The Commission approved the request for the limited period of 01/16/20 - 10/31/20, with the stipulation that the entire District Attorney Investigator eligible list be canvassed. The Commission disapproved the request as the appointing authority failed to demonstrate that there were no qualified non-retirees available for appointment. This is not a determination on the continued employment of Ms. Goldstein. Rather, this is solely a determination on the appropriateness of collecting a salary and a pension as a retired person.

The Commission disapproved the request as the appointing authority failed to demonstrate that there were no qualified non-retirees available for appointment. This is not a determination on the continued employment of Ms. Sacco. Rather, this is solely a determination on the appropriateness of collecting a salary and a pension as a retired person.
