Interdepartmental promotion examination open to all qualified employees of the New York State Department of Transportation and the New York State Department of Environmental Conservation.

For Promotion in State Departments, Facilities, and Agencies

- 1. Within Promotion Units 2. Within Entire Departments 3. To Other Departments**

Minimum Qualifications: On or before June 13, 2026, you must be a qualified employee of the New York State Department of Transportation or the New York State Department of Environmental Conservation and have had three months of permanent competitive, non-competitive NY HELPS*, or 55-b/55-c service as an Equipment Operator Instructor. If you have received a permanent appointment to a qualifying title listed and served provisionally** in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the time in title required for this examination.

Only the title or titles listed are qualifying.

If you were permanently appointed to a qualifying title on or before March 13, 2026, and have served continuously in this title since that date, you are eligible to file for this examination.

**If you were permanently appointed via the New York Hiring for Emergency Limited Placement Statewide (NY HELPS) program to a qualifying title in the non-competitive class on or before March 13, 2026, and have served continuously in this title since that date, you may apply for this examination.*

***If you were permanently appointed to a qualifying title and had provisional service in the same title immediately preceding the permanent appointment, such provisional service may be counted towards meeting the time in title required to apply for this examination. Your provisional appointment must have been on or before March 13, 2026, to qualify for this examination.*

Qualifying Experience For Appointment From The Eligible List: After one year of service described in the Minimum Qualifications, successful candidates will be qualified for appointment from the eligible list.

Employees appointed via the NY HELPS program to a qualifying title in the non-competitive class will have their names restricted from appointment from the eligible list until their position is covered-in to the competitive class by action of the New York State Civil Service Commission or otherwise obtain permanent competitive status in the position.

If you have received a permanent appointment to a qualifying title listed and served provisionally in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the time in title required for appointment from the eligible list.

License Requirement: At the time of appointment and continuously thereafter, you must have a valid New York State Class A commercial driver's license with no air brake restriction.

The Positions: These positions exist in the New York State Department of Transportation and the New York State Department of Environmental Conservation, and are located statewide.

Duties: As a **Supervising Equipment Operator Instructor**, you would be required to plan, coordinate, and supervise all Equipment Operator Instructors in your assigned region under the general direction of the Coordinator Equipment Operator Instruction. You will develop training schedules and prioritize training requests for Equipment Operators; evaluate training programs; compile and maintain records of training activities; compile technical materials, manuals, and charts; and serve as the lead evaluator and instructor at specialty equipment training programs. You may also manage your regions Regional Equipment pool; serve as the regional point of contact for the Statewide Equipment Pool; schedule and rent equipment as necessary; provide technical advice beyond traditional instruction, such as creating specifications and evaluating equipment; and participate as a Regional/Statewide Emergency Response Team Member.

Subject of Examination: To be considered for appointment to this title, you must pass the **multiple-choice test**. The **multiple-choice test** evaluates your knowledge, skills, and/or abilities in the following areas:

1. **Accident prevention and control** - These questions test for knowledge of the principles and practices of accident prevention and control and may cover such areas as causes of accidents, accident rates, behavior and attitudes of workers and supervisors, accident investigations and interviewing techniques, and types of accident prevention and safety programs.
2. **Operation, maintenance, and repair of automotive, truck, and heavy highway maintenance equipment** - These questions test for knowledge of the operating characteristics of various components of automotive and heavy motor vehicle equipment and the proper maintenance and repair procedures to use on this equipment.
3. **Supervision** - These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.
4. **Scheduling work and equipment** - These questions test for knowledge of work scheduling principles and for the ability to arrange work and equipment assignments in a manner that will achieve work goals while staying within scheduling criteria. This may include such areas as setting up vacation or work schedules, taking into consideration such factors as seniority, work skills, duty hours, and shift coverage.
5. **Principles and practices of staff development and training** - These questions test for the knowledge and abilities used to develop and deliver training. They address topics such as the assessment of training needs; instructional design; training methods and techniques; the use of training aids, materials, and technology; motivation; learning theory; classroom management; the evaluation of learning outcomes; and the usage of training-related data.

Test Guide & Sample Test Material: A General Guide to Multiple-Choice Tests is available at <http://www.cs.ny.gov/testing/testguides.cfm>. If Sample Test Material is available for a subject area described above, it can be found at <http://www.cs.ny.gov/testing/sampletestmat.cfm>.

If you pass, your seniority credit(s), if any, will be included in the computation of your final score. Your final score on the eligible list will be determined after adding any Veterans' credits.

Credit For Seniority: Seniority is credited at the rate of one credit for each five-year period (or fraction thereof), excluding the first year of service.

Admission To The Test: If approved for a multiple-choice test, you will receive an admission notice which will indicate your assigned test date and the way your test will be administered. Your test may be administered with paper and pencil or online at a state test site. **You cannot request to change your scheduled day or request a specific type of test administration.**

Applicants are required to have a Personal NY.gov account and keep their email address up to date. The Department of Civil Service and other state agencies will communicate with you through email correspondence. This may include notification of your application status, your test arrangements, examination results, and canvassing you for interest in appointment. It will be important for you to keep your email address, phone number, and mailing address current by logging into <https://www.cs.ny.gov/home/myaccount>.
