Important Information Regarding the Cost of Your Health Insurance Coverage

Dear Enrollee:

Beginning in January 2006, a surcharge was added to the premiums for coverage under the New York State Health Insurance Program (NYSHIP) to pay for the reimbursement of the Medicare Part B premium paid by Medicare-eligible individuals. This action was challenged in court and a recent Appellate Court Division decision ordered the removal of the Medicare Part B surcharge component from the 2006 and 2007 Empire Plan and HMO rates. As a result, 2007 NYSHIP premium rates will be revised effective April 1, 2007.

As a result of this surcharge being removed from the rate calculation, your monthly health insurance premium will decrease effective April 1, 2007. Please refer to the enclosed rate schedule for the rate applicable to your option and coverage.

For enrollees who pay directly, this change will occur in your bill dated March 2, 2007, for April 2007 coverage. For enrollees who pay premium through pension deduction, the new premium will be reflected in your pension check dated March 31, 2007, for April 2007 coverage.

Retroactive Adjustment

In addition to the April 1st rate change, a retroactive adjustment will be made to your health insurance premium later this year to reflect the removal of the Medicare Part B surcharge from the rates that you were charged between January 1, 2006 and March 31, 2007. This is a complex process that will take several months to complete. We will let you know as soon as possible how and when the retroactive adjustments will be made.

If you have questions concerning this rate change you may call our dedicated call center between the hours of 8:30 a.m. and 5:00 p.m., Monday through Friday at:
