 Beginning January 1, 2007, your copayment for emergency care in a hospital emergency room is \$60. The \$60 copayment covers use of the facility for emergency care and services of the attending emergency room physician and providers who administer or interpret radiological exams, laboratory tests, electrocardiogram and pathology services.

You will not have to pay the \$60 copayment if you are treated in the emergency room and then admitted at that time as an inpatient.

**\$18 Copayment for Physical Therapy**  
 Beginning January 1, 2007, your copayment is \$18 for each visit to the outpatient department of a network hospital or hospital extension clinic for physical therapy when covered under the Hospital Benefits Program. Please see your *Empire Plan Certificate* for more information.

## The Empire Plan Medical/Surgical Benefits Program

### \$18 Copayment

Beginning January 1, 2007, you pay an \$18 copayment for services by Empire Plan participating providers that are subject to copayments. Such services include office visits, office surgery, radiology services, diagnostic laboratory services, cardiac rehabilitation center visits, urgent care center visits and contraceptive drugs and devices dispensed in a doctor's office. Your copayment for services by Managed Physical Network (MPN) providers is also \$18 as of January 1, 2007.

### Basic Medical

**Annual Deductible: \$259**

**Coinsurance Maximum: \$1,003/\$500**

For calendar year 2007, The Empire Plan Basic Medical Program annual deductible for medical services performed and supplies prescribed by non-participating providers is \$259 for you, \$259 for your enrolled spouse/domestic partner and \$259 for all covered dependent children combined.

You must meet the deductible before United HealthCare can pay Basic Medical benefits for your claims. The Basic Medical annual deductible cannot be combined with the Managed Physical Medicine Program annual deductible for non-network services or with the Mental Health and Substance Abuse Program annual deductibles for non-network services.

The annual coinsurance maximum (out-of-pocket expenses) under the Basic Medical Program is \$1,003 in 2007. After you and your covered dependents, combined, reach the coinsurance maximum, United HealthCare will reimburse you 100 percent of the reasonable and customary amount, or 100 percent of the billed amount, whichever is less, for covered services. You will still be responsible for any charges above the reasonable and customary amount and for any penalties under the benefits management programs.

These changes are due to an increase in the Consumer Price Index.

The Basic Medical coinsurance maximum of \$1,003 will be reduced to \$500 for employees in or equated to a salary grade 6 or below as of January 1, 2007.

United HealthCare will automatically apply the reduced coinsurance maximum to employees who meet the requirements. The employee does not need to contact the agency Health Benefits Administrator to apply for the reduction.

### HPV Immunization

The human papilloma virus (HPV) vaccine for the prevention of cervical cancer is a covered pediatric immunization for females up to age 19 years under The Empire Plan Participating Provider and Basic Medical Programs. The HPV vaccine is a covered immunization for females 19 through 26 years under the Participating Provider Program. This benefit was effective June 29, 2006.

## The Empire Plan Mental Health and Substance Abuse Program

### \$18 Copayment for Outpatient Mental Health and Substance Abuse Treatment

Beginning January 1, 2007, you pay an \$18 copayment for each outpatient visit to a ValueOptions network provider for mental health treatment. Also beginning January 1, 2007, the copayment for an outpatient substance abuse visit is \$18. To qualify for benefits, all covered services must be certified as medically necessary by ValueOptions.

### \$60 Copayment for Emergency Care for Mental Health/Substance Abuse Treatment

Effective January 1, 2007, your copayment for emergency care in a hospital emergency room is \$60. You will not have to pay this \$60 copayment if you are treated in the emergency room and then admitted at that time as an inpatient. When you receive medically necessary covered services from a non-network provider in a certified emergency, the Program will provide network coverage until you can be transferred to a network facility.

### Notice: 2007 Preferred Drug List Updates

Please note the following updates to the 2007 Empire Plan Preferred Drug List (PDL) that was included with your January 1, 2007 *Empire Plan At A Glance*. The changes are effective on January 1, 2007 except as noted.

Plan B\*, Nitro-Bid and Viokase (formerly listed as preferred brand-name drugs) are non-preferred brand-name drugs with the highest level of copayment.

Locoid (formerly listed as a preferred brand-name drug) is a generic drug with the lowest level of copayment.

Effective April 1, 2007, Ketek will be a non-preferred brand-name drug rather than a preferred brand-name drug.

Be sure to check our web site ([www.cs.state.ny.us](http://www.cs.state.ny.us)) for the most current version of the PDL. Choose Benefit Programs on the home page, then NYSHIP Online and choose your group, if prompted. Then select Health Benefits & Option Transfer to find the PDL listed alphabetically and in therapeutic class order.

If you have questions regarding the above information, or have specific questions about your prescriptions, coverage or copayments, please call The Empire Plan Prescription Drug Program at 1-877-7-NYSHIP (1-877-769-7447).

\*for enrollees and covered dependents under 18 years of age

## Quest No Longer Participating Lab

Quest Diagnostics is no longer a participating provider of laboratory services for The Empire Plan Medical Program as of January 1, 2007.

Beginning January 1, 2007, Laboratory Corporation of America (LabCorp) is the only national participating provider of laboratory services for The Empire Plan Medical Program. In addition to LabCorp, other regional and local laboratory providers participate in The Empire Plan.

To find an Empire Plan participating lab, call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and choose United HealthCare, go to [www.empireplanlablocator.com](http://www.empireplanlablocator.com) or go to the New York State Department of Civil Service web site, [www.cs.state.ny.us](http://www.cs.state.ny.us). Click on Benefit Programs, then NYSHIP Online. Select your group if prompted, and then click on Find a Provider and then Laboratories.

## Depression Management Program

The Empire Plan now offers the Depression Management Program. If you or your dependents have received recent treatment for depression, you may be invited to participate in this program. Participation is voluntary, free of charge and confidential. If you agree to participate, you will receive information to help you understand your condition. You will also be offered educational materials and other services.

If you have questions about depression or if you or a dependent would like to see a provider, call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and choose ValueOptions.

The Depression Management Program began October 1, 2006 and is available to Empire Plan enrollees through ValueOptions.

## The Empire Plan At A Glance and Copayment Cards

We sent you the 2007 *Empire Plan At A Glance* along with 2007 Empire Plan Copayment Cards and the 2007 Empire Plan Preferred Drug List in a separate mailing earlier this year. *The Empire Plan At A Glance* offers a brief description of your Empire Plan benefits; the Copayment Cards provide a handy reference for coverage costs. If you need more cards, or another copy of the *At A Glance*, ask your agency Health Benefits Administrator.

## Pre-Retirement Seminars

The Governor's Office of Employee Relations (GOER) in partnership with the Office of the State Comptroller presents Pre-Retirement Seminars. As part of the seminars, a representative from the Employee Benefits Division will explain the New York State Health Insurance Program (NYSHIP) and your choices before you leave the payroll.

Call your personnel office to learn if there is a seminar available in your area and to reserve your place. Be sure to bring your personal confirmation letter from GOER when you attend. The New York State Department of Civil Service web site, [www.cs.state.ny.us](http://www.cs.state.ny.us), also has the seminar schedule. Click on Benefit Programs, then NYSHIP Online. Choose your group if prompted. Then click on Calendar.

Since demand is greater than available seating at the seminars, you can also access helpful online pre-retirement resources at [www.goer.state.ny.us/train/onlinelearning/pr/intro.html](http://www.goer.state.ny.us/train/onlinelearning/pr/intro.html) or [www.osc.state.ny.us/retire](http://www.osc.state.ny.us/retire). The New York State Department of Civil Service web site, [www.cs.state.ny.us](http://www.cs.state.ny.us), also has pre-retirement information. From NYSHIP Online, choose Planning to Retire?

# Fraud and Your NYSHIP Coverage

Health insurance fraud is costly and illegal. The Employee Benefits Division will investigate any cases of suspected fraud and/or abuse of NYSHIP benefits.

Report lost or stolen benefit cards. Notify your agency Health Benefits Administrator whenever your or your dependents' eligibility changes. Your *NYSHIP General Information Book* has information on your responsibilities under NYSHIP.

## Protect Your Empire Plan Benefits

1. Never sign blank insurance claim forms.
2. Ask your medical providers in advance what they will charge. Be sure you understand what you will be expected to pay out of pocket.

3. Carefully review your insurer's explanation of benefits statement (EOB). Call your insurer and provider if you have questions.
4. Do not do business with door-to-door or telephone salespeople who tell you their service or medical equipment is free.
5. Give your insurance/Medicare identification number only to those who have provided you with medical services.
6. Keep accurate records of all health care appointments.

If you're aware of hospital or provider fraud or abuse, call Empire BlueCross BlueShield at 1-800-IC-FRAUD (1-800-423-7283) or call The Empire Plan at 1-877-7-NYSHIP (1-877-769-7447) and choose United HealthCare.

# Choosing a Participating Provider

The Empire Plan is a unique program that allows you to receive medical/surgical care from participating providers or from non-participating providers. By choosing a participating provider, you receive covered services at little or no cost and you don't have to file a claim. For certain services, you must call before you receive services. Participating providers are providers who have an agreement in effect under The Empire Plan. They have agreed to bill United HealthCare and to accept your copayment, for services subject to a copayment, plus payment directly from the Plan as payment-in-full for covered services.

## Participating Provider Program

The Empire Plan Participating Provider Program offers a network of over 175,000 physicians and other providers located throughout New York State and in many other states as well. You have the freedom to choose any participating provider without a referral. There is, however, no guarantee that a participating provider will always be available to you.

Providers in the network include: doctors, speech therapists, speech-language pathologists, audiologists, podiatrists, laboratories, ambulatory surgical centers, urgent care centers, freestanding cardiac rehabilitation centers and Centers of Excellence. Certified nurse midwives may also be available through participating doctors. Always ask your provider if he or she participates before you receive services. When you use a participating provider, you pay only the applicable copayment.

## Ask for a Participating Provider

The Empire Plan does not require that a participating provider refer you to a participating laboratory, radiologist, specialist or center. It is your responsibility to request a participating provider for other services. Explain to your doctor that your out-of-pocket expenses are usually higher if you don't use a participating lab or if a non-participating radiologist reads your X-ray.

Please be aware, too, that providers with multiple locations may not be Empire Plan participating providers in all locations.

It is your responsibility to determine whether a provider is an Empire Plan provider. Remember: in Arizona, Connecticut, Florida, New Jersey, North Carolina and South Carolina, ask if the physician is part of United HealthCare's Options Preferred Provider Organization (PPO). In all other states including New York, and for providers other than physicians in these six states, ask if the provider participates in The Empire Plan.

## Participating Provider Directory

The 2006 *Empire Plan Participating Provider Directory* was not mailed automatically to the homes of active enrollees this past year. See your agency Health Benefits Administrator for a printed version if you did not return the postage-paid card we sent you last August.

Remember: Always ask if the provider participates in The Empire Plan for New York State government employees before you receive services.

## Basic Medical Benefits

If you use a non-participating provider, benefits for covered medical services are payable under the Basic Medical portion of the Plan, subject to deductible and coinsurance. (See your *Empire Plan Certificate* for details on the Basic Medical Program.)

## Finding Participating Network Providers

To find an Empire Plan participating network provider, call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447).

Also, you can find a list of providers on the New York State Department of Civil Service web site at [www.cs.state.ny.us](http://www.cs.state.ny.us). Click on Benefit Programs and then on NYSHIP Online. Select your group if prompted, and then click on Find a Provider.

## Annual Notice of Mastectomy and Reconstructive Surgery Benefit

The Empire Plan covers inpatient hospital care for lymph node dissection, lumpectomy and mastectomy for treatment of breast cancer for as long as the physician and patient determine hospitalization is medically necessary. The Plan covers all stages of reconstructive breast surgery following mastectomy, including surgery of the other breast to produce a symmetrical appearance.

The Plan also covers treatment for complications of mastectomy, including lymphedema. Prostheses and mastectomy bras are covered.

Call United HealthCare toll free at 1-877-7-NYSHIP (1-877-769-7447) if you have questions about your coverage for implants, breast forms or other prostheses related to breast cancer treatment.

Empire Plan Benefits Management Program requirements apply. See your *Empire Plan Certificate* and *Empire Plan Reports*.
