Planning for Option Transfer

Thinking about changing your health insurance option?

For New York State Employees, the Legislature, and the Unified Court System
Need help choosing a plan?

In October, your agency Health Benefits Administrator (HBA) will receive *Choices for 2010*, your guide to New York State Health Insurance Program (NYSHIP) health insurance options. If you are thinking about changing your option, read the descriptions of plans in your area and compare and contrast the benefits important to you and your family.

The checklist in *Choices* will assist in your decision process. If you have questions, call the plan directly at the phone numbers listed in *Choices*. When 2010 rates are approved, information about the cost of each option will be sent to your agency, your home and will be posted at <https://www.cs.state.ny.us>. From the home page, choose Benefit Programs then NYSHIP Online and select your group, if prompted. Rate information is posted under Health Benefits & Option Transfer. You will have 30 days from the date your agency receives the rates to change your option.

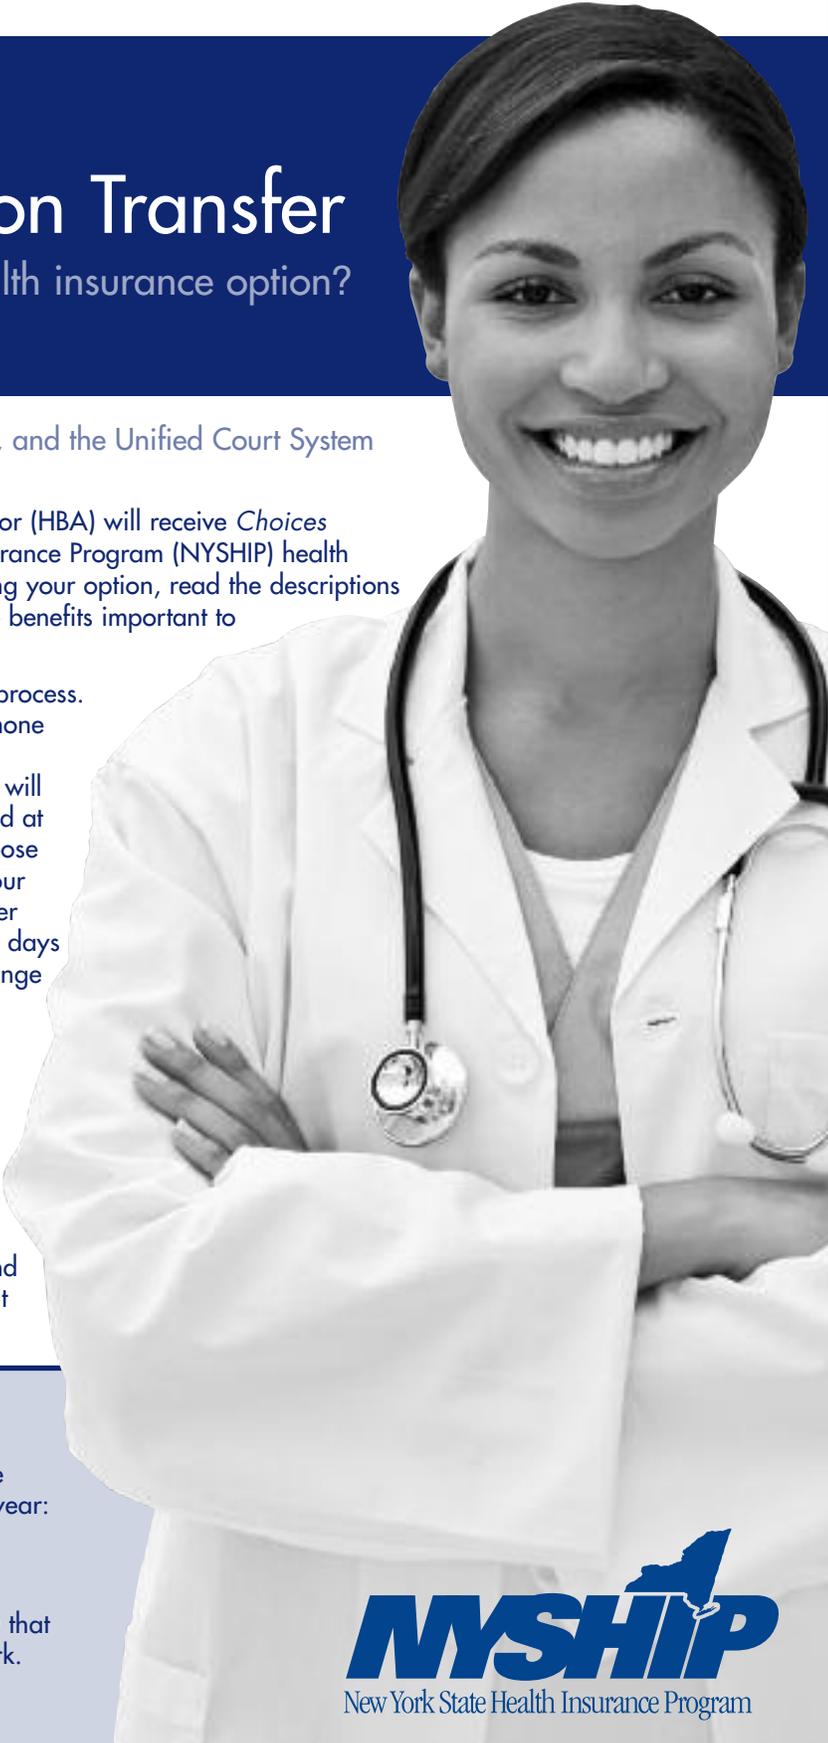

No action is required to keep your current health insurance option.

Also, the upcoming months are the time for you to make important decisions about your benefits related to the Pre-Tax Contribution Program (PTCP) and, if eligible, the Flex Spending Account and the Productivity Enhancement Program. The calendar and articles in this guide provide more information about deadlines and other benefits.

Option Transfer Period

During the Option Transfer Period, you may change your health insurance option for the next calendar year:

- from a NYSHIP HMO to The Empire Plan,
- from The Empire Plan to a NYSHIP HMO, or
- from one NYSHIP HMO to another NYSHIP HMO that has a NYSHIP service area where you live or work.

New York State Health Insurance Program

Pre-Tax Contribution Program

Under the Pre-Tax Contribution Program (PTCP), your share of the health insurance premium is deducted from your wages before taxes are withheld, which may lower your taxes.

You were automatically enrolled in PTCP when you became eligible for health insurance, unless you declined. Your paycheck shows whether or not you are enrolled in PTCP.

- If you are enrolled in PTCP, your paycheck stub shows *Regular Before Tax Health* in the Before Tax Deductions section.
- If you are not enrolled in PTCP, your paycheck stub shows *Regular After Tax Health* in the After Tax Deductions section. Your health insurance premium is deducted from your wages after taxes are withheld.

• **PTCP and Domestic Partners/Same Sex Spouses:**

If you have elected PTCP and have a non-federally qualified domestic partner/same sex spouse, you will have two deductions, one in the Before Tax Deductions section and one in the After Tax Deductions section. Under federal law, premium for such dependents cannot be included in the PTCP.

No action is required to keep your current pre-tax status.

If you wish to change your pre-tax selection for 2010, see your agency Health Benefits Administrator and complete a health insurance transaction form by November 30, 2009. Under Internal Revenue Service (IRS) rules, if you are enrolled in PTCP, you may change your health insurance deduction during the tax year only after one of the following PTCP-qualifying events:

- You have a change in family status (e.g., marriage, birth, death, legal separation, divorce, only dependent child attains the maximum age for coverage).
- You no longer live or work within your Health Maintenance Organization's NYSHIP service area and you must choose The Empire Plan or another NYSHIP HMO.
- Your spouse has a change in employment status, which results in acquiring or losing eligibility for health insurance coverage.

- You first become eligible for health insurance coverage after the beginning of the tax year.
- Your employment with the State terminates or you retire.
- You become divorced or legally separated and are required by court order to provide health insurance coverage for your eligible dependent children and/or legally separated spouse.
- There is a significant change in your or your spouse's health coverage, due to employment status.

Changes to coverage due to the above status changes must be consistent with the change in your family or employment. If you make a change in coverage not related to a qualifying event, your pre-tax insurance deduction will not change.

Changes in coverage because of these qualifying events must be made within 30 days of the event.

Delays may be expensive. For example, if you are enrolled in PTCP and qualify to change from Family to Individual coverage in June, but miss the 30-day deadline, the cost of NYSHIP Family coverage will continue to be deducted from your paycheck through December. For most options, the extra six months of Family coverage may cost you more than \$450.

NYSHIP enrollees in PTCP can make the following changes in November only:

- A change from Family to Individual coverage while your dependents are still eligible when there is no qualifying event,
- Voluntary cancellation of your coverage while you are still eligible for coverage when there is no qualifying event, or
- Opt out of PTCP.

These limitations apply only to changes made when there is no qualifying event during the tax year.
