from this Solicitation, or proof thereof is not provided to the Department, the Offeror shall immediately cease work. The Offeror shall not resume work until authorized to do so by the Department.

11. Deadlines for Providing Insurance Documents after Renewal or Upon Request

As set forth herein, certain insurance documents must be provided to the Department contact identified in the Contract Award Notice after renewal or upon request.
