

STOP!

The information below applies only if you are subject to Medicare's Income-Related Monthly Adjustment Amount (IRMAA) based on the income levels listed below. If your modified adjusted gross income for 2018 was below \$87,000 (if you filed an individual return) or \$174,000 (if you filed a joint return) this information does NOT apply to you.

If your income is above a certain limit, you will pay an income-related monthly adjustment amount (IRMAA) to Social Security in addition to your NYSHIP premium for the prescription drug coverage provided under your NYSHIP Medicare Advantage HMO coverage. The chart below shows estimated Medicare Part D prescription drug plan IRMAA cost based on income. If you are subject to IRMAA, the Medicare Part D assessment paid to Social Security is not reimbursable under NYSHIP rules.
