Part A of this plan now lists alphabetically titles for all established positions in the classified service (competitive, non-competitive, exempt, and labor classes). Part D lists titles for all unclassified service positions and titles for positions which were pending Budget Division approval at the time of this revision.

It continues to be extremely important that a copy of this plan be available to personnel and payroll staff. PLEASE BE SURE THAT THIS REVISED PLAN IS AVAILABLE TO THAT STAFF. If you need additional copies of the plan, we will send more while our supply lasts.
