

**The Empire  
Plan**

# Participating Provider Directory 2019

## New York City

This directory lists network facilities and participating providers at specific locations as of March 2019. Information may have changed since this directory was published.

To avoid unexpected out-of-pocket costs, before receiving services please ask whether the facility and/or provider is currently participating at the location where you will receive them.

This directory lists Empire Plan network hospitals and facilities, participating providers, Managed Physical Network providers and Mental Health and Substance Abuse Program\* network providers and facilities. Read your Empire Plan documents carefully for complete information on your Empire Plan benefits and responsibilities. You may need to submit claim forms and pay a higher share of the cost if you use a non-participating provider or non-network facility. Directories for New York State list additional languages spoken by providers or staff as well as the names of hospitals with which they are affiliated. See page ii for details.

**Note to Participating Agency (local government) enrollees covered under the Excelsior Plan:** You must use an MPN provider to receive Empire Plan benefits for chiropractic care, occupational therapy and physical therapy under the Medical/Surgical Program.

**Note to graduate student enrollees in the Student Employee Health Plan (SEHP):** Network facilities and most participating providers listed in this directory also apply to your Plan, however, exclusions apply. Refer to your Plan materials for information.

### How This Directory is Organized

This directory is organized by procedural category and then further divided by specialties where applicable. See the inside back cover for definitions of some specialties. Providers are listed alphabetically by county, under the category and/or specialty they practice in.

This directory identifies network facilities and providers participating as of March 2019.

Prosthetics and orthotics providers, breast pump suppliers, laboratories, MRI/magnetic resonance imaging centers and urgent care centers for all areas are listed on pages 545-551.

### Network Facilities

You will find network hospital facilities beginning on page 3. The highest level of coverage is available at a network facility. Refer to your Plan materials to determine if and when network/non-network benefits apply. You must call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and press or say 2 to reach the Hospital Program for preadmission certification before a scheduled (non-emergency) hospital admission, a maternity hospital admission or admission to a skilled nursing facility.

### Finding a Primary Care Physician

You will find primary care physicians listed in the directory under Primary Care. Your primary care physician can help you find an appropriate specialist if you need one. You do not need a referral to obtain services from a medical specialist or a Managed Physical Medicine Program network provider.

### Provider Groups

Provider groups where more than one practitioner is covered by an agreement to participate in The Empire Plan are listed in this directory under the group/practice name. The individual practitioners are not listed. The group/practice name is listed once for each specialty and county they serve with a phone number to call to find specific location(s) in that county and to make an appointment.

### An Empire Plan

#### Participating/Network Provider

- has a participating/network provider agreement in effect with the Medical/Surgical Program, the Managed Physical Medicine Program or the Mental Health and Substance Abuse Program

- submits claims directly to the Program administrator for covered services or supplies you receive
- accepts your copayment plus the program administrator's payment as payment in full for covered services and supplies

**Providers listed in the directory are not required to accept new patients.**

### Using Participating Providers Saves You Money

When you choose a participating provider, you pay only the applicable copayment for the covered services, and the provider files the claim. Using participating providers can greatly reduce your out-of-pocket expenses and help limit premium costs.

### Ask the Provider

Always ask your provider if they are a participating provider before you receive services. This directory identifies facilities and providers participating as of March 2019. The Empire Plan does not require that a participating provider refer you to a network facility or participating laboratory, urgent care center, radiologist or medical specialist. It is your responsibility to request a network facility or participating provider if one is available. Providers listed in the directory are not required to accept new patients. Explain to your doctor that your out-of-pocket expenses are usually lower if you use a participating provider.

### Access to Participating/Network Providers

Enrollees are guaranteed access to certain providers in the Medical/Surgical Program in New York and counties in Connecticut, Massachusetts, New Jersey, Pennsylvania and Vermont that share a border with the State of New York. To receive this benefit, you must call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and press or say 1 to reach the Medical/Surgical Program.

You are also guaranteed access to network benefits for certain specialties under the Managed Physical Medicine, Home Care Advocacy and Mental Health and Substance Abuse Programs if you call the appropriate program before receiving services and use a provider authorized by the program.

### \*Call for Mental Health or Substance Use Care Services

To receive the highest level of benefits, call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and press or say 3 to reach the Mental Health and Substance Abuse Program before you seek mental health or substance use care, including treatment for alcoholism, even when a doctor refers you to a facility. The Clinical Referral Line is available 24 hours a day, every day of the year.

In an emergency, go to the nearest hospital emergency room for treatment, then contact the Mental Health and Substance Abuse Program within 48 hours or as soon as reasonably possible for certification of the emergency services.

### Remember Your Card

Show your benefit card each time you or your dependent goes to a hospital, skilled nursing facility, hospice care facility or any provider's office.

### Online Directory

To find the most current listing of network facilities, medical/surgical providers, managed physical medicine providers and mental health and substance use care providers, visit the New York State Department of Civil Service website at [www.cs.ny.gov](http://www.cs.ny.gov), select your group, if prompted, and then choose Find A Provider to access an online Empire Plan Participating Provider Directory for the required program.

### Questions?

If you have questions about facilities or participating providers, please call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and select the appropriate program:

- For hospitals, skilled nursing facilities and hospice care facilities, press or say 2 to reach the Hospital Program.
- For medical/surgical providers, guaranteed access to Medical/Surgical Program providers, Managed Physical Network providers, a replacement directory or a directory for another area, press or say 1 to reach the Medical/Surgical Program.
- For mental health or substance use care providers, press or say 3 to reach the Mental Health and Substance Abuse Program.

**Hospital Affiliations:** When applicable, provider listings include the names of the hospitals with which they are affiliated. All hospitals listed are in The Empire Plan network\* as of March 2019 and participate with The Empire Plan. Some providers may have affiliations with hospitals located outside of the regional area. Please contact your provider for information about their affiliated hospitals.

**Language Access:** Providers who have reported that they (or a member of their staff) can assist you in one or more languages in addition to English are listed in this directory. We have identified those providers by including a three-letter abbreviation for each language spoken along with their contact information. To determine which language an abbreviation stands for, see the key below.

AAR – Afar	GJU – Gujarati	PER – Persian
ABK – Abkhazian	GLG – Galician	POL – Polish
