If approval is sought beyond June 30, 2014, the resultant eligible list must be canvassed so a determination can be made whether there are any qualified non-retirees available for appointment. Approval through June 30, 2014 will also avoid a disruption in the School District's security operations for the remainder of the 2013-2014 school year.

Approval was granted based on the fact the appointing authority indicated there is an urgent need for the retiree's services. Approval was granted based on the fact the appointing authority indicated there is an urgent need for Mr. Griswold's services as a result of an unplanned, unpredictable, unexpected vacancy and sufficient time is not available to recruit a qualified individual and that such hiring shall be deemed as non-permanent rather than a final filling of such position.
