Dear SEHP enrollee:

Effective January 1, 2023, the employee share of the biweekly premium for enrollees in the Student Employee Health Plan (SEHP) under the New York State Health Insurance Program (NYSHIP) will be:

Individual coverage: \$ 29.03

Family coverage: \$ 182.78

The new rate will be deducted automatically from employees' biweekly paychecks beginning with the paycheck dated:

- January 4, 2023 for Administration Lag-Payroll employees, and
- December 29, 2022 for Institution Lag-Payroll employees.

The Pre-Tax Contribution Program (PTCP) Election Period

Per Internal Revenue Service rules, the PTCP election period is the only opportunity for employees to change their PTCP status; arbitrary, mid-year status changes are not allowed. If you wish to change your PTCP election for the 2023 plan year, complete and sign a *NYSHIP Health Insurance Transaction Form (PS-404G)* and submit it to your Health Benefits Administrator (HBA) **by December 30**. For more information about the PTCP Election Period, see your *General Information Book*.

If you have any questions about enrollment, eligibility or the cost of your health insurance, please contact the HBA in the Human Resources (Personnel) office on your campus.

The *Summary of Benefits and Coverage (SBC)* is a standardized comparison document required by the Patient Protection and Affordable Care Act. To view a copy of the *SBC*, visit www.cs.ny.gov/sbc/sehp. If you do not have internet access, call 1-877-7-NYSHIP (1-877-769-7447) to request a copy.

COBRA enrollees: Your monthly bills will reflect your new rate, beginning with the bill you receive in December 2022. If you have questions about the cost of your COBRA continuation coverage, or wish to end your coverage, contact the Employee Benefits Division at 518-457-5754 or 1-800-833-4344.

Sincerely,

Daniel T. Yanulavich
