

# INVITATION FOR BID

ENTITLED:

## “Application Management System (AMS)”

Official Responses to Offerors' Questions

Question Number	IFB Page #	Section Reference	Question	Response
1	18-19	IFB Section 2	Since this is an SDVOB set-aside project, and has the majority of funding expected to go go to the software provider, can the MWBE goals be removed?	No, Article 15-A of the Executive Law requires that all State contracts be reviewed for MWBE opportunities, and these goals are often included in solicitations and contracts, even when a contract is set aside for SDVOBs.
2	18	IFB Section 2	Please provide a copy of the "Department's Exclusion list" or related policy.	“Department's Exclusion list” is an incorrect reference to this solicitation. Please see Section 2.2.2 of the amended IFB.”
3	18	IFB Section 2	Please clarify which in-scope "project services" are part of the Department's Exclusion list and how this impacts the project and related goals.	See the response to Question 2.
