Benefits Management Program

YOU MUST CALL for preadmission certification

If The Empire Plan is primary for you or your covered dependents:

You must call The Empire Plan toll free at **1-877-7-NYSHIP (1-877-769-7447)** and choose Empire BlueCross BlueShield:

- Before a scheduled (non-emergency) hospital admission.
- Before a maternity hospital admission. Call Empire BlueCross BlueShield as soon as a pregnancy is certain.
- Within 48 hours, or as soon as reasonably possible, after an emergency or urgent hospital admission.

If you do not call, a \$200 inpatient deductible will be applied to the charges if it is determined that your hospitalization is medically necessary. If Empire BlueCross BlueShield does not certify the hospitalization, you will be responsible for the entire cost of care determined not to be medically necessary.

- Before admission or transfer to a skilled nursing facility. If the admission or transfer to a skilled nursing facility is determined not to be medically necessary, you will be responsible for the entire cost.

Empire BlueCross BlueShield also provides concurrent review, discharge planning, inpatient Medical Case Management and the Empire Plan Future Moms Program.

YOU MUST CALL for Prospective Procedure Review – MRI

If The Empire Plan is primary for you or your covered dependents:

You must call The Empire Plan toll free at **1-877-7-NYSHIP (1-877-769-7447)** and choose UnitedHealthcare before having a scheduled (non-emergency) Magnetic Resonance Imaging (MRI) unless you are having the test as an inpatient in a hospital. To refill a prescription on file with Medco Pharmacy, you may order by phone or download order forms online at the New York State Department of Civil Service web site at <https://www.cs.state.ny.us>. From the home page, click on Benefit Programs and follow the prompts to access NYSHIP Online. Click on Find a Provider and scroll down to Medco Pharmacy Order Forms.

Non-Participating Pharmacy

If you do not use a participating pharmacy, you must submit a claim for reimbursement to Medco, P.O. Box 14711, Lexington, KY, 40512. If your prescription was filled with a generic drug or a covered brand-name drug with no generic equivalent, you will be reimbursed up to the amount the program would reimburse a participating pharmacy for that prescription. If your prescription was filled with a covered brand-name drug that has a generic equivalent, you will be reimbursed up to the amount the program would reimburse a participating pharmacy for filling the prescription with that drug's generic equivalent. In most cases, you will not be reimbursed the total amount you paid for the prescription.

The Empire Plan Preferred Drug List

The Empire Plan Preferred Drug List (PDL) is a list of the Plan's most commonly prescribed generic and brand-name drugs. The PDL is not a complete list of all prescription drugs on the preferred drug list or covered under The Empire Plan. The list is subject to change due to Food and Drug Administration (FDA) approval of new brand and generic drugs and product availability.

Half Tablet Program

The Half Tablet Program can dramatically lower your costs on select medications that you take on a regular basis. To participate in the Program, your doctor must write a new prescription for twice the dosage and half the quantity. Then when you fill the prescription, you automatically pay only half your usual copayment. Split each tablet and take half to get your usual dosage at half the cost. To see a list of medications available under this program, go to the New York State Department of Civil Service web site at <https://www.cs.state.ny.us> and select Benefit Programs. Follow the prompts to NYSHIP Online and choose Find a Provider. Scroll to the Medco links and click on Empire Plan Half Tablet Program. The Empire Plan will provide participants with one free tablet splitter by mail upon request.
