

Empire Plan Prescription Drug Program Specialty Pharmacy Program Drug List

If you are an enrollee or health care provider, please contact CVS Specialty™ at 1-855-264-3238 or visit EmpirePlanRxProgram.com.

With nearly 40 years of specialty pharmacy experience, CVS Specialty provides proactive quality care and service. We have a network of pharmacies which includes those with Joint Commission and URAC accreditation. The Joint Commission and URAC are nationally-recognized symbols of quality which reflects an organization's commitment to meet high standards of quality and safety.

Coverage under the Empire Plan Prescription Drug Program requires that the following medications be ordered from CVS Specialty.

**The Empire
Plan**

If you are an enrollee or health care provider, please contact CVS Specialty at 1-855-264-3238 or visit EmpirePlanRxProgram.com.

¹ Lowercase type indicates generic name and availability; lowercase type within parentheses indicates trademark generics listed only when no brand is available; products in all capital letters within parentheses indicate brand-names of generic products.

² Multiple dosage formulations and/or injectable devices are available.

³ Call CVS Specialty at 1-877-769-7447 for specific medications available through CVS Specialty. Listing is subject to change.

* Indicates Limited Distribution products distributed by CVS Specialty. Limited Distribution defined as less than 15 pharmacy providers.

Products distributed by CVS Specialty, as well as products covered by a plan member's prescription and medical benefit plan, may change from time to time. In addition, a member's specific prescription benefit plan design may not cover certain products or categories, regardless of their appearance on this document at any time.

This document contains references to brand-name prescription drugs that are trademarks or registered trademarks of pharmaceutical manufacturers not affiliated with CVS Specialty.

Plan member privacy is important to us. Our employees are trained regarding the appropriate way to handle members' private health information.
