COMPUTER-BASED TESTING (CBT) CENTER

Syracuse

4926 ONONDAGA RD, SYRACUSE

The Syracuse location of the Computer-Based Testing (CBT) Program offers a modern, accessible testing environment where state employees can take civil service promotion exams. The center accommodates up to 69 testing workstations, including 4 reasonable accommodation seats across 2 dedicated rooms.

With additional centers across the state, exams will be offered more frequently, enabling faster score releases and a more current pool of qualified candidates for state agencies to draw from.
