<u>SUGGESTION # AND AUTHOR</u>	<u>TITLE AND DEPARTMENT</u>	<u>SUMMARY OF SUGGESTION</u>	<u>RECOMMENDED AWARD</u>
<p>7.5 76320 Lawrence Salazar</p> <p>APPROVED</p>	<p>Tax Compliance Representative, Grade 11</p> <p>NYS Department of Labor</p>	<p>Mr. Salazar proposed utilizing the Western Union Quick Collect as a tool to collect taxes for the NYS Department of Labor. The Western Union Quick Collect can be used by an employer and/or his agent or representative; to mail any payment owed to any area of the NYS Department of Labor. The NYS Department of Labor is using this tool to collect prior debt and to encourage employers to use this service to stay current when filing. This payment option also takes away the chance of dishonored checks. There is no longer the chance for the check to be lost in the delivery to the Department. It is a payment option that is quick and secured. The extent of this suggestion is broad with substantial value. This service has had a substantial impact on the way the Department does business. The Department of Labor's Unemployment Insurance (UI) Modernization Project has been in discussion with the manager of Central Assignment on ways to incorporate this service/procedure in UI Modernization. (If this award is approved as recommended, the Department of Civil Service will pay the first \$100.00 and \$900.00 will be charged to the NYS Department of Labor Merit Award Cost Center).</p>	<p>\$1,000 and a Certificate of Merit</p>
