Promotion examination open to all qualified employees of the New York State Department of Transportation.

Minimum Qualifications: On or before April 18, 2026, you must be a qualified employee of the New York State Department of Transportation and have had three months of permanent competitive, non-competitive, non-competitive NY HELPS*, 55-b/55-c, or labor class service as follows: Bridge Repair Assistant, Construction Equipment Operator, Equipment Operator Instructor, General Mechanic, Trades Generalist, Highway Equipment Operator, Highway Maintenance Worker 1, Highway Maintenance Worker 2, Maintenance Assistant, Pavement Marking Supervisor, Sign Crew Supervisor, Tree Pruner, Tree Pruner Supervisor, Bridge Repair Mechanic, Trades Specialist (Bridge), Assistant Drill Rig Operator, or Drill Rig Operator. If you have received a permanent appointment to a qualifying title listed and served provisionally** in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the time in title required for this examination.

Important: Experience as a Highway Maintenance Worker Trainee 1 or Highway Maintenance Worker Trainee 2 is NOT qualifying for this examination.

Only the title or titles listed are qualifying.

If you were permanently appointed to a qualifying title on or before January 18, 2026, and have served continuously in this title since that date, you are eligible to file for this examination.

**If you were permanently appointed via the New York Hiring for Emergency Limited Placement Statewide (NY HELPS) program to a qualifying title in the non-competitive class on or before January 18, 2026, and have served continuously in this title since that date, you may apply for this examination.*

***If you were permanently appointed to a qualifying title and had provisional service in the same title immediately preceding the permanent appointment, such provisional service may be counted towards meeting the time in title required to apply for this examination. Your provisional appointment must have been on or before January 18, 2026, to qualify for this examination.*

Qualifying Experience For Appointment From The Eligible List: After one year of service described in the Minimum Qualifications, successful candidates will be qualified for appointment from the eligible list.

Employees appointed via the NY HELPS program to a qualifying title in the non-competitive class will have their names restricted from appointment from the eligible list until their position is covered-in to the competitive class by action of the New York State Civil Service Commission or otherwise obtain permanent competitive status in the position.

If you have received a permanent appointment to a qualifying title listed and served provisionally in that title immediately preceding your permanent appointment, such provisional service may be counted towards meeting the one year time in title required for appointment from the eligible list.

License Requirement: At the time of appointment and continuously thereafter, you will be required to have a valid New York State Class A or B Commercial Driver's License with no air brake restriction.

Appointees to this position will be required to satisfactorily complete a 'one-person plowing' certification program which the Department of Transportation will offer during the probationary period.

The Positions: These positions exist in the New York State Department of Transportation and are located statewide.

Duties: As a **Highway Maintenance Supervisor 1**, you would work as a supervisor for a highway maintenance crew assigned to the operation of various-sized equipment involved in maintenance and repair projects on or adjacent to state highways or structural units. These projects may include, but are not limited to, patching pavements and filling holes; cleaning and repairing ditches and culverts and other drainage structures; cutting grass and other right-of-way maintenance; repairing guiderails and signs; and snow and ice control. On large maintenance projects, you may supervise a phase of the project under the general direction of a Highway Maintenance Supervisor 2. You would operate light trucks and may operate heavy dump trucks, perform one-person snow plowing, and operate other highway equipment. You would be required to answer emergency calls outside of your regular hours of work, perform related work as required, and maintain electronic work records.

Notes:

1. In accordance with Section 52.11 of the Civil Service Law, individuals serving permanently in the non-competitive or labor class in a qualifying title (including those serving under Section 55b/c) who otherwise meet the requirements for taking the examination are eligible to compete in this promotion examination.
2. This examination is being held on a promotion and open-competitive basis. If you are admitted to the promotion examination under anticipated eligibility (i.e., you do not have the required one year of Qualifying Experience For Appointment From The Eligible List) and if you meet the open-competitive minimum qualifications, you may also be admitted to the open-competitive examination. To be admitted, you must apply for the open-competitive examination according to the instructions given on the open-competitive announcement. Once you meet the required one year of qualifying service for appointment from the promotion list, you will not be eligible for appointment from the open-competitive eligible list.

Subject of Examination: To be considered for appointment to this title, you must pass the **multiple-choice test**. The **multiple-choice test** evaluates your knowledge, skills, and/or abilities in the following areas:

1. **Safety practices** - These questions test for knowledge of and the ability to apply safety principles related to public works construction zones, including traffic control, safe use of equipment, and the overall safety of workers, the traveling public, and the work environment.
2. **Plans, specifications, and technical instructions** - These questions test for the ability to understand, analyze, and perform computations based on technical drawings and written presentations related to public works projects. All the information needed to answer the questions will be provided in the written material and/or drawings.
3. **Highways, drainage facilities, related structures, and snow and ice control** - These questions test for knowledge of practices and materials used in the maintenance and repair of highway-related structures and may include such areas as roadway surfaces, shoulders, embankments, drainage materials, guide rails, highway maintenance equipment, and ice and snow removal and control.
4. **Supervision** - These questions test for knowledge of the principles and practices employed in planning, organizing, and controlling the activities of a work unit toward predetermined objectives. The concepts covered, usually in a situational question format, include such topics as assigning and reviewing work; evaluating performance; maintaining work standards; motivating and developing subordinates; implementing procedural change; increasing efficiency; and dealing with problems of absenteeism, morale, and discipline.

Test Guide: A General Guide to Multiple-Choice Tests is available at <http://www.cs.ny.gov/testing/testguides.cfm>.

If you pass, your seniority credit(s), if any, will be included in the computation of your final score. Your final score on the eligible list will be determined after adding any Veterans' credits.

Credit For Seniority: Seniority is credited at the rate of one credit for each five-year period (or fraction thereof), excluding the first year of service.

Admission To The Test: If approved for a multiple-choice test, you will receive an admission notice which will indicate your assigned test date and the way your test will be administered. Your test may be administered with paper and pencil or online at a state test site. **You cannot request to change your scheduled day or request a specific type of test administration.**

Applicants are required to have a Personal NY.gov account and keep their email address up to date. The Department of Civil Service and other state agencies will communicate with you through email correspondence. This may include notification of your application status, your test arrangements, examination results, and canvassing you for interest in appointment. It will be important for you to keep your email address, phone number, and mailing address current by logging into <https://www.cs.ny.gov/home/myaccount>.
