COMPUTER-BASED TESTING (CBT) CENTER

Buffalo

425 MICHIGAN AVE, BUFFALO

The Buffalo location of the Computer-Based Testing (CBT) Program offers a modern, accessible testing environment where state employees can take civil service promotion exams. The center accommodates up to 91 testing workstations, including 6 reasonable accommodation seats across 6 dedicated rooms.

With additional centers across the state, exams will be offered more frequently, enabling faster score releases and a more current pool of qualified candidates for state agencies to draw from.
