## DCS & NYSIF Programs Prescription Drug Program Specialty Pharmacy Program Dispensing Fees

**Exhibit V.D Instructions:** Offerors must submit a completed Exhibit V.D on a CD as part of their Cost Proposal. For each drug the Offeror proposes to include in its Specialty Pharmacy Program, list: the NDC of the Drug; Drug Name; Therapeutic Class; Dosage Form; whether or not the drug has a REMS associated with it; and whether or not the drug requires special packaging. Propose a Dispensing Fee for each drug. The Dispensing Fee quoted is for the entire duration of this Agreement (2019 - 2023).

| NDC | Drug Name | Therapeutic Class | Dosage Form<br>(infusion,<br>injection, oral) | REMS<br>(Y or N) | Special<br>Packaging<br>(Y or N) | Offeror's<br>Proposed<br>Dispensing Fee |
|-----|-----------|-------------------|---|------------------|----------------------------------|---|
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
|     |           |                   |   |                  |                                  |   |
