The Empire Plan Benefit Changes Effective January 1, 2002

United HealthCare Medical Coverage

Hearing Aids Up to \$1,200

Beginning January 1, 2002, under the Empire Plan Basic Medical Program, hearing aids, including evaluation, fitting and purchase, are covered up to a total maximum reimbursement of \$1,200 once every four years. Children age 12 years and under are eligible to receive a benefit of up to \$1,200 once every two years if the child's hearing has changed and the existing hearing aids can no longer compensate. These benefits are not subject to deductible or coinsurance. This is an increase from \$1,000.

Benefits

Management Program

Effective January 1, 2002, Empire Blue Cross and Blue Shield and United HealthCare replace Intracorp as administrators of the Empire Plan Benefits Management Program.

Beginning January 1, 2002, you must call Empire Blue Cross and Blue Shield at 518-367-0009 (Albany area and Alaska) or 1-800-342-9815 (NYS and other states except Alaska):

- Before a maternity or scheduled hospital admission
- Within 48 hours after an emergency or urgent hospital admission
- Before admission or transfer to a skilled nursing facility

Basic Medical Annual Deductible: \$271 Coinsurance Maximum: \$1,745

For calendar year 2002, the Empire Plan Basic Medical Program annual deductible for medical services performed and supplies prescribed by non-participating providers is \$271 for you, \$271 for your enrolled spouse/domestic partner and \$271 for all covered dependent children combined.

You must meet the deductible before United HealthCare can reimburse your claims. The Basic Medical annual deductible cannot be combined with the Managed Physical Medicine Program annual deductible for non-network

Continued on page 2

Call Empire Blue Cross and Blue Shield, too, for the High Risk Pregnancy Program.

Beginning January 1, 2002, you must call United HealthCare at 1-800-638-9918:

- Before having an elective (scheduled) Magnetic Resonance Imaging (MRI) unless you are having the test as an inpatient in a hospital

You may also call United HealthCare at 1-800-638-9918 to request a voluntary specialist consultant evaluation for any scheduled procedure.

Following the Benefits Management Program requirements can save you high out-of-pocket costs. Please see your *Empire Plan Certificate* for more information.

services or with the Mental Health and Substance Abuse Program annual deductibles for non-network services.

The annual coinsurance maximum (out-of-pocket expenses) under the Basic Medical Program is \$1,745 in 2002. After you and your covered dependents, combined, reach the coinsurance maximum, United HealthCare will reimburse you 100 percent of the reasonable and customary amount, or 100 percent of the billed amount, whichever is less, for covered services. You will still be responsible for any charges above the reasonable and customary amount and for any penalties under the benefit management programs.

These changes are due to an increase in the Consumer Price Index.

See your *NYSHIP General Information Book and Empire Plan Certificate* for more information about your deductible and coinsurance maximum.

Blue Cross Hospital Coverage

\$35 Copayment for Outpatient Hospital Emergency Care

Beginning January 1, 2002, you pay the first \$35 in charges (copayment) for each visit to the emergency room of a hospital for emergency care. The copayment for other hospital outpatient services remains \$25.

The \$35 emergency room copayment covers use of the facility for emergency care and services of the attending emergency room physician and providers who administer or interpret radiological exams, laboratory tests, electrocardiogram and pathology services.

You will not have to pay a copayment if you are treated in the emergency room or in the outpatient department of a hospital and it becomes necessary for the hospital to admit you at that time as an inpatient.

Complementary and Alternative Medicine Program

Effective October 1, 2001, the Empire Plan offers the Complementary and Alternative Medicine (CAM) Program to you and your eligible dependents. You receive a 25 percent discount from the normal fee for services from CAM network massage therapists, acupuncturists, dietitians and nutritionists. The program is available only in New York State. The CAM Program provides access to nontraditional therapies used alone (alternative), used in combination with other alternative therapies, or used in addition to conventional therapies (complementary).

You can get the names, addresses and phone numbers of Empire Plan CAM providers by calling the toll-free number, 1-888-447-2144. CAM representatives are available Monday through Friday, 8 a.m. to 4:30 p.m. to answer nonclinical questions, such as how to locate a provider.

After hours, automated messages offer information about the CAM Program, providers in your area and how to nominate a provider.

If you have access to the Internet, the CAM Web site at <http://www.empireplancam.com> has provider information. The site also has a Provider Locator and a Provider Nomination form.

You contact an Empire Plan CAM provider directly to make your appointment. Present your New York Government Employee Benefit Card to the provider and say you are in the Empire Plan before you receive services. The provider will deduct 25 percent from the normal fee. You pay the provider directly. There is no reimbursement due from the Empire Plan and the services are not covered expenses under the Empire Plan.

CAM is administered by Managed Physical Network (MPN) and its affiliate company, American Complementary Care Network (ACCN). ACCN follows a credentialing process to ensure that CAM providers are licensed and insured.

MPN is also the administrator of the Empire Plan Managed Physical Medicine Program.

Emergency Care, Emergency Admission

You've fallen and are having trouble breathing. You call an ambulance and are rushed to the hospital emergency room. It's a difficult and upsetting time. But remember: The Empire Plan covers your emergency care and emergency admission when you follow the Plan's requirements.

If the emergency room physician prescribes home care services, durable medical equipment and/or certain supplies, **you must call the Home Care Advocacy Program (HCAP) at 1-800-638-9918 within 48 hours after receiving emergency care or durable medical equipment/ supplies.** If you cannot call within 48 hours, call as soon as possible. If HCAP determines the care was medically necessary,

covered services and/or items received will be certified. Examples of durable medical equipment are a wheelchair or oxygen equipment.

If the physician admits you to the hospital for further care or observation, **you must call Empire Blue Cross and Blue Shield at 518-367-0009 (Albany area and Alaska) or 1-800-342-9815 (NYS and other states except Alaska) within 48 hours after the emergency or urgent admission.** You, a member of your family or household, your doctor or the hospital admitting office may call for you.

Please see your *Empire Plan Certificate* for more details. Following the Plan's requirements can save you high out-of-pocket costs.

Empire Plan News

New Book/Certificate

We mailed the September 1, 2001 *NYSHIP General Information Book and Empire Plan Certificate* for employees represented by UUP to enrollees' homes in October. If you did not receive your copy, please contact your agency Health Benefits Administrator.

The September 1, 2001 Book/Certificate replaces the August 1, 1998 Book/Certificate and *Empire Plan Reports* and Certificate Amendments issued through May 2001 for UUP. Please keep this *Empire Plan Report* with your new Book/Certificate.

The new Book/Certificate is also available on the New York State Department of Civil Service Web site, <http://www.cs.state.ny.us>. Click on Employee Benefits.

Participating Provider Directory

We're now mailing the new *Empire Plan Participating Provider Directory* to enrollees.

If you haven't received your *Directory* by late January, ask your agency Health Benefits Administrator for a copy. Also, check the New York State Department of Civil Service Web site at <http://www.cs.state.ny.us>. Click on Employee Benefits, then on Empire Plan Providers for a regularly updated list of Empire Plan providers. Remember: Always ask if the provider participates before you receive services.

Reporting On, Revised

The updated versions of *Reporting On HCAP* (April 2001), *Reporting On Diabetes* (May 2001) and *Reporting On Women's Health* (August 2001) are available from your agency Health Benefits Administrator. You'll also find these publications on the New York State Department of Civil Service Web site, <http://www.cs.state.ny.us>. Click on Employee Benefits, then on Recent Publications.

The HCAP (Home Care Advocacy Program) publication explains Empire Plan coverage for home care services, durable medical equipment and supplies. *Reporting On Diabetes* offers information about the disease that strikes over 15 million people in the United States. *Reporting On Women's Health* gives facts and suggestions for women of all ages.

Faster Access to myuhc.com

United HealthCare's Web site, <http://www.myuhc.com>, now offers first-time users faster access to information about medical benefits. Register with the group number 030500 and the first nine digits of your New York Government Employee Benefit Card and you'll be able to select a "User Name" and a "Password." These selections give you immediate access to all myuhc.com features with the exception of medical claims.

Following your registration on the site, United HealthCare will mail you an "Access Code." Enter the "Access Code" the first time you check your United HealthCare medical claims. The code protects the confidentiality of your personal data.

Migraine Management Program

The Migraine Management Program provides doctor and patient education for enrollees who experience migraine headaches. As part of the program, the Empire Plan places a quantity limit on the following medications used to relieve the onset of migraine headaches: Amerge®, Axert®, Imitrex®, Maxalt®, Migranal® and Zomig®. According to the National Headache Foundation, overuse of these medications can lead to rebound headaches. If you have questions about the program, call Express Scripts at 1-800-964-1888.

Claims Deadlines

March 31, 2002

(90 days after the end of the calendar year) is the last day to submit your 2001 claims to:

- United HealthCare for the Empire Plan Basic Medical Program, the Home Care Advocacy Program (HCAP), and for non-network physical medicine services
- ValueOptions for non-network mental health and substance abuse services
- Express Scripts for prescriptions filled in 2001 at non-participating pharmacies or without using your New York Government Employee Benefit Card

If the Empire Plan is your secondary insurer, you must submit claims by March 31, 2002, or within 90 days after your primary health insurance plan processes your claim, whichever is later.

You may submit claims later if it was not reasonably possible to meet the deadlines (for example, due to illness); you must provide documentation.

Ask your agency Health Benefits Administrator for claim forms, or call:

- United HealthCare at 1-800-942-4640
- ValueOptions at 1-800-446-3995
- Express Scripts at 1-800-964-1888

Mail completed claim forms with supporting bills, receipts and, if applicable, a Medicare Summary Notice or statement from your other primary insurer to:

- United HealthCare
P.O. Box 1600
Kingston, New York 12402-1600
- ValueOptions
P.O. Box 778
Troy, New York 12181-0778
- Empire Plan Prescription Drug Program (Express Scripts)
Claims Review Unit
P.O. Box 1180
Troy, New York 12181-1180

Qs and As About Claims

Should I save my claims for the entire year and then submit them?

You can submit your claims for reimbursement any time after you receive non-network benefits. But pay attention to the claims deadlines explained on this page. And, remember: You must meet any annual deductibles before the Empire Plan will reimburse any of your claims. Your *Empire Plan Certificate* has more information about filing claims.

What is a deductible?

A deductible is the amount you pay for covered expenses each calendar year before benefits will be paid under the Empire Plan Basic Medical Program, and for non-network physical medicine services and non-network mental health and substance abuse services. You must meet your deductible before your claim can be considered for payment. There are separate deductibles for the Basic Medical Program, for non-network physical medicine services, and for non-network mental health and substance abuse services. See your *Empire Plan Certificate* for more information.

Does my doctor or other provider have to fill out my claim form for United HealthCare or ValueOptions?

If you use a participating or network provider, your provider will submit claims and receive direct reimbursement. If you use a non-participating provider, ask the provider to fill in all the information asked for on the claim form and sign it. If the provider hasn't filled out the form, and you submit bills, the bills must include all the information asked for on the claim form. Otherwise, your claim will be delayed.

If I use a non-participating pharmacy, what portion of the cost of a prescription will I get back?

In almost all cases, you will not be reimbursed the total amount you paid for the prescription. If your prescription was filled with:

- A generic drug, a brand-name drug with no generic equivalent, or insulin, you will receive up to the amount the program would reimburse a participating pharmacy for that prescription less your copayment
- A brand-name drug with a generic equivalent (other than drugs excluded from Mandatory Generic Substitution), you will receive up to the amount the program would reimburse a participating pharmacy for filling the prescription with that drug's generic equivalent less your copayment

What if my claim is denied?

If a claim for benefits is denied in whole or in part, you may submit an appeal in writing to the appropriate carrier. (Please see the addresses on this page and on page 6.) This request for review must be sent within 60 days after you receive notice of denial. If it was not reasonably possible to meet the deadline (for example, due to illness), you may submit your request later; you must provide documentation. Your *Empire Plan Certificate* has more information about claims and appeals.

Note: If you are covered under the Empire Plan as an enrollee and as a dependent, you may submit claims for reimbursement of copayments to the Empire Plan as your secondary insurer.

NYSHIP Reminders

New Baby in the Family

If you have Family coverage, remember to add your newborn child within 30 days after the birth or adoption. If you don't, you may have claim payment delays.

Contact your agency Health Benefits Administrator within 30 days to fill out the forms and to provide a copy of the birth certificate. If you haven't yet received a Social Security number for your baby, be sure to give your agency Health Benefits Administrator a copy of the child's Social Security card as soon as you receive it.

Please see your *NYSHIP General Information Book* for information about changing from Individual to Family coverage because of a new baby in your family.

Medicare General Enrollment

Medicare is primary for an active State employee/dependent with end stage renal disease (waiting period applies) and for an active State employee's domestic partner who is age 65 or over. See your *NYSHIP General Information Book* for more information about NYSHIP and Medicare.

If you or your dependent is eligible for primary Medicare coverage and did not enroll in Medicare when first eligible, you must sign up during the Medicare general enrollment period, January 1 to March 31, 2002. Contact Social Security at 1-800-772-1213 to enroll. NYSHIP

requires you and your covered dependents to be enrolled in Medicare Parts A and B when first eligible for Medicare coverage that pays primary to NYSHIP.

Pre-Retirement Seminars

The Department of Civil Service cooperates with the Employees' Retirement System and the Office for the Aging in presenting pre-retirement seminars. A representative from the Employee Benefits Division will explain the New York State Health Insurance Program (NYSHIP) and your choices before you leave the payroll. Call your personnel office for the seminar schedule and to reserve your place.

You can also check the schedule on the New York State Department of Civil Service Web site, <http://www.cs.state.ny.us>. Click on Employee Benefits, then on Happenings.

Empire Plan Reminders

Carry Your Cards

Remember to present your New York Government Employee Benefit Card before you receive services from hospitals, providers and pharmacies. Have your Empire Plan telephone number card handy, too. The card provides numbers you or your provider might need to answer questions about your benefits.

Note: The telephone numbers for the Benefits Management Program change on January 1, 2002. See the article on page 1 and the phone list on page 6 of this *Report*.

If you or your dependents need a replacement benefit card or telephone cards, contact your agency Health

Benefits Administrator. The telephone cards were included in the February 2001 *Reporting On Prescription Drugs*.

Hospital Outpatient Tests

Many diagnostic services are provided in the outpatient department of a hospital. Some examples are mammograms, chest X-rays, stress tests, MRIs and blood tests. When you are physically present in the outpatient department of a hospital for a diagnostic test, you pay only your \$25 copayment for charges billed by the hospital for the test. If the test results are interpreted by a hospital employee, and those charges are billed by the hospital, your one copayment covers these services as well. Empire Blue Cross and Blue Shield reimburses the hospital directly for any balance.

However, in many cases, the results of tests performed in the outpatient department of a hospital are interpreted

by an independent physician, not a hospital employee. These physician charges are covered under either the Participating Provider or Basic Medical Programs:

- If the physician interpreting the test results is an Empire Plan participating provider, you have no additional out-of-pocket expense. United HealthCare reimburses the provider directly for the service.
- If the physician interpreting the test results is not an Empire Plan participating provider, you are responsible for paying the provider and submitting a claim to United HealthCare for consideration under the Basic Medical Program, subject to deductible and coinsurance.

EPR-UUP-01-2

Annual Notice of Mastectomy and Reconstructive Surgery Benefits

The Empire Plan covers inpatient hospital care for lymph node dissection, lumpectomy and mastectomy for treatment of breast cancer for as long as the physician and patient determine hospitalization is medically necessary. The Plan covers all stages of reconstructive breast surgery following mastectomy, including surgery of the other breast to produce a symmetrical appearance. The Plan also covers treatment for complications of mastectomy, including lymphedema. Prosthetics and mastectomy bras are covered under the Basic Medical Program.

Call United HealthCare at 1-800-942-4640 if you have questions about your coverage for implants, breast forms or other prostheses related to breast cancer treatment.

Empire Plan Benefits Management Program requirements apply. See your *Empire Plan Certificate* and *Empire Plan Reports*.

The *Empire Plan Report* is published by the Employee Benefits Division of the State of New York Department of Civil Service. The Employee Benefits Division administers the New York State Health Insurance Program (NYSHIP). NYSHIP provides your health insurance benefits through the Empire Plan.
