A Message from Commissioner Daniel E. Wall

Choosing your health insurance is an important decision. In selecting your health insurance plan for 2006, you want to be sure to choose the one that best meets your needs. This booklet will provide you with information you need in order to help you make an informed decision. Remember, you no longer need to change options during the traditional 30-day Option Transfer period at the end of the year. NYSHIP enrollees with retiree benefits* are permitted to change health insurance options at any time once during a 12-month period.

Throughout this booklet, you will find explanations of The Empire Plan and Health Maintenance Organizations (HMOs) that are available to you under the New York State Health Insurance Program (NYSHIP). Important information on how to change health insurance plans is also included in this booklet.

You may call The Empire Plan carriers and HMOs directly for additional benefits information. Please refer to the plan’s descriptions in this booklet for the telephone numbers.

For additional information on changing plans or help with determining which plans are available to you, contact the Employee Benefits Division at the New York State Department of Civil Service at (518) 457-5754 or 1-800-833-4344, or visit our web site at www.cs.state.ny.us and click on “Employee Benefits.”

Thank you,

Daniel E. Wall, Commissioner
NYS Department of Civil Service

Choose Your Health Insurance Plan

Under the New York State Health Insurance Program (NYSHIP), you may choose either The Empire Plan or one of the NYSHIP-approved Health Maintenance Organizations (HMOs) in your area. This booklet explains the options available to you. If you still have specific questions after you’ve read the plan descriptions, contact The Empire Plan carriers and HMOs directly.

Changing Your Health Insurance Plan

Consider your health insurance plan carefully. You may only change your health insurance plan more than once in a twelve-month period if you move or add a new dependent to your coverage under certain conditions. See your NYSHIP General Information Book for details.

You cannot change your health insurance plan more than once in a twelve-month period because of a change in the providers who participate in your plan.

Rates for 2006 and Deadline for Changing Plans

The Empire Plan and HMO rates for 2006 are mailed to your home and posted on the New York State Department of Civil Service web site at www.cs.state.ny.us as soon as they are approved. Click “Employee Benefits”, then “Choosing a Health Plan?” for details.

No action is required if you wish to keep your current option and still qualify for that plan.

(Note: To enroll in an HMO or remain enrolled in your current HMO, you must live or work in the HMO’s NYSHIP service area. See the “Plans by Region” section in this booklet for more information.)

You and Your Dependents Must Enroll in Medicare

When you or your covered dependents become eligible for primary Medicare coverage (Medicare pays first, before NYSHIP), you or your covered dependents must be enrolled in Medicare Part A and Part B, even if you are working for another employer. (If you return to work in a benefits-eligible position for New York State or your former Participating Employer, NYSHIP will provide primary coverage while you are on the payroll.) If you or your dependents are not enrolled in Medicare when first eligible, The Empire Plan or HMO will not provide benefits for services Medicare would have paid if you or your dependent had enrolled.
To avoid a gap in coverage, you must contact your local Social Security office three months before you or your dependent turns age 65. In some cases, enrollment is automatic, but not always. You must have Medicare coverage in effect on the first day of the month in which you or your dependent reaches age 65. (Or, if your birthday falls on the first of the month, you must have your Medicare coverage in effect on the first day of the month preceding the month in which you turn age 65.)

If you or a dependent becomes eligible for Medicare before age 65 because of disability, end-stage renal disease or amyotrophic lateral sclerosis (ALS), you or your dependent must enroll in Medicare as soon as eligible.

The publication, *Medicare and NYSHIP*, explains in detail when you must enroll in Medicare and how Medicare enrollment affects your NYSHIP benefits. You can find this publication on our web site at www.cs.state.ny.us. Or, call the Employee Benefits Division at 518-457-5754 or 1-800-833-4344 and use the automated system to request a copy. Read your *NYSHIP General Information Book* for more information on Medicare.

*Note for COBRA enrollees: Special provisions apply when you become eligible for Medicare. Call the Employee Benefits Division for information.*

### Medicare and Your NYSHIP Benefits

The Empire Plan and all HMOs offered under NYSHIP provide broad coverage for Medicare-eligible enrollees, but there are important differences among plans.

#### The Empire Plan

If you are Medicare-primary and have secondary coverage under The Empire Plan: The Empire Plan coordinates benefits with Medicare. Since Medicare does not provide coverage outside the U.S., The Empire Plan pays primary for covered services received outside the U.S. See the *NYSHIP General Information Book and Empire Plan Certificate* for details.

### NYSHIP Health Maintenance Organizations (HMOs)

If you are Medicare-primary and enroll in a NYSHIP HMO that coordinates coverage with Medicare: You can choose to receive original Medicare benefits outside of your HMO. You would be responsible for Medicare’s coinsurance, deductibles and other charges. No payment will be made by the HMO. Most NYSHIP HMOs coordinate coverage with Medicare.

If you are Medicare-primary and enroll in a NYSHIP HMO Medicare Advantage Plan: You replace your original fee-for-service Medicare coverage with benefits offered by the Medicare Advantage HMO. To qualify for benefits, all medical care (except for emergency or out-of-area urgently needed care) must be provided, arranged or authorized by the HMO.

The HMO pages in this booklet tell you how each HMO covers Medicare-eligible enrollees. See “Terms to Know” on pages 18-19 for more information.

Check with your HMO about benefits when you travel outside of your HMO’s service area or outside of the country.

### Important

#### Non-NYSHIP HMOs

You may receive information from Medicare and from non-NYSHIP HMOs in your area describing Medicare options available to you that are not part of NYSHIP. You may wonder whether to join one of these plans. Please be aware that your NYSHIP benefits will be significantly reduced if you join one of these.
plans. If you join a Medicare Advantage plan offered outside of NYSHIP, you may have no or very few benefits except the benefits available through that plan.

Before you choose a Medicare Advantage option that is not part of NYSHIP, check with the Employee Benefits Division to see how your NYSHIP benefits will be affected.

If you cancel your NYSHIP coverage to join a non-NYSHIP Medicare Advantage plan:

- The State no longer reimburses you or your Medicare-eligible dependents for the Part B premium.
- If you wish to re-enroll in NYSHIP, there is a three-month waiting period.
- If you die while you are not enrolled in NYSHIP, your dependents are not eligible for Dependent Survivor coverage.

Medicare Part D

Medicare Part D is the Medicare prescription drug benefit for Medicare-eligible persons, effective January 1, 2006. NYSHIP provides prescription drug benefits to you and your dependents under The Empire Plan or a NYSHIP HMO. You should not join a Medicare Part D plan unless you are eligible for the extra help from the Medicare Part D Low Income Subsidy. If you do enroll in Medicare Part D, you will not be reimbursed for the Medicare Part D premium. And, your drug coverage under NYSHIP may be reduced.

If you receive prescription drug coverage through a union Employee Benefit Fund, contact the fund for information about Medicare Part D.

Keep Your Health Insurance Up To Date

You must write to the Employee Benefits Division at the New York State Department of Civil Service, The State Campus, Albany, New York 12239, when changes in your family or marital status affect your coverage or if your address changes. Be sure to sign the letter and include your identification number, telephone number and address. Act promptly. Deadlines may apply. See the NYSHIP General Information Book for details.

To Contact The Employee Benefits Division

Call the Employee Benefits Division at 518-457-5754 (Albany area) or 1-800-833-4344 (U.S., Canada, Puerto Rico, Virgin Islands) if you need a NYSHIP General Information Book and/or Empire Plan Certificate or a replacement Empire Plan Benefit Card. Please call Monday through Friday between 9 a.m. and 3 p.m. Eastern time to speak to a representative, or any time to use our automated telephone system.

Rates and Information

Watch your mail for 2006 Rates & Information for Retirees. To find this information on the New York State Department of Civil Service web site, as soon as rates are approved, go to www.cs.state.ny.us. Click “Employee Benefits”, then “Choosing a Health Plan?” You’ll also find the Statewide Retiree Health Insurance Choices (this booklet) on the site. If you still have questions, contact the Employee Benefits Division as explained above.
Lifetime sick leave credit: You pay the balance

When you retired, you may have been entitled to convert your unused sick leave into a lifetime monthly credit which reduces your cost for health insurance for as long as you remain enrolled in NYSHIP. The amount of your monthly credit remains the same throughout your lifetime. However, the balance you pay for your health insurance premium may change each year. When the retiree premium rises, the balance you must pay will also rise. To calculate the balance you will pay in calendar year 2006, subtract your monthly sick leave credit from the new monthly premium.

What Your Retirement Check and “Notice of Change” Document Will Show

Your deductions will change to reflect the 2006 health insurance rates of your 2006 health insurance plan. The 2006 Medicare reimbursement for the regular cost of Medicare Part B will be $88.50 a month, up 13 percent from $78.20 per month in 2005.

If you receive your pension by direct deposit, your retirement system will notify you of any deduction changes. The sample check stub and “Notice of Change” document (for the direct deposit enrollee) shown on the next page are from the New York State and Local Employees’ Retirement System. If you receive your pension from another retirement program, your check stub and “Notice of Change” document will be different.

Note to Enrollees Who Pay the Employee Benefits Division Directly:

The 2006 rate for your current health insurance plan will be reflected in your December bill for your January coverage. If you are changing options, the date of the adjustment will depend on when your health insurance plan change is received and processed. The amount of your Medicare credit will also be adjusted to reflect the 2006 Medicare rate.

(continued on next page)
1. Medicare Premium and Your Credit (Reimbursement) Will be $88.50 per Month

The Medicare Part B premium for 2006 is $88.50 per month. The State will reimburse you and your enrolled dependents for this amount when Medicare becomes primary to NYSHIP, unless you or your dependent receives reimbursement from another source or are NYSHIP-primary for claims purposes.

2. Insurance Premium Deduction

Your share of the NYSHIP premium, less any sick leave credit, is shown as a deduction in this box. Your retirement check of December 31, 2005, should reflect the 2006 rates.

IF YOU ARE CHANGING YOUR HEALTH INSURANCE PLAN: The correct deduction for your new health insurance plan plus or minus any retroactive adjustment needed will be reflected in your pension check. The date of the change will depend on when your health insurance plan change is received and processed.
Choosing Your Health Plan

Make an informed choice. Choosing the health insurance plan to cover your needs and the needs of your family requires careful research. As with most important purchases, there is more to consider than cost. Selecting a health plan is an important and personal decision – only you know your family life style, health, budget and benefit preferences. Think carefully about what you need from your health plan so you are better prepared to make a choice.

The first step in making a good choice is understanding the similarities and the differences between your NYSHIP options. There are two types of health insurance plans available to you under NYSHIP: The Empire Plan and Health Maintenance Organizations (HMOs). The Empire Plan is available to all NYSHIP enrollees. Specific HMOs are available in the various geographic areas of the State. Depending on where you live or work, one or several HMOs will be available to you. The Empire Plan and HMOs are similar in many ways, but also have important differences.

Benefits

The Empire Plan & HMOs

• All NYSHIP plans provide a wide range of hospital, medical/surgical, and mental health and substance abuse coverage.
• All plans provide prescription drug coverage if you do not receive it through a union Employee Benefit Fund. (Judicial Branch CWA-represented retirees (NUSD) who retired before 7/1/94 and retirees from certain Participating Employers receive prescription drug coverage through a union Employee Benefit Fund.)

Benefits differ among plans. Read this booklet and the certificate/contracts carefully for details.

Exclusions

• All plans contain exclusions for certain services and prescription drugs such as those that are considered cosmetic or experimental.
• Workers’ compensation-related expenses and custodial care generally are excluded.

For details on exclusions, read your NYSHIP General Information Book and Empire Plan Certificate or HMO contract and check with the plan directly.

Geographic Area Served

The Empire Plan

Benefits for all covered services – not just urgent and emergency care – are available worldwide.

Health Maintenance Organizations (HMOs)

• Coverage is available in the HMO’s specific service area.
• An HMO may arrange care outside its service area, at its discretion in certain circumstances.

The 2006 Rates & Information for Retirees will be mailed to your home and posted on our web site, www.cs.state.ny.us, as soon as rates are approved.

Consider Cost

Although New York State pays most of the premium cost for your coverage regardless of which plan you choose, differences in plan benefits among the various health insurance options result in different contributions for coverage. When considering cost, think about all your costs throughout the year. Keep in mind out-of-pocket expenses you are likely to incur during the year, such as copayments for prescriptions and other services, coinsurance and any costs of using providers or services not covered under the plan. Add the annual premium for that plan to these costs to estimate the total annual cost under that plan. Subtract your monthly sick leave credit (if this applies to you) from the total for the balance you will pay. Do this for each plan you are considering and compare the costs. Watch for the 2006 Rates & Information for Retirees flyer that will be mailed to your home and posted on our web site, www.cs.state.ny.us, as soon as rates are approved. Along with this booklet, the Rates flyer will provide the information you need to figure your annual cost under each of the available plans.
What’s New in 2006?

**The Empire Plan**

**Medical Benefits Program**
Effective January 1, 2006 under The Empire Plan Basic Medical Program, hearing aids, including evaluation, fitting and purchase, are covered up to a total maximum reimbursement of $1,500 per hearing aid per ear, once every four years. Children age 12 years and under are eligible to receive a benefit of up to $1,500 per hearing aid per ear, once every two years, when the child’s hearing has changed and the existing hearing aid(s) can no longer compensate for the child’s hearing loss.

**The Empire Plan Prescription Drug Program**
Beginning January 1, 2006, Empire BlueCross BlueShield will insure and jointly administer The Empire Plan Prescription Drug Program with Caremark, its pharmacy benefit manager. The Program will have a new mail service pharmacy and a new address for mail order prescriptions. There are no changes in The Empire Plan Prescription Drug Program benefit design for 2006.

**NYSHIP HMOs**
Effective January 1, 2006:
- No new enrollments will be accepted for Aetna.
- CDPHP’s service area now includes Dutchess County.
- CDPHP – Essex and Hamilton Counties have moved from Option 063 to Option 300. Rates may vary from the previous Option.
- MVP’s service area now includes Sullivan and Rockland counties.
- GHI has a new option code: Option 350 includes Dutchess, Orange, Putnam, Rockland, Sullivan and Ulster Counties. Rates may vary from the previous option.
- Community Blue and Independent Health now offer Medicare Advantage plans for Medicare-primary enrollees.

**The Empire Plan**
The Empire Plan is a unique plan designed exclusively for New York State’s public employees. The Empire Plan has many managed care features, but enrollees are not required to choose a primary care physician and do not need referrals to see specialists. However, certain services, such as hospital and skilled nursing facility admissions, mental health and substance abuse treatment, home care and some prescription drugs, require pre-approval. Coverage is available worldwide. It is not limited to your geographic area. The New York State Department of Civil Service contracts with major insurance

(continued on next page)
companies (carriers) to insure and administer different parts of the Plan. The Empire Plan provides:

- Inpatient and outpatient hospital coverage for medical, surgical and maternity care;
- Medical and surgical coverage. Coverage under the Participating Provider Program or the Basic Medical Program and Basic Medical Providers Discount Program if you choose a non-participating provider.
- Home care services, diabetic supplies, enteral formulas, durable medical equipment and certain medical supplies through the Home Care Advocacy Program (HCAP);
- Physical medicine (chiropractic treatment and physical therapy) coverage;
- Inpatient and outpatient mental health and substance abuse coverage;
- Prescription drug coverage unless it is provided by a union Employee Benefit Fund;
- Centers of Excellence Programs for cancer, transplants and infertility;
- 24-hour NurseLine_SM for health information and support; and
- Worldwide coverage.

**Cost Sharing**

Under The Empire Plan, benefits are available for covered services when you use a participating or non-participating provider. However, your share of the cost of covered services depends on whether the provider you use is participating or non-participating under the Plan.

If you use an Empire Plan participating or network provider for medical and/or surgical services, you pay a copayment ($15 in 2006) for certain services; some are covered at no cost to you. The provider files the claim and is reimbursed by The Empire Plan.

You are guaranteed access to network benefits for certain services when you contact the program before receiving services and follow program requirements:

- Mental Health and Substance Abuse Program services;
- Managed Physical Medicine Program services (physical therapy and chiropractic care); and
- Home Care Advocacy Program (HCAP) services (home care and services, including durable medical equipment).

If you use a non-participating provider for medical and surgical services, benefits for covered services are paid under the Basic Medical Program. After you satisfy an annual deductible ($322 in 2006):

- The Empire Plan pays 80 percent of the reasonable and customary charge.
- You are responsible for the 20 percent coinsurance and charges in excess of the reasonable and customary charge.
- After you reach the out-of-pocket maximum ($1,548 in 2006), you will be reimbursed up to 100 percent of the reasonable and customary charge.
- You are responsible for paying the provider and will be reimbursed by the Plan for covered charges.

If you are Empire Plan-primary, The Empire Plan also includes a program to reduce your out-of-pocket costs when you use a non-participating provider. This program, The Empire Plan Basic Medical Provider Discount Program, offers discounts from certain physicians and providers who are not part of The Empire Plan participating provider network. These providers are part of the nationwide MultiPlan group, a provider organization contracted with United HealthCare. Empire Plan Basic Medical Program provisions apply and you must meet the annual deductible.
Providers in the Basic Medical Provider Discount Program accept a discounted fee for covered services. Your 20 percent coinsurance is based on the lower of the discounted fee, or the reasonable and customary charge. The provider submits your claims and United HealthCare pays the Empire Plan portion of the provider fee directly to the provider if the services qualify for the Basic Medical Provider Discount Program. Your Explanation of Benefits, which details claims payments, shows the discounted amount applied to billed charges.

To find a provider in The Empire Plan Basic Medical Provider Discount Program, ask if the provider is an Empire Plan MultiPlan provider or call (toll free) 1-877-7-NYSHIP (1-877-769-7447), choose The Empire Plan Medical Benefits Program and ask a representative for help. You can also visit the New York State Department of Civil Service web site at www.cs.state.ny.us. Click “Employee Benefits,” then “Empire Plan Providers, Pharmacies and Services.”

The best savings are with participating providers. If you choose a non-participating or non-network provider for services covered under the Mental Health and Substance Abuse Program, the Managed Physical Medicine Program or the Home Care Advocacy Program, benefits for non-network coverage are substantially lower and subject to deductibles, coinsurance and benefit limits.

Under the Medicare Crossover Program for Medicare-primary Empire Plan enrollees, Medicare processes your claim for medical/surgical and mental health/substance abuse expenses and then automatically submits it to The Empire Plan for secondary coverage. You rarely need to file claim forms, regardless of whether you use participating or non-participating providers.

**Providers**

Under The Empire Plan you can choose from 250,000 participating physicians and other providers nationwide, and from participating pharmacies across the United States or a mail-service pharmacy.

Medically necessary visits to specialists are covered without referral or prior authorization. Basic Medical or non-network benefits are available for covered services received from non-participating providers, depending on the type of service.

**NYSHIP Health Maintenance Organizations**

A Health Maintenance Organization (HMO) is a managed care system in a specific geographic area that provides comprehensive health care coverage through a network of providers.

- Coverage outside the specified geographic area is limited.
- Enrollees usually choose a primary care physician (PCP) from the HMO’s network for routine medical care and referrals to specialists and hospitals when medically necessary.
- HMO enrollees usually pay a copayment as a per-visit fee or coinsurance (percentage of cost).
- HMOs have no annual deductible.
- Referral forms to see network specialists usually are required.
- Claim forms rarely are required.
- HMO enrollees who use doctors, hospitals or pharmacies outside the HMO’s network must, in most cases, pay the full cost of services (unless authorized by the HMO or in an emergency).

(continued on next page)
All NYSHIP HMOs provide a wide range of health services. Each offers a specific package of hospital benefits, medical, surgical and preventive care. These services are provided or arranged by the primary care physician selected by the enrollee from the HMO’s staff or physician network.

All NYSHIP HMOs cover inpatient and outpatient hospital care at a network hospital and offer prescription drug coverage unless it is provided through a union Employee Benefit Fund.

NYSHIP HMOs are organized in one of two ways:

- A Network HMO provides medical services that can include its own health centers as well as outside participating physicians, medical groups and multi-specialty medical centers.
- An Independent Practice Association (IPA) HMO provides medical services through private practice physicians who have contracted independently with the HMO to provide services in their offices.

Members enrolling in Network and IPA model HMOs may be able to select a doctor they already know if that doctor participates with the HMO.

See the individual HMO pages in this booklet for additional benefit information and to learn if the HMO serves your geographic area.

*Note: These responses are generic and highlight only general differences between The Empire Plan and NYSHIP HMOs. Details for each plan are available on individual plan pages beginning on page 30 of this booklet, in your Empire Plan Certificate (available from the Employee Benefits Division) and in your HMO contract (available from each HMO).*
Q: Can I join The Empire Plan or any NYSHIP-approved HMO?

A: The Empire Plan is available worldwide regardless of where you live or work. To enroll in a NYSHIP-approved HMO or to continue enrollment, you must live or work in that HMO's service area. If you move permanently out of and/or no longer work in your HMO's service area, you must change options. See the HMO pages in this booklet to check the counties each HMO serves in 2006.

Q: How do I find out which providers participate? What if my doctor or other provider leaves my plan?

A: Check with your providers directly to see whether they participate in The Empire Plan for New York State government employees or in a NYSHIP HMO.

- Visit our web site at www.cs.state.ny.us. Click on “Employee Benefits” and then “Empire Plan Providers, Pharmacies, and Services” to link to The Empire Plan Participating Provider Directory.

- Visit the web sites on individual HMO pages in this booklet for provider information.

- Call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) and select the appropriate program for the type of provider you need.

- If you are considering an HMO, call the telephone numbers on the HMO pages in this booklet. Ask which providers participate and which hospitals are affiliated.

If you choose a provider who does not participate in your plan, check carefully whether benefits would be available to you. Ask if you would need authorization to have the provider’s services covered. In most circumstances, HMOs do not provide benefits for services by non-participating providers or hospitals. Under The Empire Plan, you have benefits for participating and non-participating providers.

Participating providers may change during the year. You cannot change your plan more than once in a 12-month period because your provider no longer participates.

Q: I have a pre-existing condition. Will I have coverage if I change plans?

A: Yes. Under NYSHIP, you can change your plan and still have coverage for a pre-existing condition. There are no pre-existing condition exclusions in any NYSHIP plan. However, coverage and exclusions differ. Ask the plan you are considering about coverage for your condition.
Q: What if I or my dependent becomes eligible for Medicare in 2006?

A: All NYSHIP plans provide broad coverage for Medicare-primary enrollees, but there are important differences among HMOs. To receive Medicare coverage from some HMOs, you must use the HMO’s providers except for emergency care. These are called Medicare Advantage Plans. With other HMOs, if you choose to receive care outside the HMO, you still have your Medicare coverage. See pages 3-4 in this booklet for more Medicare information. Read the individual HMO’s page in this booklet, call the HMO and ask about coverage for Medicare enrollees.

Remember: Regardless of which option you choose as a retiree, you and your dependent must be enrolled in Medicare Part A and Part B at the time you or your dependent first becomes eligible.

Q: I am a COBRA dependent in a Family plan. Can I switch to Individual coverage and select a health plan different from that of the rest of my family?

A: Yes. As a COBRA dependent, you may elect to change to Individual coverage in a plan different from that of the enrollee’s Family coverage. You may enroll in The Empire Plan or choose any of the NYSHIP-approved HMOs in the area where you live or work.
• **Coinsurance** – The enrollee’s share of the cost of covered services; a fixed percentage of medical expenses.

• **Copayment** – The enrollee’s share of the cost of covered services that is a fixed dollar amount paid when medical service is received, regardless of the total charge for service.

• **Deductible** – The dollar amount an enrollee is required to pay before health plan benefits begin to reimburse for services.

• **Employee Benefits Division** – The Employee Benefits Division, State of New York Department of Civil Service, administers the New York State Health Insurance Program (NYSHIP). Call 518-457-5754 (Albany area) or 1-800-833-4344 (U.S., Canada, Puerto Rico, Virgin Islands) for NYSHIP information. Or visit our web site at www.cs.state.ny.us. Click on “Employee Benefits.”

• **Fee-for-service** – A method of billing for health care services. A provider charges a fee each time an enrollee receives a service.

• **Formulary** – A list of preferred drugs used by a health plan. If a plan has a closed formulary, you have coverage only for the drugs that appear on the list. If the plan has an open formulary, use of the list is voluntary. An incented formulary is a type of open formulary that encourages the use of preferred drugs to non-preferred drugs based on a tiered copayment schedule.

• **Health Maintenance Organization (HMO)** – A managed care delivery system organized to deliver health care services in a geographic area. An HMO provides a predetermined set of benefits through a network of selected physicians, laboratories and hospitals for a prepaid premium. Except for emergency services, you and your enrolled dependents may have coverage only for services received from your HMO’s network.
• **Managed Care** – A health care program designed to ensure you receive the highest quality medical care for the lowest cost, in the most appropriate health care setting. Most managed care plans require you to select a primary care physician employed by (or who contracts with) the managed health care system. He/she serves as your health care manager by coordinating virtually all health care services you receive. Your primary care physician provides your routine medical care and refers you to a specialist if necessary.

• **Medicare** – A federal health insurance program that covers certain people age 65 or older, disabled persons under 65, or those who have end stage renal disease (permanent kidney failure) or amyotrophic lateral sclerosis (ALS). Medicare is directed by the federal Centers for Medicare & Medicaid Services (CMS) and administered by the Social Security Administration.

• **Medicare Advantage (formerly called Medicare+Choice) Plan** – Medicare option wherein the HMO agrees with Medicare to accept a fixed monthly payment for each Medicare enrollee. In exchange, the HMO provides or pays for all medical care needed by the enrollee. If you join a Medicare Advantage Plan, you replace your original Medicare coverage (Parts A and B) with the benefits offered by the HMO. These benefits are set in accordance with Medicare’s guidelines for benefits offered under a Medicare Advantage Plan.

• **Network** – A group of doctors, hospitals and/or other health care providers who participate in a health plan and agree to follow the plan’s procedures.

• **New York State Health Insurance Program (NYSHIP)** – NYSHIP covers more than 1.1 million public employees, retirees and their dependents. It is one of the largest group health insurance programs in the country. The Program provides health care benefits through The Empire Plan or a NYSHIP-approved HMO.

• **Option** – A health insurance plan offered through NYSHIP. Options include The Empire Plan or NYSHIP-approved HMOs within a specific geographic area.

• **Primary/Medicare-primary** – A health insurance plan is primary when it is responsible for paying health benefits before any other group health insurance. Medicare becomes primary to NYSHIP (if you are not actively employed by New York State) when you turn 65, become disabled, or have end stage renal disease (waiting period applies) or amyotrophic lateral sclerosis (ALS). Read plan documents for complete information.
Choosing a health insurance plan is an important decision. Think about what health care you and your family might need during the next year. Review the plans available and ask for more information. Here are a few questions to consider:

✔ What benefits does the plan have for doctor visits and other medical care? How are durable medical equipment and other supplies covered? What is my share of the cost?

✔ What benefits does the plan have for prescription drugs? Will the medicine I take be covered under the plan? How much will my prescriptions cost me? (Certain New York State retirees and certain retirees of Participating Employers: If you receive your drug coverage from a union Employee Benefit Fund, your prescription drug plan won’t change.) What is my share of the cost? Does the plan have an open, closed or incented formulary?

✔ What choice of providers do I have under the plan? (Ask if the provider or facilities you use are covered.) How would I consult a specialist if I needed one? Do I need a referral?

✔ What is the cost of the health plan to me?

✔ What will my out-of-pocket expenses be?

✔ Does the plan cover special needs? Are there any benefit limitations? (If you or one of your dependents has a medical or mental health condition requiring specific treatment or other special needs, check on coverage carefully. Don’t assume you’ll have coverage. Ask The Empire Plan carriers or HMOs about your specific treatment.)

✔ Are routine office visits and urgent care covered for out-of-area college students or is only emergency health care covered?

✔ How much paperwork is involved in the health plan – do I have to fill out forms?

✔ How will Medicare affect my NYSHIP coverage? If I choose an HMO, is it a Medicare Advantage Plan? Does the plan coordinate coverage with Medicare? See pages 3-4 in this booklet for information on Medicare.

✔ Does the plan cover me when I travel?
What You Need To Do

The Empire Plan and NYSHIP HMOs are summarized in this booklet. The Empire Plan is available to all NYSHIP enrollees. NYSHIP HMOs are available to enrollees in areas where they live or work. Pick the plans that would best serve your needs and call each plan for details.

If you decide to change your plan:

1. Compare the coverage and cost of your options.
2. Complete and mail your “Option Transfer Request” form on page 45. Send it to the Employee Benefits Division at the address on the form as early as possible prior to when you’d like your new plan to become effective. (The effective date you request must be the first of a month.)
3. If you are Medicare-primary and are enrolled in a NYSHIP Medicare Advantage Plan and cancel your coverage with the HMO, you need to complete an “Enrollment Cancellation” form. Please see page 49.

If you are changing to The Empire Plan:
Steps 2 and 3 on the left are all you need to take. You will receive your Empire Plan Benefit Card(s).

If you are enrolling in an HMO:
In addition to steps 2 and 3 on the left, complete “Notice of Intent to Enroll in an HMO” on page 47. Send the completed form to your new HMO. You will receive identification cards in four to six weeks.

Your New Card

If you need medical services before your new card arrives, and you need help verifying your new enrollment, contact the Employee Benefits Division.

How to Use the Choices Benefit Charts, Pages 22–42

All NYSHIP plans must include a minimum level of benefits (see page 8). Some benefits are the same. For example, The Empire Plan and all NYSHIP HMOs provide a paid-in-full benefit for medically necessary inpatient medical/surgical hospital care at network hospitals.

BENEFITS PROVIDED BY ALL PLANS AT THE SAME LEVEL OF COVERAGE (see page 8) ARE NOT LISTED ON EACH PLAN’S CHART.

Use the charts to compare the differences between plans. The chart lists out-of-pocket expenses and benefit limitations effective January 1, 2006. See plan documents for complete information on benefit limitations.

A Reminder

Most benefits described in this booklet are subject to medical necessity and may involve limitations or exclusions. Please refer to plan documents or call the plans directly for details.
The Empire Plan:  
The Empire Plan is available to all enrollees in the New York State Health Insurance Program (NYSHIP). You may choose The Empire Plan regardless of where you live or work. Coverage is worldwide. See pages 24-29 for a summary of The Empire Plan.

Health Maintenance Organizations (HMOs):  
Most NYSHIP enrollees have a choice of HMOs. You may enroll – or continue to be enrolled – in any NYSHIP-approved HMO that serves the area where you live or work. You may not be enrolled in an HMO outside your area. If you no longer live or work in the NYSHIP service area of the HMO in which you are now enrolled, you must change to another plan. Use the list on this page and the map in this booklet to determine which NYSHIP-approved HMOs are available by region. Then read the HMO page indicated to determine the exact counties served and the benefits provided by each NYSHIP-approved HMO. If your county is listed on an HMO page, you may enroll in that HMO.

As the largest not-for-profit health insurer in New York State, GHI introduced the GHI HMO in 1999. GHI HMO’s provider network is available in 15 counties in New York State. GHI HMO’s primary concern is to provide medical coverage that gives our members confidence that you and your family are well covered. With more than three million statewide members, GHI is committed to provide individuals, families and businesses with access to affordable, quality healthcare, supported by outstanding customer service.

### Participating Physicians

Services are provided by local participating physicians in their private offices. GHI HMO has over 13,000 member physicians and health care professionals throughout its 15-county NYSHIP-approved service area.

### Affiliated Hospitals

GHI HMO members are covered at area hospitals to which their GHI HMO physician has admitting privileges. GHI HMO members may be directed to other hospitals based on medical necessity when prior approval is obtained and the care is deemed appropriate by a GHI HMO Medical Director.

### Pharmacies & Prescriptions

GHI HMO offers an open formulary. Members may utilize any GHI HMO pharmacy for retail prescription drugs, up to a 30-day supply. If a brand-name drug is selected or prescribed and there is a generic equivalent available, the member pays the brand copayment and the difference in price between the generic and the brand drug. All maintenance medication is obtained through the mail order program. Ask your doctor to prescribe the needed medication for up to 90 days, plus refills, if appropriate. Mail your prescription and the correct copayment in the special order envelope. To help ensure you never run short of your prescription medication, you should reorder on or after the refill date indicated on the refill slip or your medication container, or when you have 14 days of medication left. Mail order medication is pre-paid by check or money order or you may authorize billing to your credit card.

### Medicare Coverage

GHI HMO offers the same benefits to NYSHIP Medicare eligibles. GHI HMO coordinates coverage with Medicare.
