  - be investigated through a Criminal Background Check (CBC). All convictions must be reported. **Subject of Examination:** There will be no written test. The test will consist of an evaluation of your **education** and **experience** against the range of duties and responsibilities found in these positions. If you meet the Minimum Qualifications, you will be sent a supplemental questionnaire to complete and return. The questionnaire will be used to evaluate your education and experience against the general background/critical activities of the position. The questionnaire will be the only basis for rating your education and experience.

If you pass, your seniority credit(s), if any, will be included in the computation of your final score. Your final score on the eligible list will be determined after adding any Veterans' credits.

**Credit For Seniority:** Seniority will be given due weight in the evaluation of training and experience.
