Minimum Qualifications: On or before February 7, 2026, you must be a qualified employee of the New York State Veteran's Homes at the Department of Health or SUNY Stony Brook and have had three months of permanent competitive, non-competitive NY HELPS*, or 55-b/55-c service as a Nursing Home Activities Assistant 1. If you have received a permanent appointment to a qualifying title listed and served provisionally** in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the time in title required for this examination.

Only the title or titles listed are qualifying.

If you were permanently appointed to a qualifying title on or before November 7, 2025, and have served continuously in this title since that date, you are eligible to file for this examination.

**If you were permanently appointed via the New York Hiring for Emergency Limited Placement Statewide (NY HELPS) program to a qualifying title in the non-competitive class on or before November 7, 2025, and have served continuously in this title since that date, you may apply for this examination.*

***If you were permanently appointed to a qualifying title and had provisional service in the same title immediately preceding the permanent appointment, such provisional service may be counted towards meeting the time in title required to apply for this examination. Your provisional appointment must have been on or before November 7, 2025, to qualify for this examination.*

Qualifying Experience For Appointment From The Eligible List: After one year of service described in the Minimum Qualifications, successful candidates will be qualified for appointment from the eligible list.

Employees appointed to a non-competitive position via the NY HELPS program to a qualifying title in the non-competitive class will have their names restricted from appointment from the eligible list until their position is covered-in to the competitive class by action of the New York State Civil Service Commission or otherwise obtain permanent competitive status in the position.

If you have received a permanent appointment to a qualifying title listed and served provisionally in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the one year time in title required for appointment from the eligible list.

The Positions: These positions exist in the New York State Veteran's Homes at the Department of Health and SUNY Stony Brook and are located in Batavia, Long Island, Montrose, New York City, and Oxford.

Duties: As a **Nursing Home Activities Assistant 2**, you would supervise Nursing Home Activities Assistant 1; plan, evaluate, and oversee the delivery of activities and programs for residents; develop appropriate individual and group activities and programs; post current activity calendars and schedules of events; monitor program needs, service delivery, and documentation; and participate in quality assurance and continuous quality improvement studies.

Subject of Examination: To be considered for appointment to this title, you must pass the **multiple-choice test**. The **multiple-choice test** evaluates your knowledge, skills, and/or abilities in the following areas:

1. **Supervision** - These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.
2. **Principles and practices of leisure recreation** - These questions test for a knowledge of the basic concepts and common practices employed in the planning and implementation of leisure-time recreation programs in athletics, social activities, and avocational interests. Questions may cover such areas as program/activity planning for the major user groups, program/activity planning for people with special needs; operation of recreation areas, recreation center buildings, and specialized recreation facilities (pools, tennis courts, etc.); and scheduling of activities.
3. **Preparing written material** - These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.
4. **Understanding and interpreting written material** - These questions test for the ability to understand and interpret written material. You will be presented with brief reading passages and will be asked questions about the passages. You should base your answers to the questions **only** on what is presented in the passages and **not** on what you may happen to know about the topic.

Test Guide: A General Guide to Multiple-Choice Tests is available at <http://www.cs.ny.gov/testing/testguides.cfm>.
