Minimum Qualifications: On or before August 9, 2025, you must be a qualified employee of the New York State Department of Health and have had 45 days of permanent competitive, non-competitive NY HELPS*, or 55-b/55-c service as a Fire and Safety Representative, Health Systems Specialist 1, Health Systems Specialist 1 (Emergency Medical Care), Health Systems Specialist 1 (Funeral Directing), Health Systems Specialist 2 (Physical Therapy), Health Systems Specialist 2 (Nutrition), Health Systems Specialist 2 (Social Work), Regional Medical Care Administrator, Senior Nutrition Services Consultant, or Senior Sanitarian. If you have received a permanent appointment to a qualifying title listed and served provisionally** in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the time in title required for this examination.

Only the title or titles listed are qualifying.

If you were permanently appointed to a qualifying title on or before June 25, 2025, and have served continuously in this title since that date, you are eligible to file for this examination.

**If you were permanently appointed via the New York Hiring for Emergency Limited Placement Statewide (NY HELPS) program to a qualifying title in the non-competitive class on or before June 25, 2025, and have served continuously in this title since that date, you may apply for this examination.*

***If you were permanently appointed to a qualifying title and had provisional service in the same title immediately preceding the permanent appointment, such provisional service may be counted towards meeting the time in title required to apply for this examination. Your provisional appointment must have been on or before June 25, 2025, to qualify for this examination.*

Qualifying Experience For Appointment From The Eligible List: After one year of service described in the Minimum Qualifications, successful candidates will be qualified for appointment from the eligible list.

Employees appointed via the NY HELPS program to a qualifying title in the non-competitive class will have their names restricted from appointment from the eligible list until their position is covered-in to the competitive class by action of the New York State Civil Service Commission or otherwise obtain permanent competitive status in the position.

If you have received a permanent appointment to a qualifying title listed and served provisionally in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the time in title required for appointment from the eligible list.

The Positions: These positions exist in the New York State Department of Health and are located Statewide.

Duties: As a **Health Systems Specialist 3**, you would lead teams and/or units performing statewide surveillance, medical or programmatic review, audit, and/or regulatory activities to evaluate facilities and/or patient care issues; finalize and present recommendations regarding facility licensure and/or certification; monitor corrective measures; develop, review, and implement health policies and procedures; and respond to health emergencies. You would directly supervise lower-level Health Systems Specialists and other health program staff involved with the above functions.

Subject of Examination: To be considered for appointment to this title, you must pass the **multiple-choice test**. The **multiple-choice test** evaluates your knowledge, skills, and/or abilities in the following areas:

1. **Evaluating conclusions based on factual information** - These questions test your ability to evaluate and draw conclusions from information presented. Each question consists of a set of factual statements and a conclusion. You will be asked to determine whether the conclusion can be proven to be true by the facts, proven to be false by the facts, or if the facts are inadequate to prove the conclusion.
2. **Supervision** - These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.
3. **Understanding and interpreting written material** - These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions **only** on what is presented in the passages and **not** on what you may happen to know about the topic.
4. **Preparing written material** - These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.
5. **Educating and interacting with the public** - These questions test for knowledge of techniques used to interact effectively with individuals and/or community groups, to educate or inform them about topics of concern, to publicize or clarify agency programs or policies, to negotiate conflicts or resolve complaints, and to represent one's agency or program in a manner in keeping with good public relations practices. Questions may also cover interacting with others in cooperative efforts of public outreach or service.

Test Guide & Sample Test Material: A General Guide to Multiple-Choice Tests is available at <http://www.cs.ny.gov/testing/testguides.cfm>.

If you pass, your seniority credit(s), if any, will be included in the computation of your final score. Your final score on the eligible list will be determined after adding any Veterans' credits.

Credit For Seniority: Seniority is credited at the rate of one credit for each five-year period (or fraction thereof), excluding the first year of service.

Admission To The Test: If approved for a multiple-choice test, you will receive an admission notice which will indicate your assigned test date and the way your test will be administered. Your test may be administered with paper and pencil or online at a state test site using a state-provided Chromebook. ***You cannot request to change your scheduled day or request a specific type of test administration.***
