If you choose to purchase a brand-name drug which has a generic equivalent, you will pay the $15 copayment plus the difference in cost between the brand and the generic, not to exceed the full cost of the drug. Certain drugs are excluded from this requirement. You pay only the $15 copayment for these brand-name drugs with generic equivalents: Coumadin, Dilantin, Lanoxin, Levothroid, Mysoline, Premarin, Slo-Bid, Synthroid, and Tegretol. One copayment covers up to a 90 day supply.

You may fill your prescription through the mail service by using the mail service envelope. For envelopes and refill orders call the Empire Plan toll-free at 1-877-7-NYSHIP (1-877-769-7447) and choose Express Scripts. The same copayments and rules apply as if you were using a participating pharmacy. To refill a prescription on file with the Express Scripts Mail Service pharmacy, you may order by phone or online at www.express-scripts.com.

If you do not use a participating pharmacy, you must submit a claim to the Empire Plan Prescription Drug Program. If your prescription was filled with a generic drug or a brand-name drug with no generic equivalent, you will be reimbursed up to the amount the program would reimburse a participating pharmacy for that prescription. If your prescription was filled with a brand-name drug that has a generic equivalent, you will be reimbursed up to the amount the program would reimburse a participating pharmacy for filling the prescription with that drug's generic equivalent. In most cases, you will not be reimbursed the total amount you paid for the prescription.
