5. New York State residence is not required.

THE POSITIONS: These positions exist in Albany, Buffalo, Endicott, Melville, Menands, New York City, Rochester, Syracuse, and White Plains.

DUTIES: As a Medical Care Representative with the State Insurance Fund, you would perform initial health care and vocational assessments, projecting long and short term goals; make recommendations for continuing care and/or suggest alternative treatment plans; and coordinate and monitor all health care and vocational services. You would assist claims personnel in interpreting medical reports and in implementing the medical cost control program. You would interview claimants and consult with attending physicians in order to facilitate claimant's medical care and rehabilitation. You would assess and evaluate the claimant within the family setting and identify the community resources available to the claimant. You would make recommendations to claims personnel concerning treatment, rehabilitation and equipment and review catastrophic cases to ensure the claimant is receiving proper and necessary care. You would review claims files and prepare reports concerning the status of your assignments. Duties would also include the evaluation of ICD/DRG/PAS/CPT coding for appropriateness and accuracy. You would be required to travel during the course of your duties.

As a Medical Care Representative with the Department of Law (Office of the Attorney General), you would perform similar types of activities as the State Insurance Fund, review medical actions to ascertain possible liability in malpractice suits filed against New York State, and aid attorneys in the preparation and defense of such cases.

As a Medical Care Representative with the Workers' Compensation Board, you would perform similar types of activities as the State Insurance Fund, monitor the medical management of high cost cases, monitor home care for injured workers, oversee physical therapy and nursing agencies, and train staff.

As a Medical Care Representative with the Office of Victim Services, you would perform similar types of activities as the State Insurance Fund, review the claimant's treatment plan to ensure services are allowable and causally related; review requests for home modifications necessary as a result of a disability due to a crime; review requests from claimants for high cost medical equipment (i.e., wheelchairs, beds, prosthesis, vehicle modifications, etc.); work with vendors for reasonable and customary costs; assist Additional Medical Unit personnel in interpreting medical bills and records; review medical bills, reports, and claimant requests for appropriateness to injuries sustained from the crime; prepare reports for Board Member review; review requests for educational assistance for job retraining; serve as the Public Access Defibrillation (PAD) Coordinator for the agency AED program; perform records management; develop and implement unit policies; and develop and maintain cooperative relationships with community resources to assist the victim in achieving pre-injury status or maximum potential.

As a Medical Care Representative with the Office of the State Comptroller, you would perform similar types of activities as the State Insurance Fund and provide technical expertise to audit staff assigned to healthcare related audits. The incumbent is required to travel to audit locations and interact with healthcare providers in fulfilling the duties of the position; the position evaluates medical coding for appropriateness and accuracy based on the review of patient medical records.

SUBJECT OF EXAMINATION: There will be no written test. If you meet the Minimum Qualifications your **education and experience** will be evaluated against the general background/critical activities of the position. This evaluation will concentrate on relevant registered nursing experience; level of registered nursing experience, undergraduate and graduate education; and current professional nursing certification. It is essential that you describe your education and experience as completely as possible on the examination application NYS-APP form. Ambiguity, vagueness or omissions will not be decided in your favor. Do NOT send resumes. If you need more space, attach additional 8½" x 11" sheets, following the same format used on the application form. Additional unsolicited information will not be accepted after the last day for filing.

All statements concerning education and experience are subject to verification. If references fail to respond or give contradictory information, you may be called upon to furnish written verification of the education and experience claimed. False statements or lack of proper verification may result in revocation of an appointment.

Your final score must be 70 or higher in order to pass. Rank on the eligible list will be determined after adding any wartime Veterans' and Civil Service Law Section 85-a credits to your final passing score.
