2. Procurement Lobbying Limitations

- a. Pursuant to State Finance Law Sections 139-j and 139-k, this Procurement imposes certain procurement lobbying limitations. Offerors are restricted from making contacts during the Procurement's "Restricted Period" (from the issuance of this RFP until the date of the Agreement's final approval by the OSC) to other than designated staff of the Department and the Executive Branch of New York State government, unless the contact falls within certain statutory exceptions ("permissible contacts"). For purposes of this Section II.A.2 of this RFP, "Offeror" includes prospective Offerors prior to the due date for the submission of offers/bids (i.e. Proposals) in response to this RFP. Staff is required to obtain certain information from Offerors and others whenever there is a contact about the Procurement during the Restricted Period, and is required to make a determination of the Offeror's responsibility that addresses the Offeror's compliance with the statutes' requirements. Findings of non-responsibility result in rejection for contract award, and if an Offeror is subject to two non-responsibility findings within four years the Offeror also will be determined ineligible to submit a Proposal on, or be awarded a Contract for four years from the date of the second non-responsibility finding. The Procuring Agencies' Policy and associated procedures are included as **Exhibit I.L, "Procurement Lobbying Policy: Restrictions on Contacts During the Procurement Process"** to this RFP. Further

information about these requirements can be found at:

<http://www.ogs.ny.gov/aboutOGS/regulations/defaultAdvisoryCouncil.html>

- b. In order to ensure public confidence and integrity in the Procurement process, the Department will strictly control all communications between any Offeror and participants in the evaluation process, from the date this RFP is released until the Agreement is approved by OSC. "Offeror" means any individual or entity, or any employee, agent, consultant, or person acting on behalf of such individual or entity, who contacts the Department or any other State governmental entity about a governmental procurement during that procurement's restricted period, whether or not the caller has a financial interest in the outcome of the governmental procurement; provided, however, that a governmental agency (or its employees) that communicates with the Department regarding a governmental procurement in the exercise of its oversight duties shall not be considered an Offeror. "Offeror" includes prospective Offerors prior to the due date for the submission of offers/bids in response to the solicitation document. All contacts, inquiries, questions, filings and submissions of Proposals in regard to this RFP must be directed, in writing, by mail, facsimile or e-mail, as applicable, solely to the PPACA Compliance Services Procurement Manager. An Offeror's failure to comply with this requirement may result in the Offeror's disqualification from this Procurement.

The Cost Proposal is required to be separately bound from the Administrative and Technical Proposals, or submitted in a separate sealed envelope, clearly labeled. - (2) **Table of Contents:** Each Proposal must include a table of contents;

c. Extraneous Terms

A proposal must conform to the terms set forth in this RFP. Extraneous terms or material deviations may render the proposal non-responsive and may result in the rejection of the proposal. New York State will not entertain any deviations to Appendix A, Standard Clauses for New York State Contracts. New York State will not entertain any deviations to Appendix B (Standard Clauses for all DCS Contracts) that are material and substantive in nature.

In general, a material deviation (including additional, inconsistent, conflicting or alternative term) is one that would: (i) impair the interest of New York State; (ii) place the Offeror in a position of unfair economic advantage; (iii) place other offerors at a competitive disadvantage; or (iv) which, if had been included in the RFP, would have formed a reasonable basis for an otherwise qualified offeror to change its determination about submitted a proposal.

To be considered by the State, an extraneous term must:

- A. Be set forth in Exhibit I.X, Extraneous Terms template (template);
- B. Include all the detail requested in template and shall not include any pre-printed literature or vendor forms;
- C. Identify by par, section and title the specific RFP requirement (if any) that is proposed for modification; and
- D. Detail its proposed extraneous term, including specific language, and the reason for the request.

If an extraneous term does not meet the requirements in A-D, it shall not be considered by the State and immediately rejected.

Extraneous Term(s) submitted on standard, pre-printed forms (including, but not limited to, product literature, order forms, manufacturer's license agreements, standard contracts or other pre-printed documents), which are physically attached or summarily referenced in the Proposal, shall not be considered as having been submitted with or intended to be incorporated as part of the offer, but shall be deemed included by the Offeror for information or promotional purposes only.

8. Notification of Award

A proposed award notification letter will be sent to the selected Offeror indicating a conditional award subject to successful contract negotiations. The remaining Offerors will be notified of the conditional award and the possibility that failed negotiations could result in an alternative award. B. Compliance with Applicable Rules, Laws, Regulations, and Executive Orders

This Procurement is being conducted in accordance with, and is subject to, the competitive bidding laws of the State of New York (New York State Finance Law, Article 11) and it is governed by, at a minimum, the legal authorities referenced below. All Offerors must fully comply with the provisions and set forth in this Section II.B. of this RFP. The Department will consider for evaluation and selection purposes only those Offerors who agree to comply with these provisions whose Proposal contains the Statements, Formal Certifications, and Exhibits submissions required.

1. Public Officers Law

All Offerors and Offerors' employees and agents must be aware of and comply with the requirements of the New York State Public Officers Law ("POL"), particularly POL Sections 73 and 74, as well as all other provisions of New York State law, rules and regulations, and policy establishing ethical standards for current and former State employees. In signing its Proposal, each Offeror guarantees knowledge and full compliance with such provisions for purposes of this RFP and any other activities including, but not limited to, contracts, bids, offers, and negotiations. Failure to comply with these provisions may result in disqualification from the Procurement process, termination, suspension or cancellation of the Agreement and criminal proceedings as may be required by law. Per Section III.C of this RFP, Offerors must submit an affirmative statement as to the existence of, absence of, or potential for conflict of interest on

the part of the Offeror because of prior, current, or proposed contracts, engagements, or affiliations, by submitting a completed **Exhibit I.M, “Compliance with Public Offers Law Requirement”** in the Offeror’s Administrative Proposal.

2. Omnibus Procurement Act of 1994 and its 2000 Amendment

Offerors are hereby notified that, if their principal place of business is located in a foreign or domestic jurisdiction that penalizes New York State vendors, and if the goods or services they offer would be produced or performed substantially outside New York State, the Omnibus Procurement Act of 1994 and its 2000 amendments require that they be denied contracts which they otherwise could obtain. The list of jurisdictions subject to this provision is set forth in Article 20 of Appendix A.

3. Contractor Requirements and Procedures for business participation opportunities for New York State Certified Minority-and-Women-Owned Business Enterprises and Equal Employment Opportunities for Minority Group Members and Women

NEW YORK STATE LAW

Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations the Department is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises (“MWBEs”) and the employment of minority group members and women in the performance of the Department contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, the Department hereby establishes an overall goal of 16.00 percent for MWBE participation, 8 percent for New York State-certified Minority-owned Business Enterprise (“MBE”) participation and 8 percent for New York State-certified Women-owned Business Enterprise (“WBE”) participation (based on the current availability of MBEs and WBEs). A contractor (“Contractor”) on any contract resulting from this procurement (“Contract”) must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this RFP, the respondent agrees that the Department may withhold payment pursuant to any Contract awarded as a result of this RFP pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at:

<https://ny.newnycontracts.com>. For guidance on how the Department will evaluate a Contractor's "good faith efforts," refer to 5 NYCRR Section 142.8.

The respondent understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

In accordance with 5 NYCRR Section 142.13, the respondent further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this RFP, such finding constitutes a breach of contract and the Department may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a respondent agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a respondent may arrange to provide such evidence via a non-electronic method by contacting the PPACA Compliance Services Procurement Manager.

Additionally, a respondent will be required to submit the following documents and information as evidence of compliance with the foregoing:

- A. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to the Department for review and approval. (Exhibit I.O)

The Department will review the submitted MWBE Utilization Plan and advise the respondent of the Department's acceptance or issue a notice of deficiency within 30 days of receipt

- B. If a notice of deficiency is issued, the respondent will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the Department via the address outlined previously in section II.A.2.b of this document, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by the Department to be inadequate, the Department shall notify the respondent and direct the respondent to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

The Department may disqualify a respondent as being non-responsive under the following circumstances:

- a. If a respondent fails to submit an MWBE Utilization Plan;
- b. If a respondent fails to submit a written remedy to a notice of deficiency;
- c. If a respondent fails to submit a request for waiver; or
- d. If the Department determines that the respondent has failed to document good faith efforts.

The successful respondent will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to the Department, but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful respondent will be required to submit a quarterly M/WBE Contractor Compliance & Payment Report to the Department, by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED SERVICE-DISABLED VETERAN-OWNED BUSINESSES

Article 17-B of the New York State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”),

thereby further integrating such businesses into New York State's economy. The Department recognizes the need to promote the employment of service-disabled veterans and to ensure that certified service-disabled veteran-owned businesses have opportunities for maximum feasible participation in the performance of the Departments' contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in New York State, Bidders/Contractors are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

For purposes of this procurement, the Department conducted a comprehensive search and determined that the Contract does not offer sufficient opportunities to set specific goals for participation by SDVOBs as subcontractors, service providers, and suppliers to Contractor. Nevertheless, Bidder/Contractor is encouraged to make good faith efforts to promote and assist in the participation of SDVOBs on the Contract for the provision of services and materials. The directory of New York State Certified SDVOBs can be viewed at:

<http://ogs.ny.gov/Core/SDVOBA.asp>

Bidder/Contractor is encouraged to contact the Office of General Services' Division of Service-Disabled Veteran's Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss methods of maximizing participation by SDVOBs on the Contract.

Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the respondent agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women OR Authority equivalent to Appendix A. The respondent is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the respondent, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff,

termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The respondent will be required to submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement, Appendix D-1, to the Department with its bid or proposal.

If awarded a Contract, respondent shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by the Department on a **quarterly** basis during the term of the Contract.

Pursuant to Executive Order #162, contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and subcontractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

4. Americans with Disabilities Act

The Contractor will be required to assure its compliance with the Americans with Disabilities Act (42 USC Section 12101 et. seq.), in that any services and programs provided during the course of performance of the Agreement shall be accessible under Title II of the Americans with Disabilities Act, and as otherwise may be required under the Americans with Disabilities Act by submitting a completed "**Compliance with Americans with Disabilities Act**" form, **Exhibit I.N** in the Offeror's Administrative Proposal.

5. MacBride Fair Employment Principles Act & Non-Collusive Bidding Certification

In accordance with Chapter 807 of the Laws of 1992, Offerors must certify whether they or any individual or legal entity in which the Offeror holds a ten percent (10%) or greater ownership interest, or any individual or legal entity that holds a ten percent (10%) or greater ownership in the Offeror have business operations in Northern Ireland. If an Offeror does have business operations in Northern Ireland, they must certify that they are taking lawful steps in good faith to conduct such business operations in accordance with the MacBride Fair Employment Opportunity Principles relating to nondiscrimination in employment and freedom of workplace opportunity regarding such operations in Northern Ireland, and shall permit independent monitoring of their compliance with such principles.

The Department also requires that Offerors certify that prices in their Proposal have been arrived at independently without collusion, consultation, communication or agreement for the purpose of restricting competition with any other Offeror or competitor. In addition, that unless required by law, the prices quoted in the Offeror's Proposal have not been knowingly disclosed by the Offeror and will not knowingly be disclosed by the Offeror prior to opening, directly, indirectly, to any other Offeror or to any competitor. Offerors must also certify that no attempt has been made or will be made by the Offeror to induce any person, partnership or corporation to submit or not to submit a proposal for the purpose of restricting competition. An executed copy of the combined "**MacBride Act Statement Form**" and "**Non-Collusive Bidding Certification,**" **Exhibit I.D** is required to be submitted in the Offeror's Administrative Proposal.

6. Vendor Responsibility Requirements – State Finance Law Section 163

New York State Finance Law Section 163 requires contracts for services and commodities be awarded on the basis of lowest price or best value "to a responsive and responsible Offeror." Furthermore, Section 163(9)f requires the Department to make a determination of responsibility of the proposed Contractor prior to making an award.

To assist the Department in evaluating the responsibility of Offerors, a completed "**New York State Standard Vendor Responsibility Questionnaire**" must be submitted in the Offeror's Administrative Proposal. A person legally authorized to represent the Offeror must execute the questionnaire. To the extent that the Contractor is proposing the use of Key Subcontractors or Affiliates (i.e., part of the Offeror's proposed Account Team) and expected to receive more than \$100,000 in payments during the term of the Agreement, the Offeror must submit a completed

“New York State Standard Vendor Responsibility Questionnaire” for each Key Subcontractor or Affiliate completed by a person legally authorized to represent the Key Subcontractor or Affiliate.

The Department recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System; however, vendors may choose to complete and submit a paper questionnaire. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at:

http://www.osc.state.ny.us/vendrep/vendor_index.htm or go directly to the VendRep System online at: <https://portal.osc.state.ny.us>.

Section 5-a of the New York Tax Law requires that any contract valued at more than \$100,000 entered into by a State agency shall not be valid, effective, or binding against the agency unless the Contractor certifies to the Tax Department that it is registered to collect New York State and local sales and compensating use taxes, if the Contractor made sales delivered by any means to locations within New York State of tangible personal property or taxable services having a cumulative value in excess of \$300,000, measured over a specified period. The Contractor also must certify to the procuring state entity that it filed the certification with the Tax Department and that the certification is correct and complete. Accordingly, in the event the value of the

Agreement exceeds \$100,000, the Contractor must file a properly completed “**Form ST-220-CA,**” **Exhibit I.E** with the Department and a properly completed “**Form ST-220-TD,**” **Exhibit I.F** with the Department of Taxation & Finance before the Agreement may take effect. NOTICE TO OFFEROR’S LEGAL COUNSEL

All materials submitted by an Offeror in response to this RFP shall become the property of the Department and may be returned to the Offeror at the sole discretion of the Department. Proposals may be reviewed or evaluated by any person, other than one associated with a competing Offeror, designated by the Department. Offerors may anticipate that Proposals will be evaluated by staff and consultants retained by the Department and may also be evaluated by staff of other NYS agencies interested in the provision of the subject services including, but not limited to, the Governor’s Office of Employee Relations and the Division of the Budget, unless otherwise expressly indicated in this RFP. The Department has the right to adopt, modify, or reject any or all ideas presented in any material submitted in response to this RFP.

To request that materials be protected from FOIL disclosure, the Offeror must follow the procedures below regarding the New York State Freedom of Information Law (FOIL). If an Offeror believes that any information in its Proposal or supplemental submission(s) constitutes proprietary and/or trade secret information and desires that such information not be disclosed if requested pursuant to the New York State Freedom of Information Law, Article 6 of the Public Officers Law, the Offeror must make that assertion by completing **Exhibit I.C, “Freedom of Information Law – Request for Redaction Chart.”** The Offeror must complete the form specifically identifying by page number, line, or other appropriate designation, the specific information requested to be protected from FOIL disclosure and the specific reason why such information should not be disclosed. Page 2 of Exhibit I.C contains information regarding appropriate justification for protection from FOIL disclosure. The completed **Exhibit I.C** must be submitted to the Department at the time of its Proposal submission; it should be included with the Requested Redactions (CD and Hard Copy),

described below. It should not be included in the Offeror's Proposal. Additionally, the Offeror must provide a separately bound hardcopy of each of the three (3) Proposal documents with redactions marked that are included on the CDs. The electronic documents must be prepared in PDF format using the Redaction Function in Adobe Acrobat Professional software, version 8 or higher. Each specific portion of the Proposal documents requested to be protected from FOIL disclosure must be identified using the Adobe **"Mark for Redaction" function; do not use the "Apply Redactions" function.** The resulting documents must show the Offeror's requested redactions as outlined, while the content remains visible. This will allow the Department to either apply or remove requested redactions when responding to FOIL requests. The documents included on the CD and in hard copy must be complete Proposals, including all Exhibits and Attachments. No section may be omitted from the CD or hard copy even if the entire section is requested to be redacted; such sections should be marked for redaction, not removed. For forms, exhibits and charts please mark for redaction only those cells/fields/entries that meet the criteria for protection from FOIL, not the entire page.

During the Proposal evaluation process, the Department may request additional information through clarifying letters and at management interviews. Any requested redactions for additional written material provided by the Offeror in response to the Department's requests

also must be submitted following the instructions, above.

You may also find useful information at their website: <http://www.wcb.ny.gov>.

Submission of the proof of workers' compensation and disability benefits insurance coverage is required at the time of Proposal submission. Failure to provide verification of either of these types of insurance coverage with the Offeror's Administrative Proposal may be grounds for disqualification of an otherwise successful Proposal.

To the extent that the Offeror is proposing the use of Key Subcontractors or Affiliates (i.e., part of the Offeror's proposed Project Team), the Offeror must verify for the Department, on forms authorized by the New York State Workers' Compensation Board, the fact that the Key Subcontractors or Affiliates are properly insured or are otherwise in compliance with the insurance provisions of the WCL.

The Department of Civil Service reserves the right to reject any Proposal, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.
