Basic Medical Provider Discount Program

Effective October 1, 2004

Under The Empire Plan Basic Medical Provider Discount Program, you receive discounts for care from certain physicians and other providers who are part of the MultiPlan group, a nationwide organization contracted with United HealthCare. See page 4 for details.

Centers of Excellence for Cancer Program

Effective October 1, 2004

The Empire Plan now offers a Centers of Excellence for Cancer Program. The Program includes paid-in-full coverage for cancer-related expenses received through a nationwide network known as Cancer Resource Services. See page 4 for details.

The Empire Plan

Benefit Changes Effective January 1, 2005

The Empire Plan Hospital Benefits Program

\$50 Copayment for Emergency Care

Beginning January 1, 2005, your copayment for emergency care in a hospital emergency room is \$50. The \$50 copayment covers use of the facility for emergency care and services of the attending emergency room physician and providers who administer or interpret radiological exams, laboratory tests, electrocardiogram and pathology services.

You will not have to pay this \$50 copayment if you are treated in the emergency room and then admitted at that time as an inpatient.

\$30 Copayment Per Outpatient Visit

Beginning January 1, 2005, your copayment for outpatient services in a hospital or hospital extension clinic is \$30 for each visit where you receive one or more of the following services: surgery, diagnostic radiology, diagnostic laboratory tests, administration of Desferal for Cooley's Anemia.

You will not have to pay this \$30 facility copayment if you are treated in the outpatient department of the hospital and then admitted at that time as an inpatient.

There continues to be no copayment for the following outpatient services in a hospital: chemotherapy, radiation therapy, dialysis, pre-admission testing/pre-surgical testing before admission as an inpatient.

\$12 Copayment for Physical Therapy

Beginning January 1, 2005, your copayment is \$12 for each visit to the outpatient department of a hospital or hospital extension clinic for physical therapy when covered under the Hospital Benefits Program. Please see your *Empire Plan Certificate* for more information.

Hospital Extension Clinics

Effective January 1, 2005, The Empire Plan covers charges, including facility charges, for certain hospital services provided in a remote location of a hospital. This coverage applies to hospital owned and operated on-site facilities and facilities not physically located in the hospital building, including ambulatory surgical centers. The hospital must bill for the service as part of the hospital's charges.

Your copayment for emergency care in a hospital extension clinic is \$50. Your copayment for outpatient services in a hospital extension clinic is \$30. Please see this page and your *Empire Plan Certificate* for details about hospital coverage of emergency care and outpatient services.

The Empire Plan Benefits Management Program

Hospital Coverage

Effective January 1, 2005, you will be responsible for the full cost of any inpatient hospital day determined to be not medically necessary. Your *Empire Plan Certificate* has information about your right to appeal if you are charged for inpatient days that can be documented as medically necessary.

The Empire Plan Medical/Surgical Benefits Program

\$12 Copayment

Beginning January 1, 2005, you pay a \$12 copayment for services by Empire Plan participating providers that are subject to copayments. Such services include office visits, office surgery, radiology services, diagnostic laboratory services, cardiac rehabilitation center visits, urgent care center visits and contraceptive drugs and devices dispensed in a doctor's office. Your copayment for services by Managed Physical Network (MPN) providers is also \$12 as of January 1, 2005.

Basic Medical Annual Deductible: \$225

For calendar year 2005, The Empire Plan Basic Medical Program annual deductible for medical services performed and supplies provided by non-participating providers is \$225 for you, \$225 for your enrolled spouse/domestic partner and \$225 for all covered dependent children combined.

Basic Medical Program Coinsurance Maximum: \$900

The annual coinsurance maximum (out-of-pocket costs) under the Basic Medical Program is \$900 in 2005.

Reduced Coinsurance Maximum

The Basic Medical coinsurance maximum of \$900 will be reduced to \$500 for employees in or equated to a salary grade 6 or below as of January 1, 2005.

United HealthCare will automatically apply the reduced coinsurance maximum to employees who meet the requirements. The employee does not need to contact the agency Health Benefits Administrator to apply for the reduction.

Prostheses and Orthotic Devices

Effective January 1, 2005, The Empire Plan includes a nationwide network of certified suppliers of prostheses and orthotic devices under the Participating Provider Program. When you use an Empire Plan participating provider, you have a paid-in-full benefit, with no copayment, for prostheses and orthotic devices. The Empire Plan benefit provides for a prosthesis or an orthotic device meeting the individual's needs. Replacements, when functionally necessary, are also covered. Participating providers will offer adjustments to custom-fitted devices and appropriate follow-up care.

If your need is urgent, and/or you are unable to travel to the provider's office, some participating providers will guarantee an appointment within

three days and will travel up to one hour to your home. Ask the provider directly or call United HealthCare at 1-877-7-NYSHIP (1-877-769-7447) toll free.

Empire Plan providers of prostheses and orthotic devices will be available before the end of the year on the New York State Department of Civil Service Web site at www.cs.state.ny.us. Click on Employee Benefits and choose Empire Plan Providers and Pharmacies. Or, call United HealthCare at 1-877-7-NYSHIP (1-877-769-7447) toll free.

Prostheses and orthotic devices from non-network providers are covered under the Basic Medical Program.

External Mastectomy Prostheses

Effective January 1, 2005, one single or double external mastectomy prosthesis per calendar year is covered in full under the Basic Medical Program. This benefit has no deductible, coinsurance or copayment.

Any external mastectomy prosthesis costing \$1,000 or more requires approval through the Home Care Advocacy Program (HCAP). Call HCAP toll free at 1-877-7-NYSHIP (1-877-769-7447) and choose United HealthCare before you purchase the prosthesis. For a prosthesis requiring approval, if a less expensive prosthesis can meet an individual's functional needs, benefits will be available for the most cost-effective choice.

After purchasing a mastectomy prosthesis, submit a completed claim form to United HealthCare with the original itemized receipt. (See address on page 11 of this Report.) United HealthCare will send reimbursement for the prosthesis directly to you.

The Empire Plan continues to cover mastectomy bras under the Basic Medical Program. Please see your *Empire Plan Certificate* for information.

Hearing Aids

Beginning January 1, 2005, under the Basic Medical Program, coverage for hearing aids, including evaluation, fitting and purchase, increases up to a total maximum reimbursement of

\$1,200 per hearing aid, per ear. The increased benefit is available once in any four-year period for each ear. For children age 12 years and under, the increased benefit is available once in any two-year period for each ear when the child's hearing has changed and the existing hearing aid(s) no longer fills the need.

These benefits are not subject to deductible or coinsurance.

The Empire Plan Hospital Benefits Program and Medical/Surgical Benefits Program

Infertility Benefits Maximum

Beginning January 1, 2005, the lifetime maximum for certain infertility benefits, called Qualified Procedures, increases to \$50,000 per individual. The Empire Plan Mental Health and Substance Abuse Program

\$12 Copayment for Outpatient Substance Abuse Treatment

Beginning January 1, 2005, you pay a \$12 copayment for each visit to an approved Structured Outpatient Rehabilitation Program for substance abuse. The copayment for an outpatient mental health visit remains \$15. To qualify for benefits, all covered services must be certified as medically necessary by ValueOptions.

\$50 Copayment for Emergency Care

Effective January 1, 2005, your copayment for emergency care in a hospital emergency room is \$50. You will not have to pay this \$50 copayment if you are treated in the emergency room and then admitted at that time as an inpatient. When you receive medically necessary covered services from a non-network provider in a certified emergency, the Program will provide network coverage until you can be transferred to a network facility.

Substance Abuse Care Lifetime Maximum Effective January 1, 2004

The lifetime maximum benefit for substance abuse care, including alcoholism, under non-network coverage is \$250,000 for you, the enrollee, and \$250,000 for each of your covered dependents. Basic Medical Provider Discount Program Effective October 1, 2004

The following applies to enrollees who have primary coverage through The Empire Plan.

Beginning October 1, 2004, The Empire Plan includes a new program to reduce your out-of-pocket costs when you use a non-participating provider. This new program, The Empire Plan Basic Medical Provider Discount Program, offers discounts from certain physicians and other providers who are not part of The Empire Plan participating provider network. These providers are part of the MultiPlan group, a nationwide provider organization contracted with United HealthCare. Empire Plan Basic Medical Program provisions apply. You must meet the annual deductible. Providers in the

Basic Medical Provider Discount Program accept a discounted fee for covered services. You will not be billed for charges over the discounted fee. Your 20 percent coinsurance is based on the discounted fee, not the reasonable and customary charges as under the Basic Medical Program. So, you again save on costs. Plus, you have no claims to file. The provider will submit claims for you and United HealthCare will pay the provider directly. Your Explanation of Benefits, which details claims payments, will show the discount applied to billed charges.

To find a provider in The Empire Plan Basic Medical Provider Discount Program, ask if the provider is an Empire Plan MultiPlan provider or

call 1-877-7-NYSHIP (1-877-769-7447) toll free, choose United HealthCare and ask a representative for help. You can also visit the New York State Department of Civil Service Web site at www.cs.state.ny.us. Click on Employee Benefits, then on Empire Plan Providers and Pharmacies.

The Basic Medical Provider Discount Program will be especially helpful to you when you or your dependents are traveling or away at school in an area where participating providers are not easily available. With the addition of this Program, you have another way to manage your costs.

Centers of Excellence for Cancer Program Effective October 1, 2004

If you or a covered dependent is diagnosed with cancer, think about using The Empire Plan Centers of Excellence for Cancer Program. The Program provides paid-in-full coverage for cancer-related expenses received through a nationwide network known as Cancer Resource Services (CRS).

To participate in this voluntary program, effective October 1, 2004, you must call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447). Press or say 1 for United HealthCare and then press or say 5 to connect to a Cancer Resource Services nurse consultant. Or, call the CRS toll-free number, 1-866-936-6002. Nurses are available from 8 a.m. to 8 p.m. Eastern time, Monday through Friday excluding holidays.

CRS nurse consultants are experienced cancer nurses. They can answer your questions, help you understand a cancer diagnosis and cancer treatment options and provide support if you or a family member is diagnosed with cancer. CRS nurses can also help you choose the best physician and cancer center for treatment of the specific kind of cancer.

When you use a Center of Excellence for Cancer, you receive paid-in-full benefits with no copayment. The CRS network includes many of the nation's leading cancer centers. Among them are Memorial Sloan-Kettering Cancer Center in New York City, Roswell Park Cancer Institute in Buffalo, and, in Boston, Dana-Farber Cancer Institute, Brigham & Women's Hospital and Massachusetts General Hospital.

If you choose to go to a Cancer Center of Excellence located more than 100 miles from your home, the Plan will assist you and one travel companion with expenses for travel, lodging and meals. You can find more information about Cancer Resource Services online at www.urncrs.com, the CRS Web site.

Since the Centers of Excellence for Cancer Program is voluntary, you are still eligible for Empire Plan benefits for your medically necessary cancer treatment if you do not use the Program. However, you must follow the requirements of the Benefits Management Program and pay any applicable deductible, coinsurance and copayments.

The Empire Plan Prescription Drug Program

Copayment Changes Effective January 1, 2005

Beginning January 1, 2005, The Empire Plan Prescription Drug Program includes generic, preferred brand-name and non-preferred brand-name drugs. Your copayment amount depends on the drug and quantity prescribed and where you fill your prescription.

Prescription Drug Copayment Chart

Supply Dispensed	generic	preferred brand-name	non-preferred brand-name
Up to a 30-day supply from a participating retail pharmacy or through the mail service	\$5 copayment	\$15 copayment	\$30 copayment
Up to a 90-day supply through the mail service	\$5 copayment	\$20 copayment	\$55 copayment
Up to a 90-day supply from a participating retail pharmacy	\$10 copayment	\$30 copayment	\$60 copayment

A list of the most commonly prescribed generic and preferred brand-name drugs will be on the New York State Department of Civil Service Web site at www.cs.state.ny.us as soon as available later this year. Click on Employee Benefits and choose your group-specific benefits. Or, call The Empire Plan Prescription Drug Program toll free at 1-877-7-NYSHIP (1-877-769-7447).

Generic Substitution

If your prescription is written for a brand-name drug that has a generic equivalent, The Empire Plan continues to cover only the cost of the drug's generic equivalent. If your prescription is written for a brand-name drug with a generic equivalent, you pay the non-preferred brand-name copayment plus the difference in cost between the brand-name and generic drug, not to exceed the full cost of the drug. Certain drugs are excluded from this requirement. You will be responsible for the applicable preferred brand-name or non-preferred brand-name copayment. Your *Empire Plan Certificate* has information about appealing the generic substitution requirement.

NYSHIP Changes

Domestic Partner Eligibility

Effective January 1, 2005, to enroll a domestic partner, you must have been in the partnership for at least six months and be able to provide proof. Also effective January 1, 2005, there is a one-year waiting period from the termination date of previous partner coverage before you may again enroll a domestic partner. Other eligibility requirements apply. Please see your *NYSHIP General Information Book* and *Empire Plan Reports* for details.

Disability Retirement

If you receive a retroactive disability retirement and have not continued your coverage, call the Employee Benefits Division at 518-457-5754 (Albany area) or 1-800-833-4344 to ask about reinstating coverage. Call as soon as you have the decision on your disability retirement. You must apply in writing for reinstatement of your NYSHIP coverage.

Please see your *NYSHIP General Information Book* and *Empire Plan Reports* for more information about disability retirement.

Medicare and COBRA Coverage

If you become eligible for Medicare after enrolling in COBRA, your COBRA coverage ends when you become entitled to receive Medicare benefits. Your covered dependents may continue COBRA coverage for the balance of 18 months from their original COBRA-qualifying event.

Questions and Answers

About New Benefits

Q: How will I know if my prescription is for a preferred or a non-preferred brand-name drug?

A: You'll find a list of the most commonly prescribed generic and preferred brand-name drugs on the Department of Civil Service Web site at www.cs.state.ny.us as soon as available later this year. Choose Employee Benefits and then your group-specific benefits. Or, you may call The Empire Plan Prescription Drug Program toll free at 1-877-7-NYSHIP (1-877-769-7447).

Q: Will my doctor know The Empire Plan generic and preferred brand-name drugs?

A: The Empire Plan will provide doctors with the list of most commonly prescribed generic and preferred brand-name drugs. However, it is your responsibility to know if your drug falls into one of these categories. Get the list from the Web site or The Plan (see above) before your doctor's appointment.

Q: Does the Basic Medical Provider Discount Program replace the Basic Medical Program?

A: No. The Basic Medical Provider Discount Program is part of the Basic Medical Program. You may still choose to receive care under the Participating Provider Program. Or, you may choose non-participating providers under the Basic Medical Program.

Q: Why would I use the Basic Medical Provider Discount Program?

A: When a participating provider is not available, or you choose to go to a non-participating provider, the Basic Medical Provider Discount Program (MultiPlan) can save you money. After you meet your deductible, you are responsible for 20 percent of the discounted fee. The MultiPlan provider cannot bill you for anything greater for covered services.

For example, you have met your deductible for the year and receive services costing \$200. The MultiPlan discounted fee is \$140. Your cost is \$28 (20 percent of the discounted fee). Plus, the provider submits the claim for you and United HealthCare pays the provider.

In contrast, for the same \$200 cost of services under the Basic Medical Program for non-participating providers, The Empire Plan pays \$128 (80 percent of the reasonable and customary charge of \$160). Your cost is \$72 (the difference between \$200 and \$128). And, you must file the claim for reimbursement yourself.

Q: Will the outpatient copayments for services in a hospital extension clinic be waived if I am treated and then admitted to the hospital as an inpatient?

A: Yes. You will not have to pay the emergency care or outpatient services copayment if you are treated in the extension clinic and it becomes necessary for you to be admitted to the hospital as an inpatient directly from the hospital extension clinic.

Empire Plan Reminders

The Empire Plan NurseLinesm

You can call The Empire Plan NurseLine 24 hours a day, seven days a week for health information and support. Call 1-877-7-NYSHIP (1-877-769-7447) toll free and press or say 5 to talk with a registered nurse or to reach The Empire Plan NurseLine's Health Information Library.

Your Plan is The Empire Plan

The New York State Health Insurance Program (NYSHIP) provides your health insurance benefits through The Empire Plan. The Empire Plan is designed especially for New York's public employees and their families by the State and employee unions.

In New York State, the Empire State, you'll hear the word "Empire" again and again, even linked to other health plans. The correct name of your health insurance plan is The Empire Plan. The correct name means correct benefits. Tell your provider you're in The Empire Plan for New York State government employees.

Claims Deadlines

March 31, 2005 (90 days after the end of the calendar year) is the last day to submit your 2004 claims to:

- United HealthCare for The Empire Plan Basic Medical Program, the Home Care Advocacy Program (HCAP), and for non-network physical medicine services
- ValueOptions for non-network mental health and substance abuse services
- Express Scripts for prescriptions filled in 2004 at non-participating pharmacies or without using your New York Government Employee Benefit Card

If The Empire Plan is your secondary insurer, you must submit claims by March 31, 2005, or within 90 days after your primary health insurance plan processes your claim, whichever is later.

You may submit claims later if it was not reasonably possible to meet the deadlines (for example, due to illness); you must provide documentation.

Ask your agency Health Benefits Administrator for claim forms, or call 1-877-7-NYSHIP (1-877-769-7447) toll free and choose United HealthCare, ValueOptions or Express Scripts.

Mail completed claim forms with supporting bills, receipts and, if applicable, a Medicare Summary Notice or statement from your other primary insurer to United HealthCare, ValueOptions and/or The Empire Plan Prescription Drug Program (Express Scripts). Addresses are on page 11 of this Report.

Note: If you are covered under The Empire Plan as an enrollee and as a dependent, you may submit claims for reimbursement of copayments to The Empire Plan as your secondary insurer.

Participating Provider Directory

You can find the most current list of Empire Plan providers on the New York State Department of Civil Service Web site at www.cs.state.ny.us. Click on Employee Benefits and then on Empire Plan Providers and Pharmacies. This online list is updated regularly. You can find providers by name or location and print your own list of available providers.

If you do not have access to the Internet, call 1-877-7-NYSHIP (1-877-769-7447) toll free and choose United HealthCare for your list of providers.

Printed directories will not be mailed automatically to the homes of active enrollees this year. If you would like to receive a printed Directory in the mail, please return the postage-paid card we sent you in September.

Remember: Always ask if the provider participates in The Empire Plan for New York State government employees before you receive services.

Bills for Services

If you receive a bill for services you think are covered under The Empire Plan, call the telephone number of the provider listed on the billing statement. Explain that your health insurance plan is The Empire Plan for New York State government employees. Ask the provider to send the bill to the appropriate Empire Plan carrier, as follows:

Empire Blue Cross Blue Shield – for inpatient and outpatient hospital and related services, skilled nursing facility care and hospice care.

United HealthCare – for medical coverage, laboratory charges, free-standing ambulatory surgical centers, home care, chiropractic treatment and physical therapy.

When you use a participating provider, you pay the provider your copayment for covered services and United HealthCare pays the provider in accordance with the schedule of allowances. You do not have to pay the participating provider for the remaining charges.

ValueOptions – for mental health and substance abuse care, including alcoholism.

Please see “Empire Plan Carriers and Programs” on page 11 of this Report for carrier addresses. If, after you have spoken to the provider, you continue to receive a bill you know has been paid by The Empire Plan, call 1-877-7-NYSHIP (1-877-769-7447) and choose the right carrier to report the billing.

“Guaranteed Access” to Network Benefits

The Empire Plan has three programs that guarantee network benefits are available to you nationwide: the Home Care Advocacy Program (HCAP), the Managed Physical Medicine Program and the Mental Health and Substance Abuse Program. When you follow each Program’s requirements, you receive network benefits, the highest level of benefits.

Home Care Advocacy Program

To receive HCAP network benefits for home care services, durable medical equipment and supplies, you must:

- Call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and select United HealthCare, then the Home Care Advocacy Program,* and
- Receive precertification of your home care and or equipment/supplies from United HealthCare, and
- Use an HCAP-approved provider for covered services and/or equipment/supplies.

*Exception: For diabetic supplies (except insulin pumps and Medijectors) or ostomy supplies, contact the HCAP network providers directly and toll free: National Diabetic Pharmacies (NDP), 1-888-306-7337 for diabetic supplies. (For insulin pumps and Medijectors, you must call HCAP for authorization.) Byram Healthcare Centers, 1-800-354-4054 for ostomy supplies.

Managed Physical Medicine Program

To receive network benefits for chiropractic treatment and physical therapy, you must use a Managed Physical Network (MPN) network provider for medically necessary services. You are not required to call MPN before your visit. You may contact a provider directly and ask if the provider is in the network. Or, you may call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and choose United HealthCare. United HealthCare will help you find an MPN network provider.

If there are no network providers in your area, MPN will arrange for you to receive medically necessary services with network benefits. You will pay only your copayments for each visit. But, you must call United HealthCare before you receive services and you must use the provider with whom MPN has arranged your care.

Mental Health and Substance Abuse Program

To receive network benefits for mental health or substance abuse care, including care for alcoholism, you must call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and choose ValueOptions before you seek treatment. By following the Program requirements for network coverage, you receive the highest level of benefits.

If there are no network providers in your area, ValueOptions will arrange for you to receive medically necessary services with network benefits from a non-network provider or facility. But, you must call ValueOptions before you receive services and you must use the provider with whom ValueOptions has arranged your care.

For More Information

Please see your *Empire Plan Certificate* for more information about the Home Care Advocacy Program, the Managed Physical Medicine Program and the Mental Health and Substance Abuse Program and for requirements in emergency situations. Remember: If you follow program requirements, you are guaranteed network benefits, the highest level of coverage.

NYSHIP

Reminders

Medicare Enrollment

NYSHIP (Empire Plan) provides primary coverage (pays first) for you, your enrolled spouse and other covered dependents while you are an active State employee, regardless of age or disability.

There are exceptions: Medicare is primary for an active State employee or dependent with end stage renal disease (30 or 33 months waiting period applies) and for an active State employee's domestic partner who is age 65 or over. The active employee or dependent with end stage renal disease must enroll in Medicare Parts A and B. The domestic partner must have Medicare Parts A and B in effect when first eligible at 65.

If you are planning to retire or otherwise leave State service and you or your spouse is 65 or older, or under 65 and entitled to Medicare because of disability, contact your local Social Security office three months before active employment ends to enroll in Medicare Parts A and B. After you leave the payroll, Medicare pays primary to The Empire Plan for a disabled enrollee or dependent, regardless of age. Be sure to talk with your agency Health Benefits Administrator if your spouse or dependent is under 65 and disabled at the time you leave the payroll.

Two publications, *What NYS Retirees Need to Know About Medicare and NYSHIP* and *Medicare for Disability Retirees*, have more details. Ask your agency Health Benefits Administrator for copies when you are planning to retire or leave State service.

Please also see your *NYSHIP General Information Book* for more information about Medicare and NYSHIP.

COBRA enrollees: See page 5 of this Report and your January 2004 Empire Plan Report for important information about Medicare and COBRA.

Pre-Retirement Seminars

The Governor's Office of Employee Relations (GOER) in partnership with the Office of the State Comptroller presents Pre-Retirement Seminars. As part of the seminars, a representative from the Employee Benefits Division will explain the New York State Health Insurance Program (NYSHIP) and your choices before you leave the payroll.

Call your personnel office to learn if there is a seminar available in your area and to reserve your place. Be sure to bring your personal confirmation letter from GOER when you attend. The New York State Department of Civil Service Web site, www.cs.state.ny.us also has the seminar schedule. Click on Employee Benefits, then on Meetings & More.

Since demand is greater than available seating at the seminars, you can also access helpful online pre-retirement resources at www.goer.state.ny.us/train/onlinelearning/pr/intro.html or www.osc.state.ny.us/retire.

Injured at Work—Call ARS
