Reminders

Pre-Retirement Seminars

The Department of Civil Service cooperates with the Office for the Aging in presenting pre-retirement seminars. A representative from the Employee Benefits Division will explain the New York State Health Insurance Program (NYSHIP) and your choices before you leave the payroll. Call your personnel office to learn if there's a seminar available in your area.

You can also check the schedule on the New York State Department of Civil Service Web site, www.cs.state.ny.us. Click on Employee Benefits, then on Meetings & More.

When You Write to Us

Be sure to put your return address in your letter (not just on the envelope) whenever you write to us at the Employee Benefits Division.

Please also include your name and health insurance identification number in your letter. Without this information, our response to you may be delayed.
