This **TRANSITION EXAMINATION** is one of several concepts included in a Memorandum of Intent agreed to by New York State and CSEA and is designed to provide opportunities for employees within state service.

Transition examination open to all qualified employees of the New York State Teachers' Retirement System.

Minimum Qualifications: On or before July 11, 2026, you must be a qualified employee of the **New York State Teachers' Retirement System** and have had three months of permanent competitive, non-competitive, non-competitive NY HELPS*, or 55-b/55-c service in a position allocated to a Grade 6 or higher. If you have received a permanent appointment to a qualifying title listed and served provisionally** in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the time in title required for this examination.

To view a list of qualifying titles visit: <https://www.cs.ny.gov/examannouncements/announcements/00034020qualifying.cfm>.

If you were permanently appointed to a qualifying title on or before April 11, 2026, and have served continuously in this title since that date, you are eligible to file for this examination.

**If you were permanently appointed via the New York Hiring for Emergency Limited Placement Statewide (NY HELPS) program to a qualifying title in the non-competitive class on or before April 11, 2026, and have served continuously in this title since that date, you may apply for this examination.*

***If you were permanently appointed to a qualifying title and had provisional service in the same title immediately preceding the permanent appointment, such provisional service may be counted towards meeting the time in title required to apply for this examination. Your provisional appointment must have been on or before April 11, 2026, to qualify for this examination.*

Qualifying Experience For Appointment From The Eligible List: After one year of service described in the Minimum Qualifications, successful candidates will be qualified for appointment from the eligible list.

Employees appointed via the NY HELPS program to a qualifying title in the non-competitive class will have their names restricted from appointment from the eligible list until their position is covered-in to the competitive class by action of the New State Civil Service Commission or otherwise obtain permanent competitive status in the position.

If you have received a permanent appointment to a qualifying title listed and served provisionally in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the one year time in title required for appointment from the eligible list.

The Positions: These positions exist in the New York State Teachers' Retirement System and are located in Albany only.

Duties: As a **Teachers' Retirement Examiner 1**, you would, under the supervision of a higher-level examiner, determine membership eligibility and calculate benefit amounts paid to Teachers' Retirement System members and claimants. Tasks include reviewing applications to determine eligibility for benefits, calculating amount of benefits due, processing service and salary data received by employers, maintaining member records, and notifying claimants of determinations. You would be expected to communicate with members of the Teachers' Retirement System and their families, representatives from other retirement systems, school districts, and attorneys to provide information both by telephone and in writing. You may also be expected to assign work to and review the work of lower level clerical staff.

Subject of Examination: To be considered for appointment to this title, you must pass the **multiple-choice test**. The **multiple-choice test** evaluates your knowledge, skills, and/or abilities in the following areas:

1. **Arithmetic reasoning** - These questions test your ability to solve an arithmetic problem presented in sentence or short paragraphs form. You must read the problem, understand the situation presented, decide what must be done to solve it, and apply the appropriate arithmetic operation(s) in the appropriate order, in order to determine the correct answer. Knowledge of addition, subtraction, multiplication, and division will be necessary. Questions may also involve the use of percents, decimals, and fractions. **You should bring with you a hand held battery- or solar powered calculator for use on this test.** You will **not** be permitted to use the **calculator** function of your **cell phone**.
2. **Customer service** - These questions test for knowledge of techniques used to interact with other people, to gather and present information, and to provide assistance, advice and effective customer service in a courteous and professional manner. Questions will cover such topics as understanding and responding to people with diverse needs, perspectives, personalities, and levels of familiarity with agency operations, as well as acting in a way that both serves the public and reflects well on your agency.
3. **Preparing written material** - These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.
4. **Understanding and interpreting written material** - These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions **only** on what is presented in the passages and **not** on what you may happen to know about the topic.

Test Guide & Sample Test Material: A General Guide to Multiple-Choice Tests is available at <http://www.cs.ny.gov/testing/testguides.cfm>. If Sample Test Material is available for a subject area described above, it can be found at <http://www.cs.ny.gov/testing/sampletestmat.cfm>.

If you pass, your seniority credit(s), if any, will be included in the computation of your final score. Your final score on the eligible list will be determined after adding any Veterans' credits.

Credit For Seniority: Seniority is credited at the rate of one credit for each five-year period (or fraction thereof), excluding the first year of service.

Admission To The Test: If approved for a multiple-choice test, you will receive an admission notice which will indicate your assigned test date and the way your test will be administered. Your test may be administered with paper and pencil or online at a state test site. **You cannot request to change your scheduled day or request a specific type of test administration.**
