THIRD PARTY CONNECTION AND DATA EXCHANGE AGREEMENT

ATTACHMENT 1 – SECURITY REQUIREMENTS

1. *Right to Use Connection*

Third Party may only use the connection and the information obtained from NYSIF for business purposes as outlined by the Third Party Connection and Data Exchange Request Requirements Document (Attachment 2).

2. *Data Exchange*

2.1 Third Party may only use the data obtained for purposes outlined by the Third Party Connection and Data Exchange Request Requirements Document (Attachment 2) and the contract or Memoranda of Understanding, if any, that exists between NYSIF and Third Party for the provision of goods or services or governing conduct between NYSIF and Third Party with respect to the access to and use of NYSIF data.

2.2 Data exchange may be conducted only by methods and/or services outlined by the Third Party Connection and Data Exchange Request Requirements Document (Attachment 2). Third Party should expect that access to information and services may be limited, as determined or required by NYSIF.

3. *Network Security*

3.1 Third Party will allow only its own employees approved in advance by NYSIF (“Third Party Users”) to access the Network Connection or any NYSIF -owned equipment. Third Party shall be solely responsible for ensuring that Third Party Users are not security risks, and upon NYSIF’ request, Third Party will provide NYSIF with any information reasonably necessary for NYSIF to evaluate security issues relating to any Third Party User.

3.2 Third Party will promptly notify NYSIF whenever any Third Party User leaves Third Party’s employ or no longer requires access to the connection or NYSIF-owned Equipment.

3.3 Each Party will be solely responsible for the selection, implementation, and maintenance of security procedures and policies that are sufficient to ensure that (a) such party’s use of the connection (and Third Party’s use of NYSIF-owned Equipment) is secure and is used only for authorized purposes, and (b) such Party’s business records and data are protected against improper access, use, loss alteration or destruction.

3.4 The preferred connectivity method is via the Internet to a NYSIF-approved or NYSIF-provided Virtual Private Network (VPN) device. If the device is NYSIF-provided, NYSIF will loan the Third Party, in accordance with the NYSIF Equipment Loan Agreement, the required client software for establishing VPN connections with NYSIF. Normal NYSIF perimeter security measures will control access to the internal network.

- 3.5 Extranet – Designated routers are used in combination with firewall rules to allow access to be managed. A second authentication may be required.
- 3.6 Remote Access - Using the NYSIF-provided remote access software, Third Party will connect via an Internet browser. The account may be disabled until usage is required and controls are placed and managed by NYSIF. Third Party will be required to follow procedures to enable the account for each use.
- 3.7 Third Party Connections will be audited. All remote access user accounts for Third Parties will be given an expiration time. Renewals must be requested by Third Party and approved by the NYSIF Sponsor. Obsolete Third Party connections will be terminated.
- 3.8 Software versions on all Third Party computers that connect to the NYSIF network must be versions that are currently supported by the software manufacturer, and all available security updates and hot fixes for that software must be applied in a timely fashion. Software and firmware for all Third Party networking equipment that is part of the connection to the NYSIF network must be kept up to date, especially with patches that fix security vulnerabilities.
- 3.9 Anti-virus software and firewalls must be installed and enabled at all times on NYSIF-owned computers and on Third Party computers that connect to the NYSIF network. Additionally, virus definition files must be kept up to date.
- 3.10 In no case may a Third Party Connection to NYSIF be used as an Internet Connection for Third Party or for a Third Party User.

4. Notifications

- 4.1 Third Party shall notify NYSIF in writing promptly of any change in its Users for the work performed over the Network Connection or whenever Third Party believes a change in the connection and/or functional requirements of the connection is necessary.
- 4.2 Any notices required by this Agreement shall be given in hand, sent by first class mail, or via facsimile to the applicable address set forth below.

5. *Citizen Notifications*

If Third Party maintains "identifying personal information" on behalf of NYSIF and such information is compromised, Third Party shall notify NYSIF immediately that the information has been compromised, the circumstances under which the information was compromised, and the measures undertaken by Third Party to address those circumstances and to otherwise mitigate the effects of the compromise. If encrypted data is compromised along with the corresponding encryption key and encryption software, the data shall be considered unencrypted and the information will be considered compromised through unauthorized access. If NYSIF requests Third Party to do so, Third Party shall notify the persons whose identifying information was compromised. Such notification shall be communicated via postal service or email, as directed by NYSIF, and shall otherwise be executed in accordance with NYSIF's direction. Notification shall be delayed if a law enforcement agency determines that such notification may impede a criminal investigation. For the purpose of this section, "identifying personal information" shall be any information concerning an individual which, because of name, number, symbol, mark or other identifier in combination with any of the following, is unencrypted: (1) Social Security Number; or (2) driver's license number; or (3) financial account number, credit or debit card number, in combination with any required security code, access code, or password which would permit access to an individual's financial account; or (4) password which would permit access to the individual's account.

6. *Payment of Costs*

Each Party will be responsible for all costs incurred by that Party under this Agreement, including, without limitation, costs for phone charges, telecommunications equipment and personnel for maintaining the connection.

7. *Confidentiality*

- 7.1 Information exchanged for the business purposes outlined in Attachment 2 will be held confidential by the Parties to the maximum extent permitted by law. Each Party may internally use the information received from the other Party hereunder in connection with and as specifically necessary to accomplish the Business Purpose set forth in Attachment 2 and for no other purposes. Each Party may otherwise share such information with other third parties (e.g. consultants, subcontractors, control agencies) as required or permitted by law in order to effect the business purposes outlined in Attachment 2 and for no other purposes, provided that such third parties agree to the confidentiality restrictions set forth herein and as may be required otherwise by State and federal law.
- 7.2 Third Party must implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the sensitive information that it creates, receives, maintains, or transmits on behalf of NYSIF.
- 7.3 Unencrypted NYSIF information must not be transmitted over email.
- 7.4 Third Party must ensure that any agent, including a subcontractor, to whom it provides such information agrees to implement reasonable and appropriate safeguards to protect it and report to the NYSIF Help Desk any security incident of which it becomes aware.

8. *Third Party Users*

- 8.1 Third Party must require that each Third Party User executes a Third Party Acceptable Use Policy and Agreement (Attachment 3). Third Party must ensure that NYSIF is notified by fax or mail when the user base changes, following the specifications in the Third Party Connection & Data Exchange Agreement.
- 8.2 All aspects of Third Party connections within NYSIF control may be monitored by the appropriate NYSIF support group and/or the NYSIF Information Security Officer. Any unauthorized use or change to devices will be investigated immediately.
- 8.3 All Third Party Connections will be reviewed on a regular basis and information regarding specific Third Party connection will be updated as necessary. Obsolete Third Party connections will be terminated.

9. *NYSIF-owned Equipment*

- 9.1 NYSIF may, in NYSIF's sole discretion, loan to Third Party certain equipment and/or software for use on Third Party premises (the NYSIF-owned Equipment) under the terms of the NYSIF Equipment Loan Agreement set forth in Attachment 4. NYSIF-owned equipment will only be configured for TCP/IP, and will be used solely by Third Party on Third Party's premises or other locations authorized by NYSIF for the purposes set forth in this Agreement. NYSIF is responsible for ensuring that it has the right under applicable software licenses to permit third party use.
- 9.2 Third Party may modify the configuration of the NYSIF-owned equipment only after notification and approval in writing by authorized NYSIF personnel.
- 9.3 Third Party will not change or delete any passwords set on NYSIF-owned equipment without prior approval by authorized NYSIF personnel. Promptly upon any such change, Third Party shall provide NYSIF with such changed password.

10. *Term, Termination and Survival*

- 10.1 This Agreement will remain in effect until terminated by either Party, but in no event prior to the termination or expiration of any contract or agreement between the Parties for the purchase of goods or services that provides the business purpose for the exchange of data between the Parties, unless both Parties mutually agree to so terminate this Agreement.
- 10.2 Upon termination, Third Party shall return all tangible NYSIF data to NYSIF within a timeframe specified by NYSIF for that purpose, and further shall certify in writing to NYSIF that all other NYSIF data in whatever form has been destroyed. Additionally, any NYSIF-owned equipment and/or software shall be promptly returned to NYSIF at Third Party's expense.
- 10.3 Notwithstanding the above, the Parties' obligations to safeguard the confidentiality of the data subject to this Agreement shall survive the termination of this Agreement, and shall bind the Parties' employees, subcontractors, agents, heirs, successors and assigns.

11. Severability

If for any reason a court of competent jurisdiction finds any provision or portion of this Agreement to be unenforceable, that provision of the Agreement will be enforced to the maximum extent permissible so as to affect the intent of the Parties, and the remainder of this Agreement will continue in full force and effect.

12. Waiver

The failure of any Party to enforce any of the provisions of this Agreement will not be construed to be a waiver of the right of such Party thereafter to enforce such provisions.

13. Assignment

Third Party may not assign this Agreement, in whole or in part, without the prior written consent from NYSIF. Any attempt to assign this Agreement, without such consent, will be null and of no effect. Subject to the foregoing, this Agreement is for the benefit of and will be binding upon the parties' respective successors and permitted assigns.

14. Force Majeure

Neither Party will be liable for any failure to perform its obligations if such failure results from any act of God or other cause beyond such Party's reasonable control (including, without limitation, any mechanical, electronic or communications failure) which prevents such party from transmitting or receiving any data.

15. Partial Invalidity

If this Agreement is entered into as a consequence of Third Party's provision of goods or services to NYSIF pursuant to a contract or other written agreement, that Agreement supersedes this Agreement to the extent the agreements' provisions may be inconsistent.
