- \* **Prior to the Offeror's initial contact with the Department**, the Offeror must complete and submit **Exhibit I.K** Offeror's Affirmation of Understanding & Agreement to the EBC Procurement Manager.

**2. Procurement Lobbying Limitations**

- a. Pursuant to State Finance Law sections 139-j and 139-k, this Procurement imposes certain Procurement lobbying limitations. Offerors are restricted from making contacts during the Procurement's "Restricted Period" (from the issuance of the IFB until the date of the Agreement's final approval by the OSC) to other than designated staff of the Department and the Executive Branch of New York State government, unless the contact falls within certain statutory exceptions ("permissible contacts"). For purposes of this Section II.A.2 of the IFB, "Offeror" includes prospective Offerors prior to the due date for the submission of offers/bids (i.e., Proposals) in response to the IFB. Staff is required to obtain certain information from Offerors and others whenever there is a contact about the Procurement during the Restricted Period, and is required to make a determination of the Offeror's responsibility that addresses the Offeror's compliance with the statutes' requirements. Findings of non-responsibility result in rejection for contract award, and if an Offeror is subject to two non-responsibility findings within four years the Offeror also will be determined ineligible to submit a proposal on, or be

awarded a contract for four years from the date of the second non-responsibility finding. The Procuring Agencies' Policy and associated procedures are included as **Exhibit I.L, "Procurement Lobbying Policy: Restrictions on Contacts during the Procurement Process"** to this IFB. Further information about these requirements can be found at:

<http://www.ogs.ny.gov/aboutOGS/regulations/defaultAdvisoryCouncil.html>

- b.** In order to ensure public confidence and integrity in the Procurement process, the Department will strictly control all communications between any Offeror and participants in the evaluation process, from the date the IFB is released until the Agreement is approved by OSC. "Offeror" means any individual or entity, or any Employee, agent, consultant, or person acting on behalf of such individual or entity, who contacts the Department or any other State governmental entity about a governmental Procurement during that Procurement's restricted period, whether or not the caller has a financial interest in the outcome of the governmental Procurement; provided, however, that a governmental agency (or its Employees) that communicates with the Department regarding a governmental Procurement in the exercise of its oversight duties shall not be considered an Offeror. "Offeror" includes prospective Offerors prior to the due date for the submission of offers/bids in response to the solicitation document. All contacts, inquiries, questions, filings and submissions of Proposals in regard to the IFB must be directed, in writing, by mail, facsimile or e-mail, as applicable, solely to the EBC Procurement Manager. An Offeror's failure to comply with this requirement may result in the Offeror's disqualification from this Procurement.

- Additionally, Offerors and prospective Offerors are strictly prohibited from making any contacts or inquiries concerning the Procurement with any member, officer or Employee of any NYS governmental entity other than the Department from the date the IFB is released until the Agreement is approved by OSC subject only to the specific exceptions listed below. Further, any Offeror shall not attempt to influence the Procurement in any manner that would result in a violation or an attempted violation of Public Officers Law sections 73(5) or 74.
- c. The following contacts are exempted from the provisions of paragraph 3 of section 139-j and as such do not need to be directed to the DEAS Procurement Manager pursuant to section 139-k:
- i. The submission of written Proposals in response to this IFB;
  - ii. The submission of written questions by a method set forth in IFB when all written questions and responses are to be distributed to all Offerors who have expressed an interest in the Procurement;
  - iii. Participation in a demonstration, conference or other means for exchange of information in a setting open to all potential bidders provided for in IFB;
  - iv. Complaints by an Offeror regarding the failure of the DEAS Procurement Manager to respond to an Offeror's authorized contacts, when such complaints are made in writing to the Department's Office of the General Counsel, provided that any such written complaints shall become a part of the Procurement record;
  - v. Communications by a successful Offeror(s) who has been tentatively awarded a contract and is engaged in communications with the Department solely for the purpose of negotiating the terms of the Agreement after having been notified of tentative award;
  - vi. Contact by an Offeror to request the review of a Procurement award when done in accordance with the procedure specified in the solicitation document;

  - d. Complaints of alleged improper conduct in a governmental Procurement conducted by a municipal agency or local legislative body to the NYS Comptroller's office; and
- vii. Communications between Offerors and governmental entities that solely address the determination of responsibility by a governmental entity of an Offeror.
- d. It is ***mandatory*** that all prospective Offerors/Offerors complete Part 1 of **Exhibit I.K, "Offeror's Affirmation of Understanding and Agreement"** affirming their understanding of, and agreement to, comply with the Procurement lobbying requirements set forth in State Finance Law §139-k and §139-j. A completed **Exhibit I.K** must be submitted to the DEAS Procurement Manager **prior to a prospective Offeror making its initial contact with the Department** (e.g., submission of a Notice of Bidding Intention Form, **Exhibit I.J**; submission of questions, etc. or concurrent with an Offeror's submission of its Proposal, whichever shall occur first). Offerors are advised that whenever any of the Offeror's officers, employees, agents or consultants contact the Department, they should be prepared to provide their name, address, telephone number, place of principal employment, occupation, and whether they were retained, employed or designated, by or on behalf of the Offeror to appear before or contact the Department in regards to this Procurement. To that end and to

streamline the process, Offerors are requested to complete and submit Part 2 of **Exhibit I.K** entitled, "Offeror Designated Contact" for each officer, employee, agent or consultant authorized by the Offeror to appear before or contact the Department in regards to this Procurement before appearing or before or at the time such contact is initiated.

Additionally, at the time a Proposal is submitted to the Department, the Offeror is required to provide a completed "Offeror's Certification of Compliance Pursuant to State Finance Law §139-k" form. This certification is included as **Exhibit I.P** of this IFB.

### **3. Notice of Bidding Intention Form**

Filing of this notice is **not** mandatory; however, to assist the Department in better managing the Procurement process, prospective Offerors, whether they intend to submit a Proposal in response to this IFB or not, are requested to complete a "**Notice of Bidding Intention Form,**" **Exhibit I.J** and submit it to the DEAS Program Procurement Manager by the Notice of Bidding Intention Deadline as set forth in Section II.A.1. On the Notice of Bidding Intention Form, New York State certified Minority and Women-Owned Businesses (M/WBE) may request that their firm's contact information be included on a list of M/WBE firms interested in serving as a subcontractor for this Procurement. The listing will be publicly posted on the Procurement webpage at: [www.cs.ny.gov/DEAS2015IFB/index.cfm](http://www.cs.ny.gov/DEAS2015IFB/index.cfm) for reference by the bidding community. A firm requesting inclusion on this list should send a copy of its NYS M/WBE certification with its completed Notice of Bidding Intention Form. Nothing prohibits an M/WBE vendor from proposing as a prime Contractor.

Offerors are

encouraged to submit the Proposal Submission Requirement Checklist (**Exhibit I.A**) to facilitate verification of Proposal contents. An Offeror's request to withdraw a Proposal after the Proposal Due Date may be considered at the sole discretion of the Department.

**b. Formatting Requirements**

The Administrative Section, Technical Section and Cost Section each should comply with the following formatting requirements (Failure to comply with the formatting requirements herein below may, but will not necessarily, result in the Proposal being deemed non-responsive and may, but will not necessarily, result in rejection of the Proposal):

- i. *Binding of Proposal:*** The Administrative and Technical Sections must be separate, clearly labeled, and bound as one complete package. The Cost Section is required to be separately bound from the Administrative and Technical Sections, or submitted in a separate sealed envelope, clearly labeled. The official name of the organization(s), the Proposal Due Date and IFB # DEAS-2015-1 "Dependent Eligibility Audit Services" must appear on the outside front cover of each copy of the package containing the Offeror's Administrative, Technical and Cost Sections. If the Proposals are submitted in loose-leaf binders, the official name(s) of the organization(s) and IFB # DEAS-2015-1 "Dependent Eligibility Audit Services" also must appear on the spine of the binders;
- ii. *Table of Contents:*** Each Proposal must include a table of contents;
- iii. *Index Tabs:*** Each major Section of the Proposal, each subsection in the Technical Section and each Exhibit must be labeled with an index tab that completely identifies the title of the Section, subsection or Exhibit as named in the table of contents;
- iv. *Pagination:*** Each page of the Proposal, including Exhibits, must be labeled on the upper right with the Section title and Section reference, page number, and date. Pages within each Section and Exhibit must be numbered consecutively;
- v. *Proposal Updates/Corrections:*** Each Offeror must submit its Proposal so that any update pages required by the Department can be easily incorporated into the

Proposal. Should it be necessary for an Offeror to submit additional information in support of its Proposal, it must be submitted in accordance with the following: upon written notification by the Offeror and Agreement by the Department, new or replacement pages may be placed in the Proposal. All new or replacement pages will show the date of the revision and indicate the portion of the page being changed. This latter requirement will be fulfilled by drawing vertical lines down both margins of all affected passages. All new/ replacement pages will be noted by the Department on the errata sheet to be placed at the front of the Proposal copy; and,

- vi. **Required Content of Proposals:** The Proposal must consist of three parts: 1) the Administrative Section, which must respond to the requirements set forth in Section III of this IFB; 2) the Technical Section, which must respond to the requirements set forth in Section IV of this IFB; and 3) the Cost Section, which must respond to the requirements set forth in Section V of this IFB.

c. **Material Deviations**

New York State Law prohibits NYS from awarding a contract based upon material deviations from the specifications, terms, and conditions set forth in the IFB. Consequently, each Offeror's Proposal must conform to the specifications, terms, and conditions set forth in this IFB and prospective Offerors are strongly advised to raise issues and/or concerns relating to this Procurement during the question and answer Phase rather than taking exceptions within their Proposals. Material deviations from the specifications, terms, and conditions set forth in the IFB may render the Proposal non-responsive and may result in rejection of the Proposal.

In general, a material deviation is one that would (i) impair the interests of NYS, (ii) place the successful Offeror in a position of unfair economic advantage, (iii) place other Offerors at a competitive disadvantage, or (iv) which, if it had been included in the original IFB, could have formed a reasonable basis for an otherwise qualified Offeror to change its determination concerning the submission of a Proposal.

Offerors are advised that Offeror's standard, pre-printed material (including but not limited to: product literature, order forms, manufacturer's license agreements, standard contracts or other pre-printed documents), which are physically attached or

summarily referenced in the Offeror's Proposal, unless specifically required by the IFB to be submitted as part of the Offeror's Proposal, will not be considered as having been submitted with or intended to be incorporated as part of the official offer contained in the Proposal, but rather will be deemed by the State to have been included by Offeror for informational or promotional purposes only.

In order to be deemed responsive to this IFB, the Offeror must submit a Proposal which independently satisfies all of the requirements set forth in this IFB, without substitution or modification ("stated requirements"). The Proposal will be evaluated against the requirements and specifications set forth in this IFB to determine the "best value" submission. Best value determination will be considered lowest cost for the proposal that is both responsive and responsible.

As stated above in part, New York State Law prohibits NYS from awarding a contract based upon material deviations from the specifications, terms, and conditions set forth in the IFB. Consequently, each Offeror's Proposal must conform to the specifications, terms, and conditions set forth in this IFB. In addition to, but not in lieu of, its response to the IFB's stated requirements, the Offeror may propose supplemental, "or equal", additional or alternative terms (Extraneous Terms) to the stated requirements within the Proposal, provided that, in the State's sole judgment, the Extraneous Term(s) does not constitute material deviations to the stated requirements. Proposed Extraneous Term(s) may only be considered by the State to the extent that such Extraneous Term(s) constitute non-material deviations from the requirements set forth in the IFB as determined in the Department's sole discretion. Material deviations from the specifications, terms, and conditions set forth in the IFB may render the Proposal non-responsive and may result in rejection of the Proposal.

Therefore, in order for Extraneous Term(s) to be considered, the Extraneous Term must:

- i. Independently satisfy the applicable requirement(s) of the IFB on its own merits;
- ii. Be clearly and separately identified as an "Extraneous Term" within the Administrative, Technical and/or Cost Proposals - Extraneous Terms Submission;  
and

- iii. Be separately evaluated and scored in accordance with the bid evaluation criteria.

If the Offeror proposes to include Extraneous Terms in its official Proposal, the Offeror must meet all of the following requirements:

- a. Each proposed Extraneous Term must be specifically enumerated in a separate section of the applicable Submission(s) (Administrative, Technical and/or Cost) labeled "Extraneous Terms Submission," using the format as set forth in **Exhibit I.X** entitled, "Extraneous Terms Template."
- b. The "Extraneous Terms" section must be in a writing prepared by Offeror and may not include any pre-printed literature or vendor forms;
- c. The writing must identify by part, section and title the particular IFB requirement (if any) which the Offeror proposes to supplement by inclusion of the Extraneous Term, with a brief description of the specific provision being modified by the Extraneous Term; and
- d. The Offeror shall enumerate the proposed additional or alternative term from the IFB requirement, and the reasons therefore.

Only those terms meeting the above requirements (a) through (d) shall be considered as having been submitted as part of the formal offer.

Extraneous Term(s) submitted on standard, pre-printed forms (including but not limited to: product literature, order forms, manufacturer's license agreements, standard contracts or other pre-printed documents), which are physically attached or summarily referenced in the Proposal, or that, in the State's sole judgment, have not been submitted in compliance with the above requirements (a) through (d) above, will not be considered as having been submitted with or intended to be incorporated as part of the official offer contained in the Proposal, but rather will be deemed by the State to have been included by Offeror for informational or promotional purposes only.

Absent the State's express written acceptance and incorporation of an Extraneous Term, acceptance and/or processing of the Proposal shall not constitute the State's acceptance of Extraneous Term(s) or be deemed a waiver of the State's

rights set forth herein.

**7. Notification of Award**

A proposed award notification letter will be sent to the selected Offeror indicating a conditional award subject to successful contract negotiations. The remaining Offerors will be notified of the conditional award and the possibility that failed negotiations could result in an alternative award. No public discussion or news releases relating to this IFB, the associated Procurement process, including but not limited to the bid solicitation, proposal evaluation and award and contract negotiation processes or the Agreement shall be made by any Offeror or their agent without the prior written approval of the Department.

**8. Debriefing**

As stated in IFB, Section II.A.7 above, proposed award notification letters will be sent to the selected and non-selected Offerors. At that time, Offerors will be advised of the opportunity to request a Debriefing and the timeframe by which such requests must be made, dependent upon the nature of the Debriefing, i.e., pre-award or post-award. Debriefings are subject to the Department's Debriefing Guidelines which are set forth in **Exhibit I.H** entitled, "NYS Department of Civil Service Debriefing Guidelines." An unsuccessful Offeror's written request for a debriefing shall be submitted to:

**9. Submission of Award Protests**

By participating in activities related to this Procurement, and/or by submitting a Proposal in response to this IFB, all Offerors agree to be bound by its terms including, but not limited to, the process by which an Offeror may submit protests of the selection award for consideration. In the event that an Offeror decides to protest the selection decision, the Offeror may raise such issue according to the following provisions.

a. **Process for Submitting Post Award Protests of the Selection Decision**

- i. ***Time Frame:*** Any protest of the selection decision must be received no later than ten (10) Business Days after an Offeror's receipt of written notification by the Department of a conditional award.
- ii. ***Content:*** The submission of the protest must clearly and fully state the legal and/or factual grounds for the protest and must include all relevant documentation.
- iii. ***Format of Submission:*** All submissions of protest must be in writing and submitted to the DEAS Procurement Manager at the following address:

If using the U.S. Postal Service, please use the following address:

A protest of the selection decision must have the following statement clearly and prominently displayed on the envelope or package:

**“Submission of Selection Protest for  
IFB # DEAS-2015-1  
Dependent Eligibility Audit Services”**

Any assertion of protest which does not conform to the requirements set forth in this section shall be deemed waived by the Offeror, and the Offeror shall have no further recourse.

**b. Review of Submitted Protests**

The Department shall conduct the review process of submitted protests. The Department's Commissioner may appoint a designee to review the submission and to make a recommendation to the Commissioner as to the disposition of the matter. The Commissioner's designee may be an Employee of the Department but, in any event, shall be someone who has not participated in the preparation of this IFB, the evaluation of Proposals, or the selection decision. At the discretion of the Commissioner, or the Commissioner's designee, the Offeror may be given the opportunity to meet with the Commissioner or her designee, as the case may be, to support its submission. The Offeror may, but need not, be represented by counsel at such a meeting. Any and all issues concerning the manner in which the review process is conducted shall be determined solely by the Commissioner, or the Commissioner's designee. The Commissioner, or the Commissioner's designee, shall review the matter, and the Commissioner shall issue a written decision within 20 Business Days after the close of the review process. If additional time for the issuance of the decision is necessary, the Offeror shall be advised of the delay and of the time frame within which a decision may be reasonably expected. The Commissioner's decision will be communicated to the party in writing and shall constitute the Department's final determination in the matter.

In the event that an Offeror protests the selection decision, the Department shall continue contract negotiations regarding the terms and conditions of the Agreement with the selected Offeror pending the outcome of the protest. Any Offeror whose Proposal might become eligible for a conditional award in the event that the intended selection is disqualified may be asked to extend the time for which their Proposal shall remain valid.

The Department reserves the right to determine and to act in the best interests of the State in resolving any post award selection protest.

**10. Department of Civil Service Reservation of Rights**

In addition to any rights articulated elsewhere in this IFB, the Department reserves the right to:

- a. Make or not make an award under the IFB, either in whole or in part.
- b. Prior to the bid opening, amend the IFB. If the Department elects to amend any part of the IFB, notification of the amendment will be provided to all prospective Offerors who submitted a Procurement Registration Form and/or a Offeror's Affirmation of Understanding and Agreement (Exhibit I.K.) via e-mail, facsimile or mail. **3. Contractor Requirements and Procedures for Business Participation Opportunities for NYS Certified Minority and Women-Owned Business Enterprises**

---

**(MWBE) and Equal Employment Opportunities (“EEO”) for Minority Group Members and Women****New York State Law:**

Pursuant to New York State Executive Law Article 15-A and 5 NYCRR 140-145 the Department recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and women-owned business enterprises and the employment of minority group members and women in the performance of the Department contracts.

In 2006, the State of New York commissioned a disparity study to evaluate whether minority and women-owned business enterprises had a full and fair opportunity to participate in state contracting. The findings of the study were published on April 29, 2010, under the title "The State of Minority and Women-Owned Business Enterprises: Evidence from New York" ("Disparity Study"). The report found evidence of statistically significant disparities between the level of participation of minority-and women-owned business enterprises in state Procurement contracting versus the number of minority-and women-owned business enterprises that were ready, willing and able to participate in state Procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the statewide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that the Department establishes goals for maximum feasible participation of New York State Certified minority- and women – owned business enterprises (“MWBE”) and the employment of minority groups members and women in the performance of New York State contracts.

**Business Participation Opportunities for MWBEs**

For purposes of this solicitation, the Department hereby establishes an overall goal of 30% for MWBE participation, 15% for New York State certified minority-owned business enterprises (“MBE”) participation and 15% for New York State certified women-owned business enterprises (“WBE”) participation (based on the current availability of qualified MBEs and WBEs). A Contractor (“Contractor”) on the subject contract (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as

subcontractors or suppliers in the performance of the Contract and the Contractor agrees that the Department may withhold payment pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how the Department will determine a Contractor's "good faith efforts," refer to 5 NYCRR §142.8.

In accordance with 5 NYCRR §142.13, the Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such finding constitutes a breach of Contract and the Department may withhold payment from the Contractor as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder on the Contract ("Bidder") agrees to demonstrate its good faith efforts to achieve its goals for the utilization of MWBEs by submitting evidence thereof through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a Bidder may arrange to provide such evidence via a non-electronic method by contacting the Department. Please note that the NYSCS is a one stop solution for all of your MWBE and Article 15-A contract requirements. For additional information on the use of the NYSCS to meet Bidder's MWBE requirements please see the attached MWBE guidance, "Your MWBE Utilization and Reporting Responsibilities Under Article 15-A."

Additionally, a Bidder will be required to submit the following documents and information as evidence of compliance with the foregoing:

- A. An MWBE Utilization Plan – Form MWBE-100 (**Exhibit I.O**) with their bid or proposal. Any modifications or changes to the MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to the Department.

The Department will review the submitted MWBE Utilization Plan and advise the Bidder the Department's acceptance or issue a notice of deficiency within 30 Days of receipt.

- B. If a notice of deficiency is issued, the Bidder will be required to respond to the notice of deficiency within seven (7) Business Days of receipt by submitting to the Department, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Department to be inadequate, the Department shall notify the Bidder and direct the Bidder to submit, within five (5) Business Days, a request for a partial or total waiver of MWBE participation goals on Form MWBE-101 entitled "Request for Waiver Form" available at: <http://www.cs.ny.gov/pio/mwbe-eeo-forms.cfm>. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

The Department may disqualify a Bidder as being non-responsive under the following circumstances:

- a) If a Bidder fails to submit a MWBE Utilization Plan;
- b) If a Bidder fails to submit a written remedy to a notice of deficiency;
- c) If a Bidder fails to submit a request for waiver; or
- d) If the Department determines that the Bidder has failed to document good faith efforts.

The Contractor will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to the Department, but must be made no later than prior to the submission of a request for final payment on the Contract.

The Contractor will be required to submit a Contractor's Quarterly M/WBE Contractor Compliance & Payment Report to the Department, by the 10<sup>th</sup> day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract. Form MWBE-103 is available at: <http://www.cs.ny.gov/pio/mwbe-eeo-forms.cfm>.

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the

Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

**Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.**

Per IFB Section III.C, executed copies of:

**Exhibit I.G** entitled “EEO Staffing Plan (form EEO-100),”

The Department has the right to adopt, modify, or reject any or all ideas presented in any material submitted in response to this IFB.

To request that materials be protected from FOIL disclosure, the Offeror must follow the procedures below regarding the New York State Freedom of Information Law (FOIL). If an Offeror believes that any information in its Proposal or supplemental submission(s) constitutes proprietary and/or trade secret information and desires that such information not be disclosed if requested pursuant to the New York State Freedom of Information Law, Article 6 of the Public Officers Law, the Offeror must make that assertion by completing **Exhibit I.C “Freedom of Information Law – Request for Redaction Chart.”** The Offeror must complete the form specifically identifying by page number, line, or other appropriate designation, the specific information requested to be protected from FOIL disclosure and the specific reason why such information should not be disclosed. Page 2 of Exhibit I.C contains information regarding appropriate justification for protection from FOIL disclosure. Vague, non-specific, summary allegations that material is proprietary or trade-secret are inadequate and will not result in protection from FOIL

disclosure.

The completed **Exhibit I.C** must be submitted to the Department at the time of its Proposal submission; it should be included with the Requested Redactions (CD and Hard Copy), described below. It should not be included in the Offeror's Proposal. If the Offeror chooses not to assert that any Proposal material and/or supplemental submission should be protected from FOIL disclosure, the Offeror should so advise the Department by checking the applicable box on **Exhibit I.C** and submitting it to the Department at the time of its Proposal submission, but separately from its Proposal. If a completed **Exhibit I.C** form is not submitted, the Department will assume that the Offeror chooses not to assert that any proposal material or supplemental submission, as applicable should be protected from FOIL disclosure.

The FOIL-related materials described herein will not be considered part of the Offeror's Proposal and will not be reviewed as a part of the Procurement's evaluation process.

Additionally, the Offeror must provide a separately bound hardcopy of each of the three (3) Sections of the Proposal with redactions marked that are included on the CDs. The electronic documents must be prepared in PDF format using the Redaction Function in Adobe Acrobat Professional software, version 8 or higher. Each specific portion of the Proposal documents requested to be protected from FOIL disclosure must be identified using the Adobe "**Mark for Redaction**" function; **do not use the "Apply Redactions" function.** The resulting documents must show the Offeror's requested redactions as outlined, while the content remains visible. This will allow the Department to either apply or remove requested redactions when responding to FOIL requests. The documents included on the CD and in hard copy must be complete Proposals, including all Exhibits and Attachments. No section may be omitted from the

CD or hard copy even if the entire section is requested to be redacted; such sections should be marked for redaction, not removed. For forms, Exhibits and charts please mark for redaction only those cells/fields/entries that meet the criteria for protection from FOIL, not the entire page.
