Introduction

The NYS Vision Plan provides you, your spouse or domestic partner and your covered dependents with eye care services and materials. The plan is administered by Davis Vision, Inc., a national leader in the vision care industry.

With Davis Vision, quality care is easy to find. Enrollees have access to a nationwide network, including more than 2,304 providers across New York State. The network includes independent practice eye doctors as well as major optical retailers, including:

Davis Vision verifies enrollee eligibility with the network provider, processes claims and reimburses the provider for in-network services or the enrollee for out-of-network services. Davis Vision also operates a Customer Relationship Center (Contact Center) to support the plan and manage the national network of vision providers.

How to Enroll

If you are newly eligible for the NYS Vision Plan and you decide to participate, you must sign up for coverage. You will not be covered automatically. To enroll for coverage, file Form PS-404 with your agency Health Benefits Administrator. You are eligible for benefits after you have completed 56 days of eligible employment. If you were previously assigned to another bargaining unit as a New York State employee, coverage as a Management Confidential designated employee will begin on the 1st day of the second payroll period following the one in which your bargaining unit changed.

Types of Coverage

You can choose one of two types of coverage:

- **Individual coverage** provides benefits for you only. It does not cover your dependents even if they are eligible for coverage.
- **Family coverage** provides benefits for you and your eligible enrolled dependents. To enroll yourself and your dependents in Family coverage, you must provide each person's date of birth, Social Security number (if one is assigned) and other information to the Vision Plan through your agency Health Benefits Administrator.

If you did not enroll when you were first eligible, contact your agency Health Benefits Administrator to request an enrollment form (PS-404).

If you qualify for and want to make a change from Individual to Family coverage, contact your agency Health Benefits Administrator.

The Importance of Vision Care

Vision care is an important benefit, as regular eye exams help ensure visual and overall health. Comprehensive eye exams not only detect the need for vision correction, but can also reveal medical conditions such as diabetes or high blood pressure.

Using Your Benefits

The vision benefits described in this booklet are available to you, your spouse or domestic partner and covered dependents age 19 or over once every 24 months. Covered dependents under the age of 19 can receive benefits once every 12 months. All vision benefits must occur within the 90-day Purchase/Services Period to be eligible for coverage. Before receiving services, you can confirm eligibility by visiting the New York State Department of Civil Service website at <https://www.cs.ny.gov>. On the Civil Service home page, select Benefit Programs, then select NYSHIP Online and if prompted, choose your group and plan. Then select Other Benefits and then Vision Benefits and follow the links to the Davis Vision Website, or call Davis Vision's customer call center at 888-588-4823.

The NYS Vision Plan is easy to use; simply follow the steps below to receive services.

Using a Participating Provider

To get the most out of your vision plan, consider receiving services at a provider who participates on the Davis Vision Network. These "in-network" or "participating" doctors have agreed to meet certain quality standards, and Davis Vision monitors their ongoing performance to help ensure quality member care.

In-network benefits are easy to use, as the provider will file the claim on your behalf. You will only need to do the following:

1. **Locate a Provider:** You can locate providers by visiting the New York State Department of Civil Service website at <https://www.cs.ny.gov>. On the Civil Service home page, select Benefit Programs, then select NYSHIP Online and if prompted, choose your group and plan, then select Other Benefits and then Vision Benefits and follow the links to the Davis Vision Website. Once on the Davis Vision website select "Find a Provider" or you can call Davis Vision's Customer Contact Center at 888-588-4823.
2. **Schedule an Appointment:** Schedule an appointment with your selected provider and identify yourself as a member of the New York State Vision Plan.
3. **Obtain Services:** Present your Davis Vision ID card at the time of service and the provider will take care of the rest. Your provider will verify eligibility, explain your benefit coverage and answer any questions you may have.

Using a Non-Participating Provider

Should you decide to obtain vision services from a doctor who does not participate in the Davis Vision Network, you will be eligible for "out-of-network" or "non-participating" reimbursements as defined in the Benefit Overview on page 3 of this booklet. Be sure to confirm eligibility before receiving services. The out-of-network process is as follows:

1. **Obtain an Out-of-Network Claim Form:** Print an out-of-network claim form by visiting the New York State Department of Civil Service website at <https://www.cs.ny.gov>. On the Civil Service home page, select Benefit Programs, then select NYSHIP Online and if prompted, choose your group and plan. Then select Other Benefits and then Vision Benefits and follow the links to the Davis Vision Website, or call the Davis Vision Customer Contact Center at 888-588-4823.
2. **Pay for Services:** At the time of your appointment, pay for all services and materials in full and obtain an itemized receipt.
3. **Mail Claim Form and Receipts:** Send the completed claim form and receipts to Davis Vision at the following address:
ATTN: Vision Care Processing Unit
Post Office Box 1525
Latham, New York 12110
Fax: 518-220-6012
4. **Reimbursement:** Davis Vision will process the claim and reimburse you directly up to the allowed amounts.

Additional Plan Features

OCCUPATIONAL BENEFIT PROGRAM

Benefits under the Occupational Program are available to employees once in any 24-month period. The occupational vision benefit provides you with Plan coverage for an additional pair of job-related eyeglasses if determined necessary by a participating provider based on your job duties and through special testing done in conjunction with your regular vision examination. Occupational eyeglasses must differ from a patient's standard eyeglasses and meet certain criteria in order to be covered. Occupational eyeglasses are available to employees only; dependents are not eligible for this benefit. Sun sensitive and polarized lens options are not available for occupational eyeglasses. **This benefit is not available to COBRA enrollees.**

Contact lenses: are not available under this Occupational Program.

In-Network Services: All services must be obtained from a participating provider. There is no out-of-network reimbursement.

MEDICAL EXCEPTION VISION BENEFIT

Under the Medical Exception Program, enrollees and covered dependents with a medical condition that may impact vision refraction, when referred by the physician caring for that medical condition may be eligible for an eye examination after twelve months.

If at least one year has elapsed since the Plan last provided benefits, you have one of the following medical conditions and you are under the care of a medical practitioner for that condition, you are eligible for an examination with dilation:

- 1) diabetes;
- 2) cataracts;
- 3) keratoconus;
- 4) cataract surgery within two years of last prescription
- 5) you are taking a prescription drug which could cause vision changes, or;
- 6) any other condition which could reasonably be expected to result in a change in refractive status.

You are eligible for new lenses or contacts under the Standard Plan if you experience a significant vision loss due to a medical condition. Significant prescription change is defined as a minimum change of .75D sphere and/or 1.00D cylinder or more since your last eye examination. You are only eligible for new frames if your current frames are broken or if you need new lenses that will not fit in your current frames. Employees may also be eligible for new lenses under the Occupational Program if they meet additional criteria under that Program.

Prior to receiving services, ask your vision care provider to complete the Medical Exception Request Form. To request the form contact the Davis Vision Customer Contact Center at 1-888-588-4823. You must also provide your vision care provider with documentation from a medical practitioner that states you are receiving care for one of the qualifying medical conditions under the Medical Exception Program. Have your vision care provider fax the completed Medical Exception Request Form and documentation from your medical provider to Davis Vision's Medical Director for approval.

Refer to the Standard Plan and Occupational Program Benefits Summary for additional information on plan allowances.

CATARACT CARE

If you or your covered dependents have cataract surgery and are enrolled in the New York State Health Insurance Program, additional benefits may be available under the Empire Plan or your HMO.

90-DAY PURCHASE/SERVICES PERIOD

You have 90 days to use your NYS Vision benefits (eye exam, frames and lenses (or contacts)) at a participating provider from the date of your first covered service under the Standard Plan, the Occupational Program and the Medical Exception Program. Eligibility Guidelines

You, the Enrollee

All M/C employees who are eligible to enroll for coverage in the New York State Health Insurance Program (NYSHIP) and for whom coverage under the NYS Vision Plan has been negotiated or administratively extended are eligible. You may enroll in the NYS Vision Plan even if you do not enroll in NYSHIP.

To be eligible for coverage, you must be expected to:

1. work at least six biweekly payroll periods; and
2. work at least half time on a regular schedule; and
3. you must be on the payroll at the time you enroll.

If you begin work, then take an unpaid leave of absence, you are not eligible until you return to the payroll and complete a total of 56 days on the payroll, including days worked before your leave began.

Dependents

Dependents are also eligible, as follows:

1. Spouses or Domestic Partners

Spouses, including those legally separated, are eligible. If you are divorced or your marriage has been annulled, your former spouse is not eligible, even if a court orders you to maintain coverage.

You may also enroll a same or opposite sex domestic partner as a dependent. A domestic partnership, for eligibility under the Vision Plan, is one in which you and your partner are 18 years of age or older, and unmarried at the time of application; not related in a way that would bar marriage; living together and financially interdependent for at least six months, and involved in a lifetime relationship. To enroll a domestic partner, you must provide proof that you have lived together and been financially interdependent for at least six months and that you presently satisfy the other eligibility criteria. Your agency Health Benefits Administrator (HBA) has complete information on eligibility, enrollment procedures, proof requirements and coverage dates.

Note on tax implications: Under the Internal Revenue Service (IRS) rules for domestic partners and same-sex spouses, the fair market value of vision benefits for a domestic partner or same sex-spouse who is not the enrollee's qualified dependent for Federal income tax purposes is treated as income for tax purposes. Ask your tax consultant how enrolling your domestic partner or same-sex spouse will affect your taxes.

2. Children Under Age 19

Unmarried children under age 19 are eligible, including natural children, legally adopted children (including children in a waiting period prior to finalization of adoption), stepchildren and children of domestic partners. Other children who reside permanently in your household and who are chiefly dependent on you (more than 50%), and for whom you have assumed legal responsibility in place of the parent, are also eligible. Qualifying support and residence must have started prior to the age of 19. You must file a PS-457 Statement of Dependence form with your HBA and be able to provide documentation.

3. Children Age 19 or Over

Unmarried dependent children age 19 or over, but under age 25, are eligible if they are **full-time** students at an accredited secondary or preparatory school, college, or other educational institution and are otherwise not eligible for NYSHIP coverage as an employee. They continue to be eligible until the first of the following dates:

- The end of the third month following the month in which they complete each semester as a full-time student for dependent students who withdraw from school after classes began for the semester and provide documentation of the date of withdrawal, coverage will end on the last day of the month in which the dependent attended classes as a full-time student or the last day of the third month following the completion of the preceding completed semester, whichever is later. If the dependent student withdraws from school and does not provide documentation of attendance during the semester, coverage ends as of the first day of the current semester or the end of the month following the completion of the preceding completed semester, whichever is later; or
- The end of the month in which they reach age 25; or
- The date on which they marry. Children other than your natural children, legally adopted children, stepchildren or children of domestic partners, must live with you and be chiefly dependent on you after age 19 to be eligible, and support and residence must have started prior to age 19. **You must complete a Student Verification Form before an eligible student dependent can receive vision care benefits.** A Student Verification Form is included in this booklet or can be obtained online at <https://www.cs.ny.gov>. On the Civil Service home page, select Benefit Programs, then select NYSHIP Online and if prompted, choose your group and plan, then select Other Benefits and then Vision Benefits and follow the links to the Davis Vision Website or call Davis Vision's customer call center at 888-588-4823. It is the enrollee's responsibility to submit the form to ensure dependent eligibility at the time of service.

If a child turns 19 during a school vacation period, coverage will continue provided the child is enrolled in an accredited secondary or preparatory school or college or other accredited educational institution and plans to resume classes on a full-time basis at the end of the vacation period.

If your child is granted a medical leave by the school or changes from full-time to part-time status due to serious injury or illness, vision care coverage will continue for a maximum of one year from the month in which the student status changes plus any time before the start of the next regular semester. You must be able to provide written documentation from the school and/or doctor.

Military Service Extends Eligibility

For purposes of eligibility as a full-time student, up to four years may be deducted from a dependent's age for service in a branch of the U.S. Military. You must be able to provide written documentation from the U.S. Military.

4. Certain Students Completing Graduation Requirements

Unmarried dependent children age 19 or over, but under age 25, who need less than a full-time course load to satisfy requirements for graduation may also be eligible. They must:

- a. otherwise qualify; **and**
- b. have been a full-time student in the term immediately preceding the semester or trimester in which course requirements will be completed.

You may be required to provide Davis Vision with a statement from your child's school or college administrator that verifies student status. The child will continue to be eligible for up to three months after the end of the month in which he or she completes course requirements for graduation. The child may be granted a second semester of coverage during part-time attendance if there are unusual, extenuating circumstances, which through no fault of the student, prevent that student's timely graduation. Requests for this continued coverage must be submitted in writing to the Employee Benefits Division.

Coverage will not be extended beyond this semester or trimester unless full-time student status is resumed.

5. Disabled Dependents

Unmarried dependent children age 19 or over who are incapable of supporting themselves because of a mental or physical disability acquired before termination of their eligibility for vision care coverage are eligible. For example, if your child becomes disabled after reaching age 19 while covered as a full-time dependent student, the child may qualify to continue coverage as a disabled dependent.

If you have a child who qualifies for coverage as a disabled dependent, you must provide medical documentation. If you anticipate eligibility on this basis, you must file an application for your disabled dependents, form PS-451. Contact your agency Health Benefits Administrator as soon as possible after enrollment, even if your child is under the age when eligibility would normally terminate through age disqualification. The deadline for filing an application for your disabled dependents, form PS- 451 is 60 days after the child's 19th birthday. Coverage for disabled children may continue beyond age 25.

Ending Coverage and COBRA Continuation

When Coverage Ends

Vision Care benefits cease while you are on leave without pay, unless you arrange for an extension of benefits with your agency Health Benefits Administrator. If you resign, retire, transfer to an ineligible negotiating unit or are terminated, your Vision Care coverage will end **28 days after the last day of the last payroll period worked**. You may have certain rights to continue coverage as explained below.

COBRA: Continuation of Coverage

This section explains your rights under the Consolidated Omnibus Budget Reconciliation Act (COBRA), a federal continuation of coverage law for you, your spouse or domestic partner and your covered dependents. The law requires that most employers sponsoring group health plans offer employees and their families the opportunity for a temporary extension of health care coverage called "continuation coverage" at group rates in certain instances where coverage under the program would otherwise end.

The Vision Care benefits you may continue are the same benefits you receive as an active employee except the occupational benefit. This section summarizes your rights and obligations under the continuation coverage provisions of the law. If your spouse or domestic partner is also covered under the Plan, they should take the time to read this carefully.

60 Day Deadline

In order for dependents to continue coverage under COBRA, the employee or a family member is responsible for notifying the Employee Benefits Division of the New York State Department of Civil Service in writing of a divorce or termination of domestic partnership, a legal separation or of a child's losing eligible dependent status under the NYS Vision Plan within 60 days from the date coverage ends due to one of those events. Other people acting on your behalf may provide written notice to the Employee Benefits Division of a COBRA qualifying event. **If notice is not received in writing within that 60-day period, regardless of the reason, the dependent will not be entitled to choose continuation coverage.**

When you notify the Employee Benefits Division of one of these events, the Division will advise you of your right to choose continuation of coverage. You must inform the Employee Benefits Division of your desire to continue coverage within 60 days of the date you would lose coverage because of the events described previously, or 60 days from the date you are notified of your eligibility for continuation coverage, whichever is later.

A dependent who wishes to continue coverage as a COBRA enrollee must send a written request to the Employee Benefits Division within 60 days from the date coverage would otherwise end. If you, your eligible dependent or someone acting on your behalf does not choose continuation coverage, Vision Care coverage will end.

How Long You May Keep COBRA Coverage

You, the employee, will have the opportunity to maintain continuation coverage for 36 months. Dependents who were covered at the time of your initial qualifying event, and newborns or newly adopted children added to your COBRA continuation coverage within 30 days of birth or final adoption during your period of COBRA coverage, are considered qualified beneficiaries with their own rights to continue COBRA coverage for up to 36 months in the event of a second qualifying event. Other dependents added to your COBRA coverage, such as a newly acquired spouse or child who returns to school full-time, do not have continuation rights apart from yours.

Enrolled spouses/domestic partners and dependent children who lose eligibility due to a COBRA qualifying event have the opportunity to elect COBRA continuation coverage for up to 36 months.

Who Is Eligible For COBRA: You

If you are an active employee enrolled in the NYS Vision Plan, you have the right to continue coverage if you lose your coverage because of a reduction in your hours of employment or the termination of employment.

Spouses or Domestic Partners

The spouse or domestic partner of an employee covered as the employee's dependent by this Plan has the right to continue coverage if coverage under this Plan is lost for any of the following reasons:

1. Your death;
2. Termination of your employment;
3. Reduction in your hours of employment with New York State;
4. Divorce or termination of domestic partnership;
5. Legal separation (spouses only) -- Your spouse does not automatically lose Vision Care coverage if you are legally separated. However, if your spouse loses coverage under this Plan, he or she may continue coverage under COBRA.

Dependent Children

A dependent child of a covered employee has the right to continue coverage if coverage under this Plan is lost for any of the following reasons:

1. The dependent ceases to be an eligible "dependent child" under this Plan;
2. The termination of your employment;
3. A reduction in your hours of employment with New York State;
4. Your divorce or termination of domestic partnership;
5. Your legal separation (NOTE: A dependent child does not automatically lose coverage because of parents' legal separation).
6. Your death.

When You or Your Dependents No Longer

Qualify for COBRA

New York State law provides that your COBRA coverage may be cancelled for any of the following reasons:

1. If New York State no longer provides Vision Care coverage to State employees;
2. If the premium for your COBRA coverage is not paid on time;
3. If you become entitled to Medicare benefits during the COBRA continuation period.

Costs Under COBRA

You will have to pay the entire premium for your continuation coverage plus a two (2) percent administration fee. You will have 45 days starting with the date you choose continuation coverage to pay any premium. After this 45-day period, you will have a grace period of 30 days to pay any subsequent premiums.

Who to Contact

If you have any questions about COBRA, please contact your agency Health Benefits Administrator.
