

Offeror’s Certification of Compliance Pursuant to State Finance Law §139-k(5)

Instructions:

New York State Finance Law (SFL) §139-k(5) requires that every contract award subject to the provisions of SFL §§139-k or 139-j shall contain a certification by the Offeror that all information provided to the Department with respect to SFL §139-k is complete, true and accurate.

At the time an Offer or Bid is submitted to the Department, the Offeror must provide the following certification that the information it has and will provide to the Department pursuant to SFL §139-k is complete, true and accurate including, but not limited to, disclosures of findings of non-responsibility made within the previous four years by any State governmental entity where such finding of non-responsibility was due to a violation of SFL §139-j or due to the intentional provision of false or incomplete information to a State governmental entity.

Offeror Certification

I certify that all information provided to the Governmental Entity with respect to State Finance Law §139-k is complete, true and accurate.
