

INTEROFFICE MEMORANDUM

New York State Department of Civil Service
Albany, NY 12239

ADM-22 (5/06)

MEMORANDUM

TO: Directors, Human Resources Management/Personnel

FROM: Director, Division of Classification and Compensation

SUBJECT: NYSCOPBA Arbitration Decision and Creation of an Additional Negotiating Unit Code

DATE: July 14, 2006

Recently, the mediators overseeing the arbitration proceedings between the State and NYSCOPBA issued an award for Security Services (01) Unit for certain positions with peace officer status. The award includes modifications in compensation and benefits.

To facilitate the processing of the salary and benefit changes for the affected classes, we will create a new negotiating unit code—21 Security Services Non Arbitration. The new negotiating unit code will be for positions in the Security Services Unit excluded from arbitration (see Appendix 1 attached). The new code is effective April 1, 2003, and will appear on position data in NYSTEP the first week of August 2006.

Questions regarding these changes should be addressed to Lois Riley at Lois.Riley@cs.state.ny.us or 518-474-1183.

and Compensation
