Instructions:

Pursuant to State Finance Law §§139-j and 139-k, this solicitation imposes certain procurement lobbying limitations. Offerors are restricted from making contacts during the procurement’s “Restricted Period” (from the earliest written notice, advertisement or solicitation of a request for proposal, invitation for bids, or solicitation of proposals, or any other method for soliciting a response from Offerors intending to result in a procurement contract with a governmental entity and ending with the final contract award and approval by the governmental entity and, where applicable, approval by the State Comptroller) to other than designated staff, unless the contact falls within certain statutory exceptions (“permissible contacts”). the Department’s employees are required to obtain certain information from Offerors and others whenever there is a contact about the procurement during the Restricted Period, and are required to make a determination of the Offeror’s responsibility that addresses the Offeror’s compliance with the statutes’ requirements. Findings of non-responsibility result in rejection for contract award, and if an Offeror is subject to two non-responsibility findings within four years the Offeror also will be determined ineligible to submit a proposal on or be awarded a contract for four years from the date of the second non-responsibility finding.
