December 1, 2021

Dear SEHP enrollee:

Effective January 1, 2022, the employee share of the biweekly premium for enrollees in the Student Employee Health Plan (SEHP) under the New York State Health Insurance Program (NYSHIP) will be:

Individual coverage: \$ 22.11

Family coverage: \$ 172.95

The new rate will be deducted automatically from employees' biweekly paychecks beginning with the paycheck dated:

- January 5, 2022 for Administration Lag-Payroll employees, and
- December 30, 2021 for Institution Lag-Payroll employees.

**The Pre-Tax Contribution Program (PTCP) Election Period**

Per Internal Revenue Service rules, the PTCP election period is the only opportunity for employees to change their PTCP status; arbitrary, mid-year status changes are not allowed. If you wish to change your PTCP election for the 2022 plan year, complete and sign a *NYSHIP Health Insurance Transaction Form (PS-404G)* and submit it to your Health Benefits Administrator (HBA) **by December 31**. For more information about the change of the PTCP Election Period refer to your 2021 *NYSHIP SEHP report*, which was mailed to your home in November. To learn more about the PTCP, see your *General Information Book*.

If you have any questions about enrollment, eligibility or the cost of your health insurance, please contact the HBA in the Human Resources (Personnel) office on your campus.

The *Summary of Benefits and Coverage (SBC)* is a standardized comparison document required by the Patient Protection and Affordable Care Act. To view a copy of the *SBC* for SEHP, visit [www.cs.ny.gov/sbc/sehp](http://www.cs.ny.gov/sbc/sehp). If you do not have internet access, call 1-877-7-NYSHIP (1-877-769-7447) to request a copy.

COBRA enrollees: Your monthly bills will reflect your new rate, beginning with the bill you receive in December 2021. If you have questions about the cost of your COBRA continuation coverage, or wish to end your COBRA continuation coverage, contact the Employee Benefits Division at 518-457-5754 or 1-800-833-4344.

Sincerely,

James DeWan  
Director
