Graduating Students Eligibility

Effective October 1, 2002, unmarried dependent students who are age 19 or over but under age 25 and complete course requirements for graduation from a qualified course of study are eligible for three months of continued coverage following the end of the month in which they complete course requirements for graduation.

You must provide verification of the dependent's graduation before claims will be paid.

After the three-month extension period ends, the graduated dependent student may choose either COBRA coverage or a direct-pay conversion contract. Deadlines apply. See your *NYSHIP General Information Book* before coverage ends.

If you have any questions, contact your agency Health Benefits Administrator.

When You Write to Us

Pre-Retirement Seminars

The Department of Civil Service cooperates with the Office for the Aging in presenting pre-retirement seminars. A representative from the Employee Benefits Division will explain the New York State Health Insurance Program (NYSHIP) and your choices before you leave the payroll. Call your personnel office to learn if there's a seminar available in your area.

You can also check the schedule on the New York State Department of Civil Service Web site, www.cs.state.ny.us. Click on Employee Benefits, then on Meetings & More.

Access to Obstetric and Gynecologic Services

In accordance with the Women's Health and Wellness Act effective January 1, 2003, insurers must:

- Provide direct access to primary and preventive obstetric and gynecologic services for no fewer than two examinations annually
- Cover services required as a result of annual examinations
- Cover services required as a result of an acute gynecologic condition
- Cover all care related to pregnancy
- Notify enrollees of this coverage through plan documents
