

**EMPLOYEE HEALTH SERVICE
MEDICAL SERVICES CONTRACTS**

The Employee Health Service (EHS) contracts with medical services providers throughout New York State to perform medical consultation and examination services. Invoices for services performed at medical services providers are reviewed for accuracy by EHS and forwarded to New York State agencies for payment.

Listed below are the current contracts for the period from November 1, 2007 through October 31, 2012. Agencies may use the contract numbers to complete the coding line on the AC-340 Contract Encumbrance Request form. The batch type for the AC-340 is TBV. Instructions for completing this form are contained in Accounting Bulletin A-46RI.
