A Message from The New York State Health Insurance Program (NYSHIP)

This booklet explains the options available to you under NYSHIP for your health insurance coverage and other benefits.

The 2026 option-change deadline will be announced once rates for the upcoming plan year have been approved.

You may not change your option after the deadline except in special circumstances (see your *General Information Book* for details).

If you have questions after you read this booklet, contact your health benefits administrator (HBA), The Empire Plan program administrators or the health maintenance organizations (HMOs) directly.

NYSHIP does not offer an open enrollment period. If you and/or your dependents are eligible for NYSHIP coverage but are not enrolled, see your *General Information Book* for information regarding enrollment and situations in which a late enrollment waiting period applies.

Here are some questions to ask yourself as you review the information on the following pages:

- What is the premium?
- What choice of providers do I have?
- Are the providers and facilities I currently use considered in- or out-of-network?
- Is the medicine I currently take covered?
- What is my share of the cost?
- What is the annual out-of-pocket maximum?
- What will happen if I need care while away from home?
- Are my special needs covered?
- Is there a deductible?
- How often do I anticipate needing care?
- What benefits are available for a catastrophic illness or injury?
- Are there any benefit limitations?

Selecting a health insurance plan is an important and personal decision.

Only you know your family's lifestyle, health, budget and benefit preferences.

Reminders

New in 2026

The Empire Plan

The **maximum out-of-pocket limits** for covered, in-network services under The Empire Plan have changed for 2026. These limits are initially determined during the collective bargaining process and updated annually thereafter based on negotiated agreements. See the charts on page 18 for more information about how out-of-pocket limits apply to each Empire Plan program.

NYSHIP HMO

As of January 1, 2026, **EmblemHealth** will expand its **Downstate** NYSHIP service area (**Option #050**) to include Rockland county.

If You Decide to Change Your Option

If you decide to change your option, submit a completed *NYSHIP Health Insurance Transaction Form* (PS-404) to your HBA or make the change online using MyNYSHIP* before the Option Transfer deadline announced in the rates flyer.

If you would like to newly enroll in the Opt-out Program, you must also complete and submit a *NYSHIP Opt-out Program Attestation Form* (PS-409). See page 12 for details.

If You Plan to Retire or Vest in 2026

If you continue your NYSHIP enrollment as a retiree or vestee, you may change your health insurance option when your status changes and, thereafter, at any time once during a 12-month period, for any reason. **Note:** In certain circumstances, you may be allowed to change your option more than once during a single 12-month period. See your *General Information Book* for details.

If you are planning to retire or vest in 2026, take the time now to familiarize yourself with the eligibility requirements for continuing your health insurance coverage. Refer to your *General Information Book* and ask your HBA for copies of *Planning for Retirement* and *Choices for 2026* for Retirees.

* You must be an active employee of a New York State agency and have a personal NY.gov ID to access MyNYSHIP. MyNYSHIP is not available to active employees of Participating Employers (PEs).

Let Your Agency Know About Changes

You must notify your HBA of any changes to your enrollment record (home address, phone number, marital status, dependent eligibility) in a timely manner. Changes in your family status, such as the addition or loss of a dependent, may mean that you need to change your health insurance coverage from Individual to Family or from Family to Individual. If you submit a request within 30 days of a change in family status, you may make these coverage changes without being subject to a late enrollment waiting period. See your *General Information Book* for details. Promptly inform your HBA about any change to ensure it is effective on the actual date of change in family status. If you are registered for MyNYSHIP,* you may also make address and option changes online.**

** MyNYSHIP cannot be used to enroll in the Opt-out Program.

Cost of Coverage

2026 Health Plan Rates

The 2026 health plan rates will be mailed to your home and posted on the NYSHIP website as soon as they have been approved.

Note: Participating Employers (PEs), such as the Thruway Authority and the Metropolitan Transportation Authority, will notify their enrollees of 2026 rates.

The rates flyer announces the option-change deadline and dates on which changes in health insurance payroll deductions will occur. You will have 30 days from the date your agency receives the rate information to submit any changes.

The Pre-Tax Contribution Program

COBRA and Young Adult Option (YAO) enrollees are not eligible to participate in the Pre-Tax Contribution Program (PTCP).

The following also does not apply to enrollees of PEs. PEs that participate in a pre-tax contribution program will provide specific pre-tax information to their employees.

The PTCP is a voluntary program that allows employees to have their share of the health insurance premium deducted from their wages before taxes are withheld, which in turn may lower tax liability.

Employees must initially decide whether to participate in PTCP when first eligible for NYSHIP health coverage. Subsequently, they may change their PTCP status each year during the PTCP Election Period.

Your current PTCP status is noted on your paycheck.

- If you are enrolled in PTCP, your paycheck stub shows “Regular Before-Tax Health” in the Before-Tax Deductions section. Your health insurance premium is deducted from your wages before taxes are withheld.
- If you are not enrolled in PTCP, or part of your deduction is being taken after tax (e.g., for a non-federally qualifying dependent), your paycheck stub shows “Regular After-Tax Health” in the After-Tax Deductions section. Your health insurance premium is deducted from your wages after taxes are withheld.

The PTCP Election Period runs concurrently with the annual Option Transfer Period. Dates will be announced once rates have been approved. Per Internal Revenue Service (IRS) rules, this election period is the only opportunity for employees to change their PTCP status; arbitrary, mid-year status changes are not allowed.

If you wish to change your PTCP election for the 2026 plan year, complete and sign a *NYSHIP Health Insurance Transaction Form* (PS-404) and submit it to your HBA any time during the PTCP Election Period. **NO ACTION IS REQUIRED TO KEEP YOUR CURRENT PTCP STATUS.**

For more information about the PTCP, please consult the *Planning for Option Transfer* publication and your *General Information Book*.

Your Share of the Premium

The following does not apply to employees of PEs (PEs will provide premium information) or to COBRA enrollees, Young Adult Option enrollees or enrollees in leave without pay status (who pay the full cost of coverage).

New York State helps to pay for your health insurance coverage. After the State's contribution, you are responsible for paying the balance of your premium, usually through biweekly deductions from your paycheck.

Whether you enroll in The Empire Plan or a NYSHIP HMO, the State's share and your share of the cost of coverage are based on the following (salary requirements vary; contact your HBA for more information):

Individual Coverage		
Enrollee Pay Grade	State Share	Employee Share
Grade 9 and below*	88%	12%
Grade 10 and above*	84%	16%

Dependent Coverage		
Enrollee Pay Grade	State Share	Employee Share
Grade 9 and below*	73%	27%
Grade 10 and above*	69%	31%

* Or salary equivalent, if no Grade assigned. Contact your HBA to confirm.

If you enroll in a NYSHIP HMO, the State's dollar contribution for the hospital, medical/surgical and mental health and substance use components of your HMO premium will not exceed its dollar contribution for those components of The Empire Plan premium. For the prescription drug component of your HMO premium, the State pays the share noted in the table; the dollar amount is not limited by the cost of Empire Plan drug coverage.

Comparing Your NYSHIP Health Plan Options

There are two types of health insurance plans available to you under NYSHIP: The Empire Plan and NYSHIP-approved HMOs. Additionally, if you have other employer-sponsored group health coverage available to you, you may be eligible to participate in the Opt-out Program (see page 12 for details).

The Empire Plan vs. NYSHIP HMOs	
Empire Plan	HMO
Plan Type A self-insured Preferred Provider Organization (PPO) plan with features of a managed care system.	Plan Type A managed care system in a specific geographic area that provides comprehensive coverage through a network of providers.
Service Area Benefits for covered services, not just urgent and emergency care, are available worldwide.	Service Area Aside from emergencies, coverage for services received outside the service area is limited and at the discretion of the individual HMO.
Participating Providers Enrollees have access to over one million network providers and facilities throughout the United States and are not required to choose a Primary Care Physician (PCP) or obtain referrals to see specialists. Certain services require preapproval. For provider information: <ul style="list-style-type: none"> • Visit the NYSHIP website • Check with the provider/facility directly • Call The Empire Plan toll free at 1-877-7-NYSHIP 	Participating Providers Enrollees usually choose a PCP from the HMO's network for routine medical care. Out-of-Pocket Expenses/Cost Sharing Enrollees usually pay a copayment as a per-visit fee. Benefits for covered services obtained from a nonparticipating provider are subject to a deductible and/or coinsurance.	Out-of-Pocket Expenses/Cost Sharing Enrollees usually pay a copayment as a per-visit fee or coinsurance. HMOs have no annual deductible. Out-of-network benefits not available.

* See the individual HMO pages in this booklet for contact information.

Exclusions

All plans contain coverage exclusions for certain services and prescription drugs. Additionally, Workers' Compensation-related expenses and custodial care are generally excluded from coverage. For details on a plan's exclusions, read the *Empire Plan Certificate* or the NYSHIP HMO contract or check with the plan directly.

Summary of Benefits and Coverage

The *Summary of Benefits and Coverage* (SBC) is a standardized comparison document required by the Patient Protection and Affordable Care Act. To view a copy of an SBC for The Empire Plan or a NYSHIP HMO, visit cs.ny.gov/sbc. If you do not have internet access, call 1-877-7-NYSHIP (1-877-769-7447) and select the Medical/Surgical Program to request a copy of the SBC for The Empire Plan. If you need an SBC for a NYSHIP HMO, contact the HMO.

NYSHIP's Young Adult Option (YAO)

This option allows unmarried, young adult children (age 29 or younger) of NYSHIP enrollees to purchase their own NYSHIP coverage. During the YAO Open Enrollment Period (which coincides with the Option Transfer Period), eligible adult children of NYSHIP enrollees can enroll in the YAO and current YAO enrollees are able to switch plans. The premium is the full cost of Individual coverage for the NYSHIP option selected.

For more information about the YAO, go to cs.ny.gov/yao or call the Employee Benefits Division at 518-457-5754 or 1-800-833-4344.

Plan Comparison Tool

To generate a side-by-side comparison of the benefits provided by the NYSHIP plans in your area, use the Plan Comparison Tool, available on the NYSHIP website. Choose the counties in which you live and work and the plans you want to compare to quickly view the benefit information most important to you/your family in a convenient, single-screen format.

Questions and Answers

Question	Empire Plan	HMO
Will I be covered for medically necessary care I receive away from home?	Yes, coverage is available worldwide. If you use a nonparticipating provider, deductibles, coinsurance and benefit limits may apply.	You are always covered for emergency care. Some HMOs may provide coverage for urgent or routine care outside the service area or for college students away from home.
If I am diagnosed with a serious illness, can I see a physician or go to a hospital that specializes in my illness?	Yes. If the doctor you choose participates in The Empire Plan, network benefits will apply for covered services. Your hospital benefits will differ depending on whether you choose a network or non-network hospital (see pages 13–14 for details).	You should expect to choose a participating physician and a participating hospital. Under certain circumstances, you may be able to receive a referral to a non-network provider but will need to contact your HMO for prior approval.
Can I be sure I will not need to pay more than my copayment(s) when I receive medical services?	Your copayment(s) should be your only expense if you receive medically necessary and covered services from a participating provider.	As long as you receive medically necessary and covered services and obtain any required referrals, your copayment(s) or coinsurance should be your only expense.
Can I use the hospital of my choice?	Yes. You have coverage worldwide, but you will receive the highest level of benefits at network facilities. See page 13 for details.	Except in an emergency, you generally do not have coverage at non-network hospitals unless authorized by the HMO.
What kind of physical therapy, occupational therapy and chiropractic care is available?	You have guaranteed access to unlimited, medically necessary care.	Coverage is available for a specified number of days/visits each year.
What if I need durable medical equipment, medical supplies or home nursing?	Through the Home Care Advocacy Program (HCAP), benefits for home care, durable medical equipment and certain medical supplies (including diabetic and ostomy supplies) and enteral formulas are covered at no cost to you. Prior authorization is required.	Benefits are available, vary depending on the HMO and may require a greater percentage of cost sharing.

Note: These responses are generic and highlight only general differences between The Empire Plan and NYSHIP HMOs. Details for each plan are available beginning on page 13 of this booklet, as well as in the *Empire Plan Certificate* and individual HMO contracts.

Plans by County

The Empire Plan is available to all enrollees in the New York State Health Insurance Program (NYSHIP) regardless of where you live or work. Coverage is worldwide.

Many NYSHIP enrollees have a choice among HMOs. You may enroll or continue to be enrolled in any NYSHIP-approved HMO that serves the area where you live or work.

You may not be enrolled in an HMO outside your area.

NYSHIP HMO members have access to plan network benefits when using a participating provider located within the service area associated with the option code in which they are enrolled.

Before receiving care when traveling outside of an HMO's designated service area, you should always check to make sure that the provider participates with the HMO's NYSHIP network.

This list shows which HMOs are available in each county. Medicare-primary NYSHIP HMO enrollees will be enrolled in their HMO's Medicare Advantage plan.

The Opt-out Program NYSHIP Code #700

The Opt-out Program is available to eligible employees who have other employer-sponsored group health coverage. If eligible, you may opt out of NYSHIP coverage in exchange for an incentive payment. Employees who are represented by UUP are not eligible to participate in this program. The State Opt-out Program is not available to employees of PEs; however, a PE may offer a similar option or buyout.

The annual incentive payment is \$1,000 for opting out of Individual coverage or \$3,000 for opting out of Family coverage. The incentive payment is prorated and credited through your biweekly paycheck throughout the year (payable only when you are eligible for NYSHIP coverage at the employee share of the premium). **Note:** Opt-out incentive payments increase your taxable income.

It is not necessary to reenroll in the Opt-out Program each year. *No action is required for current Opt-out enrollees who are still eligible and wish to remain in the program for the 2026 plan year.*

Eligibility Requirements

To be eligible for the Opt-out Program, you must:

- Have been enrolled in the Opt-out Program for the prior plan year or
- Have been enrolled in a NYSHIP health plan by April 1, 2025 (or on your first date of NYSHIP eligibility if that date is later than April 1) and remained continuously enrolled while eligible for the employee share of the premium through the end of 2025.

To qualify for the Opt-out Program, you must be covered under an employer-sponsored group health insurance plan through other employment of your own or a plan that your spouse, domestic partner or parent has as a result of their employment. New York State employees cannot opt out of NYSHIP if they are covered under NYSHIP as a dependent through another New York State employee.

An individual cannot be enrolled in more than one NYSHIP option in their own right as an employee. Since the Opt-out Program is considered a NYSHIP option, an individual cannot opt out through one employer and be enrolled in NYSHIP health benefits in their own right through another employer.

If the employee is covered as a dependent on another NYSHIP policy through a local government or public entity, they are only eligible for the Individual Opt-out incentive amount (\$1,000).

Before requesting enrollment in the Opt-out Program, find out whether the other employer-sponsored plan will permit you to enroll as a dependent. You are responsible for making sure that your other coverage is in effect during the period you opt out of NYSHIP.

Note: Opt-out Program participation satisfies NYSHIP enrollment requirements at the time of your retirement. The Opt-out Program is not available to retirees.

Enrolling in the Opt-out Program

If you are currently enrolled in The Empire Plan or a NYSHIP HMO and wish to participate in the Opt-out Program, you must choose to opt out during the annual Option Transfer Period and attest to and provide information regarding your other employer-sponsored group health benefits for the next plan year.

To enroll in the Opt-out Program, you must complete a *NYSHIP Health Insurance Transaction Form (PS-404)* and a *NYSHIP Opt-out Program Attestation Form (PS-409)* and submit both to your HBA. Your NYSHIP coverage will terminate at the end of the current plan year, and the incentive payments will begin with the first pay period affecting coverage for 2026.

Once enrolled in the Opt-out Program, you are not eligible for the incentive payment during any period that you do not meet the requirements for the State contribution to the cost of your NYSHIP coverage. Additionally, if you are receiving the opt-out incentive for Family coverage and your last dependent loses NYSHIP eligibility, you will only be eligible for the Individual payment from that date forward.

The Empire Plan NYSHIP Code #001

This section summarizes benefits available under each portion of The Empire Plan as of January 1, 2026.¹ Visit the NYSHIP website or call The Empire Plan toll free at 1-877-7-NYSHIP (1-877-769-7447) for additional information on the following programs.

Medical/Surgical Program

Medical and surgical coverage through:

- **Participating Provider Program** – The Participating Provider Program network administered by UnitedHealthcare includes over one million physicians, laboratories and other providers, such as physical therapists, occupational therapists and chiropractors, located throughout the United States. Certain services are subject to a \$25 copayment.
- **Basic Medical Program** – If you use a nonparticipating provider, covered expenses are reimbursed under the Empire Plan's Basic Medical Program, subject to deductible and coinsurance.
- **Basic Medical Provider Discount Program** – If you are Empire Plan primary and use a nonparticipating provider who is part of the Basic Medical Provider Discount Program, your out-of-pocket costs may be lower (see page 16).
- **Home Care Advocacy Program (HCAP)** – Benefits for home care, durable medical equipment and certain medical supplies (including diabetic and ostomy supplies), enteral formulas and diabetic shoes are covered at no cost to you. Prior authorization is required. Guaranteed access to network benefits nationwide. Limited non-network benefits available (see the *Empire Plan Certificate* for details).
- **Managed Physical Medicine Program (MPMP)** – Chiropractic treatment, physical therapy and occupational therapy through a network provider are subject to a \$25 copayment. Unlimited network benefits when medically necessary. Guaranteed access to network benefits nationwide. Non-network benefits available.

- **Benefits Management Program** – You must call the Medical/Surgical Program for Prospective Procedure Review before an elective (scheduled) magnetic resonance imaging (MRI), magnetic resonance angiography (MRA), computerized tomography (CT) scan, positron emission tomography (PET) scan or nuclear medicine test, unless you are having the test as an inpatient in a hospital (see the *Empire Plan Certificate* for details).

When arranged by the Medical/Surgical Program, a voluntary specialist consultant evaluation is available at no cost to you. Voluntary outpatient medical case management is available to help coordinate services for catastrophic and complex cases.

Hospital Program

The following benefit levels apply for covered services received at a Blue Cross and Blue Shield Association BlueCard® PPO **network hospital**:

- Inpatient hospital stays are covered at no cost to you.
- Outpatient hospital and emergency care are subject to network copayments.
- Anesthesiology, pathology and radiology provider charges for covered hospital services are covered under the Medical/Surgical Program at no cost to you (if The Empire Plan provides your primary coverage).
- Certain covered outpatient hospital services provided at network hospital extension clinics are subject to outpatient hospital copayments.
- Except as noted above, physician charges received in a hospital setting will be covered at no cost to you if the provider is a participating provider under the Medical/Surgical Program. Physician charges for covered services received from a non-network provider will be paid in accordance with the Basic Medical portion of the Medical/Surgical Program.

¹ These benefits are subject to medical necessity and to limitations and exclusions described in the *Empire Plan Certificate*.

If you are an Empire Plan-primary enrollee,² you will be subject to 10% coinsurance for inpatient stays at a **non-network hospital**. For outpatient services received at a non-network hospital, you will be subject to the greater of 10% coinsurance or \$75 per visit. The Empire Plan will cover 100% of the billed charges for covered inpatient and outpatient services only after the combined annual coinsurance maximum threshold has been reached.

The Empire Plan will approve network benefits for hospital services received at a non-network facility if:

- Your hospital care is urgent or an emergency
- You do not have access to a network facility within a 30-mile radius or 30-minute travel time from your home address that can provide the medically necessary services that you require
- Another insurer or Medicare provides your primary coverage
- You are in an ongoing course of treatment or are pregnant when a hospital leaves the network

Preadmission Certification Requirements

Under the **Benefits Management Program**, if The Empire Plan is your primary coverage, you must call the Hospital Program for certification of any of the following inpatient stays:

- Before a scheduled (nonemergency) hospital admission (except maternity and detoxification)
- Within 48 hours or as soon as reasonably possible after an emergency or urgent hospital admission
- Before admission or transfer to a skilled nursing facility

If you do not follow the preadmission certification requirement for the Hospital Program, you must pay:

- A \$200 hospital penalty (if it is determined any portion was medically necessary) and
- All charges for any day's care determined not to be medically necessary.

Voluntary inpatient medical case management is available to help coordinate services for catastrophic and complex cases.

Mental Health and Substance Use Program

The Mental Health and Substance Use (MHSU) Program offers both network and non-network benefits.

Network Benefits

(unlimited when medically necessary)

If you call the MHSU Program before you receive services, you receive:

- Inpatient services, covered at no cost to you
- Crisis intervention, covered for up to three visits per crisis at no cost to you; after the third visit, the \$25 copayment per visit applies
- Outpatient services, including office visits, home-based or telephone counseling and nurse practitioner services, for a \$25 copayment per visit
- Intensive Outpatient Program (IOP) with an approved provider for a \$25 copayment per day

Non-Network Benefits³

(unlimited when medically necessary)

Covered services received from a nonparticipating practitioner or non-network facility are subject to cost sharing requirements. See Cost Sharing on page 15 for additional information.

Outpatient counseling sessions for family members of an individual being treated for alcohol or substance use are covered for a maximum of 20 visits per year for all family members combined.

The Empire Plan NurseLineSM

For health information and support, call The Empire Plan and press or say 5 for the NurseLine.

Registered nurses are available 24 hours a day, seven days a week. All calls are confidential.

² If Medicare or another plan provides primary coverage, you receive network benefits for covered services at both network and non-network hospitals.

³ You are responsible for ensuring that MHSU Program certification is received for care obtained from a non-network practitioner or facility.

Empire Plan Cost Sharing

Plan Providers

Under The Empire Plan, benefits are available for covered services when you use a participating or nonparticipating provider. However, your share of the cost depends on whether the provider you use participates in the plan. You receive the maximum plan benefits when you use participating providers. For more information, ask your HBA for a copy of *Reporting On Network Benefits* or view it on the NYSHIP website.

If you use an Empire Plan participating provider or facility, you pay a copayment for certain services. Some services are covered at no cost to you. The provider or facility files the claim and is reimbursed by The Empire Plan.

Even if there are no network providers in your area, you are guaranteed access to network benefits within the United States and its territories for the following services if you call The Empire Plan at 1-877-769-7447 beforehand to arrange care:

- Mental Health and Substance Use (MHSU) Program services
- Managed Physical Medicine Program (MPMP) services (physical therapy, chiropractic care and occupational therapy)
- Home Care Advocacy Program (HCAP) services (including durable medical equipment)

If you use a nonparticipating provider or non-network facility, benefits for covered services are payable under the **Basic Medical Program** and are subject to a deductible and/or coinsurance.

Annual Maximum Out-of-Pocket Limit

There is a limit on the amount you are expected to pay out of pocket for in-network services and supplies during the plan year. Once you reach the limit, you will have no additional copayments. Please see the chart on page 18 for more information.

Combined Annual Deductible

For Medical/Surgical and MHSU Program services received from a nonparticipating provider or non-network facility, The Empire Plan has a combined annual deductible that must be met before covered

services under the Basic Medical Program and non-network expenses under both the HCAP and MHSU Programs can be reimbursed. See the table on page 16 for 2026 combined annual deductible amounts. The Managed Physical Medicine Program (MPMP) has a separate deductible (\$250 per enrollee, \$250 per enrolled spouse/domestic partner and \$250 per all dependent children combined) that is not included in the combined annual deductible.

After the combined annual deductible has been met, The Empire Plan considers 80% of the allowed amount, which is based on 275% of the Medicare rates published by the Centers for Medicare & Medicaid Services (CMS), for the Basic Medical Program and non-network practitioner services for the MHSU Program, 50% of the network allowance for covered services for non-network HCAP or MPMP services and 90% of the billed charges for covered services for non-network approved facility services for the MHSU Program. You are responsible for the remaining 20% coinsurance and all charges in excess of the allowed amount for Basic Medical Program and non-network practitioner services, 10% for non-network MHSU-approved facility services and the remaining 50% of the network allowance for covered, non-network HCAP or MPMP services.

Combined Annual Coinsurance Maximum

The Empire Plan has a combined annual coinsurance maximum that must be met before covered services under the Basic Medical Program and non-network expenses under the Hospital and MHSU Programs will be fully reimbursed. See the table on page 16 for 2026 combined annual coinsurance maximum amounts.

After you reach the combined annual coinsurance maximum, you will be reimbursed up to 100% of covered charges under the Hospital Program and 100% of the allowed amount for services covered under the Basic Medical Program and MHSU Program. You are responsible for paying the provider and will be reimbursed by the plan for covered charges. You are also responsible for paying all charges in excess of the allowed amount.

2026 Combined Annual Deductible and Annual Coinsurance Maximum Amounts

Enrollee Group/Category	Combined Annual Deductible	Combined Annual Coinsurance Maximum
Enrollee	\$1,250	\$3,750
Enrolled spouse/domestic partner	\$1,250	\$3,750
Dependent children combined	\$1,250	\$3,750
Reduced amount for enrollees ¹ in titles equated to Salary Grade 6 and below ²	\$625	\$1,875
Reduced amount for enrollees ¹ represented by UUP who earn less than \$43,520	\$625	\$1,875

¹ And each deductible or coinsurance maximum amount for an enrolled spouse/domestic partner and dependent children combined.

² This reduction does not apply to justices or judges.

The combined annual coinsurance maximum will be shared among the Basic Medical Program and non-network coverage under the Hospital Program and MHSU Program. The Managed Physical Medicine Program and HCAP do not have a coinsurance maximum.

Basic Medical Provider Discount Program

If The Empire Plan is your primary insurance coverage and you use a nonparticipating provider who is part of the Basic Medical Provider Discount Program, your out-of-pocket expense will, in most cases, be reduced. Your share of the cost will be

based on the lesser of the Basic Medical Provider Discount Program fee schedule or the allowed amount. The Basic Medical Provider Discount Program provider will submit bills to and receive payments directly from UnitedHealthcare. You are only responsible for the applicable deductible and coinsurance amounts.

To find a provider in the Basic Medical Provider Discount Program, visit the NYSHIP website or call The Empire Plan, choose the Medical/Surgical Program and ask a representative for help.

Prescription Drug Program

The Prescription Drug Program does not apply to those who have drug coverage through a union employee benefit fund. If you are Medicare primary or will be in 2026, ask your HBA for a copy of 2026 Choices for Retirees for information about your coverage under Empire Plan Medicare Rx, a Medicare Part D prescription drug program.

Advanced Flexible Formulary Drug List

The Empire Plan Prescription Drug Program has a flexible formulary drug list for prescription drugs. Designed to provide enrollees and the plan with the best value in prescription drug spending, the **Advanced Flexible Formulary** excludes coverage for certain brand-name and generic drugs that have no clinical advantage over other covered medications in the same therapeutic class. View the list on the NYSHIP website.

Copayments for Covered Drugs

The following copayments apply for covered drugs purchased from a network pharmacy, the mail service pharmacy or the designated specialty pharmacy. Prior authorization is required for certain drugs.

Certain covered drugs do not require a copayment when using a network pharmacy:

- Oral chemotherapy drugs, when prescribed for the treatment of cancer
- Generic oral contraceptive drugs and devices or brand-name contraceptive drugs/devices without a generic equivalent
- Tamoxifen, raloxifene (for patients age 35 and over), anastrozole and exemestane when prescribed for the primary prevention of breast cancer
- Pre-Exposure Prophylaxis (PrEP) and Post-Exposure Prophylaxis (PEP), when prescribed for enrollees who are at high risk of acquiring HIV
- Medications used for emergency contraception and pregnancy termination
- Certain preventive adult vaccines, when administered at a pharmacy that participates in the CVS Caremark National Vaccine Network

When you fill a prescription for a covered brand-name drug that has a generic equivalent, you pay the Level 3 or non-preferred copayment, plus the difference in cost between the brand-name drug and the generic equivalent (or “ancillary charge”), not to exceed the full retail cost of the drug, unless the brand-name drug has been placed on Level 1 of the Advanced Flexible Formulary. Exceptions apply.

Copayments for Covered Drugs		
Up to a 30-day supply from a network pharmacy, the mail service pharmacy or the designated specialty pharmacy	Level 1 drugs or most generic drugs	\$5
	Level 2 drugs, preferred drugs or compound drugs	\$30
	Level 3 drugs or non-preferred drugs	\$60
31- to 90-day supply from a network pharmacy	Level 1 drugs or most generic drugs	\$10
	Level 2 drugs, preferred drugs or compound drugs	\$60
	Level 3 drugs or non-preferred drugs	\$120
31- to 90-day supply from the mail service pharmacy or the designated specialty pharmacy	Level 1 drugs or most generic drugs	\$5
	Level 2 drugs, preferred drugs or compound drugs	\$55
	Level 3 drugs or non-preferred drugs	\$110

You can use a non-network pharmacy or pay out of pocket at a network pharmacy and submit a claim form for reimbursement. In almost all cases, you will not be reimbursed the total amount you paid for the prescription and your out-of-pocket expenses may exceed the usual out-of-pocket amount. To reduce your out-of-pocket expenses, use your Empire Plan benefit card whenever possible.

Annual Maximum Out-of-Pocket Limit

There is a limit on the amount you are expected to pay out of pocket for covered prescription drugs received from a network pharmacy during the plan year. Once you reach the limit, you will have no additional copayments for prescription drugs. Please see the chart below for more information.

Specialty Pharmacy Program

CVS Specialty® is the designated pharmacy for The Empire Plan Specialty Pharmacy Program. The program provides enhanced services to individuals

using specialty drugs (such as those used to treat complex conditions and those that require special handling, special administration or intensive patient monitoring), including disease and drug education; compliance, side effect and safety management; expedited, scheduled delivery of medications at no additional charge; refill reminder calls; and coordination of all necessary supplies (such as needles and syringes) applicable to the medication. Under the program, you are covered for an initial 30-day fill of most specialty medications at a retail pharmacy, but all subsequent fills must be obtained through CVS Specialty®. When CVS Caremark dispenses a specialty medication, the applicable mail service copayment is charged. The complete list of specialty drugs included in the program is available on the NYSHIP website. To get started with CVS Specialty®, request refills or speak to a specialty-trained pharmacist or nurse, call The Empire Plan, choose the Prescription Drug Program and ask to speak with Specialty Customer Care.
