## Federal Health Care Changes

**The federal Patient Protection and Affordable Care Act (PPACA)**, which will be referred to as “the Act” in this article and throughout this *Empire Plan Report*, requires that we make several changes to The Empire Plan coverage.

### **The Act required the following changes effective on January 1, 2011:**

Eligibility for coverage as a NYSHIP dependent will continue for children up to age 26 regardless of marital or student status. See article on page 2.

Dollar limits on coverage for certain services have been eliminated:

- Routine health exams for active employees and spouses/domestic partners are covered under the Basic Medical Program not subject to deductible or coinsurance; the \$250 calendar year payment limit has been eliminated.
- Routine newborn child care is covered under the Basic Medical Program not subject to deductible or coinsurance; the \$150 payment maximum has been eliminated.
- Non-network services covered under the Managed Physical Medicine Program are no longer subject to a \$1,500 annual maximum benefit.

The Empire Plan, a benefit package for State employees, is considered to be a grandfathered plan. Under the Act, a grandfathered health plan is permitted to preserve certain basic health coverage that was already in effect when the Act was signed into law on March 23, 2010.

Being a grandfathered health plan means that the plan may delay implementation of certain features of health care reform that apply to nongrandfathered health plans. For example, the requirement for the provision of preventive health services without any cost sharing does not need to be included under a health care plan until the plan is no longer grandfathered. However, grandfathered health plans must comply with certain other consumer protections in the Act such as the elimination of lifetime limits on certain benefits.

Questions regarding which protections apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Employee Benefits Division. You may also contact the U.S. Department of Health and Human Services at [www.healthcare.gov](http://www.healthcare.gov).

## Covering Your Young Adult Children

Effective January 1, 2011, the Act requires insurers to offer young adult children coverage as dependents on their parents' health insurance up to age 26. Financial dependency, student status, marital status, employment and residency can no longer be used to determine eligibility. Although the new law extends coverage to married children, it does not apply to the married child's spouse or children.

You can add a young adult child (up to age 26) to your family coverage at no additional cost.

If you currently have individual coverage and would like to add a young adult child as a dependent, you will need to change to family coverage; a waiting period may apply. See your agency Health Benefits Administrator (HBA) for more details or to add a dependent.

Family coverage rates are available on the New York State Department of Civil Service web site at <https://www.cs.ny.gov>. From the home page, click on Benefit Programs and follow the prompts to access NYSHIP Online. Click on Health Benefits & Option Transfer and then select Rates and Health Plan Choices.

A young adult child under the age of 26 on January 1, 2011 and enrolled as a dependent, will continue to be enrolled until age 26, unless you choose to take him or her off your plan. Coverage as a dependent will end on the last day of the month in which the young adult child turns 26 years old.

A dependent child age 26 or older who has served in a branch of the U.S. Military may qualify for up to four additional years of health insurance coverage (as a dependent), provided he or she is unmarried and a full-time student. You must be able to provide written documentation from the U.S. Military and the student's school.

When a young adult child loses eligibility for health insurance coverage, he or she may be entitled to continue coverage for up to 36 months under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA) and the New York State Continuation of Coverage law. A young adult child may also be eligible to purchase his or her own NYSHIP coverage through the New York State Young Adult Option up to age 30.

Enrollment in the Young Adult Option is offered during the annual open enrollment period at the end of each year or whenever the young adult child experiences a qualifying event, such as loss of eligibility for other coverage, provided application is made on a timely basis. For more information about continuation coverage or NYSHIP's Young Adult Option, see your agency HBA. Details are in the *NYSHIP General Information Book* amendment on page 301.

## Herpes Zoster (Shingles) Vaccine

The herpes zoster vaccine used to prevent shingles is covered as an adult immunization under the Participating Provider Program for Empire Plan enrollees age 55 or over.

The participating provider must administer the vaccine; there is no covered benefit if you purchase the vaccine from a pharmacy, even if your provider gives you a prescription. If your provider does not offer the herpes zoster vaccine, you may call The Empire Plan at 1-877-7-NYSHIP (1-877-769-7447) and press 1 for the Medical Program to receive a list of Empire Plan Participating Providers in your area who offer the vaccine to nonestablished patients. There is no benefit if you receive the vaccine from a non-participating provider.

## Medicare Durable Medical Equipment and Prosthetics and Orthotics Supply (DMEPOS) Competitive Bidding Program

Effective January 1, 2011, Medicare implemented the DMEPOS Competitive Bidding Program in the following areas of the country:

- Charlotte-Gastonia-Concord (North Carolina and South Carolina);
- Cincinnati-Middletown (Ohio, Kentucky and Indiana);
- Cleveland-Elyria-Mentor (Ohio);
- Dallas-Fort Worth-Arlington (Texas);
- Kansas City (Missouri and Kansas);
- Miami-Fort Lauderdale-Pompano Beach (Florida); Orlando-Kissimmee (Florida);
- Pittsburgh (Pennsylvania);
- Riverside-San Bernardino-Ontario (California).

Additional areas, including some areas in New York State, may be added to the Program in 2012.

**Medicare-primary enrollees** who permanently reside in or travel to any of the nine geographic areas above, are required to obtain certain DMEPOS items from a Medicare contract supplier, unless an exception applies. If a Medicare contract supplier is not used, Medicare will not pay any portion of the bill. The Empire Plan will estimate what Medicare would have paid for the item(s) and subtract that amount from the enrollee's benefit. **All Medicare-primary enrollees outside these areas must continue to follow HCAP requirements to receive paid-in-full benefits.**

DMEPOS items subject to the Competitive Bidding Program include:

- mail-order diabetic supplies,
- oxygen supplies and equipment,
- standard power wheelchairs, scooters, and accessories,
- certain complex rehabilitative power wheelchairs and accessories,
- hospital beds and accessories,
- walkers and accessories,
- enteral nutrients, equipment and supplies,
- continuous positive airway pressure (CPAP) machines,
- respiratory assist devices and related accessories and
- support surfaces (mattresses and overlays).

For assistance in locating a Medicare contract supplier, call The Empire Plan Home Care Advocacy Program (HCAP) toll free at 1-877-7-NYSHIP (1-877-769-7447) and choose the Medical Program, then Benefits Management Program or visit: <http://www.medicare.gov>. ## MHSA Web Site Improved

The Mental Health and Substance Abuse (MHSA) Program's customized web site, [www.liveandworkwell.com](http://www.liveandworkwell.com), provided by the program's administrator OptumHealth, has been enhanced to provide free, confidential online access to your Mental Health and Substance Abuse benefits, claims and authorizations inquiries.

Empire Plan enrollees now have access to the "My Claims and Coverage" section on the web site. This section allows you to track claims and authorizations online as well as review detailed eligibility and benefit information for you and your covered dependents. The customized web site also provides tools, information and resources to help enhance your health, work and life.

You can access the site from the Department's site, <https://www.cs.ny.gov> by selecting Find a Provider from the NYSHIP Online home page and scrolling to the Mental Health and Substance Abuse Program section. Click on the link under the Live and Work Well logo to access the customized Empire Plan site. To use the claims and coverage features, which allow you to view eligibility and claims processing, first-time visitors must register on the site and use the Access Code: Empire. Be sure to also have your Empire Plan Benefit Card identification number available.

**Note:** Due to federal privacy regulations, you will not be able to view status on claims for a spouse or covered dependent age 18 or older.

## New Web Site Address

The New York State Department of Civil Service web site address has changed to <https://www.cs.ny.gov>. Even though you can still access our site at

the old address, please update your bookmarks for our web site to the new address. The old address will only work for a limited time.

## Retiring and Relocating Outside NYS?

Is 2011 the year you plan to retire from State service? Congratulations! But you should be cautious if your retirement plans include a move outside New York State. You probably already know that The Empire Plan is the only option that offers worldwide coverage, but this does not mean that participating providers are available in every location.

The Empire Plan participating provider network is available through a contract with UnitedHealthcare (UHC). In six states outside of New York (Arizona, Connecticut, Florida, New Jersey, North Carolina and South Carolina) and Washington D.C. and the adjoining states of Maryland and Virginia, The Empire Plan leases an enhanced network from UHC, referred to as the Participating Provider Organization (PPO) listing, to provide enrollees living in these areas access to a wider range of providers. This is because large populations of Empire Plan retirees live in these regions of the country.

The Empire Plan has national contracts with BlueCross BlueShield for hospital expenses and OptumHealth Behavioral Solutions for mental health and substance abuse services. This means the majority of providers in most out-of-state directories (other than those mentioned above) will be from these networks.

If you live in an area of the country where participating providers are not available, you still have Empire Plan non-network coverage under the Basic Medical Program or the Basic Medical Provider Discount Program, if applicable. Annual deductible and coinsurance apply. See your *Empire Plan Certificate* and Amendments for details.

If you are considering relocating after you retire, be sure to check the availability of participating providers in the new state as part of your planning process. You can do this by visiting our web site, <https://www.cs.ny.gov>. From the NYSHIP Online home page choose Find a Provider, then scroll down to the Medical/Surgical Program and click on the link for Empire Plan Medical/Surgical Directory.

You will be directed to another site where you can customize your search by location. If you prefer a printed directory, see your agency Health Benefits Administrator or call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and choose the Medical Program to request that a state directory be mailed to your home.

## Pre-Retirement Seminars

The Governor's Office of Employee Relations (GOER) in partnership with the Office of the State Comptroller presents Pre-Retirement Seminars. As part of the seminars, a representative from the Employee Benefits Division will explain the New York State Health Insurance Program (NYSHIP) and your choices before you leave the payroll.

Call your personnel office to learn if there is a seminar available in your area and to reserve your place. Be sure to bring your personal confirmation letter from GOER when you attend. The New York State Department of Civil Service web site, <https://www.cs.ny.gov>, also has the seminar schedule. Click on Benefit Programs, select your group and benefit plan if prompted, and then on Calendar.

Since demand is greater than available seating at the seminars, you can also access helpful online pre-retirement resources at [www.worklife.ny.gov/preretirement/](http://www.worklife.ny.gov/preretirement/) or [www.osc.state.ny.us/retire](http://www.osc.state.ny.us/retire). In addition, you can view pre-retirement videos on YouTube by searching "NYS Pre-Retirement Planning."

There is also a helpful 25-minute DVD, Planning for Retirement, and a companion booklet that can be ordered online at <https://www.cs.ny.gov>. Click on Benefit Programs, then NYSHIP Online and select Planning to Retire? for more information.

## 2011 Participating Provider Directory Postcards

You should have recently received a postcard announcing the 2011 Empire Plan Participating Provider Directory. In order to receive a copy in the mail, you must return the postage paid postcard. Enrollees who live in the metro New York area also have the option to request a directory for surrounding states, depending upon their home address. Directories are expected to be mailed to enrollee homes in late August or early September.
