Reissued: 7/2022
NOTES: (Continued)
5. Medicaid and Medicare: In some agencies, in order to be eligible for appointment and to maintain employment, you cannot be listed as an excluded individual or entity on any of the Federal and/or State Medicaid and Medicare exclusion lists (or excluded from any other Federal or Federally assisted program). If you are appointed and subsequently listed as an excluded individual or entity on any of these lists (or excluded from any other Federal or Federally assisted program), you may be terminated from your employment.
6. Appropriate part-time and volunteer experience, which can be verified, will be accepted on a prorated basis.
7. New York State residence is not required.

THE POSITIONS: These positions exist throughout New York State in the State University System; the Department of Corrections and Community Supervision; the State Education Department; the Department of Health; the Office of Children and Family Services; the Office of General Services; the Office of Mental Health; the Office for People with Developmental Disabilities; the Office of Parks, Recreation and Historic Preservation, and the Office of Addiction Services and Supports.

DUTIES: As a Plant Utilities Assistant, you would assist in the operation, maintenance, and repair of mechanical and electrical equipment providing heat, hot water, ventilation, air conditioning, and electrical distribution in a safe and efficient manner. Positions involve shift work within a 24-hour work schedule which includes nights and holiday shifts.

As a Plant Utilities Engineer 1 on an assigned shift, you would operate, maintain, troubleshoot, repair, test, and calibrate mechanical and electrical equipment providing heat, hot water, ventilation, air conditioning, and electrical distribution in a safe and efficient manner. You would make recommendations on major overhauls and replacement of equipment and identify, recommend and develop energy conservation projects. You may supervise subordinate staff in the operation and maintenance of heating facilities and mechanical equipment. You may also supervise contractors in an emergency or project situation and you may be required to assume responsibility for operations of the overall physical plant. Positions involve shift work within a 24-hour work schedule which includes nights and holiday shifts.

SUBJECT OF EXAMINATION: There will be no written test and no test date is involved. The examination requires completion of an application/supplemental questionnaire (NYS-APP-3 #20-450 & #20-451 with SUPP #20-450 & #20-451). The supplemental questionnaire IS YOUR TEST. Your completed supplemental questionnaire will be the only basis for rating your training, education, and experience. Failure to complete the supplemental questionnaire correctly may result in disqualification. If disqualified, candidates must wait six months to re-apply.

Your final score must be 70 or higher in order to pass. Your final score on the eligible list will be determined after adding any wartime Veterans’ and Civil Service Law Section 85-a credits.

The training, education, and experience information provided by candidates on the supplemental questionnaire will be rated according to the requirements of the title. If you meet the minimum qualifications, your answers to the supplemental questionnaire will be the only basis for your score. If you need more space, attach additional 8½ x 11 sheets, following the same format used on the application/supplemental questionnaire. Resumes will NOT be accepted in lieu of a completed application/supplemental questionnaire.

It is essential that you describe your training, education, and experience as completely as possible. Ambiguity, vagueness, or omissions on the supplemental questionnaire will not be decided in the candidate’s favor. The information you provide in the supplemental questionnaire is subject to verification. You may be required to furnish written verification of the education, experience, certification, or licensure claimed. False statements or lack of verification may result in a lower score, removal from the eligible list, or termination of employment.

Agencies will score supplemental questionnaires periodically throughout the year when additional eligible candidates are needed to fill vacancies. Once added to an agency eligible list, candidates will have a two-year period of eligibility for appointment from that list. You can re-apply as frequently as every six months.

RETEST POLICY: Qualified candidates may file as frequently as 6 months, but a new application/supplemental questionnaire is required each time.

Applicants are required to have a Personal NY.gov account and keep their email address up to date. The Department of Civil Service and other state agencies will communicate with you through email correspondence. This may include notification of your application status, your test arrangements, examination results, and canvassing you for interest in appointment. It will be important for you to keep your email address, phone number, and mailing address current by logging into https://www.cs.ny.gov/home/myaccount.
