## MEMORANDUM

**TO:** New York State Agency Health Benefits Administrators;  
Health Benefits Administrators of Participating Employers  
**FROM:** Employee Benefits Division  
**SUBJECT:** 2008 Retiree Health Benefits Meetings  
**DATE:** June 23, 2008

We are pleased to inform you that the 2008 NYSHIP Retiree Health Benefits Meetings have been scheduled. Attached is the schedule for the year; it is also posted on our web site.

The schedule will not be mailed to enrollee homes or shipped to agencies. This is your *only* notice of the meetings. You may photocopy the schedule to post on your bulletin boards and put in new retiree packages. As shown to the right, current retirees will receive a postcard invitation approximately two to three weeks prior to the closest meeting in their area.

Since there is a delay in getting new retirees on the NYBEAS file, please be sure to include the schedule in their package since they will not receive a postcard. Please recycle any copies of the 2007 schedule you may have left.

**Please note:** These meetings are *not* for current employees. They should not be attending these meetings, since they have different questions and needs. The information at the retiree meetings is directed toward people who are no longer on the payroll.

To find the retiree meetings schedule and agenda of timely topics (including Medicare Advantage HMOs) on HBA Online, click on Meetings & More. Then under Type of Event, scroll to Retiree Meeting. Retirees may also view this schedule on the Department of Civil Service web site at [www.cs.state.ny.us](http://www.cs.state.ny.us) by clicking on Retirees, then Health Benefits, and select the Calendar tab from the NYSHIP Online home page.

If you have any questions about these meetings, please call the Communications Unit at 518-457-7577.
